Match Reports – 1st XI v School (10th Aug)

Old Wilsonian's lined up for their second game of pre-season against Wilson's School, hoping to build on an impressive win at Metro Gas Reserves against their youthful opposition. Old Wilsonian's themselves fielded a side with a lower average age than previous seasons and welcomed some new faces to the team.

The game began quite evenly with both sides struggling to create clear cut chances though it was clear that the schoolboys were a fitter and more organised side than Metro Gas. Gradually Old Wilsonian's exerted some control on the game, displaying some good patterns of play from the back that had been worked on in training. Sheridan and Osborne demonstrated confident ability on the ball with passes into midfield and longer switches of play. Eventually the lead was taken when some effective work down the right channel ended up with the ball being squared across goal, squirming under the Wilson's keepers grasp and finished into an empty net by Conrad. The teams went into half time at 1-0 and all to play for.

The second half began similarly to the first, with neither team particularly dominant in terms of goal scoring opportunities. Wilson's School showed excellent discipline and determination, constantly working hard to close off spaces between the lines and in front of the defence. Going forward, they were unlucky not to level with a fantastic shot from distance that rattled Healy's crossbar. Eventually, a long pass over the top and some hesitancy at the back left a Wilson's forward one on one with the goal keeper, who showed great composure to lift the ball into the net to equalise.

Both teams showed signs of fatigue late on as Old Wilsonian's pushed to regain their lead. They were perhaps unlucky not to achieve this as Sheridan had a well finished goal ruled out for offside but a 1-1 draw was a fair enough result. Both teams can take encouragement from their performances and will hope that they can go on to enjoy successful seasons.

Match Reports – 1st XI v West Wickham (13th Aug)

Old Wilsonian's faced league winners West Wickham at Bromley FC in a local derby that would be their toughest test yet in pre-season. Josh Fan came into the defence after an impressive performance for the school at the weekend's game and Wilson's welcomed back Mallins and Wright for their first appearances since last season, as well as Riman for the first time since he was a schoolboy 7 years ago!

West Wickham started the game the better of the two sides, showing good speed on the ball and causing the Wilson's midfield problems with their rotations in the middle of the park. The early pressure culminated in a penalty that was calmly dispatched into the back of the net. The goal seemed to wake the Wilson's players up, as they finally forced their way back into the match with some impressive passing of their own. The front three of Mallins, Sellman and Giles were causing the Wickham defence problems with their movement and pace and better decisions making and final passes would surely have resulted in an equaliser. As it was, the teams went into the break at 1-0, with Wright replacing Riman at half time.

The second half began with both teams showing a willingness to play out from the back. Fan was particularly impressive, combining aggressive defending with good composure on the ball alongside Free. However, it was Wickham who got the second goal of the game as good combination play on the right ended with a shot from the corner of the box nestling in the far corner via a slight deflection. Despite falling further behind, Wilson's didn't allow their heads to drop and following numerous corners and near misses, finally got the goal they deserved as Wright smashed an indirect free kick within the box into the top corner.

Unfortunately, the one goal deficit didn't last very long, as a spell of ricochets on the edge of the box lead to a third Wickham goal via another deflection. Wilson's pushed for a second goal, with substitutes Conrad and Gravesande making great contributions from the bench up front and in defence respectively. However, more goals failed to arrive and a fiery at times game ended 3-1. Both teams showed a lot of promise ahead of the season and will no doubt be looking forward to the rematch when three points are on the line.

Match Reports – 2nd XI v School (17th Aug)

The game was split into 30mins 3rds, Old Boys started well, keeping the ball under the new split CB system however the long ball in behind was a constant threat for the school. Old boys had the better of the first 20 and were rewarded with a penalty. JEEVEN converted into the bottom corner. 1-0.

From then on, with a number of changes from both sides throughout the sharpness of the game dropped and turned very end to end. A lot of chances for both sides, eventually leading to Old Boys regaining the lead at 2-1 with a smart finish from BNS. However, the schools direct play reaped more rewards and they scored a few quick goals, leading to a 4-2 lead.

Old boys grabbed one back before school hit back to regain their 2 goal cushion.

Final result 5-3

Match Reports – 2nd XI v Royal Russell (24th Aug)

Strong pre-season continues

Despite Andy Free dropping out last minute after being knocked off his bike, this was a strong 2s line up and a good showing overall.

