### A LONG WAY TO GOR FOR NO REWARD    Old Alpertonians 3    2<sup>nd</sup> XI 2

Well, just when I did not expect to play I got a 'phone call and an hour and a half's trip to North West London later and the 2<sup>nd</sup> XI were ready for this quarter-final tie of the London Old Boys Cup.

Forty-five minutes later, and two goals adrift, the side woke-up to realise there was really a game to be played.

Fifteen seconds into the second half and Stuart Paton had christened his baby's head by latching on to a bad back pass and setting up **NICK TARN** for a goal.

Pressure by the 2<sup>nd</sup> XI then could have produced an equaliser long before **STUART PATON** slotted Neil Treacher's wayward shot home with 20 minutes to go. And, as they say, "After that it was end to end stuff" until an Old Alpertonian forward seized on to a half-cleared corner to curl the winner into the corner over Nick Mole's head.

A good game, which could have gone either way in the second half and in which a team near the top of a division above us, i.e. Alpertonians, admitted we gave them their hardest game of the season.

### 2NDS ON WRONG END OF AN UNLIKELY DOUBLE    Glyn Old Boys 4    2<sup>nd</sup> XI 3 (P.Feb 2<sup>nd</sup>)

To say this was a disappointment would be a huge understatement – having climbed the table into a promotion spot, we lost to a team at the bottom!

The game had started well enough with the 2nds taking the lead through a **DARREL GALVIN** toe-poke from three yards. But Glyn equalised immediately from a corner, due to slack marking.

This stung the 2nds into their best spell of the match in which they scored twice from neat passing movements – a lesson there somewhere. The first was neatly finished by **STUART PATON** whilst the second was slotted home by **KEVIN LAW**.

The 2nds then relaxed and Glyn came back into the game with their centre-forward finding an acre of space in the penalty area and miss-hitting his shot under Alex Reeves's body. A rousing team talk at half-time made little difference and Glyn equalised when Alex Forbes slipped a perfect pass to their right-winger!

At the other end Ashley Dyer spurned two good opportunities to put us back into the lead, so it was left to Glyn, who I don't think have won a game since they last played us, to win this game direct from a corner, which just about summed up our day.

The format of the day is as follows:-

12.00 Bar opens

1.30 - 2.00 Meet at Clubhouse prior to the dedication of the plaque

2.00 'Mac' dedication with a few words from Les Wilks.

Pat McAlister, and other members of the McAlister family, will be in attendance whilst some of 'Mac's' ashes will be scattered on the Memorial garden

2.30 Retire to the bar for drinks and a buffet lunch

During the day there will be 4 home Football matches, including both the 1<sup>st</sup> and 2<sup>nd</sup> XI playing at Hayes whilst the 8<sup>th</sup> and 9<sup>th</sup> XIs play each other at Hawes Down - all games kick-off at 2-30.

'Mac' would have loved the idea that we can reminisce, particularly about how he perfected the sliding tackle!

### NOT A GREAT PERFORMANCE BUT POINTS SECURED 2<sup>nd</sup> XI 3 Old Owens 1

On a wet pitch the 2's did enough to collect 3 points against a spirited Owens side. However they know that there are tougher tests to come and we must play at higher intensities and be more ruthless.

We knocked the ball around well all game but not quickly enough. Early on we got into great positions but the final ball was often lacking. Eventually we took the lead when a great ball from Simmons was latched onto by **KARAMATH**, who cut inside and finished well. At this point Owens came back into it. Dunk put in a great last minute challenge and we were lucky to survive when Owens hit the bar from a set piece. Right on half time we scored a breakaway goal. Karamath got in behind, Denny's shot was saved but **STEADFORD** was on hand to slot home.

At half-time we said we needed to kill the game off and not let them back in, so what do we do? Gave away a pathetic goal and gave them a sniff. To be fair after that we shut up shop and they did not really test us. We continued to press on but only had a **BONSELS** tap in to show for it.

Not a great performance but 3 more points. Alex Sampson had a great game at right back and got 'mom.'

### SECOND HALF SET UP 8<sup>th</sup> XI 3 Old Blues 4<sup>th</sup> XI 2

No music in the dressing room this week, a wet day, a little cold and playing on the Hayes pitch for the first time in a while; game on.

Calm was not the word in the first few minutes as the opposition's chipped through balls down the middle, L1 TRIANGLE-esque, caused a few problems and one such instance led to an early set back with their striker bringing the ball down and driving at our 'keeper who could not reach the ball. Open goal and down early on, the sort of start that would have us conceding a further four goals last year.

But it was not to be...top of the league and out to prove it. From then on we all put 123% in. Everyone worked for each other, we were in on every tackle, header and loose ball and from that determination we had a few chances, with balls into the box from the left and right, but were unable to capitalise. We tried playing our pacey striker, T.Cosstick, down the channel and he held the ball up immensely, but we could not get that last chance. Before the end of the half, after some grit on the right side of the field, where we won the ball after a succession of tackles, Page played the ball to McAweany who had two attempts at a cross and the second reached **PROWTING** after the 'keeper could not parry it away to settle the scores - 1-1.

We did not stop there, and the second half start was emphatic. After some great play on both wings the ball was at Eglon's feet, who played **PAGE** through and his composure, despite having two men on his back, saw him slot the ball into the bottom corner..sweet. The opposition were looking shaky at the back and every pass started going astray. They were not able to get the ball over our defence as much either. Our passing game stepped up significantly too, and we opened up the pitch and had great play on both wings, leading to chances in the box.

