The Netball Club are having a recruitment drive

The Netball Club has been running for three years now, and has about 25 members.

We are a friendly bunch and welcome all abilities and anyone over 18. You can play every week or just when it suits. It may have been a few years since you played at school or University, or you just want to improve your fitness.

We play for fun at Hayes every Wednesday evening (not school holidays) between 7-30 pm and 8-30pm, under floodlights if required, with socialising afterwards in the bar!

For those who wish to play more competitively, we offer Saturday am league games at local indoor courts as part of the North Kent Netball League.

If you are interested please contact me, Jane Paton, on 07764 939814 or email janesastar@aol.co.uk or just turn up on a Wednesday night!

We are now also on the Old Wilsonians' website - link here - http://oldwilsonians.com/netball/

First Aid Courses - March 13th

Every three years we have to renew our first aid qualifications in order to be able to play in the SAL and maintain our Charter Standard status. Unfortunately qualifications from other activities, e.g. first aid at work, are not included in this process.

I have therefore organised a training course on **Monday 13th March 7pm** in the bar at the club. The session should finish at 9.30pm and, from previous experiences, it will cover some really useful first aid knowledge.

Please can **each captain organise for two volunteers per team** to attend. Please ask people to 100% commit to attending as we cannot afford to fall short on our first aid trained numbers. On previous occasions a lot of people have said they will attend subject to work commitments - unfortunately this does not work, as things always come up.

When you have volunteers lined up please email me their names and their mobile numbers so I can hound them nearer the time....

I really appreciate everyone helping to organise this, and if you have any questions, then please let me know. Pete Taylor

GAMEBOYS VICTORIOUS OVER SUPER MARIO BROTHERS Old Stationers 1 6th XI 6

There was a time when I was considered one of the youngsters in the Club but, as Andy Smith gleefully pointed out, I was one of the oldest in the team today at the ripe old age of 27!

I have never particularly relished the thought of travelling to North London and today was no exception, especially as we were bombarded with a "kicking" base beat from Graeme Nelson's 'ravemobile.' Graeme very thoughtfully decided to spare us further ear drum damage by detouring off the M25 – via Cambridge! – and therefore rendering us a man short to start our Cup semi-final!

Confidence was not high when we finally arrived at Stationers and things were so desperate we even tried to get Mike 'Chopper' Harris to play. A rousing team talk by 'Skippy' Drawbridge lifted spirits by the time kick-off approached, but the first 20 minutes belonged to Stationers and their 'Mario Brothers' and we were fortunate not to concede what would have been a killer goal.

Gradually we grew more confident and, above all, competed very well and, by the time half-time arrived, together with Graeme Nelson, we found ourselves 3-0 ahead, thanks to goals from **ANDY SMITH** and two from **'SKIPPY' DRAWBRIDGE.**

A shock result was now on the cards and, despite losing a scrappy goal, we managed to kill the game off with a fine counter attack, finished by **GRAEME NELSON.** Further goals from **GRAEME NELSON and KARIM MIR** really rubbed their noses in it and booked our ticket for Wembley – or is it Dulwich? So here's to the victorious team:

Paul Britton Had little to do because the defence was so fab, but looked sexy in his new gloves
Tony Higgins Solid, dependable, 'old.' An integral part of the defence
Laurence 'Needle' Banks Short, ugly, and his severe mental illness affected the game
Stuart Forbes Commanding performance – he covered well for 'Needle's' mistakes
Robin Pegg I did not get forward much as one of the Stationers' mid-fielders tried to rip my clothes off when I did!
Simon Kidd Played wide on right and provided some nice touches for the front two
Skippy Drawbridge Led by example – a tireless performance

Laurence Harris A superb debut. Worked really hard and showed some fine skills
Graeme Nelson Needs to get his navigational skills sorted out, but played well when he arrived
Karim Mir Looked sharp and deserved more than one goal for his efforts
Andy Smith Always looked lively and took his goal well