A last minute switch around saw the 2s line-up against Simmo's school side who as expected were very fit and well organised. It took us a while to get into the game as we sucked up early pressure and RR failed to capitalise on a couple of early chances, including a poorly taken penalty well saved by the outstanding Powley.

Despite some promising spells of play a slightly woolly pitch saw the ball regularly getting stuck under players feet and lots of passes not connecting, and one such error led to their first goal to put us 1-0 down at the break, a score line that flattered us if anything.

We improved in the second half and James Karamath converted early on from a Demola assist. RR went ahead again soon after from a well worked goal but their repeated efforts to walk the ball into the net proved to be their undoing as Harris equalised with his right foot and Fox got the winner with a great header, both goals coming from man of the match Callum Nutall crosses.

This has been the 2s our strongest pre-season in recent years, with good attendance at training, good availability for games and much more organised approach to games, taking on 1s coach Dan Stribbing's ideas on playing out from the back, the high press and emphasising the need to get our fullbacks forward at every opportunity - hopefully this all bodes well for a more successful season than the last.

Team: Powley, Eves, Breen, Harris, Alex Karamath, Gowtham, Mids, James Karamath, Howe, Cooper, Demola, Nutall, Steve Moniz

Match Reports – 2nd XI v HAC (31st Aug)

The final preseason game was played out with a fairly strong 2nd XI team, fielding Richard Shaw and Alex Bratterman both getting back into the swing. The balance was a little of with more than enough forwards forcing Jon Howe into midfield amongst other displacements. Nevertheless, we started strong and passed the ball around confidently, making some good chances, though it was HAC that made the middle of the first half break through to go one up. Pleasingly, we were unperturbed by this and with essentially the last kick of the half a run from Brats and lay off for Ben NEWMAN-SAUNDERS at the corner of the box saw him slot in confidently into the far side netting.

Half-time. Reorganisation. But a continued desire to play football and play out from the back. This is an art we've yet do master and it put us under pressure in the early stages of the second period. Regardless, on the back foot, the Yellows went ahead after Jon Howe semi-knowingly laid across at the end of the box for Craig ELLIOT to half volley in from range; the second fine strike of the day.

The game evened out after this, the teams sharing possession. However the deciding blow was dealt by a Gowtham corner into the danger area at the edge of the six year box, the ball coming back of an unsuspecting defender and into the net - OG. The rest of the game continues at this pace until Jon "Gerrard" Howe flicked on for their striker to finish smartly, but even then little extra pressure came from HAC before the final whistle.

A good win. Things to improve. Things to be pleased with. Not being of technical mind, I don't know what these things are, but regardless, they exist; positive and negative.

Match Reports – 5th XI v BoE (31st Aug)

It was the first time for many players to be privileged enough to play for the Wilson's, and on a luke warm morning with a 16 man team on paper, we were expecting a walk over. However due to the teething issues of a newly formed team it came to kick off and only 9 men were ready to play. Fortunately enough that 9 were bloody good.

The game started at a blistering pace with some excellent link up from Fenton, Lewis and Nordbo which would of been an excellent way to start, the resulting shot narrowly wide. Bank with 11 men then went 1 ahead after some comical decisions from the ref. Wilson's quickly replied with an excellent strike from fenton. Some good link up play after half time then lead to our second another great strike from Fenton. Bank pulled one back from what looked like a suspiciously offside position. Bank then lost a player to a 'pulled hamstring' and with 10 vs 9 - Wilson's started to take hold of the game with efforts off the post and cross bar and a valiant effort from gabriel aka gabz who turned up 30 minutes late to become the 10th man. I think it's safe to say it was a valiant effort from the lads and great signs for the new season.

Final score 2-2. Bank of england wont be looking forward to this fixture later in the season

Roll on next week where we will be more than ready to pump the 4s

Match Reports – 6th XI v South Bank (31st Aug)

First pre-season friendly. Started the game very optimistic as most of us haven't kicked a ball since the end of last season. Our first touch was tested due to the state of the pitch but we adapted well and started strongly. We got the games first goal with a lovely ball played over the top by HOWE to DHARIWAL who then lifted it over the keeper to score a outrageous chip.
We then scored again with a ball played though by FEVZI with FOWLER chacing the throw ball, keeper miss kicked the it and FOWLER slotted it into a empty net to make it 2 nil. South bank then got one back from a penalty kick.The game quickly turned around as south bank got a second goal to make it 2 all as the first half came to an end.

