OWFC Business Code of Conduct / Annual Subs

A new season is upon us . With a further influx of juniors and schoolboys , plus training and a couple of teams playing through the summer. Our hopes are high. We have 7 teams on Saturday & the Vets on Sundays playing league football . Supervets will continue to play friendlies on Sundays.

We have kept annual subs for 21s & over in employment to £150 & under 21s in employment £75, both pay £10 weekly subs . If you are playing 4 or less games you will pay £20 match fees , but no annual subs. Junior members paying annual subs to the junior section & schoolboys pay no annual subs but pay £5 weekly subs. Vets due to the number of games pay annual subs , Supervets pay £50 annual subs & £10 per game match .

Unemployed please chat to your skipper or Stu Dunk (treasurer or me (asst treasurer) and we will agree something that is workable for you as we want you to play . Annual subs are due on 30th September 2025 . We are using Pitchero & you should have an email to confirm your details, receive newsletters , about events also paying your annual subs or outstanding fines like yellow and red cards.

Why the rise in annual subs ? our rent to the association has gone up by 7.5% this season taking it above £24,000 per annum . The reason is ground maintenance (looking after both hayes & Hawesdown) costs £71,000 per year (up from £60,000 last season due mainly to the extra cost of running Hawesdown), utilities has gone from £21,000 in 2021 to over £54,000 in 2025. So it is important you pay your annual subs on time as we look to break even. Its also important you support events not only so you meet players from other teams but also have some fun & hopefully we make a bit of money , which will hopefully keep your annual subs as low as possible Also find a code of conduct we expect all our member to follow. Please read them as this is the minimum we expect as a club. Here's to a great season , good luck & enjoy

OWFC 3s Match Report:
The sexy 3's rocked up for big home game against the blue and white shite (Glyn) with a big night out booked in. After a few disappointing results in the past few weeks the boys were well up for it. The boys knew it was going to be a scrappy game despite the absence of Toby "Tyson" Shelton. The game kicked off with the boys playing some great football on the carpet of the fortress. After a few dodgy decisions by a ref so clueless he even forgot to take his own money, a decision finally goes our way. The boys get a free kick. Bridges steps up and whips a ball into the box from 40 yards out and after a long goalmouth scrap Matt tucks it in 1-0. The first half carried on and the boys had a few real chances to put the game to bed before half time. After an inspiring chat from the gaffers we stepped out for the second half. Glyn came out the blocks flying as we expected and suddenly the time on the ball shortened. The pressure was on. After giving a foul away on the edge of our box Glyn whip a ball in which was met by their striker who was completely unmarked 1-1. A frustrating goal to concede yet again. Heads had dropped and we started to see the cracks forming with the boys turning to long balls to try and create chances. Despite the height difference between Burns and their defender reflecting that of Crouch and Defoe we couldn't find any luck. The game went on and the momentum shift saw the boys falling under further pressure. Their winger picked up the ball, put a fantastic cross in which was met at the back post and they found the net 2-1. A big shift was needed going into the last 25 minutes to try and recover the points. As the Glyn team tired the boys started finding more joy. A few more chances started falling OW's way. After a good move from the boys, the ball was bouncing around the box and again from a goalmouth scrap we found the net through Duncan 2-2. The momentum was now with the boys, this was our game to go and win now. After continuous pressure, a ball over the top found the run of ed and he was wiped out by the defender. Glyn down to ten. After a dodgy comment was made to Louis (who's surprised), their defender quickly saw a shove in the back. He went down with a dislocated shoulder, Louis was buzzing. During the commotion, Coach called for a late game team talk. A rallying cry to push the boys on. Unfortunately, it wasn't enough as the game finished 2-2. Any frustrating result in a game we should be winning but a lot of lessons learnt for the boys and still undefeated in this new league.

