OLD WILSONIANS' LAWN TENNIS CLUB

COMEDY NIGHT

FRIDAY 18TH NOVEMBER - 7.30pm for 8.00pm

Laura Lexx is a uniquely gleeful performer who indulges her audience in an unrelenting childish attention. She has a quirky, Somerset spin on the world and is happy to relax with the audience and build up a quick rapport. She delighted everyone as the compere of two of our earlier comedy shows.
BACK BY POPULAR DEMAND

Jonny Pelham began his stand up career at University and whilst there finished runner-up in both the prestigious So You Think You're Funny? competition as well as The Chortle Student Comedy Awards. Since leaving University he has continued to impress and was recently a finalist and Judges' Choice in the BBC Radio New Comedy Awards, as well as being nominated for Chortle Best Newcomer in 2014.

Sol Bernstein has performed at The London Palladium, New York's Carnegie Hall, The Paris Olympia, Caesars Palace Las Vegas, The Scunthorpe Baths, but it's at night clubs where Sol really comes to life. His charisma, his walking stick, his catch phrase "why don't you put on a tie" his chutzpah, put it all together and you see the magic that is Sol Bernstein.

THE DEPATING PRESIDENT DOES SO WITH SOME (MANY) WORDS OF WISDOM

As departing President, I thought I would just take the opportunity to use the newsletter for my last 'Presidents Progress' messages as the new season is upon us.

Website
The website will be up and running within a month under a new old boy designed platform as the current web provider ceased trading. James Eglon recently attended a progress meeting and the new website should be 'state of the art' and offer opportunities to integrate the Old Boys / School platforms across the OWA and have new functionality such as payment of subs etc online.

Kit
With regard to kit, the 1's and 9's received new 'Taylor Wimpey' kits last year so all X1s have the new Stuart Surridge bespoke design. We have ordered 100 pairs of socks which can be collected **FREE** on payment of annual subs.
We will start refreshing kits, starting with the 2's and 8's who topped the newsletter reports table; having now received confirmation Taylor Wimpey will continue their sponsorship. It's a six week delivery time, so all X1s to start the season with last year's kits please. Priority for next year will go to X1s outside of 1's, 2's 8'c and 9's who submit the most match reports.
Unfortunately some referees objected to the new Blue/Black away kit as SAL rules state our refs must wear black, so they felt it was a 'colour clash'. This year we have ordered a new Red/Blue away kit to alleviate this and the kit will come provided with matching blue shorts and socks (in essence an OWFC Palace kit). Please ensure all this kit is kept together so shorts and socks get washed and retained with the shirts. The blue/black kit will still be available at the club, to be worn with black club shorts and dark blue socks, which again should be washed and retained with the shirts.
In an offer through the SAL we have ordered a bespoke Vets/Super Vets kit (in slightly larger sizes!) and hope to take delivery before the first game for Lee Reid / Alex Forbes.
To be fair we have not really looked after our No.1's with kit, so this year new OWFC goal-keeper green jerseys have been ordered for all 9 Xls. Again, it is probably best that these are kept with the kit as our 'keepers vary so much week to week. Goal-keeper to also wear club black shorts and old gold/amber socks.
This 'keeper kit is by a new supplier, Macron, on a webpage set up by Neil Kendrick's OWFC Junior FC which supplies adults as well. This kit is considerably cheaper than our Stuart Surridge kit supplied through Kalibazar and we would be interested in any feedback in quality should anyone buy the shorts, socks or other items through this portal. I'm sure the Management Committee will discuss whether we close down the Kalibazar shop as the 'kickback' returns have been minimal, and also move to Macron officially for future shirts etc. New Mitre match balls are available, ***do not lose them!***

