Old Wilsonians' Cricket Club

Welfare of Young People in Cricket Policy

Introduction

It is important that all Club members working with Young People (potentially all of us) behave in an appropriate manner, operating within an accepted ethical framework. This will protect both the Young People and the Adults within Cricket and our Club.

The following provides guidelines on acceptable and unacceptable behaviour when working with Young People. The guidelines are relevant to all Adults (Coaches, Umpires, Team Managers, Volunteers and Parents) working with young People.

Principles of Good Practice

- Ensure that Cricket is fun, enjoyable and fair play is promoted
- Treat all Young People equally, with respect and dignity
- Be an excellent role model – this includes not smoking or drinking alcohol in the company of Young People
- Always put the welfare of each Young Person first, before winning or achieving goals
- Always work in an open environment (e.g. avoid private or unobserved situations and encourage an open environment, e.g. no secrets)
- Build a balanced relationship based on mutual trust, which empowers Young People to share in the decision-making process.
- ECB adopts Home Office guidelines which recommend the principle that people in positions of trust and authority do not have sexual relationships with 16-17 year olds or vulnerable adults in their care.
- Recognise the development needs and capacity of Young People, avoiding excessive training or competition and not pushing them against their will
- Give enthusiastic and constructive feedback, rather than negative criticism
- Ensure any information on a player is to hand, in case of emergency
- Keep a written record of any injury that occurs, along with the details of any treatment given
- Ensure that if any form of manual/physical contact is required, it should be provided openly and according to guidelines provided by the ECB
- Keep up to date with the technical skills, qualifications and insurance in Cricket. If you are a coach, maintain your membership of the ECB Coaches Association and your Coach Licence, to ensure you are insured and up to date
- If groups have to be supervised in the changing rooms, always ensure Parents/Coaches/Officials work in pairs
- Ensure that if mixed teams are taken away, they should always be accompanied by a male and female member of Staff
- Ensure that at tournaments or away/overnight fixtures, Adults do not enter Young People's rooms without following appropriate guidelines, or invite Young People into their rooms
- It is the policy of Old Wilsonians' Cricket Club NOT to transport Young People to away fixtures. This responsibility will rely upon the parents/carers

Poor Practice

The following practice will place Young People and those working with them in a vulnerable position and is deemed to be poor practice. If poor practice is identified through a complaint or referral, this may result in an investigation by the ECB and disciplinary action in terms of the ECB Complaints and Discipline Procedure.

All individuals working with Young People should avoid the following practice.
You should NEVER:

- Spend time alone with Young People away from others
- Take Young People to your home where they will be alone with you.
- Transport Young People in your car alone
- Transport Young People if you are an unregistered driver
- Engage in rough, physical or sexually provocative games
- Share a room with a Young Person
- Allow or engage in any form of inappropriate touching or physical abuse
- Allow Young People to use inappropriate language unchallenged
- Make sexually suggestive comments to a Young Person, even in fun
- Reduce a Young Person to tears as a form of control
- Allow allegations made by a Young Person to go unchallenged, unrecorded or not acted upon
- Do things of a personal nature for Young People that they can do for themselves

If any of the above, or the following incidents occur or are observed, you must report them to the Club Welfare Officer and make a written note of the event using the ECB Welfare Incident Form and inform Parents wherever possible if:

- You accidentally hurt a Young Cricketer
- A Young Person seems distressed in any manner
- A Young Person appears to be sexually aroused by your actions
- A Young Person misunderstands or misinterprets something you have done

Old Wilsonians' Cricket Club Child Protection Policy

Our policy applies to all staff, and volunteers working regularly (which shall mean at least weekly contact) with children in the OWCC and or the OWCC Colts Clubs (“The Clubs”). There are five main elements to our policy:

1. Ensuring we practice safe recruitment in checking the suitability of staff and volunteers to work with children.
2. Raising awareness of child protection issues and equipping children with the skills needed to keep them safe.
3. Developing and then implementing procedures for identifying and reporting cases, or suspected cases, of abuse.
4. Supporting any child who has been abused in accordance with his/her agreed child protection plan.
5. Establishing a safe environment in which children can learn to play cricket and develop their ability.

The Clubs therefore:-

- Establish and maintain an environment where children feel secure, are encouraged to talk, and are listened to.
- Ensure children know that there are adults in OWCC whom they can approach if they are worried.
- Assist children to develop the skills they need to recognise and stay safe from abuse.

The Clubs also:-

- Ensure there is a designated senior person for child protection who has received appropriate training and support for this role.
- Ensure every member of staff (including temporary and supply staff and volunteers) knows the name of the designated senior person responsible for child protection and their role.
- Ensure all staff and volunteers understand their responsibilities in being alert to the signs of abuse and responsibility for referring any concerns to the designated senior person responsible for child protection.
- Develop effective links with relevant agencies and co-operate when and as may be required with their enquiries regarding child protection matters including attendance at case conferences if necessary.
- Keep written records of concerns about children, even where there is no need to refer the matter immediately.
- Ensure all records are kept securely and separate from the main Colt record file and in a locked location.
- Develop and then follow procedures where an allegation is made against a member of staff or volunteer.

Old Wilsonians' Cricket Club

Anti-Bullying Policy

Statement of Intent

We are committed to providing a caring, friendly and safe environment for all of our children so they can train and play in a relaxed and secure atmosphere. Bullying of any kind is unacceptable at our club. If bullying does occur, all children should be able to tell and know that incidents will be dealt with promptly and effectively. We are a TELLING club. This means that anyone who knows that bullying is happening is expected to tell the staff and officials.

