**Training**
training takes place every Wednesday at Power League, Wallington. The session normally starts at 7pm. Keep your eyes peeled on Facebook & Twitter for updates.

**Recruitment**
A new season brings with it the opportunity to encourage new members to join the club. Make sure you are contacting anyone returning from university. As always we are desperately looking for Goalkeepers, so if you know someone who is handy, or even just willing to go in goal, please reach out to them and pass their details on to the captains.

**OWFC AGM 2017**
This years AGM took place on the 4th July with 14 people turning up to have their say on the future of the OWFC. The main issues discussed were the amendments to the constitution. Those present unanimously voted in favour of amending rule 5(a) to include "brothers" in the definition of an Old Boy, while an amendment to rule 5(b), allowing two committee members of the OWFC Junior FC to recommend players to join the OWFC, was passed with a vote of 12-2. It was also agreed (13-1) that subs for 2017 would increase from £120 to £125.

**OWFC Drop a side**
During the off-season we were unable to find a replacement captain for the 4th XI. In addition to this they were set to lose at least 5 regular players. The decision was therefore taken, and agreed by the league, to fold the 4th XI team. This means that the 5th XI through to 9th XI become the 4th XI through to 8th XI. This doesn't affect any leagues teams will play in this season, but will impact the cups that sides are entered in. Whilst it is a shame to lose one of our sides it should help aid selection, so hopefully we are no longer scrambling for players late on a Friday evening.

**OLD TIFFINIANS 0 – 10 (TEN) OWFC 3RD XI**

Having dismantled the Tiffinian 1s two weeks earlier, you could be forgiven for thinking that there would be a touch of complacency over the OW 3's first cup match against the Tiffinian 2s. Complacency had no part to play, however, and it makes the match report that bit harder. I'm sure no one wants to be bored by the details of all ten (!!) goals, so I will keep it brief. It has to be said, though, that the Tiffinians started brightly, restricting the 3s to very few clear-cut chances in the opening quarter of an hour. It wasn't to last. Ben Giles, finally deciding to stop snaking his old school mates and play for the 3s, always looked dangerous with his speed and, having beautifully controlled Mackley's wayward clearance, whipped in a cross that was audaciously flicked in at the near post by Matty Williams.

Not much happened for a while, but for a few attempts to win Dick of the Day. Chibu chose to celebrate his opponent nutmegging him by giving him a quick hug, before Gary Bonsels had a nightmare ten seconds, in which he gave away a foul and some terrible chat and then subsequently tripped over the ball. Towards the end of the half the floodgates opened. Matty Williams scored a delightful chip over the somewhat questionable keeper, topped moments later by a rasping effort into the top left from Ben Giles, following a neat exchange with Mackley. Not long after, Jimmy Taylor found himself through on goal with half the goal to aim at, and cleverly chose to confuse the goalkeeper by shooting straight at him, somehow leading to a goal.

Half-time came and went and nothing changed. The front three tormented the Tiffinian defence with raw speed and good movement and more goals were scored by Williams and Giles, who were desperate to outdo one another. It is unclear how many of these goals went in, although at some point Dan Searle also got in on the action, converting a cross after good work again by Ben Giles. Other things probably happened, but it was very hard to keep track. A resounding victory for 3s and a good start in the cup. Let's hope it continues. MOTM Ben Giles.

**OWFC 2ND XI 3 – 1 CIVIL SERVICE**
And so began the season of the Old Wilsonians reserves. Captain Jon Howe at the helm with the luxury of up to 19 players to choose from at the start of the week, leaving us with a very strong 14 for this first game. The fresh, beautifully smooth turf of Hayes offered us a test - could we actually play some good football. For most of the 90 minutes, the 2nd XI answered an emphatic “yes” and in doing so offered up the prospect of a good season ahead.