The next goal came from a superb free-kick, won by Eglon, who we are currently praying for as he sits in a hospital as I write this following a late challenge, and **WICKS** was able to curl in his trade mark David Bentley free-kick - not quite 'Becks', but close, with a little help from the 'keeper - 3-1.

Our grip remained on the game and we could have had more. Page and T.Cosstick, being the youngest on the pitch, showed everyone up with great tackles and control, both in the middle of the pitch and upfront.

The boggy pitch unfortunately gave their midfield a good opportunity to play the ball through the middle as the ball stopped in the mud and gave them an outlet to grab one back.

Nevertheless, we stood firm, played as a unit and worked hard to cover one another when we attacked. Organised and determined, some would even call it passion.... Himish Patel

Team: E.ADAMS, PATEL, SPARROW, WALKER, K.AMANKWAH, WICKS, PAGE, PROWTING, MCAWEANEY, EGLON, T.COSSTICK, DE SOUSA

#### NEED TO MAKE POSSESSION COUNT 9<sup>th</sup> XI 1 Bank of England 5<sup>th</sup> XI 4

Our first home game in quite some time saw the mighty nines face Bank 5's on the sloppy bog known as Hawes Down.

We had beaten them 4-2 on their patch, so, as ever, were confident going into the game. However, Bank dominated the opening exchanges and when our defence failed to clear a fairly innocuous cross, their striker's scuffed shot bobbed over the line. They made it 2-0 from the spot after their striker was taken clean out – no arguments from us; it was a penalty.

After some stern words at half time, we started to get into the game, enjoying good possession and creating chances, and we made it count when a fine corner from Mark Mace met the head of – wait for it – **AL FORBES**, who expertly guided the ball into the back of the net - 2-1 and game on.

We dominated the next period of play, with debutant striker Owen Dannelly particularly impressive, but we could not make it count, and Bank caught us on the break twice more. The best team won, but we had our moments – we just need to be more clinical when we are on top. Good to see Forbes score his first goal since the 1980's, and he was very modest about it and barely mentioned it in the bar afterwards... !!!!! MOM: Fred Chinnery Roddy Trompiz

Team: Nev Spencer, Matt Gundry-White, Fred Chinnery, Matt Hallett, Andrew Hoffmann, Roddy Trompiz, Mandeep Dhariwal, Chris Jerome, Steve Chinnery, Mark Mace, Owen Dannelly, Al Forbes

#### SPOT THE LEAGUE LEADERS 7<sup>th</sup> XI 1 Alleyn Old Boys 6<sup>th</sup> XI 1

Ten minutes before kick-off things did not look too promising. The Alleyns powerful, league-leading squad were completing their impressive 30 minute pre-match preparation routine while we were in total disarray, with just eight players having turned up (for a home game!). The injured Bruce Graham and Connor Hammond, a friend of Kenny, hastily kitted up so we were able to kick-off with ten men and we were fortunate that Dave Pilgrim also arrived to enter the fray after a couple of minutes.

Naturally Alleyns totally dominated the opening ten minutes as we tried to sort out a formation, with Dave Pilgrim taking over in goal, and our regular 'keeper, Dave Daly, coming out onto the pitch as a full back. We gradually grew into the game, in particular after ten minutes when Will Gunnell arrived, enabling Bruce to substitute himself. As the match progressed, it was clear that we were beginning to get good possession and it was against the run of play that Alleyns scored a fluke goal when their striker punted a hopeful ball up into the air, which Ash Phakey was unfortunate to divert into the net when it bounced back off the angle of our crossbar and post. We were quickly back in the game, however, when a fluent passing move, involving our 5 mid-fielders of Gunnell, Hammond, Gilson and Davy ended with Nelson squaring the ball back to **DYKI** to slot into the corner of the net from just inside the penalty box.

In the second half you could have been forgiven for believing that we were the league leaders because we continued to improve, passing the ball around with increasing confidence and creating some good openings. Alleyns, by contrast, were relying on hopeful punts up the ground, which our makeshift defence was dealing with competently. Every player seemed to up their game and the whole side played with an enthusiasm and commitment that I have not seen this season. We felt unfortunate, therefore, to be unable to convert this superiority into a win by the end of the game, although we would certainly have settled for a draw at kick-off.

The entire team should be applauded for their commitment and passion. Dave Daly, playing outfield for the first time for many years, was a revelation, defending aggressively, distributing the ball efficiently and even having a header cleared off the line when he went up for a corner. Connor

Hammond, who is used to playing at a far higher level, put his all into the match despite receiving some rough treatment from the bemused Alleyns defenders. Tyler Gilson also shone out with his non-stop running and tackling and was particularly unlucky when his 40-yard screamer smashed back off the crossbar. Dave Pilgrim earns a special mention for an incredible one-handed save from point-blank range in the dying minutes of the game. Also a special thanks to Chris Billing and Chris Dyki for turning up at short notice to help us out.

There were many contenders for Man of the Match award but Dave Daly won the vote deservedly and unanimously.

Bruce Graham

Team: Pilgrim D, Daly, Phakey, Billings C, Dyki, Gilson, Graham B, Nelson, Gunnell W, Hammond, Davy, Maxwell
