'YOUNGSTERS' RESPOND TO GOLDEN OPPORTUNITY John Fisher Old Boys 0 4th XI 4

If nothing else the cricket tour to Barbados, with many members of the football club participating, has provided the opportunity for some of the up and coming younger players to show their paces, and so it proved, with Andy Weaver and Malcolm Taylor scoring two goals-a-piece and Danny Blake and Simon Letts running riot on the wings, showing that the newcomers to the 4th XI were well worth their promotion up the sides.

We started very well, with some sharp tackling and penetrating runs on a bumpy pitch, which made the soft ball difficult to control. After 15 minutes of constant pressure Malcolm Taylor laid the ball back to **ANDY WEAVER,** who coolly chipped the 'keeper from 12 yards and, within five minutes, it was 2-0 when a deep cross from Malcolm Boxall fell nicely onto **MALCOLM TAYLOR'S** left foot after Luke Burton had out-jumped the 'keeper.

John Fisher then staged a revival and had a goal disallowed for pushing in the area. We could have increased our lead before half-time when Lou Barry and Danny Blake had clear chances, but the John Fisher 'keeper blocked both attempts. Terry Adams was then called upon to administer first aid to a home player, but the tourniquet on the mid-fielder's right wrist effectively ruled him out of the game.

At half-time Andy Kirchin roused the players to greater efforts to protect the 4th XI's 100% record but, for a while, John Fisher staged another spirited revival until a second wrist injury reduced then to ten men – there were no more bandages and, rather than calling for Terry Adams to improvise, the player quietly left the field.

We went 3-0 up from a breakaway, Danny Blake out-pacing the full-back and laying the ball across for **MALCOLM TAYLOR** to chip in from 12 yards, and it was soon 4-0 from another five man attack when, this time, Danny Blake pulled the ball back for the unmarked **ANDY WEAVER** to pick his spot.

By now John Fisher had folded and the score should have been added to, but our shooting was either too high or just wide. Their only ploy seemed to be the off-side trap, which squeezed the players into a 20 yard midfield zone. We broke through on numerous occasions but could not add to the score. Skipper Andy Kirchin was well pleased with the clean sheet and the comprehensive victory from a makeshift side.

The whole team played well. The back four had no problems and the midfield sprayed the ball around for the forwards to make their runs – it certainly beats playing in the 8th XI! Malcolm Taylor Kirchin Burton Adams Robinson Boxall Letts Barry Mole.J Blake Taylor Weaver.A

COMFORTABLE VICTORY IN SURREY SENIOR CUP Sandhurst Town Reserves 2 1st XI 6

The 1st XI travelled across the country to face Sandhurst with a much changed side in this Surrey Senior Cup encounter played under floodlights on Wednesday (October 19th) evening.

The changes did not seem to have much impact, with the side starting well, and Giles going close after five minutes, and the deadlock was soon broken, with **SELLMAN** slotting home to make it 1-0, and It was soon 2-0, with **GILES c**reating his own goal.

Sandhurst, though, always looked a threat and they hit the bar when it looked easier to score and it was only good work from Chen and A Parkinson that kept their wide players at bay, but it was the OWs who went further ahead just before half time, with **SELLMAN** getting his second.

Sandhurst started the second half well and got their reward with a well taken goal from a Parkinson lay off, but the 1's replied immediately, with **SELLMAN** bagging his hat-trick.

James Paton made his return from injury and what followed was a sickening blow as, after just five minutes, the injury curse struck again, with Paton having what seemed a serious knee injury.

The final 20 minutes were an entertaining affair. Young **TED FARMER** came on and had an instant impact, as a shot come cross from 25 yards flew into the corner, whilst Sandhurst got a goal back from a direct free kick, with the returning Ashworth going down in stages, and there was still time for **SELLMAN,** playing on one leg by then, to get his fourth, with the game ending 6-2.

Special mentions to Farmer, Giles and Martin, who was excellent when he came on with two assists, and travelled a long way to play for the 1st XI. A comfortable win and a good performance against some good young players. Chris Wells

THE WEST WICKHAM DEFENCE STAYS FIRM West Wickham 2 1st XI 0

It was West Wickham who started the better, with their centre-forward and right-winger looking a threat, and It was the latter who went closest, volleying over after 10 minutes.

Old Wilsonians threatened through crosses by Simmons and Karamath, which flashed across goal. It was Wickham who opened the scoring when their midfielder's run was not tracked and he finished past Ashworth to make it 1-0. Wickham's pace up top was a constant threat all half.

Wilsonians then had their best period of the half. Simmons cut in and his shot beat the 'keeper but not the post. Sellman looked sure to score the follow up, but was denied by the 'keeper.