What Is Bullying?

Bullying is the use of aggression with the intention of hurting another person. Bullying results in pain and distress to the victim.

Bullying can be:

Emotional: being unfriendly, excluding, tormenting (e.g. hiding kit, threatening gestures)

Physical: pushing, kicking, hitting, punching or any use of violence

Racist: racial taunts, graffiti, gestures

Sexual: unwanted physical contact or sexually abusive comments

Homophobic: because of, or focusing on the issue of sexuality

Verbal: name-calling, sarcasm, spreading rumours, teasing

Cyber: All areas of internet, such as email and internet chat room misuse. Mobile threats by text messaging and calls. Misuse of associated technology, i.e. camera and video facilities

Why is it Important to Respond to Bullying?

Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect. Children who are bullying need to learn different ways of behaving.

Cricket Clubs have a responsibility to respond promptly and effectively to issues of bullying.

Objectives of this Policy

All officials, coaching and non-coaching staff, children and parents should have an understanding of what bullying is.

All officials, coaching and non-coaching staff should know what the club policy is on bullying, and follow it when bullying is reported.

All children and parents should know what the club policy is on bullying, and what they should do if bullying arises.

As a club we take bullying seriously.

Children and parents should be assured that they will be supported when bullying is reported.

Bullying will not be tolerated.

Signs and Symptoms

A child may indicate by signs or behaviour that he or she is being bullied. Adults should be aware of these possible signs and that they should investigate if a child:

- says they are being bullied
- changes their usual routine

- is unwilling to go to the club
- becomes withdrawn, anxious, or lacking in confidence
- comes home with clothes torn or belongings damaged
- has possessions which are damaged or “go missing”
- asks for money or starts stealing money (to pay bully)
- has unexplained cuts or bruises
- is frightened to say what's wrong
- gives improbable excuses for any of the above.

In more extreme cases, if the child:

- starts stammering
- cries themselves to sleep at night or has nightmares
- becomes aggressive, disruptive or unreasonable
- is bullying other children or siblings
- stops eating
- attempts or threatens suicide or runs away

These signs and behaviours could indicate other problems, but bullying should be considered a possibility and should be investigated.

Procedures

1. Report bullying incidents to the Club Welfare Officer
2. In cases of serious bullying, the incidents will be reported to the ECB Child Protection Team for advice via the County Welfare Officer
3. Parents should be informed and will be asked to come in to a meeting to discuss the problem
4. If necessary and appropriate, police will be consulted
5. The bullying behaviour or threats of bullying must be investigated and the bullying stopped quickly
6. An attempt will be made to help the bully (bullies) change their behaviour

In cases of adults reported to be bullying cricketers under 18, the ECB must always be informed and will advise on action to be taken.

Prevention

We will use KIDSCAPE methods for helping children to prevent bullying. As and when appropriate. These may include:

- writing a set of club rules
- signing a behaviour contract
- having discussions about bullying and why it matters

Old Wilsonians' Cricket Club
Changing Room and Showering Facilities Policy

This Changing Room Policy applies to Adults and Young People (under the age of 18) sharing changing and showering facilities at Old Wilsonians' Cricket Club.

The principles adopted by the Club are as follows:

- Adults must not change or shower at the same time using the same facility as children.
- Adults should try to change at separate times to children during matches i.e. when padding up.
- If Adults and children need to share a changing facility, the Club must have consent from the Parents that their child(ren) can share a changing room with Adults in the club.
- If children play for Adult Teams, they and their Parents must be informed of the Club's policy on changing arrangements.
- For matches played at the Clubhouse, at Hayes, the changing facilities in the loft are always available as a separate male changing room.
The Ladies Changing Room is always available to Girl/Lady cricketers.
- Mobile phones must not be used in changing rooms.

Please note that if children are uncomfortable changing or showering at the Club, no pressure should be placed on them to do so. Encourage them to do this at home.

Old Wilsonians' Cricket Club
Colts Playing in Adult Cricket

The English Cricket Board issued guidance in 2011 season concerning young players participating in open age cricket.

When a Colt should be introduced to open age cricket has to be determined by a Colt's coach on an individual basis taking account of ability and emotional and cognitive maturity. The principal considerations therefore are to ensure a player's safety and personal development needs and that there is a benefit overall from the cricket experience.

For this season any Colt who was 13 years old on 31 August 2018 may play in adult cricket without parental consent. However any parental concerns notified to the Club shall be taken into account

Any Colt who was 12 years old on 31 August 2018 may only play in adult cricket with **written parental consent.**

No Colt aged 11 years or under on 31 August 2018 may play adult cricket. There is one exception. This is where a club receives a request from the coach of a young player who is in a county or area squad being not less than 11 years old on 31 August 2018 to play in adult cricket. Please note that this does not apply to District players. In these exceptional circumstances written parental consent is required to be obtained by the Club and will be dealt with on an individual basis as and when necessary.

Selection of players for Old Wilsonians' Cricket Club adult teams rests with the respective adult team captains. The general principle followed is that Colts from younger age groups are not promoted over and above those from older age groups to play in adult cricket unless a Colts' coach recommends this accordingly. Introduction to adult cricket is on the basis of managing this gradually and may initially be by way of friendly matches.

The Parental Consent and Waiver Form included in the Colt's registration pack must be signed if a parent wishes to formally consent to a Colt aged 12 years on the 31 August 2018 being considered for selection and playing in adult cricket
