OWFC Business Code of Conduct / Annual Subs

A new season is upon us . With a further influx of juniors and schoolboys , plus training and a couple of teams playing through the summer. Our hopes are high. We have 7 teams on Saturday & the Vets on Sundays playing league football . Supervets will continue to play friendlies on Sundays.

We have kept annual subs for 21s & over in employment to £150 & under 21s in employment £75, both pay £10 weekly subs . If you are playing 4 or less games you will pay £20 match fees , but no annual subs. Junior members paying annual subs to the junior section & schoolboys pay no annual subs but pay £5 weekly subs. Vets due to the number of games pay annual subs , Supervets pay £50 annual subs & £10 per game match .

Unemployed please chat to your skipper or Stu Dunk (treasurer or me (asst treasurer) and we will agree something that is workable for you as we want you to play . Annual subs are due on 30th September 2025 . We are using Pitchero & you should have an email to confirm your details, receive newsletters , about events also paying your annual subs or outstanding fines like yellow and red cards.

Why the rise in annual subs ? our rent to the association has gone up by 7.5% this season taking it above £24,000 per annum . The reason is ground maintenance (looking after both hayes & Hawesdown) costs £71,000 per year (up from £60,000 last season due mainly to the extra cost of running Hawesdown), utilities has gone from £21,000 in 2021 to over £54,000 in 2025. So it is important you pay your annual subs on time as we look to break even. Its also important you support events not only so you meet players from other teams but also have some fun & hopefully we make a bit of money , which will hopefully keep your annual subs as low as possible Also find a code of conduct we expect all our member to follow. Please read them as this is the minimum we expect as a club. Here's to a great season , good luck & enjoy

Match Report

Old Wilsonians 1's title ambitions remain firmly intact after a hard fought 2-2 draw with Southgate County in a top of the table clash at fortress Hayes.

Monday night regulars quickly got to grips with Danny's warm up drills, while others spent the time learning how to stop the ball.
From the first whistle, Wilsonians were sharp and composed, knocking the ball round nicely. Their early pressure was rewarded when Josh Eves' ambitious shot from the right swerved across goal. Whether shot or cross it mattered little. Jake arrived at the back post and applied a composed finish to give the hosts a deserved lead.

Southgate struggled to contain the movement and tempo of the league leaders, and the advantage was doubled before the break. Sam Wright collected the ball just outside the box, shifted it onto his right foot and drilled a fierce effort inside the near post, catching the goalkeeper out and making it 2-0.

At 2-0 up by half-time, Wilsonians were in complete control, their intensity felt too much for their title rivals.

Half time
Southgate emerged after half time with their ears still ringing and a renewed sense of urgency. Wilson's soaked up the pressure and were able to find the net a third time through Gow's backwards pass, tapped home by Jake from way behind the ball. Celebrations were cut short as the ref called for offside, keeping the score 2-0.
Against the run of play Southgate found a comeback goal and were back in the game. With the score line at 2-1 there were nerves around Hayes. Shortly an equaliser followed in similar fashion and it was all square.

It was a cruel turn for Wilsonians, who had been so assured before the interval and now found themselves battling to go back ahead.

Both sides pushed for a decisive third in a frantic finale, yet neither could find the breakthrough. The 1's now travel north for the return fixture looking to bring home all 3 points.

SCORE - 2-2
GOALS - Jake O'Sullivan, Sam Wright

London Welsh 2XI vs Old Wilsonians 4XI

Let's set the scene.
When: 21st February
Where: Barnes Rugby Club (where else)
Why: Away day in the 9th tier of the SAL
Who: Old Wilsonians 4XI

The sun was shining, the rugby lads were drinking each others piss and the smell of victory was in the air, could the conditions for a top of the table killing get any better. Well yes, yes they could. The pitch was small and narrow and you'd struggle to find more sand at Cambersands than in the hurriedly filled in craters littered throughout the pitch.

The game started in typical slow fashion for the 4XI this season. Possession was hard to come by the first 20 minutes and off the back of that pressure we found ourselves 1-0 down from a poor free kick that bounced and bobbled around before be poked into the net. Another set piece going against us.

When heads are low and bickering begins you need someone to rise above, to stand tall, to be the beacon of shining light. We needed a King, a king that reminds us we are pussyholes, but we're his pussyholes. Galvanised by his royal decree "this is my last game, I'm never playing for this shit team again, you're all fucking shit, I give up my Saturday to come all the way to west London to play in this shit, fuck this", we had the belief to get back out there. One man who didn't just hear the words but truly felt them was *N.Reid*, who took it upon himself to receive the ball, roll his man, stride forward, chop back and get chopped down. The LB committing one of his multitude of ill timed fouls. And it's a penalty for the OWs.
With craven cottage as the backdrop and Raul Jimenez words "One needs to be of a mindset that to be champions of the world anyone can be beaten, and that's what we want, what we dream about", ringing in *H.Taylor* ears, there was only one outcome, 1-1.
Half time and some home truths. There cannot be one voice on the pitch and it cannot always be the same voice. Everyone needs to communicate better throughout the team.