The second half started with Wilsonians having the ball but Wickham's pace up front was causing problems on the break. A key moment came 60 minutes in when Steadford looked sure to score from 4 yards but the Wickham 'keeper produced an amazing save.

The 1's then went on to play some excellent football without making it count and all credit to the home side, who, as usual, defended well. Wickham made the game safe with a goal from a corner to make it 2-0 with 15 minutes remaining.

A disappointing result but, in the second half, the 1st XI played their best football so far this season, but the same issue of goal scoring and availability reared their heads again. Chris Wells

LAST MINUTE HEARTBREAK Civil Service 8th XI 1 9th XI 1

With the bare 11, the mighty nines once again had to start a game with 10 men – and with our 11th man arriving 30 minutes late, the first half was a struggle against opponents who had dispatched our 8th team 5-0 last week. Under the cosh from the start, we defended very well, reducing the opposition to long-range attempts. We even managed to forge a chance of our own, with Andy Steel unlucky to hit the post.

We started the second half on the front foot, and with Civil Service strangely sluggish, we took the lead early on – **OLIVER KRAUSS'** initial attempt was blocked but he stuck away the rebound. With Nev Spencer going off injured, Matt Hallett stepped up and put on the goalkeeper's gloves, but that meant playing the last 30 minutes with 10 men (which we are getting used to!)

But, with great hold-up play from Andy Steel, tireless running and great interceptions from Mandeep, and Craig Threadgold a consistent outlet on the wings, we were keeping them at bay. Then, in time added on, a great strike from outside the box found the top corner. They celebrated like they had won the champions league – which we should take as a compliment!

The major downside is that this was a group stage cup game, and since we are already out of the cup it did not count for much! With performances like this, however, we can be confident when our league fixtures start again in a few weeks. Roddy Trompiz

Team: Nev Spencer, Matt Hallett, Ron van der Zanden, Roddy Trompiz, MandeepDhariwal, Jonty Craven, Alex Forbes, Craig Threadgold, Oliver Krauss, Andy Steel

6TH XI RECORD SECOND FIRST WIN OF THE SEASON West Wickham 6th XI 1 6th XI 2

The 6th XI made the short journey to West Wickham optimistic about recording their second win of the season against the only team below them in the division. However, the team were surprised to learn that their win against Civil Service had been chalked off after they had dropped out of the league, meaning we were now the bottom team with no wins to our name.

There were a few unfamiliar faces in the team, due to some of the regulars being unavailable, and it showed in the early stages. West Wickham were much more settled on the ball and held possession well without ever really threatening, the central defensive partnership of Phakey and Marc dealing with anything that came their way. We were, however, getting joy out wide, with Sasha on the right and Jamie overlapping down the left, a constant threat. It was a delightful through ball from the former that set **WOODHOUSE** free, who took his time to compose himself and calmly slot past the 'keeper. OWFC managed to hold on to the lead going in to half time thanks to a goal line clearance at a corner from Eglon and McGill.

The second half started much the same way as the first. OWFC were happy for West Wickham to keep passing the ball between the defenders , with it posing little threat. We looked dangerous on the attack and eventually a corner from the right was met by **WOODHOUSE**, who headed home powerfully to make it 2-0.

West Wickham continued to keep possession but were not creating chances of their own and had to rely on errors from OWFC and, as if to prove the point, a defensive lapse freed one of their strikers and put him through on goal, but Eglon came out well to save. Frustratingly OWFC did not learn their lesson, with another defensive mistake setting their striker free again, and he made no mistake this time. Despite this set back, the 6th XI managed to hold on for their second first victory of the season!

A great team performance, and we must look to replicate this in the coming fixtures. Special mentions go to the two school boys, Marc and Sasha, who seemed very comfortable at this level, with Marc shading it for the MoM award for a very composed display at centre-back James Eglon

WE NEED A STIKER 8th XI 1 Merton 6th XI 2

Eleven players and we had all played together before. We beat them earlier this year in the cup too....

The first half was not our best this season, and it was probably close to one of our worst! We were slow in getting the ball down and spreading it wide, whilst the ball getting tied between the legs, and some loose passes, did not help either. The chances did come but the opposition capitalised before we did.... and, from a throw, Merton got the better of our defence and tried to cross the ball but, instead, lobbed our 'keeper.

We hit back fairly quickly though... a passage of play that involved the whole back four, and most of the midfielders, ended with **PAGE** taking a deft touch in the box and passing the ball into the back of the net. Buoyed by the goal, we broke quickly again and this time Prowting played the ball across goal only for W.Adams to reach it and have his arse fall on it.... and then he hit it in the goal.... The referee at first gave the goal, but the opposition protested that it was a hand ball after touching his arse.... No goal. They managed to grab a second after a lack of closing down and a failed one handed save by the 'keeper - 1-2.