Fundraising
I know it is an old record but we cannot rely on the raffle, Ed Adams togger, Richard organising the 5 a side and Barnes' golf day being our only fundraising events. We need to hit £10,000 to keep subs at the same levels.
So this year we are trying some new events. FIFA night on 24th September will be looking at cash prizes for 2 v 2 and individual competitions, looking for each X1 to pick their best pairs to play for glory. (No limit as to teams per X1). As I am more of the 'Space Invaders' generation, any help or suggestions as to format would be welcomed. We will be looking to kick-off by 7pm with £10 per player. Spectators welcome. Flyers / posters will be in the club, so please get your X1s engaged.
Sadly the Gentleman's Evening on Saturday 29th October has been cancelled due to licensing and health and safety issues concerning revolving tassels in the clubhouse. I had booked the comedian; two 'exotic' dancers and the Blue Bengal were providing a cut price curry just to hot up things further.
So in its place there will be a night for the Ladies rather than watching the Ladies, a joint event with the lovely Wilson's Ladies Netball Club sponsored by the Blue Bengal; we introduce The Mosos, a live Soul / Jazz band at the Club (and you still get a Curry and Kir Royale!). – please see poster later

The Future

We have existed for over 127 years under our current constitution to provide football for Staff, Old Boys, and Pupils etc of the school and over the years have incorporated a small number of non old boys. I am extremely proud of our ability to provide football for all Old Boys regardless of ability, age etc but a new era is dawning and Neil Kendrick's Junior Football Club has grown exponentially over the past two years. Old Wilsonians' Junior FC is looking to field **TWENTY ONE** sides this year at age groups from Under 5's to Under 18's, dwarfing our own set up, plus a number of Girl's teams. This will mean that all football at Hawes Down / Hayes will feature only Old Wilsonians sides in the near future. It also means that we will have a pool of youngsters potentially playing in an Old Wilsonian shirt at the Club for many years before looking towards adult football when they turn 18, and I'm sure looking to join us. Some, of course, will be sons of Old Boys and, therefore, full members, but to incorporate the Junior FC into our club would require a change of constitution agreed by an AGM. Our pitches, changing facilities, clubhouse, parking and SAL rules mean it will be difficult to merely add X1s to our existing SAL set up etc. It is a big debate and our biggest decision since switching Leagues over 10 years ago, but I am sure that we can come to a consensus and work out a way of embracing the juniors whilst upholding our core values, proud history and ability to offer all Old Boys a game on a Saturday. I hope these thoughts will encourage and inform the debate. Also if you have a son / daughter looking to play football get in touch with Neil.

The end of the Tennis Club's Summer season

The tennis club will be celebrating the end of its summer season with an evening get-together in the main clubhouse on ***Friday 30 September 2016***. Tennis club President – Les Wilks – will again take centre stage as we celebrate another enjoyable year of tennis at our club. I should like to invite all the football club committee members to join us – it would be nice to try to create a greater level of interaction between tennis members and all of the people from the other OWA sport sections. Partners are very welcome to come too. It will help us to cater if you let us know whether or not you can attend please, and whether you'll be bringing a partner or guest.

Some light snacks will be provided and we will ask everyone for a £3 contribution to cover the cost of these. The doors (and the bar!) will open at 7.30pm.

We plan to hold a raffle on the evening and will be offering a variety of prizes…

Please RSVP to Hazel Grace by email to hazegrace@hotmail.com

Nigel Jordan, Chair OWTC

Editor's footnote: Les Wilks is a true legend of the Club and did much to facilitate the Association's move to Hayes in 1959, was a great servant of the Football Club and nobody deserves your support more than this truly great man

ALL OUR TODAYS

DOMINATION LEADS TO NOTHING Merton 2 9th XI 1

One of the few teams that the 9's can go into a game expecting a win against would be Merton, having beaten them twice last season. Most of the regulars were, for one reason or another , absent for this fixture leaving Mandeep as captain, and the rest of the team comprised of plenty of youth, with the expected impact in this situation occurring; a lot of running and enthusiasm with little discipline.

Because of pre season we decided to run with the largely untapped 4-5-1 and it may be something to look into in the future. The first half was dominated by the 9's, creating a lot of squandered chances as well as plenty of possession, and our hard work paid off mid-way through the first half from a free kick perfectly weighted by **MANDEEP DHARIWAL**, with one of their centre backs helping it on past his own 'keeper.