Well done to everyone and thanks to Mike Harris for coming to watch. Robin Pegg

NB: The final will be against Salesians, date and venue to be announced

ALL OUR YESTERDAYS - GOING EVEN FURTHER BACK

Last week's ramble down the road of nostalgia coincided with Bob Bevan's announcement that he would no longer edit the newsletter and that Ron Ashdown had agreed to step into his shoes, although "he cannot start for several weeks"

Well, he obviously had a change of heart for issue No.35 did appear the following week, with Ron at the helm. Before noting the change in style this involved, here are the results:

2nd XI	3	Palmers Green	2	Ashdown, Brittain, Norrington,

And so to the change of style, in which the 1st XI report does make sense, but you will have to read it very carefully

A good win for the 2nd XI against a strong Palmers Green side. **TERRY NORRINGTON** played well and scored a very good goal. The 2's have lost only one in 20 matches at home and are unbeaten this season at home and have not been beaten on home soil since 1965

The 4th XI were well beaten on a very bad pitch. 'Cheese roll' Evans is still having a disastrous effect on them

The 5ths played good football against the Old Boys 5th XI Cup finalists, with Terry Fanning having yet another good game

There is also some news of injured players

John Houghton, who unfortunately suffered a cut eye in Saturday's game (Does the 1st XI report now make more sense?) will be out for a week

Dave Cohen will be back next week – 5th XI captain please note
Dave Wakeford will be out for the rest of the season with cartilage trouble
Ron Eaton's groin is troubling him and he will be unavailable for a couple of weeks, but it is nice to see ***Cyril Lucking*** is now training again and he hopes to be playing very shortly

ALL OUR TODAYS

WE DREW THE SECOND HALF 9th XI 1 Merton 6th XI 7

The last time we played Merton 6th XI, we had to start the game with eight men. This time we had the full squad of 14, with a strong, if aging, bench of Nelmes, Forbes and Chinnery.

Unfortunately we started the match half asleep, going behind early to an unfortunate own goal from Michael Hoffmann. Sloppy defending, and a failure to close down, led to several more goals conceded in quick succession and It was not for another 30 minutes that we had our first chance – top scorer Oliver Krauss sent clean through with only the ' keeper to beat, he decided to try and chip him and sent his effort over the bar.

After some tough words at half-time, and with the Hawes Down slope in our favour, we were a different team in the second half. Chance after chance went begging, with Krauss and Mandeep going very close – even Al Forbes had a half chance. I counted six or seven sitters, plus several more half decent chances missed, and we conceded another goal amongst all that.

We finally broke through when **OLIVER KRAUSS**, from a difficult angle, converted probably the hardest chance of the lot from the edge of the box. So another heavy defeat, but the score-line does not do our performance justice. If we keep creating chances, the points will come! Roddy Trompiz

VITAL POINT SECURED 3rd XI 1 Old Owens 3rd 1

The 3rd XI played out an entertaining 1-1 draw against an aggressive Old Owens side on an unseasonably sunny and warm afternoon at Fortress Hayes, a result which secured league survival following Merton's defeat to Old Parkonians

Setting up in a 4-5-1 formation in order to nullify Owens' strong presence in central midfield, the mighty 3's made a positive start, with Matty Williams forcing the opposition's 'keeper into a smart low save and the midfield trio of Chibu Akpakwu, Jimmy Taylor and Ricky Martin spraying balls out to James Harwood and Callum Black on the wings.

However, Owens quickly grew into the game after a slow start, putting in some trademark crunching tackles and looking to stretch the Wilsonian back four on the break. Indeed it was Owens who took the lead when their right winger's dangerous delivery was side-footed home from close range following a corner.

Undeterred, the 3's continued to attack, winning a series of corners of their own which were resolutely defended by the visitors. Nevertheless, the equaliser arrived soon afterwards, Williams running onto Martin's clipped through ball, drawing the 'keeper out and squaring unselfishly for **HARWOOD** to slide the ball into the empty net.

With the midfield becoming increasingly congested, pockets of space began to open up down both teams' flanks, and the back four of Josh Mackley, Guy Hannah, Chris Tyler and Sam Elliot had to be alert to the consistent threat posed by Owens' long balls up to their forwards, particularly down the wings.