The second half started brightly with some good work down the wings by *N. Reid* and *J. Amponsah* and some nice link up with our ST *S. Margetts* who had a very nearly moment with a beautiful effort outside the box that could've been a contender for goal of the season. The football gods were truly smiling down on us, we scored from a set piece and it was none other than the tank himself *S. Davies-Winifred*, proving that gravity won't stand in your way if you never skip leg day. 1-2.
The 4XI could taste fear from the Welsh London boys and by jove did it taste good. Clearly *D. Holmes* hasn't been getting fed at home because that man was hungry for a challenge. His relentless pressing won us the ball back high up the pitch and it was that man again, *N. Reid* who pokes it home, 1-3.
You'd think the pure footballing excellence on display would have been enough for the travelling support. But not for *B.Joshua*, who held off on unveiling his peroxide blonde hair until the spotlight was firmly in his direction, cries of "stamp stamp stamp" got the attention of the players and the ref and it was in this moment, as the centre of attention that he decided he'd play physio for the injured opposition on the sidelines. "Howay man me hammies fucked" was all Busia needed to hear, he turned and locked eyes with *E.Tiffin*, who removed the physio stick from his person, and launched it, the speed and efficiency of the handover the envy of the relay world. Some vigorous rolling out later and we had conceded, we can't blame the touchline shenanigans for a goal conceded can we? 2-3 and DoD confirmed.
The last 10 minutes were backs to the wall defending, with lots of opportunities squandered, including an open goal, we shouldn't have put ourselves in this position. *G. King* was fantastic between the sticks again, leading from the back and making big saves throughout, you wouldn't have thought his best save would come against one of our own though. A dodgy bounce and a wayward clearance found the ball arrowing to the top corner, but for the cat like reflexes of G. King we would have drawn this game.
BUT we held out and came away worthy winners.
Another fantastic display and effort from the boys, we are getting better and growing as a team every week. We play the same team next weekend, this time at fortress Hayes, get yourselves down to the clubhouse to roar on the 4s.
The journey home was disc jockeyed by *F. Dolan* and he couldn't resist dropping some classic Marshall Manthers in honour of our DoD / Physio / Slim Shady. Do we all get a turn on the physio stick next weekend?

MoM - S. Davies-Winifred and G. King
DoD - B. Joshua

Match Report: Old Wilsonians 7th XI 0–3 Tenison
Venue: 2nd Pitch, Hayes
Conditions: Wet, heavy surface
Manager: Alex Forbes
Coach: Doug Forbes
Mascot: Kobi
Squad:
Danny Morris, Jack Curtis, Pete Taylor, Casey Munyakazi, San Phakey, Bruce Graham (C), Bruce Stringer, Tristan Brink, Russell Knight, Brandon Bryan, Dan Hartnup, Joe Barile, Zack Ameke-Evans, Jack Larkman, Liam Charlesworth.

A Huge Step Forward
Our first meeting with Tensons this season ended in a tough 0–10 defeat — a real men-against-boys experience. Before kick-off today, the message was clear: embrace the challenge, compete, and have a real go. And from the first whistle, that's exactly what we did.
First Half: Courage & Discipline
Tensons, as expected, dictated much of the early play and controlled the midfield. But unlike the first match, our defensive shape and commitment were outstanding.

Pete Taylor commanded the back line brilliantly.
Casey, Jack, and Sam threw themselves into tackle after tackle, keeping us firmly in the game.
And Man of the Match Danny Morris produced a superb goalkeeping performance — dominating his box, making multiple big saves, and showing incredible confidence despite the conditions.

Alex Forbes rotated the central midfield throughout the half to help us gain a foothold, and gradually we began to grow into the match.
The deadlock was finally broken by a spectacular 25-yard strike into the top-left corner — a goal no keeper in the league stops.
Half-Time: Belief & Adjustment
The message at the break was simple:
Keep the ball better, keep working them, and chances will come.
And they did.
Second Half: We Take the Fight to Them
We started to break with real purpose. Several times the ball bounced around their six-yard box during goalmouth melees, and on another day we absolutely would have found an equaliser.
Everyone worked tirelessly, matching Tensons physically and competing for every second ball. As we pushed forward late in search of a deserved leveller, we were caught twice on the break in the final minutes — harsh on the balance of the second half.
Respect to the Opponents
Tensons will almost certainly walk our league, and to be fair, they probably deserve to. They're the strongest side physically, well-organised, and they play proper, fair football.
Onwards & Upwards
This was a massively improved performance from the first match and a genuine statement of how far we've come:

Better shape
Better fight
Better mentality
Belief across the team

Balham Vets vs Old Wilsonians Vets

The game started brightly and evenly, with OWs deciding to sit deep and allow Balham possession in the early exchanges. Despite Balham seeing more of the ball, the game remained fairly even. Parkie and Dave McLeish did an excellent job breaking up play in midfield, while at left back Gabriel kept Balham's lively number 10 under control.

