

Changing Facilities Guidance

Club Welfare Officer

Nick Thompson

Old Wilsonians Squash Club is committed to a safe, inclusive and positive environment for children, young people and adults at risk. We adopt England Squash's safeguarding framework and implement best practice at club level, including clear reporting, safer recruitment/DBS, training, supervision, and information sharing protocols.

Access & Supervision

Provide separate changing arrangements for juniors and adults where feasible; supervision occurs outside changing rooms; no photography.

Good Practice

Coaches/volunteers may only enter changing areas if necessary for safeguarding and, where possible, with another adult present.

Reporting & Recording: If anyone is in immediate danger, call emergency services. Otherwise, raise concerns with the Club Welfare Officer (Nick Thompson) and/or via England Squash's reporting routes. Use the club log of concern to record facts, actions and decisions, store securely, and share on a need-to-know basis.

Club Welfare Officer: Nick Thompson is the named Welfare Officer for the club. Contact details are published on the club website.

Review: This policy will be reviewed annually, or sooner following an incident, change in legislation, or England Squash guidance.