Now for the best part as the boys set themselves up in the clubhouse for a long night. Jugs were flowing whilst Ed sat on his phone, fighting for his life with his missus. A game of Hero saw Magnus neck 3 pints in a row without chunning. Fair play to the boy. Bridges stuck a picture in OWFC groupchat of the boys with the caption "3's selling out another clubhouse" which wasn't very well received by some. After cleaning out the clubhouse, the boys set off to Clapham spoons. A very quiet Sonny sat himself in the corner, freshly washed shirt from his Grandad which must've been touched by God as he caught the eye of the Brazilians sat at the table next to us. An absolute blinder from the boy. She's still not worth missing football for though. End of season dinner will see the boys wearing this shirt like it's uniform. Up the 3's💛🖤

Match Report - Old Wilsonians 5th 2 vs 3 Bank of England (29/11/2025)

The mighty 5ths battled a warm up through a cold, windy and rain-soaked afternoon on a pitch already churned before kick-off, but confidence remained high as the game began. Despite aiming to keep the ball on the deck and feed the wingers, Bank of England struck first with a slipped pass through the back line and a composed finish. Chances then flowed our way as we grew into the match, but a lack of end product and some strong saves meant the equaliser didn't come. Fresh legs added energy down the flanks, with Dyki repeatedly exploiting their weaknesses, putting loads of balls into the box. Kennedy's driving runs finally earned a very obvious penalty. He stepped up and buried it despite a touch from the keeper, sending us deservedly into the break at 1–1.

The second half began with the same positive momentum and good patterns of play, but again the end product eluded us. Bank of England regained the lead through a controversial goal after one of their players called "leave it," creating confusion and leaving them free to score, before adding another shortly after by finding too much space in a dangerous area. We pushed hard late on and were rewarded when a short corner was worked to Doyle, who unleashed a rocket into the top right from distance to make it 2–3. Despite a strong overall performance and far better football than in recent weeks, the late surge wasn't enough to overturn the deficit.

Match Report: Old Paulines 3 - 3 Old Wilsonians 5s (22/11/2025)

Very gusty weather made it difficult for the visitors in the first half. Chances were limited to a push inside the box on Doyley, enough for him to teeter over on the slippery surface, sparking shouts for a penalty as well as a horrific sliding challenge to bring down the last man on the cusp of the penalty area. For the majority of the first half, OW were on the back foot and defending admirably in the face of the oncoming wind. Though the back line remained resolute for most of the first half, a lacklustre shot rolled past Balsekar, who was expecting the ref to blow for offside. Shouts of 'play to the whistle' were, of course, warranted. Another blunder by Balsekar led to a real heart-in-mouth moment when a miscontrol led to a toepoke across the face of goal, just edging out for a corner. Despite this, OW's were fortunate to concede only one, with some last-ditch saves made and goalward-bound efforts blocked by the stoic backline.

Old Paulines came out of the gates in the second half with gusto, and it didn't take long before it was 2-0, and then 3-0. One from a corner, with an attacker wriggling free of his marker to tuck it in on the half-volley, and the other a rather impressive effort; OW disposed in the final third, let a winger cut back a low cross into the box, which the attacker converted with a backheel effort, on the turn, into the bottom left corner.

From this point, however, the momentum of the game flipped. Aware that the wind was now blowing in their favour, the visitors sprang at the home side with newfound confidence. A strong press led to a mistake, and Kenners deftly glided one past the keeper's reach, creeping slowly in before a defender had the chance to clear it. It wasn't long before Kenners set up another, receiving the ball on the right flank and floating one in towards Jake, who tidied up in the face of goal. 3-2. By this point, Old Paulines were getting shaky, preferring to go long rather than play out the back as they had previously been doing. Still, the home side managed to get up the pitch with pace a few times, and yet another blunder by Balsekar, whereby the ball popped out of his arms over his head, eeking goalward, kept the visitors alert to the vulnerability of their position and the need for an equaliser. That moment came when, after a corner, Tiffin directed the ball goalward, and a slight touch by Steve helped it on its way to Jake, who sailed it home to complete his brace. 3-3 and OW were looking for a winner.

Leon almost scored a half-way line beauty from the left flank, but it was cleared on the goal-line. A reckless challenge on Steve, followed by a subtle stamp, led to some ruffled feathers between the lookalikes of the two male members of ABBA (probably stemming from some deep-seated resentment about who tended to their plumage the best), and this skirmish kept the fires stoked in the bellies of OW. But the winner did not come.

A free kick just outside the box was the final kick of the game, with the 'impartial' ref refusing to give the ensuing corner. Overall, 3-3, and a collective sentiment of one point gained rather than three lost.

THE SUPER SEVENS CONTINUE THEIR RECORD BREAKING RUN 7th XI 4 Nat West Bank 2

On a dark, damp and dismal day, the 7th XI gathered for an early kick-off in an unbeaten run of games at Hayes. A virtually unchanged team set out on a very wet pitch to face the tarnished might of Nat West Bank. We knew we were in for a tough game and were not disappointed. The very sticky conditions stopped the 7th XI youngsters from playing their normally sparkling football and the ball tended to stick under their feet until it was out on either flank.