The rest of the first half continued in the same vein, with us holding more of the possession but creating as many chances as a Hodgson led England. Five minutes from the end of the first half, however, the referee decided to gift the home side a lifeline in the form of a penalty. A corner sent in led to a shot right onto one of our team, hitting him in the back of the shoulder! The resulting penalty was easily put away, sending our 'keeper the wrong way.

The second half involved more tinkering, and shows that 4-5-1 is definitely worth a look at for this season as our switch to 4-4-2 after the half time break turned the game on its head, with a lot of the possession going the other way and their players just walking through our midfield far too often.

Eventually our defence was broken with some poor defending at the back letting in another of their players to slot the ball into an empty net. That being said special praise should go to our engine in the middle, Josh Elliott, without whom we would have lost by a far greater margin. At this point our team did what most inexperienced teams do and some truly head scratching plays should have been further punished, with centre backs trying to dribble past the entire opposition team, players failing to track back lost balls, and throw-ins to no one.

All in all this match represented a regression to the woeful displays that we thought we had ironed out of our game last season. Either way it will be a welcome return to have Roddy and co. back in the team for the next match. Harry Smith

THE 5TH XI BEGIN TO GET TO KNOW EACH OTHER 5th XI Ibis Eagles 3

A grey, drizzly, day greeted an unfamiliar 5th XI line-up for the first game of the new league season against unknown quantity Ibis Eagles, who had been warming up, it seemed, since about 7a.m!

Captain Chris Billing swiftly got everyone organised and introduced to each other, and we were off. From the offset the standard of football was high from both sides, the ball kept on the deck as both wrestled for domination of the middle of the park. Ibis Eagles liked to work it out from the back via their full-backs and with only one up front, and the 5's were forced onto the back foot. A break down the left and a cross was blocked by our defence but the ball unluckily skidded right into the path of the Eagles striker, who could not miss from five yards out.

Undeterred the 5th XI kept playing passing football, Michael, Greame, Josh and Tolu putting together some lovely moves down the right hand side of the pitch. Eagles were getting stretched, and eventually the pressure told. A free kick from the left was whipped in dangerously and **MICHAEL OTEJUNDE** got the final touch to nick it past the' keeper to make it a deserved 1-1.

The 5' s then dominated the rest of the half, only a couple of desperate interceptions by the Ibis defence stopping us going 2-1 up. Nick, Chris, Jack and Ted were defending brilliantly, restricting Ibis to pot shots in the main.

However, the pace began to tell in the second half for several players with no pre-season behind them, and even with the slight slope with us we began to get pegged back, and a quick break saw a good finish from Ibis, leaving Adam Deadman no chance in goal.

Still plenty of time, just don't go 3-1 down boys, just…oh nuts. Another quick break saw a similar outcome as a great turn and shot left us with a mountain to climb. Frustratingly these were about the only two shots Ibis had all second half!

Doug Smart then had a great chance from about two yards out but blazed over. I think he was secretly glad the referee called offside! Tyler and Tolu were working their socks off to create chances but that final pass just would not come, and the game eventually finished 3-1 to Ibis.

Overall, considering many of us had never played together before, it was a high quality performance and heads should be held up high. James Doyle

INJURIES BLIGHT START OF LEAGUE CAMPAIGN Old Garchonians 1 1st XI 1

The 1st XI battled for 90 minutes to gain a well-earned point away to Garchonian, with disappointment coming in the form of three serious injuries to Sellman, Middleton and Evans in the first half. All three were forced off and face a lengthy time on the sidelines. Hopefully they all make quick recoveries.

The 1's got off to a perfect start when a Simmons corner was headed home by **WILSON** to give the side the lead after just five minutes. The 1's looked a threat all half, with Karamath on the left wing causing all sorts of problems. Williams and Bratterman went close from his crosses and Akkaya was denied from a great free kick.

Eglon, who was excellent in goal, was called into action after 25 minutes and did not disappoint when a header from a corner was brilliantly tipped over the bar. The half ended 1-0 and the 1's were disappointed not to be more than one up.

With all our substitutions made Garchonians put the 1's under pressure in the second half and a barrage of crosses, corners and free kicks into the box meant the 1's had their backs to the wall, with Gravesande and Wilson outstanding in denying Garchonians.

