OWFC Business Code of Conduct / Annual Subs

A new season is upon us . With a further influx of juniors and schoolboys , plus training and a couple of teams playing through the summer. Our hopes are high. We have 7 teams on Saturday & the Vets on Sundays playing league football . Supervets will continue to play friendlies on Sundays.

We have kept annual subs for 21s & over in employment to £150 & under 21s in employment £75, both pay £10 weekly subs . If you are playing 4 or less games you will pay £20 match fees , but no annual subs. Junior members paying annual subs to the junior section & schoolboys pay no annual subs but pay £5 weekly subs. Vets due to the number of games pay annual subs , Supervets pay £50 annual subs & £10 per game match .

Unemployed please chat to your skipper or Stu Dunk (treasurer or me (asst treasurer) and we will agree something that is workable for you as we want you to play . Annual subs are due on 30th September 2025 . We are using Pitchero & you should have an email to confirm your details, receive newsletters , about events also paying your annual subs or outstanding fines like yellow and red cards.

Why the rise in annual subs ? our rent to the association has gone up by 7.5% this season taking it above £24,000 per annum . The reason is ground maintenance (looking after both hayes & Hawesdown) costs £71,000 per year (up from £60,000 last season due mainly to the extra cost of running Hawesdown), utilities has gone from £21,000 in 2021 to over £54,000 in 2025. So it is important you pay your annual subs on time as we look to break even. Its also important you support events not only so you meet players from other teams but also have some fun & hopefully we make a bit of money , which will hopefully keep your annual subs as low as possible Also find a code of conduct we expect all our member to follow. Please read them as this is the minimum we expect as a club. Here's to a great season , good luck & enjoy

Alex Forbes OWFC Assistant treasurer

West Wickham took the lead early on after an unfortunate cross found the back post, which wasn't dealt with properly. It was a slow start from the team, although we began to create some opportunities as the first half progressed without being able to find an equaliser.

LADJOUZI was also shown a yellow card in the first half for delaying the restart. It was a fairly soft decision, particularly as he hadn't made contact with the ball, but the team continued to compete and create chances.

The second half saw a much stronger reaction from the team, with chances beginning to come more frequently. The breakthrough eventually came when LADJOUZI burst into the box, taking on a couple of defenders before winning a penalty. SHELTON stepped up and calmly converted into the bottom-right corner to bring us level.

We continued to push for a second, with MANSFIELD coming close from a free kick that struck the crossbar. Several corners and other set pieces also created dangerous opportunities as we looked to take the lead.

Unfortunately, LADJOUZI was shown a second yellow and was sent off. The decision was perhaps a little deceiving from the angle the referee had, as there was contact involving the opponent's raised studs and Wassim's foot. Nevertheless, the decision was made and we had to continue with ten men.

Despite this, the team continued to battle and showed an excellent reaction in the second half. Marley produced a great block that looked like it could have been the moment that won us the game, but unfortunately West Wickham found a late winner from a corner in the final three minutes.

A disappointing result, but there were plenty of positives to take from the second-half performance. Special shoutout to Karol for an outstanding performance and to everyone for the reaction after going behind

Alley Old Boys 3rds vs Old Wilsonian 4th

1-1 Draw

With a heavily bolstered 4th team with 3rds players we went to Dulwich.

Early on a clash of heads saw us loose Niko and they lost their centre half. We started well and thanks to Matt took the lead, only for them to score from a scrappy corner a bit later.

The second half saw a few chances but nothing that would change the result. A draw was a deserved result for both teams. We play them in the cup in a few weeks with a chance to get the win.

After winning our opening league fixture, we went into our second game hoping to continue the positive start to the season.

We kicked off the first half and both sides competed well from the opening whistle, but neither could find the breakthrough before half time.

One of the standout performers was Darin Sepelj, who seemed to cover every blade of grass. Darin was winning his battles, putting himself about and giving everything for the team.

We were also without a goalkeeper for the game, so Lucas Orchard offered to do a shift in goal for us. He more than held his own, producing several good saves to keep Actonians out. A couple were off the goal line and others were with his fingertips while fully stretched.

At the other end, Eren Hassan was causing problems by breaking through the Actonians lines on several occasions. He also came close to giving us the lead early on when he met a corner with a header, only to see his effort come back off the post.

Despite opportunities at both ends, the teams went into half time 0–0.

At half time, Eren delivered a tactical team talk that fired everyone up for the second half. Rob Benson and Harry Bull came on as well.

Unfortunately, it was Actonians who broke the deadlock around the 55th minute.

They launched an attack down the right wing and there were shouts for offside but others not so sure. Play continued and their winger delivered a ball across the box, where it was met by an Actonians player who finished to make it 1–0.

Around the hour mark, Cody Wilkins Brown came on as we searched for a way back into the game.

And with approximately 70 minutes played, the breakthrough finally arrived.

Cody used his pace to break down the left wing before drilling a low ball across the area towards Eren. Showing good skill and movement in a crowded box, Eren managed to work the ball to his left, finding Adem Hassan in space.

With a smart first time finish, Adem calmly guided the ball into the bottom right corner to make it 1–1. Great goal.

Unfortunately, the celebrations were short lived.

Almost immediately after the equaliser, Actonians clipped a ball over the top towards the right wing. There was confusion between the defence and goalkeeper over who was going to claim it, and the Actonians striker took full advantage. He reacted quickly and lifted the ball over the keeper to make it 2–1.

An instant response from Actonians and instant disappointment for us after working hard to get ourselves back into the match.

Shortly afterwards, the game came to a stop by an unfortunate injury to Ethan Ferrao.