There were a lot of chances in the second half and decent play from us. We certainly stepped up and switching to two up top helped, but we could not do enough to grab that goal to equalise. O'Malley had a one on one, Patel volleyed wide, Wicks headed just wide, too. The opposition had some chances, too, but nothing too threatening. We were better defensively in the second half and we worked the ball out quicker, but it was not to be -1-2. Himish Patel

CIVIL SERVED 3rd XI 1 Civil Service 4th XI 2

After defeat at the hands of their 3rd XI in the cup, the OWFC 3rd XI were out for vengeance this week against the Civil Service 4th XI. Whilst skipper Ricky Martin could not be at the game, he was there in spirit through his more than extensive tactics and pre-match warm up routine and, arguably the most prepared they had ever been, the 3rd XI set out for battle.

Much like the government they work for, the Civil Service seemed to favour the right wing, with a number of crosses and shots placed around the general area of the OWFC goal. However, the 3rd XI weathered the pressure and were even able to mount a counterattack, which culminated in Matty 'deadeye' Williams hitting the post in a one on one. The performance of MOTM Jack Aguera was missed for the last ten minutes of the half due to his winding after a particularly strong tackle, and it was during this period that Civil Service were able to slip through and score their first goal from a cross.

Half-time brought a reprieve for the 3rd XI, who decided to channel Mike Basset and switch their 4-3-3 formation to 4-4-2. This tactical change seemed to work, and the threats from theirwings were minimised. For a good 20 minutes, the game was stable and it was unfortunate that Civil Service were able to capitalise on a rebound shot to get their second goal of the game.

The 3rd XI responded soon after and star striker **MATTY WILLIAMS** was able to sneak behind enemy lines and put one past their 'keeper. The 3rd XI continued to fight hard to avoid a defeat. This was a period fraught with questionable decisions from the referee and was also the point at which Ben Newman-Sanders picked up his 'dick of the day' award for managing to get tackled by said official.

Ultimately, the 3rd XI were not able to build on their first goal, but were able to take the defeat with heads held high. A relatively strong performance and good work ethic from the team meant that, whilst a loss isdisappointing, it was not disheartening for the rest of the season. Sam Elliott

ONE FIGHT-BACK TOO MANY 4th XI 3 Wake Green Amateur 4th XI 4

We went into the game feeling confident after a good run of recent results. Despite missing a few players, we managed to put together a strong side who were more than a match for our visitors from the north.

A relatively indifferent start from both sides was suddenly brought to life when Knight and Hannah failed to deal with a routine long ball from Wake Green. The opposition striker had pace to burn and nipped in behind them to put a finish past 'Chunk', who was still thinking about the bottle of red from the night before.

The 4's composed themselves and the midfield 3 of Crouch, Henderson and Panicker were dictating the game well. However, the task ahead was made even more difficult after Bradley cushioned a great header into the path of their striker to double their lead. "Don't lose our heads" was the cry all round, and the 4th XI really started to put the pressure on, with converted striker Wateridge hitting the post and forcing a good save from the 'keeper on another occasion. Eventually the pressure paid off and **FALCONER-ROBERTS** tucked away a well placed header to bring us back into it.

The second half started well and it looked like we were going to keep them pegged back for long periods, until a quick fire double from Wake Green (totally against the run of play) made the task look out of sight. Credit to the 4's as we did not give up and a Watson flick on put **KENNEDY** through to bundle the ball over the line with 15 minutes to go. **MATT KNIGHT** then put in a well placed deflection to put the Brummies on edge for the last 5 minutes, and we put the big men upfront, but to no avail.

The final score was 4-3 to Wake Green and this gives us plenty of time to focus on other areas and we need to bounce back. Jon Knight

Course aims and objectives

This nationally recognised qualification will take the learner on a journey through the core components of the England DNA – How We Coach, How We Play, How We Support and The Future Player, helping them to begin shaping or refining their own coaching philosophy.

In order to understand the coaching of players, coaches need to understand themselves and their players as well as the game itself. This course will support learners along this process both on-course and in their own coaching environment.

The course is underpinned by the ethos of allowing the players to feel included, empowered and to be able to make mistakes. It is about designing relevant game-like practices with plenty of decision-making that enables the players to practice in an environment that's positive and enjoyable. This course is designed to prepare learners for employment as a football coach with the ability to put these key ideas into practice. As a FA Level 2 football coach, learners will be able to plan, deliver and evaluate a series of linked and progressive football coaching sessions independently.

This course will cover key issues in coaching while putting the players and their learning at the centre of the choices that coaches make. It will help learners to reflect on, realise the impact of, and justify the decisions they make while encouraging a long-term view on player development. The course will examine what effective and great practice looks like in training and competition, right the way through the player's journey from under 7 to open age, across the various formats of the game, helping coaches to consider the age, ability, maturity and experience of the players in their care.