Balham delivered plenty of balls into the box, but Stephen Marshall was equal to everything thrown at him. A well-timed clearance eventually fell to Nick Serff, who played the ball into the channel for Gary Bonsels. Bonsels produced a lovely pass out wide to Ed McLaughlin, who then delivered a superb cross into the box for Mal Smart to fire in off the inside of the post. Balham probably felt hard done by going into the half-time break trailing 0 - 1.

In the second half, OWs knew tactical adjustments were needed to stem the Balham tide. On came Mark Pembers and Amit Jethwa, with Ed McLaughlin shifting to the left to prevent their right-back from pushing forward too freely. Balham continued to dominate possession, but the changes had an immediate impact, limiting their midfield three on the ball.

Frustratingly, Balham's equaliser came against the run of play. After a promising OWs attack forced a hurried long ball from their goalkeeper, their forward found himself one-on-one with Stephen and finished well. Bonsels and Serff both fired over the bar before Balham took the lead in the final 10 minutes with a near-post header from a corner.

OWs continued to press, and Jamie saw an effort cleared off the line in the last 3 minutes before Balham broke away and scored what appeared to be an offside two-on-one finish against our keeper.

It was a great effort from the boys on a pitch that deteriorated as the game wore on. Special mention goes to Gabriel Cozma, Ed McLaughlin, and Stephen Marshall, who all had excellent games. Dave McLeish was also fortunate to escape with just a clip to the back of the head after chopping down their center midfielder 4 times before the referee decided to blow his whistle 😂

BAD TEMPERED SUTTONIANS HAMMERED 8th Xl 11 Old Suttonians 1

The 8th Xl ended this game with mixed feelings despite an emphatic victory over Old Suttonians. It was another three points in a superb victory but the attitude of Old Suttonians, both on and off the field, tempered the triumph.

They arrived with only ten men and little kitb between them and once the game started they seened more intent on kicking, swearing at and threatening us than playing football!

As a consequence the 5th Xl went into the break 5-1 up, with goals from **HOWARD DAWS, TOM JAMES and GARY BONSELLS,** but it should have been a lot more.

The second half saw more one-way traffic to the extent that the game became farcical. Old Suttonians provided no contest and relied on a dubious off-side trap to prevent a rugby score. Their forward was wearing a Manchester United shirt with 'Becfkham' on the back, but all he shared with the superstar was an appalling temperament.

However, Barry 'Beckham' Lee provided some supetb long range assists for the home side as **RICHARD GREEN** hit a second half hat-trick.

In the end **HOWARD DAWS** bagged four and **TOM JAMES and GARRY BONSELLS** grabbed two-a-piece. Garry's second was an incredible solo effort, dribbling through the entire defence and the perfect response to the Suttonian captain who had spent the afternoon kicking him up in the air.

OWENS PUT TO THE SWORD 1st XI 5 Old Owens 0

Apart from the usual pleasure arising from beating Owens, this was a half-paced, almost boring affair for the 1st XI. Frankly I would have preferred to have watched the 2nd XI's semi-final on the adjacent pitch rather than this re-arranged fixture, due to Owens' previous non-appearance.

We struggled in the first half to raise ourselves above Owens' mediocre standard and any trouble we had was largely due to our own making. By half-time **CHRIS COWELL and PAUL HANNIFAN** had put us 2-0 up with goals which, although well taken, might have been prevented.

The second half saw three easy goals for **GERRY REASELEY, TERRY ADAMS and PAUL HANNIFAN** and a comfortable victory for the 1sts.

On the credit side for us was a fine performance from Chris Cowell, a clean sheet, which is not always easy to achieve, and the satisfaction that we gained the sort of result we should expect against the current Owens side.

SUTTONIANS PUSHED ALL THE WAY Old Suttonians 3 6th XI 0

Having been criticised for having too many ball players in their side last week – a criticism which had certain justifications – circumstances forced us to play even more players of that nature in this game, but the firmer playing conditions, from last week, helped to alleviate this luxury. We were also forced to play without a goal-keeper, and many thanks to Nigel Hough for volunteering to fill this position and doing so with credit. He had no chance with the goals Suttonians scored and Dave McCarthy gave him no chance with the third!

But this was a much better performance from a week ago against a side more physically built and aggressive than ourselves, and who encouraged each other with such expressions as "Well pushed" when any of our players were felled to the ground. And this was our main problem, as we had no-one to match Suttonians as far as weight was concerned. Not that this is essential in this game we enthusiastically call "football", for skill is of the essence and can be more than adequate compensation.

And we had skills-a-plenty, with players like 'Noddles', Ray Bye, John Brittain and Terry Fanning in particular. Terry played a very competent game as an emergency left-back and the whole defence, in fact, did themselves proud. Phil Duckworth had perhaps his best game for the 6th XI and Steve Jessett did well against a tricky and awkward winger, whilst Dave McCarthy played a solid game in the middle.

But it was in midfield and attack where we fell down. The forwards must learn to come back further to enable the midfield to get the ball to them more efficiently, whilst the latter must learn to release the ball more quickly and tackle back harder.
