### The weather and the newsletter

Because of the weather emergency plans have had to be made with regard to the production of your weekly newsletter.

Normally your editor hands over the proofs to Terry Adams on Monday mornings at London Bridge station for him to forward to Fred Brindle, who then photo-copies them in readiness for the editor to pick them up on a Tuesday night before posting them to you.

As the current conditions make it unlikely that two people can arrive at London Bridge at the moment within four hours of each other, it has been decided that the editor will do the photo-copying this week, although don't tell my employer!

As a consequence the length has had to be reduced and although the fact that no games were played last week-end helped considerably, the 5<sup>th</sup> XI report of an earlier game, which arrived through the post during the week, has been held over.

Apologies to this side although, of course, the real message is that if you submit your reports on time, this problem will not arise!!!

### Race Night

Our Race Night took place on February 2<sup>nd</sup> and Ian Pilgrim, the intrepid organiser, would like to thank all those who attended and reports that it produced a profit of approximately £400.

A special 'thank you' to all of the race and horse sponsors for their generosity and to Alex Forbes for stepping in at the last minute to operate the projector. Additional thanks to Bruce Graham, Clive Peckover, Mike Harris, Mike Galvin, Ian Forbes, Bryan Watts and Neil Kendrick on the night, and not forgetting George Wing and the bar staff; thank you all for making the night a success,

And, of course, a special thanks to Ian (Pilgrim) for making the event possible.

### Club Games Night - March 2<sup>nd</sup>

Our next fund-raising venture, and fun evening, will be a Games Night on:

#### **Saturday March 2<sup>nd</sup>.**

Each team will consist of six players and the games involved include darts, bar skittles, indoor bowls, pool and, who knows, perhaps the odd drinking game!

There is an entrance fee of £15 a side, so please give Neil Kendrick or Ian Pilgrim the details of your team.

### Association Dinner - February 22<sup>nd</sup>

Not much time left now to get your ticket – a bargain at £14 – for the Association's Dinner on

#### **Friday February 22<sup>nd</sup>**

This is your chance to see some old school friends who do not play football, as well as those who do, so let Malcolm Taylor know of your intention to attend.

### Leavers; Supper - March 27<sup>th</sup>

**Wednesday March 27<sup>th</sup>** sees the Association's annual Leavers' supper at the Club, preceded by two games of football between the School and the OWs, kick-off 3-00 p.m. If you can play please let Andy McClinton know as soon as possible. If you cannot play then please endeavour to come along in the evening to support this important event and encourage the youngsters to play for the OWFC.

*Pete Davis has sent me the following email*

Hi Mike

Sad news and I know word is moving round.

Recalling 'Spud' is like trying to remember the best of Spike Milligan as 'Spud' had a very similar sense of the ridiculous as I recall.

However the strongest memory most of us have, I suspect, is his total dedication to Hyde Park Corner. Every journey to an away game seemed to always circumnavigate this now ruined major road junction (Traffic lights have taken all the fun out of it I think) as we finally peeled off down either Knightsbridge or, more likely, Park Lane.

No idea why, but I guess his internal compass was centred on that Roundabout and, as I now live in Milton Keynes, I know a thing or two about roundabouts!!

Anyway, 'Spud' will be missed by many who enjoyed his rather whacky sense of humour and, of course, our thoughts are with his family.

I cannot make the funeral (I have told Dave Mew) but I hope many will.

Best regards

Peter

The editor adds:

'Spud' was a great wordsmith – he wrote a number of books, one of which is about to be published – and his match reports were one of the highlights of the newsletter and, somehow, he invariably managed to make a reference within them to the way in which the autumn leaf fall disrupted rail services. He was liked by everyone and despite the fact that he knew he was dying, he never showed any signs of feeling sorry for himself. I last saw him at the OWA Dinner in 2014, where he was, as ever, excellent company. We will all miss him and our thoughts are with Linda and his family

### WIND PROPELS 2NDS INTO ANOTHER CUP SEMI-FINAL 2<sup>nd</sup> XI 3 3 Alleyn Old Boys Reserves 2

Another week, another cup game and another long list of absentees!

The wind was to play havoc in this game and we started off against it. Despite this we began well, and had a few half chances from set pieces, with Scola being the main culprit. James Karamath was also causing problems and missed a great chance to give us the lead when 1 on 1 with the 'keeper.