A strong start resulted in containment of Civil although few clear cut chances until mid way through the half, in which a couple of poor defensive touches were preyed upon by James Karamath who slid a square ball to the penalty spot where JOHN CARRUTHERS was in wait. 1-0. The lead was doubled by JON HOWE, assisted from range by Sam James, holding off his marker excellently and finishing through the keeper's legs from a tight angle. While Civil rocked, Wilson's pounced once more, JOHN CARRUTHERS brought down in the box and allowed to convert the subsequent penalty…. Just.

Whether it was fitness or the stream of changes made, the second half saw far less dominance, but the Wilson’s goal was rarely under threat, whilst Jamie Parkinson and Andrew Fox both had good chance to extend our lead. The half was lost to a rare mistake at the back allowing the ball to make it through to a Civil striker, and despite the valiant efforts of Ali Osbourne sliding the effort onto the post, it ricocheted back onto him and into the goal.

A black mark on an otherwise decent performance, especially considering many of the team’s constituent parts had not played together before. Things are looking hopeful for the 2s!

Team: Luke Bradley, Aaron George, Stu Dunk, Ali Osbourne, Nathan Tanner, Jack Shelton, Jamie Parkinson, Craig Elliot (MOM), Andy Free, Andy Fox, Jon Howe (1), Sam James, John Carruthers (2), James Karamath.

**IBIS EAGLES 4 – 0 OWFC 4TH XI**

The 4s team turned up to the Chiswick Cricket Club a little later than planned, due to numerous travel issues meaning the pre match warm ups and drills were a little rushed/non existent, nevertheless spirits and confidence was high following a 3-2 victory last week.

We got off to a promising start, playing in a 4-5-1 formation, with Jacques Abdou and Tyler Gilson controlling the midfield and a solid looking defence. Unfortunately things took a turn for the worse very quickly as Tyler, in making a heroic, and perfectly timed sliding tackle somehow knocking and breaking his nose! This meant we were down to 10 due to a late comer, and Ibis seemed to sense a moment to capitalise. We hung on for a good 20 mins and even created a few chances with a reshuffled formation but eventually Ibis got the breakthrough, and we went in at half time 1 nil down, however still feeling optimistic we could come back once our 11th man turned up.

The second half started much like the first had finished with both teams equally in the game and the 10 men not really being made to count by Ibis, our defence still looking strong and Dan Hall in goal making a string of superb saves and catches to block out anything Ibis could throw at him. Eventually, about mid way through the half Ibis did manage to get another one, perhaps slightly against the run of play at the time.

This did seem to dampen the Wilsons resolve and was quickly followed up by number 3. Towards the end of the game Josh Eves and Will Stanley had some good efforts saved, and we can count ourselves a little unlucky to not have at least got 1 back, however it wasn't to be, and just before the 90 mins was up Ibis saw another trickle into the back of the net via a lucky deflection, to leave the scoreline at a somewhat flattering 4-0.

All in all it was an enjoyable and more even game than the final scoreline would suggest, with many individual performances to be proud of, considering we had 10 for most of the match, we go again next week!

**HSBC 5 – 0 OWFC 5TH XI**

After a victory on the opening day, the 5s made the short journey to HSBC in high spirits, with thoughts of a promotion push at the forefront of their minds. With only a few minor changes to the starting XI, confidence was running high, perhaps too high.

Despite the excellent condition of the pitch and pre-match talk of getting the ball down and playing football, decent passages of play were few and far between in the first 20 minutes. Still the 5s managed to carve out the better of the opening exchanges, with Nick Morley firing wide after going through one on one with the keeper, and Chris Dyki unable to adjust his feet quick enough after his first shot was excellently saved by the HSBC keeper.

The game turned dramatically on the 30th minute as an HSBC forward, who'd come back on from an offside position, was wrestled down in the box by Chris Billings. The referee unaware that this was in fact 5th XI football and not the Premier League, saw fit to send the defender off and award a penalty. The resulting penalty was coolly slotted away into the bottom left hand corner, leaving Young in goal  no chance.