The 1's, however, could not hold out; a disputable free kick was awarded to Garchonians and a great delivery into the box made it 1-1. The last 10 minutes were frantic, and both sides had chances to win it, but the game finished 1-1.

A late equaliser from Garchonians was disappointing, even though it was deserved, but it was a good point against a decent side. The disappointment was losing three key players so early on in the season after last season's injury woes. Chris Wells
Eglon; Wilson; Gravesande; A Parkinson; Evans; J Parkinson; Akkaya; Simmons; Williams; Sellman; Karamath; Middelton; Ohene; Bratterman MOM: Gravesande/Wilson

SPARROW IS PROUD OF US Alleyns 7th 4 XI 8th XI 4

The rain started pouring and there was no referee. The opposition were waiting for their goal-keeper and we just wanted to play!!

We settled early and started playing our passing game. For the first 20 minutes we were on top, spreading the ball around, and managed to get an early goal through **W.ADAMS**. The opposition started to break through the middle of the pitch and our goal-keeper had to come off for a toilet break as Coca-Cola and Kentucky Fried Chicken do not mix well before a game! Sparrow went in goal and our defence lost its shape a little as we conceded two goals in rapid succession and a third came in very quickly as we moved the team around when our 'keeper returned. We looked a bit in disarray and were not adapting to the substitutions that the opposition made, so the half ended disappointingly after a good start - 1-3

The second half began with another goal conceded, but then we adapted. Amankwah sat a bit deeper, and the defence pushed up a little, closing the gap between midfield. The full backs spread wide and the wingers tucked in closer to the strikers. And boom, the second half became ours. We limited their attacks and made them resort to long balls, which we were able to cope with and set ourselves on our own attacks.

J.STRIDE scored superbly after a quick break and a fine move led to **RAND** scoring after we moved the ball incredibly from side to side. **J.STRIDE** was then able to add another after a quick attack, again bringing us level, something you would not have imagined after we conceded the fourth. We kept passing and, if there had been a few more minutes, we could have won the game.

As Sparrow said: "I'm proud of you lot today. The second half was played perfectly. We bossed the game, stopped them from having any real chances on our goal and we worked hard." Himish Patel
Team: Childs, Patel, Sparrow, Amankwah, Crombie, Adams.E, Jones.B, Adams.W, Rand, Stride.J, Dunn, Stride.D

Level 2 Coaching Course, which the AFA will be running starting in October 2016.

Course Pre-requisites to registration and certification

Prior to registration for the qualification, learners are required to:
· be at least 16 years of age
· Have attended The FA Level 1 in Coaching Football course, and hold the 1st4sport Level 1 Award in Coaching Football qualification
Prior to certification for the qualification, learners are required to:
· hold as a minimum a current FA Emergency Aid Certificate
· hold a current completion certificate for The FA Workshop Safeguarding Children in Football
** Please note FA Emergency Aid a& FA Safeguarding Children will not form part of the Level 2 course **

Course aims and objectives
This nationally recognised qualification will take the learner on a journey through the core components of the England DNA – How We Coach, How We Play, How We Support and The Future Player, helping them to begin shaping or refining their own coaching philosophy.
In order to understand the coaching of players, coaches need to understand themselves and their players as well as the game itself. This course will support learners along this process both on-course and in their own coaching environment.
The course is underpinned by the ethos of allowing the players to feel included, empowered and to be able to make mistakes. It is about designing relevant game-like practices with plenty of decision-making that enables the players to practice in an environment that's positive and enjoyable. This course is designed to prepare learners for employment as a football coach with the ability to put these key ideas into practice. As a FA Level 2 football coach, learners will be able to plan, deliver and evaluate a series of linked and progressive football coaching sessions independently.
This course will cover key issues in coaching while putting the players and their learning at the centre of the choices that coaches make. It will help learners to reflect on, realise the impact of, and justify the decisions they make while encouraging a long-term view on player development. The course will examine what effective and great practice looks like in training and competition, right the way through the player's journey from under 7 to open age, across the various formats of the game, helping coaches to consider the age, ability, maturity and experience of the players in their care.