In the second half Owens grew in confidence and began to assert more sustained pressure on the home defence, forcing Hannah into a timely sliding tackle, and several others also making vital interventions. However, Wilsonians were a constant threat on the break, with several dangerous runs, culminating in the energetic Gary Bonsels testing the goalkeeper twice and Martin firing just wide following a clever turn.

Lively half-time substitute Christian Buckle then headed just over the bar after Williams had induced panic in the Owens' defensive line, before Josh Mackley fizzed a powerful strike just wide of the top corner after patient approach play down the right-hand side.

With Owens resorting to increasingly dirty tackling – in particular their central midfielder disgracefully kicking out at Akpakwu and an awful two-footed 'tackle' on Mackley – Wilsonians did well not to get dragged into a scrappy, physical battle. Yet, despite maintaining their composure, and having the better opportunities to win the game, Wilsonians came agonisingly close to conceding late on when Owens' number seven twisted and turned on the edge of the box before unleashing a powerful strike which seemed destined for the bottom corner. However, a combination of 'keeper Matt Ballard and Black, on the post, did brilliantly to somehow keep it out, and the ball span away to safety.

Overall, this was an enjoyable game, with more chances and attacking play than the score-line would suggest, and we can take heart from the character and defensive strength we showed in battling back and limiting the opposition to very few clear chances. We definitely had more opportunities and, on another day, could easily have come away with the three points. James Harwood

TEAM (starting 4-5-1): Matt Ballard, Josh Mackley, Guy Hannah, Chris Tyler, Sam Elliot, Callum Black (Christian Buckle), Jimmy Taylor (Gary Bonsels), Ricky Martin (Matt Rand), Chibu Akpakwu, James Harwood, Matt Williams. MoM: Chibu Akpakwu

ALLEYNS CONTINUES TO BE A HAPPY HUNTING GROUND FOR 4'S Alleyn Old Boys 0 - 4XI 3

Having put in one of our best performances of the season against their 4th XI earlier this season, confidence was high going in to this game against Alleyn Old Boys 5th XI. However, a combination of injuries, flat car batteries and holidays, left us with a bare 11 for this game.

There was a determination in our performance from the start, and the midfield three of Henderson, Panicker and Percy were winning everything that fell to them, allowing us to force Alleyns on to the back foot. The first real chance fell to Adams, with a well taken half volley that was inches from the top corner. It was clear that he had packed his shooting boots this week and was rewarded with a goal after about 25 minutes. This came as a result of smart play by Sam James, sending the defender into next week with a drop of his shoulder, and picking out **ADAMS** at the back post, who slotted home. Not long later, a great solo run by **PERCY** ended in him putting us 2-0 up - Watson could not hide his excitement at this point and told everyone how good he thought the goal was.

More of the same was the call at half time as we looked to see the game out. Alleyns changed some personnel and their formation, which pushed us back, but the defence stood up to the task well, organising and putting bodies on the line to protect the much needed clean sheet. The front three and midfield were also working hard to win the ball and create attacks, and the discipline paid off as **PERCY** put the third in with another well taken finish past the onrushing 'keeper.

From then on we were in cruise control and the only shame was we could not add more, with Falconer-Roberts hitting the crossbar after a fantastic leap to win the header, and Matt Knight missing a golden chance after a scrap book pass from Henderson.

Final score was 3-0, and a good result on a difficult day. It is Important now to build some momentum in the run up to the final. Jon Knight

TIMING AND FORMATIONS Old Salesians 3rd XI 2 8th XI 2

We can start with the 'DoD' Rose misread the kick off time and meet time, meaning that we had nine players at kick off. Rose, Rivens and James (our 'keeper) arrived just at kick off and we started the match with a makeshift 3-5-2 formation which evolved into different interactions of the classics 3-6-1 and 3-4-3...

Despite the makeshift formations, we settled well and defended well. We looked dangerous on the attack and started to find outlets on the wings. An early free kick led to a goal, with **MCAWEANEY** hitting the ball right down the middle of the goal, with the 'keeper unable to keep hold of it. The opposition were dangerous on the break and were getting through the midfield a lot, but the unit at the back kept them out until near the end of the first half, when their striker danced past a few players and slotted in - 1-1.