In a battling first half we gained the upper hand with two goals when a level score might have been a fairer reflection of the game. Our first, from a slightly deflected free-kick, saw **WILL HODGESS** score after 20 minutes and then **DANNY BLAKE** stole a second after some poor defending and following a huge drop kick from Andy McCutcheon - 2-0 at half-time.

In the second half Nat West 'cheated' by pushing more men forward, which threw our back four into chaos. Relief was at hand, however, in the ulikely shape of **DAVE DUTTON,** when a goal-mouth scramble saw him dummy their entire defence, whilst recumbent on both buttocks, before toe poking the ball into the net.

To Nat West's credit, they never gave up and pressed us hard for the next half hour and they clawed their way back into the game with two scrappy goals and would have equalised had it not been for some superb goal-keeping from a cold and wet Andy McCutcheon, but salvation cxame in the form of a **PAT du CASSE** special when he out-paced their defence and jinked round an out of position goal-keeper to score our fourth a few minutes before the final whistle. LAST GASP EQUALISER Old Josephians 4 3rd XI I 4

The 3rd XI grabbed a last gasp equaliser in a thrilling game. The less said about the first half the better as, basically, the whole team were poor defensively and we trailed 2-0 at half-time.

Anyway, these were soon wiped out by goals from **ANDREW SMITH** and another screamer from **KENNY WILLIS** – he never did that when I was at school with him! However, further defensive frailties ensured that Josephians again secured a two goal advantage, which might have been more.

Then a piece of tactical genius from Barnes Clanachman moved **JAMIE PARKINSON** forward and he responded with a headed goal with ten minutes left, whilst the equaliser was scored in the last minute by **AIDEN KERR,** who somehow beat the 'keeper at the near post after a number of chances had been squandered to complete an all-round battling performance in the rain and mud. SPEEDY PETE DAVIS AND HIS OVER-LAPPING QUALITIES 2nd XI 4 Mill Hill Village 0

For the first time in two or three weeks the 2nd XI played some good football! Playing against only ten men we soon showed that we were the better side with **'YOGI' TAYLOR** going close twice before a long cross from Pat Johnson found 'Yogi' on the six-yard box to place the ball wide of the 'keeper.

After that, although chances were made, they were not taken, and we had to rely on **BILL MORLEY** 'ghosting' – his word not mine – through two defenders to slide the ball past the 'keeper.

We turned round two goals to the good and soon scored a third when Bill Morley took a short corner, received the ball back and made his way along the goal-line to centre hard and low, only for a defender to touch the ball into his own net. The fourth and final goal was the best of the game, with the ball passing from player to player before **JOHN LAMBOURNE** hammered the ball into the net.

If we can keep up this sort of performance there is no reason why we cannot win this, the League Cup, and do well in the league. Good games from Bill Morley, Pete Sayer and Pete Davis, who can only improve with sufficient guidance from an experienced centre-half, although I do wish he would not overlap so much.

5TH XI FAIL TO SEE JOHN BRITTAIN'S MONEY Old Latymerians 1 5th XI 0

Beautiful day for it; good pitch, very wide and perhaps a bit unusual in our league, but we made the most of it, but it is disappointing to report that we lost 0-1 and the referee said at the end of the game, "You were robbed."

However, I am very proud of 'the lads.' They played very well indeed, and it was only fantastic goal-keeping, seldom seen at our level, that deprived us of our right to win. Two or three times it seemed that we must score only to be denied by a very good custodian.

'Men of the match' were, for my money, and John Brittain's too, although I didn't actually see it, Ray Howell and 'Spud' Murphy. Ray is ready to move back into the 3rd XI captaincy role and 'Spud' must surely play in the 4th XI. We all enjoyed the game but were peeved at the end to find our opponents had gone through to the semi-final of the Old Boys Cup. If it were at all possible to try harder than we did in this game, then I am sure that the news of a possible semi-final would have worked the miracle. Whatever happened to communication within the OWFC?

Congratulations to all of our very young players, who were not intimidated by some rather crude tackles at times. Thak you, all of you, for a very fine effort indeed. We will win many more games than we lose playing the way we did today. 'Mac' – one of the 'young lads'