Ethan bravely went up to challenge for a header but was caught by a high boot from an Actonians player. On impact, Ethan ended up biting through his bottom lip and had to leave the pitch for medical treatment.

Thankfully, the bleeding stopped relatively quickly, although Ethan later went to A&E where he required stitches. The positive news is that he is expected to be out for only two to three weeks.

Everyone wishes Ethan a speedy recovery and we look forward to seeing him back out on the pitch soon.

The closing stages saw both teams create opportunities, but neither was able to add to the scoreline and the referee eventually brought the match to an end with Actonians taking the three points.

It was a frustrating result, particularly after fighting our way back into the game but there were plenty of positives to take from the performance.

OWFC Vets 2-4 Junction Elite (league)

With injuries already affecting the squad and Doug's 50th the night before, we were happy to get a squad of 13 out against last season's champions, welcoming two new players in Mandeep and Myles.

Junction Elite are always strong and with pace on the wings they immediately started troubling us with balls in behind. We were quickly 1-0 down after just a few mins, their winger getting to one of the balls over the top and scuffing it past a slightly hungover Doug in goal.

They were on top for the first 20 and we struggled to find a pattern of play, but Myles Taylor was looking brightest for us and playing well in the 10 role. Their second was inevitable, a similar ball over the top and another scruffy finish past Doug on a bobbly, dusty first team pitch for 0-2.

We finally started to get into it after 30 mins, Morgan, Sellman and Dhariwal combining down the right and putting crosses in, with Taylor and Fox starting to combine up top.

We 'won' a penalty after 35 mins, Elliot putting a ball in from the left, and Bonsels nicking in front of the defender before going down fairly easily. FOX then dispatched the penalty calmly to make it 1-2 and we had more half chances to score again before the half.

Kershaw and Pillai came on and we started the second half well, getting it back to 2-2 after 60 mins. Wheeler burst through, beat a defender and was about to shoot before he was brought down by the same defender who he gave the first pen away. FOX then put this penalty in exactly the same spot to make it level, the keeper with no chance.

We were then on top and should have made it 3-2 on the break, but our final ball wasn't good enough (we will blame the pitch) and they then went straight down the other end on the break for 2-3. Sellman went off with a hamstring injury, Elliot was struggling and our fitness was starting to show.

We really started to run out of legs in the last 20, the game became open and with their pace on the wings it was a matter of time before it was 2-4, their striker finally lobbing Doug with a deflection after 4+ debatable offsides in our favour prior to that. We threw Paton up top in search of a goal but probably needed two more subs to give ourselves a fighting chance.

A fair result against a good side, but we know that with a few more subs we probably nick a result on another day.

The 7th XI's second game of the season was as full-blooded as the first but not as successful!

Boasting a similar line-up to the one that pulled off last week's famous victory, the sevens faced a strong looking St Mary's side with optimism, and this optimism was justified early on, and, despite St Mary's neat interplay, it was Ben Ashford and Howard Daws who were coming closest to finding the onion bag, and Ashford missed opening his OWFC account by a matter of inches.

Ten minutes before the break, however, the St Mary's play-maker, whose name was later confirmed as 'A.Ringer', stripped the right side of our defence and crossed for their striker to bury clinically.

The second half started at a lackluster pace compared to the cut and thrust of the first. However, it was not long before the 7ths were carving out more chances, with Danny Blake the main creator, as we cranked up the tempo. St Mary's countered by cranking up the temperature as fierce tackles started to come in thick and fast.!

One period of 7th XI pressure was rewarded with a corner, which Danny Blake swung in for Ben Asford to give the ball an affectionate 'Glasgow Kiss', burying it into the net with deadly precision – 1-1, surely?

Apparently not. Acting purely on the instructions of the St Mary's captain, the referee disgracefully adjudged the ball had swung off the pitch, and so a battling performance of grit and determination, if not class, went unrewarded and, despite Danny Blake's best efforts, there was to be no last minute Beckham-esque heroics here!

Twenty five years ago your editor had computer problems and Dave Stewart took over producing the newsletter for no fewer than **15 editions** before, on January 20th, he proclaimed "I'm happy to say that, with the help of Steve Skelton and Hugh McGeever, the newsletter production will return to Mike Pike as of this week.

The first match of the season for the 5th XI saw Grammarians take an early lead, and it looked as though we were in for a hard match, but this was never to be for, once we had scored our first three goals, they lost interest in a fight back.

Playing with four forwards, we tended to exploit the long through balls from defence. The midfield played well but, with only two of them, they found it hard to cope. The defence was sound in the few attacks they had to deal with. All four played well but Paul Kidd deserves a special mention for his authority in the air and use of the ball when coming forward. The goal scorers were **PHIL ADAMS (4), PAUL JOHNSON (4), RICHARD CHAPMAN (3) and NIGEL HOUGH (2)**

The forwards played well together but it would be nice to see how the whole side plays against a better team. It should also be mentioned that there were a lot more chances than the 13 goals we scored and the score-line could easily have been over 20!

Stats and Facts by Wilsonian

The 5th XI's win over Grammarians 7th XI goes into the record books as our best victory over the Battersea mob, before which the best 5th XI victory over Grammarians was in 1972 when they beat their 6th XI 9-1, whilst, up until this week, the 3rd XI held the best result against Grammarians with a 10-0 victory in 1960, led by those masters of captaincy, Les Briggs and Ron Meadows.

Saturday's result was also the best 5th XI victory **ever** in competitive games, beating the 13-4 trouncing of Finchleians and the 11-0 thrashing of Southgate County in 1974