Alleyns then scored with their first attack, a quick break leading to a shot which bounced over the hand of Ashworth in goal. This gave Alleyns confidence and the two Wilson's centre backs were really struggling in the gale. Despite this we got back into the game when excellent work by Karamath resulted in an outside of the foot cross and **JACK COWELL** was waiting to head home.

Alleyns dominated the rest of the half, and they soon got a second after Scola left a back pass short, soon after which they hit the bar from a corner, but we continued to threaten and held out.

We were a bit unlucky to be down but knew that we now had the conditions in our favour for the second half. We dominated territory but failed to put many meaningful chances together. Karamath was still our main threat, and we went close from a couple of set pieces.

The turning point came when **MICHAEL DENNY** was introduced, and soon after entering the game he latched onto an Ashworth punt and managed to lob it over the 'keeper, and minutes later he squared the ball to **JACK COWELL**, who rifled home from 20 yards out. The remaining minutes continued without incident and we are into another semi final.

Once again we made hard work of it and we need to score when we are on top. Jack Cowell won 'mom' but an honourable mention to Stuart Dunk, who got straight off the plane from the States to put in a 'titles' effort in the middle.

#### HONOURS EVEN AT WIND-SWEPT ALLEYN'S Alleyn Old Boys 1 1<sup>st</sup> XI 1

The 1's and Alleyns battled out a 1-1 draw in a gale force wind and on a difficult pitch. The 1's welcomed back Childs and Parkinson to the starting 11, whilst Armitage stepped in for the injured Hilton. Alleyns started off the better and had two half chances but it was **CHILDS** who gave the 1's the early lead when a kick from Armitage was met by his deft volley, which lobbed the 'keeper.

This did not stop Alleyns pressing forward, with their two wide players a constant threat whilst, at the other end, Wilsonians nearly made it 2-0 after pressure from Parkinson's corners. The 1's had one let off, when the Alleyns centre-forward failed to finish from 12 yards. The game ended 1-0 at the break, with the 1's disappointed they had only scored one with the wind.

And that feeling was to get worse just one minute into the second half when a soft free kick was given by the referee, took an awkward bounce and the game was 1-1! There then followed a difficult ten minutes for the 1's as Alleyns, with the wind, piled on the pressure. But good defending from the likes of Evans and Karamath kept the scores at 1-1.

The 1's then started to look a threat. A fantastic move done the right, involving Middleton and Parkinson, released Bratterman, whose lob just drifted wide. Bratterman then went close with 10 minutes remaining, a run by the excellent Gravesand giving him space in the box, but an excellent block, with the ball going, in meant the scores stayed at 1-1.

It was left to schoolboy Chen to have the final chance, a great touch in the box but, again, his volley was partially blocked, taking the pace off the ball.

The game finished 1-1, with great credit to both sides, who tried to win the game on an awful pitch in gale force winds.

Special mentions to the hard working centre midfield pairing of Akkaya and Middleton, and Parkinson for trying to impersonate Dirk Kuyt and putting in a big shift in for the side. Chris Wells Armitage; Evans; Karamath; Shaw; Gravesand; Middleton; Akkaya; Steadford; Parkinson; Bratterman; Childs. Subs: Chen; Wells

#### WE JUST CANNOT PLAY IN THE WIND Old Salesians 3<sup>rd</sup> XI 4 9<sup>th</sup> XI 0

The wind-swept plains of East Ewell were the setting of the mighty nine's latest battle. With no subs, and gale force winds, we knew we had to fight hard to get anything out of this game. With the wind behind us in the first half, we enjoyed the lion's share of possession, but failed to make it count, hardly testing the 'keeper, despite some nice build-up play.

At half time it was 0-0, and we were confident we could at least keep a clean sheet, since Salesians had not offered much threat either. However, the wind picked up even more, and getting the ball out of our own half proved very tricky indeed. We were sloppy in possession, and Salesians took full advantage, scoring twice on the break in quick succession.

Their third goal, with two players clearly offside, really took the wind out of our sails, and they quickly added a fourth. They won a penalty, when Pawel Wrona was harshly adjudged to have handled in the area, but the imposing frame of Nev Spencer clearly put their striker off, as he skied the ball a mile

over the bar. Not an enjoyable afternoon, but excellent keeping from Nev at least kept the score-line respectable!