In the second half we set up with a 4-5-1 to create some stability in the midfield. We started to get some clear opportunities, with strong play on both wings. We played the ball around and were utilising the great first touches of our midfield and wingers. Unfortunately the opposition scored from a counter attack and we were unlucky not to win a penalty. We had opportunities from a few yards out that were not taken, but, in the closing minutes, we won another free kick and **RIVENS** coolly placed it into the bottom corner, with the 'keeper unable to see the ball - 2-2.

It was a good game, and both teams played well. There were different styles from both teams, which made it entertaining. If we had some more time I am sure we would have won it, but a great match nonetheless. Himish Patel

PREMIERSHIP QUALITY SHOWS Old Vaughanians Vets 12 OW Vets 2 (P. January 29th)

The OWFC Vets travelled to the very impressive Park Club in East Acton on the back of a couple of matches where we had struggled to get 11 out, and things were worse for this cup match, with just nine players being available. The opposition had 13 and kindly gave us 'Jeff', an ageing right back, to help of us fill a slot at the back.

The match was played on a new 4G pitch and very early on we fell behind when ex QPR centre forward , Kevin Gallen, scored a couple of early goals. Not long later **MARK POPE** scored the goal of the game when he smashed home a great left foot shot from a Jason Trout lay off on the edge of the area. We could not cope with the Vaughanins' attacks, with Kevin's brother, and former Doncaster player and QPR coach Steve Gallen, amongst others, setting up Kevin Gallen and his strike partner for another four goals to make it 6-1 at half time.

The second half was a similar story, with the opposition scoring another six and **DOUG SMART t**scoring with a great header from a decent Graeme Carruth cross.

Despite being part of a defence conceding 12 goals, Iain Philips was the OWFC 'man of the match' and Brad Russell pulled off a couple of great saves in the second half.

Despite the big loss the match was played in the true OW Vets spirit. We did not give up and they did not rub in the big win, and a quick google search shows that Kevin Gallen played 547 league games, scored 136 goals, many in the Premiership with QPR, alongside players such as Les Ferdinand, and broke Jimmy Greaves' youth team scoring records, and I doubt if the Vets have played against anyone who has played at Premiership level. VETS RETURN TO WINNING WAYS OW Vets 4 Alleyns Vets 1 (Played February 5th)

OWFC Vets bounced back superbly from the defeat in the cup with a great win over Alleyns and, with a squad of 17, we knew it was going to be an easier ride than he week before.

Alleyns took an early lead when Nick Billing failed to clear, tried his best to blame Mark Pope and Brad Russell in goal, and the Alleyns centre forward finished easily. It was not long until we equalised when Dan Harris got his head to a cross and the ball fell to **JAMES KARAMATH,** who calmly nodded over the oncoming keeper. **SI' ELLIOTT** scored the second with a crisp low footed drive into the bottom left hand corner. Stu McBride had a great game in midfield but, after a great mazy run, shot straight at the 'keeper and had another great strike tipped over the bar and was desperate to score in front of his wife and baby daughter.

The second half saw the usual changes and Doug Smart did well to work out the line up with so many players at his disposal to keep happy, and some tactical genius on his part led to a superb team goal when he decided he had done enough running up and down the left wing and put himself at centre back to allow Mark Pope into centre midfield and, after a great move down the right, James Karamath placed a great cross into the space for **MARK POPE** to run onto to head into the top left hand corner, without breaking stride, due to the quality of the cross provided.

Stu McBride, who by this stage had been subbed, was not happy being shown up by the experience of his former 1st XI teammate! **GRAEME CARRUTH,** who coolly slotted home the fourth , staying onside whilst the Alleyns' defence called for offside, which almost resulted in fisty cuffs between a few players, mainly because our defence played the offside trap superbly, whereas they did not!

It was great to see so many players in the squad for a change, and great to get a well deserved win against a team where results have often gone either way over the last few years. Mark Pope