Half time remonstrations were had, not with the referee, but amongst the 5s, as they implored each other to get the ball down and play out from the back. With just 10 men the task was going to be a difficult one and it was noted that they might give possession away and give HSBC more opportunities. With this fresh in his mind, Chris Charman started the first half by inexplicably passing straight to an HSBC player, after receiving the ball from Young in goal, 40 yards from goal and with Young off his line, the HSBC player lifted the ball over the keeper and into the back of the net.

Now 2-0 down and with a whole half to play with 10 men, the 5s threw caution to the wind and tried to play their own version of total football. Now dominating possession and creating decent chances, the 5s got caught on the break a number of times, with the 3 at the back struggling to contain the HSBCs forwards. Conceding a further 3 goals the result was immaterial, as the 5s continued to push, with Jay Breen forcing an outstanding double save from the HSBC keeper. With 5 minutes to go HSBC bought on what appeared to be a 4th substitute, however the referee had by this point given up his penchant for doing everything by the book.

The game finished 5-0, a humbling defeat for the 5th XI. On another day, the 5s would have been two or three goals up by the sending off, but with defeat comes important lessons; the dangers of overconfidence, the importance of trying to play football the right way and never expect the rub of the green from a home referee.

**OWFC 6TH XI 5 – 0 CITY OF LONDON** - Eglon-Adams out, Wicks in
Whilst the team captains were this time living the pirates life on the high seas in Greece, Wicks again had to take charge of the 6XI who were this time treated to the hallowed Hayes turf. As the minimalistic pre match team talk last week worked, the team were given just a couple of lines this week telling them to "do the same as last week" and "play our own game".

A solid start to the game gave Old Wilsonians a lot of possession against SAL new boys City of London 3XI. Unfortunately the possession was mostly in our own half with us trying too many flicks in the opposition's resulting in no shots on target for the first half hour. A couple of corners whipped in by Jeevan were our main threat, with Gunnell heading one just over the bar.

Hyams-Parish almost opened the scoring with a mazy run from the halfway line taking it past 3 or 4 players before smashing a shot against the bar from 25 yards. The first goal finally came about ten minutes before half time with a nice passing play ending with WRENN-SMITH slotting the ball into the corner from just inside the area. 1-0.

We started the second half as we had played much of the first with not much of an end product. This was until 10 minutes in when Wicks switched things to 442 allowing us to stretch an already struggling back four, leading almost immediately to FOWLER making it 2-0.

Having the two goal cushion gave us a lot more confidence and we created chance after chance with their attackers barely having a sniff of the ball. An interception in the middle of the pitch played out to K.Page on the right allowed him to take on the full back and smash a low ball across the box leading to everyone's favourite player OG making it 3-0. Not long after the 3rd, N.Page whipped an excellent cross in for K.PAGE to make it 4-0 before W.GUNNELL excellently slotted in from 18 yards to finish it off.

The opposition only had one chance of note from a corner which Chris Gotts superbly clawed out of the top corner with the opposition adamant it had crossed the line.

Another superb performance from every member of the 6XI with the win never looking in doubt. Two games, seven goals and none conceded will have Eglon and Adams already booking more mid season holidays knowing the team is safe in Wicks' hands.

MOM: Hyams-Parish

**BANK OF ENGLAND 4 - 8 OWFC 7TH XI**
Firstly a massive thanks to both teams' skips as they filled in the void of not having a ref. Whilst there were questionable decisions on both ends (inevitably)... they did a great job.

The 7s started off with ten men... classically Sentamu was late, bringing down the ever punctual Ojo and Buckle. We played to our strengths and kept the ball neatly during this period, playing the ball out to the wings when got the chance. The low but long goal kick from Englefield certainly helped us when waiting for the 11th man to turn up. Once we had a full team, we got on the ball, started playing the ball around and before you knew it we were three up in the first half. BUCKLE, CARRUTHERS, STRIDE all got a goal. In the half we did concede on the counter but were very much the dominate force in the half. 3-1.