### THE WIND BLOWS US TO THE TOP Bank of England 5<sup>th</sup> XI 1 8<sup>th</sup> XI 2

Yeah yeah yeah, we are still about. A notoriously windy week - last week was a tornado, this week was a hurricane in comparison.

A long trip to Roehampton and, with traffic, a few nervy 'are we gonna have to start with 10 men' moments.. We started with 11 and a little slow... The cold wind slowed us down as we were against it. With that we produced a solid performance as a team, defending all over the pitch and clearing our lines against the wind effectively. Opportunities for both teams were at a premium and, in all honesty, it was a battle in the first half but with little excitement by way of shots - 0-0.

Without the disadvantage of the wind we stepped up and started to dominate the game in the second half. Our quality started to show - organised, disciplined and tigerish, we were in for almost every tackle and fast to get the ball to our strikers and wingers, whose touches were class. Stride collected the ball well and drove forward for our first goal, playing the ball across the box for **JONES** to calmly slot the ball into the back of the net - 0-1.

We had a few opportunities and played with pressure, winning a few corners. The opposition got back into it with a goal after the wind interfered with our clearance and their winger managed to get the ball past two tackles and into the top corner after a deflection. Immediately we were back in it with a clearance out to the wing, and some excellent play by Prowting to whip in a curvy cross, which only had to land onto **EGLON's** diving head to plant itself into the back of the net - 1-2.

We hit the post and made some important blocks and slide tackles near the end of the match. Our pressure from the front gave us confidence and our 'keeper was quick off his line, sweeping up every ball. It was a great second half and we really dug deep and worked hard as a team - on to the next one.

### GONE WITH THE WIND 5<sup>th</sup> XI 1 Alleyn Old Boys 5<sup>th</sup> XI 3

Horrible windy conditions on an exposed pitch greeted both teams as they ran out to play each other for the first time this season. Whilst the 5's season has stalled on the back of a tough run of fixtures, Alleyn Old Boys were looking like being one of two possible winners of the league, and we knew we were in for a tough game.

Kicking off Old Wilsonians were playing into the wind and up quite a slope. I say 'playing' but, essentially, it was a case of trying to keep the ball away from our box any which way we could. Basic and ugly was the level of football, the ball often spinning back on itself if it came off the ground. Guy, Rhodes and Billing were doing well to pick up the flight of the ball most times and clear the danger.

Alleyns were dominating possession whilst we sat back soaking up the pressure, looking to the odd counter attack through Nick and Ceejay to stop the flood of attacks. To be fair Alleyns did not really create anything, and it took a 'beach ball blowing in the wind' type shot to beat Dave in goal. It's going left, no, it's going right, no left, oh it's gone straight down the middle... 1-0 at half time was, to be fair, a great result and we looked forward to playing with the wind behind us in the second half.

Immediately you could see the difference, as we started getting our foot on the ball and Roffey and Edd began creating some attacking chances. A free-kick was brilliantly whipped in by Plattsy, and **EDD HINDLEY** (this is not a typo people) rose superbly to smash in a header to make it 1-1.

Almost immediately Alleyns hit back, and, to be fair, it was a great goal. Nathan had been superb at right back all game and was a runner up for 'MOTM' to the eventual winner Edd, but could do nothing as a smart one two let loose their dangerous and very quick left winger, who crossed superbly to find his team mate at the far post with a side foot finish that left Dave with no chance; one of those goals where you have to say "fair play, that was pretty good!"

Wilsonians had a chance to equalise almost immediately, a good interchange up front with Club Legend Jonny Q freeing Nick up in the box. His first shot hit the post, his second the 'keeper and his third was agonisingly blocked on the line.

The 5's started to pay for a lung busting first half and only having one sub to their three, tired legs letting Alleyns start to dominate again with some slick passing as the wind dropped off a little, and 2-1 became 3-1 with their tricky winger causing havoc again. We would have smashed him had we been able to get near him!

We did create a few half chances but could not get ourselves back in the game. and the whistle brought to an end a frustrating game against probably the best passing side we have played this season. With an away fixture still to come, hopefully we can have an actual game of football next time. Anon