We started the second half much stronger and was keeping the ball very well. We made some great runs into the box and eventually won a penalty where FOWLER calmly slotted it bottom left corner. We then got a forth to make it 4-2 when the POWLEY effortlessly picked out FOWLER from a goal kick who then knocked it down to DHARIWAL for him to score a great half volley.

Things started to look like the first half as south bank got back into the game as they was awarded another penalty. They scored to make it 4-3. We remained focused and started to play the ball well from the back. The 6's then scored a fifth goal to widen the gap when A.CHAPPELL received the ball wide, played it into J.CHAPPELL in the centre, he then passed the ball through the defence back to A.CHAPPELL who calmly slotted it past the keeper in a one on one.We finished the game with a 6th goal with a long range kick from POWLEY and DHARIWAL helped it on it's way to the back of the net. Game finished 6-3 to old wilsonians 6s. Very positive and well deserved win which has given us confidence for the up coming season.

Match Reports – 6th XI v OWFC 7/8s (7th Sept)

Four in each goal...

A pre season friendly against a combination of our 7s and 8s.

With ten players and no goalkeeper we planned a classic 15 minute rotation systems for playing in goal and hoped to nick a sub from the oppo. Alas, a beacon of light came into our dressing room asking for shin pads... The light's name, Ed Adams. We quickly coerced him into playing in goal for 45 mins for us for the promise of shin pads.

We set of playing a short passing game and utilised quick one twos and touches to drive through the oppos midfield. We didn't get much luck early on as touches became too frequent and the middle became congested quickly. The first goal came from a corner, with a delightful swerver from Fowler that landed on an unmarked A.CHAPPELL.

DHARIWAL was next to score not so long after, following up rapidly into the box after the opposition saved two shots. The scoreline suggested we were doing well at half time however the lack of fitness was beginning to show.

The goalkeeper show started in the second half. First up was Phakey who didn't need to make a save. I'm fact we made it three through J.CHAPPELL.

Connew then went in goal and made a few saves as we wrapped up the game with a fourth with HARVEY scoring into an empty net after a goalkeeping howler.

Dhariwal got the last 15 in goal however had little to do. Four goalkeepers in our goal and four goals in the oppos.

Match Reports – Vets v Sutton United (3rd May)

OWFC Vets v Sutton United Vets, Friday 3rd May 2019, played at Gander Green Lane, result ; 5-1 (0-1)

OWFC Vets player their second friendly match in 3 seasons on Sutton Utd's 3G pitch against a wide mix of past Sutton United former players, arranged via Sutton Utd hall of fame and club director Micky Joyce.
The first half was even with the regular OWs Vets from the season starting the match and very soon in it was clear to see the quality and touch of many of their players as they played swift passes and triangles, especially from their central midfielders and Sutton went 1-0 up when Old Wilsonian Matt Hanlan received a pass inside the box and calmly rounded Steve Donnelly to tap into an empty net.
Just before and at half time players such as Jon Rowney, Mark Simmons and Wilson's teacher and Sutton Utd season ticket holder Ed McClaughlin were brought on to bring us back into the game and with a couple of injuries and ageing Sutton Utd players legs going it was not too long before we took control of the game. Jamie Parkinson scored with a right foot shot past former AFC Wimbledon keeper Seb Brown and then Ed McClaughlin fired home a second to put us 2-1 up. Doug Smart added two more, Mark Simmons added another to give us a 5-1 win.
It was another great night, with both squads chatting to each other in the bar after and we also raised over £160 for Kirk Benjamin's kids funds from the squad.
Hopefully this popular fixture will continue for a while and I love seeing the OWs players who never or rarely played at a top non league ground to get a chance to play in this fixture and for the few of us that did play non league it is a nice little reminder of times gone by and a catch up with some former teammates and coaches / managers.
The Sutton Utd squad include 3 players who played in the famous FA Cup win over Coventry in 1989, Old Wilsonian's Matt Hanlan and Nigel Golley and former England semi-pro international Micky Stephens. Matt and Nigel have been tapped for OWs SuperVets games this season and so we hope to see them represent the OWs at Hayes soon .Another who played and one to look out for in the future is Steve McKimm who recently steered his Tonbridge Angels team to promotion to the National League South via a play off in May.