The next goal was going to be crucial. Within 16 minutes of full on play we had made it 7-1. CARRUTHERS bagged his hattrick - a perfect one at that, BUCKLE added a second by rounding the keeper and STRIDE floated in a free kick like a frisbee into the top corner. Shortly after this we became sloppy and started trying tricks and flicks. We were hit on the counter for two, but then got a penalty for STRIDE to convert for his hattrick. We conceded another largely in a similar fashion to the last two but the game ended 8-4.

Team: Englefield, Amankwah, Sparrow, Patel, Dhariwal, T.Shelton, N.Sheridan, Curran, Ojo, Sentamu, Stride, Buckle, Carruthers
MoM: CARRUTHERS

**MERTON 4 – 0 OWFC 8TH XI** - Late drop-outs and lack of fitness prove costly
With a decent line-up on paper, and having scored a couple of rare goals the week before, we fancied our chances in this cup tie against Merton. A squad of 13 was reduced to 11 with two late drop outs, and with a further 2 lads running late, we were faced with starting with 9. Luckily for us, the injured Nev Spencer, who had only come along to watch, decided he was fit enough to pull on a shirt and fill in until the late ones arrived. Thanks Nev!

With skipper Roddy in goal, the defence needed to be tight, and so it was until an unwanted back pass led to yours truly hitting it straight into their striker, giving him an empty net for 1-0. It stayed that way until half-time, and we felt we could definitely get something from the game.

However early in the second half, Andrew Hoffmann landed awkwardly, hurting his knee and had to go off. Down to 10, and with a serious lack of fitness become painfully apparent, Merton were able to break at speed and score 3 more, with only some good saves from second half keeper Rory keeping the scoreline down. We need to get fitter – fast!

WILL SOMEONE PLEASE EXPLAIN THE BACK PASS RULE TO ALEX Old Thorntonians 1 3rd XI 0

The first friendly game for the 3rds – and it showed! The first half was fairly even, with Andy Pullen and Dave Stewart working hard in midfield. Quite a few chances were created through strong running by Mark Mace but, unfortunately, no shots were on target.

So all even at half-time and after a stirring team talk by Alex Forbes, we resumed. At this point someone should have reminded Alex of the new back pass rule as he was put under pressure, almost remembered what to do, but not quite, the end result being that they scored!

The 3rds kept on pressing forward and Doug Weaver was unlucky to hit the cross-bar and then watch the ball bounce away from the goal-line.

The last 15 minutes were very scrappy, with the 3rds getting tired and Thorntonians playing some good passing football. All in all a fair game but more fitness training is needed. Anon

THE 6THS AND 7THS PUT ON TRIAL 6th XI 2 7th XI 1

This was a worthwhile trial for both teams. Although the game was fairly scrappy to begin with, eventually some good football was played by both sides. Good games from a number of players, too numerous to mention, but it was good to welcome the following new players: Martin Stanley, Carl Jones, Kevin Buck and Malcolm Leech Anon

*Goal highlights from the 2nd XI's game*
Although there were still signs of early season rust and lack of fitness, we dominated the opening quarter of the game and when Nick Mole ventured down the right and pushed the ball wide to Malcolm Boxall, his cross was thundered into the net by **RICH CHAPMAN** from 15 yards

The second half started badly when a speculative cross come shot looped into the far corner of the net, giving Alex Reeves no chance. But the turning point came when Malcolm Boxall hurled the ball into the Clapham area and **KEVIN LAW** rose like a salmon to direct his header into the onion bag.

This goal led to a period of domination by the 2nds and we scored another goal when Simon Elliott played a 40 yard ball across field to Rich Chapman, who took it in his stride and ended his graceful run with a pin-point cross which **MALCOLM BOXALL** duly converted with a powerful header. Anon