OWFC Squad: Steve Donnelly, Chris Lovelock, Jamie Parkinson, Mark Pope, Chris Dkyi, Aaron Langley, Simon Elliott, Mark Simmons, Dan Harris, Ed McClaughlin, Graeme Carruth, Doug Smart, Mal Smart, James Doyle, Nick Billing, Jon Rowney

Goals : Doug Smart 2, Jamie Parkinson, Ed McClaughlin, Mark Simmons

WHEN SHALL WE TWELVE MEET AGAIN? Old Suttonians 1 7th XI 7

Bearing in mind that the weather had been like the opening scene of “Macbeth” all week, it was with a little apprehension that we turned up at Suttonians only to be pleasantly surprised at the excellent state of the pitch. Mind you, the slope is about one in four, so the water probably drained down to the road!

Whether by luck, or devious sleight of hand, Ian Rayworth managed to get us the first half with the slope and wind in our favour. It was important that we took full advantage of this to be a few goals ahead at half-time, so we started with a will and really attacked the opposition

A number of openings were created from both flanks without reward before good following-up on a goal-keeping error led to **DOUG SMART** slotting home our first goal. Shortly afterwards **NEVILLE SPENCER** spotted their ‘keeper off his line and floated a delightful ball over his head from about 30 yards for our second goal

However, Suttonians did not let us have it all our own way and, to be honest, defensively we were not at our best in the early part of the game and had to rely on Jim Marsh to rescue us on a couple of occasions. But, just when it looked as if we would concede a goal, **NEVILLE SPENCER** eased our position with another long range effort to give us a 3-0 lead.

All Our Yesterdays – 25 years ago

Despite this our frail defensive efforts did let us down when one of their defenders worked his way forward and beat Jim Marsh. However, a good rally gave **DAVE DUTTON** just reward for the various sorties he had been carrying out on our right-wing when he scored a good goal

Further good moves on our left, prompted by Darren Creamore and Doug Weaver, and aided and abetted by 'Tank' Ayling, led to **DOUG SMART** giving us a comfortable 5-1 lead at half-time

Viewing the slope of the pitch from the other end, coupled with the wind, we realised we would have to perform very solidly in defence to retain our lead. Darren Wight came on to replace Doug Weaver, who was feeling his ankle a bit, but with only a slight change in formation, we carried on as before

We had to defend strongly from the edge of our penalty area and so our midfield four had to work from there, helping to break down the Suttonian attacks and then going forward to help the front runners

In spite of some scares from corners, which Jim Marsh dealt with very competently, we managed well in defence , with Andy Johnson covering a lot of ground, and from one of a number of quick breaks, **MIKE AYLING** finished off an attack from close range

By now Suttonians were a little disheartened but certainly did not give up, and then came a really well worked goal involving the two Darrens, Wight and Creamore and Doug Smart, who left **DAVE DUTTON** a nice tidying up effort for his second goal.
A really good game from everyone, and as Suttonians are in our 'New' Division, a useful indication for the league. Fred Brindle

3rd XI	5	4th XI	1	Favell 3, Longhurst, Roberts
4th XI	1	3rd XI	5	Causer
Palace	1	Sheffield United	1	Woodruff

The game began very well for the 1st XI. Possession was maintained and some good attacks resulted from this and continued pressure let to **TERRY ADAMS** scoring from a goal-mouth skirmish, but the highlight of the first half was our second goal.

DAVE BARTLETT gathered the ball outside the penalty area and after cleverly evading three defenders, with the help of some sensible running off the ball by Bill Burgoyne, finished with a fine shot into the bottom corner of the goal

The second half, although slower, was again dominated by the 1st XI. The defence played very well and easily contained the Pinner attack. Although the final score was only 2-0, numerous chances were created but the finishing was poor

The 2nd XI began slowly. Players tended to hold on to the ball a little too long and, consequently, were finding their colleagues marked. Old Grammarians had most of the play and, by half-time, had put themselves 3-0 in the lead.

The second half was better. We settled down to play the game at our speed and **TONY GOLBORN** netted twice. The final score was 2-3 but, and for the first game of the season, this was a very good one

For fear of showing bias I will simply say that the 4th XI put up a very good fight and could possibly have won with a few more goals! Perhaps they will be better in front of their home crowd!

Final score – 5-1. Goals for the 3rd XI by **BOB FAVELL (3), MALCOLM LONGHURST and PETE ROBEERTS** and, for the 4th XI, **TONY CAUSER**

Steve Kember, 19 year-old Crystal Palace starlet, menaced Sheffield United at Selhurt Park. Kember, leading Palace at home for the first time, laid on the 23rd minute pass from which **BOBBY WOODRUF** put Palace ahead
NB: Tony Currie – remember him? – scored for Sheffield United
