WORCESTER PARK 8 – 1 OWFC 1ST XI - SURREY PREMIER CUP
(Played 5th March)

It was third time lucky for the midweek fixture under the lights against a very strong Worcester Park.

Although Worcester Park dominated possession and chances in the early stages the 1s managed to defend well and keep them out. It was set pieces in the first half that was our undoing - two corners met by free headers, and a quick throw in that led to an overload down the 1s right was cut back for the WP striker to slot in from 6 yards, meant that the 1s went in 3-0.

The 1s actually started the second half a bit brighter. But the fourth goal was the sucker punch, with a missed clearance setting the WP striker through on goal. This was quickly followed by 5 from a counter from a 1s free kick.

The 1s did pull one back after neat work from Kieran and Simmo down the 1s right meant that Simmo could square to Mitch to tap in. But this seemed to spare WP on and they quickly scored 6, 7 and 8 making for a demoralising night all round. Except for the food after the game!!

ACTON ASSOCIATION 2 – 0 OWFC 1ST XI – AFA CUP SEMI-FINAL

The biggest game of the 1s season ended in gutting disappointment after a tight loss to Actonians in the AFA semi final.

The 1s started the game strongly, with Ben Giles and Ope looking threatening in behind the Actonians defence. Indeed Giles fashioned the first real chance of the game, running past defenders at will but not quite getting enough curl to beat the keeper one on one from the left hand side of the box.

But Actonians grew into the game, with both wingers proving tricky to deal with - Dan Stratford evening having his scouting hat on after the game to tap up one of the wingers. The first goal was always going to be big, and it looked like the 1s were going to be 1 up as Giles surged past the Actonians defence yet again. His second touch slowed him down and as he squared for Childs the ball was intercepted and launched an Actonians counter attack. The 1s defence were outnumbered and as the ball was cut back from the byline the other Actonians winger tapped in from 2 yards. And that was how the first half ended.

The 1s made the better start to the second half, but chances created were few and far between. Sellman had one from a tight angle on his left foot parried away, and Ola was close to converting a header following a Sellman cross. However, as the game went on and the 1s threw players forward, the game opened up and Actonians hit the final blow late into the game. A quick counter led to the Actonians forward with plenty of space from 20 yards out and he was able to stick it in the top corner. A gutting result all round, especially with such fine margins deciding the game.

OWFC 2ND XI 0 – 3 POLYTECHNIC

The 2s came in to Saturday's game looking to correct our recent patchy form with a good win and a strong performance. A sleep deprived Jamie Parkinson joined a solid starting eleven and on home turf we fancied avenging our recent narrow loss away to Poly to ensure mid-table mediocrity. A brief chat with the referee before kick-off resulted in us lining up with inside-out black and blue shirts and the stage was set for an underwhelming performance.

A lacklustre warm up saw us start the game on the back foot as Poly dominated possession without creating too many chances. Having weathered some early pressure, we grew in to the game and looked to get in behind their full backs using Teddy Farmer's natural pace and Jon Howe's considerable experience. Jon fashioned a couple of good chances and Poly rattled the woodwork as they used the ball well and made us work hard to keep things level. The game remained tight and our centre-halves defended well despite Stu Dunk taking a clearance to the face from close range and temporarily forgetting where he was. We failed to use what little of the ball we had but kept a good shape and took positives in to half-time.

In spite of our optimistic team talk, the second half began much the same. Stanley, Free and Parkinson worked hard in the middle to pressure Poly but didn't get the ball in to feet enough to make many chances of our own. In a costly outburst, Kyne vented his frustration at a dive from the opposition and the referee took the unfortunate decision to put him in the sin bin. Reduced to ten men and up against it, we played in to the opposition's hands with a couple of poor mistakes leading to Poly taking the lead. The first was an impressive long-range effort following our failure to clear the ball from the back and the second was scored after we failed to shield the ball out of play and Poly's front man crossed the ball for a comfortable finish. Kyne's sin bin was looking like a bad mistake at this point. The game became stretched late on and Poly were threatening in behind before eventually scoring a third after breaking our defence and slotting past Bradley. We finally put a couple of decent moves together towards the end but it was too late by this point and the game finished up 3-0.

A disappointing performance left us lamenting a frequently changing side but on the day we didn't play the football we are capable of. Against all odds, spirits remain high and the team left well refreshed – particularly Kyne who was seen drinking curdled baileys and Guinness as penance for his misdemeanours.

OWFC 3RD XI – CITY OF LONDON

It was another disappointing result for the 3's who extend their miserable winless streak by one this Saturday. A team brewing with 4's players looking to prove themselves, and a 3-2 win on the opening game of the season against the opposition, there was an air of optimism throughout the team. However, that lasted for less than 10 seconds after the starting whistle - a scuffed clearance to the City forward allowed him to dispatch a curling effort into the goal, right into the top bins.

Disaster for Wilsonians. A few more chances for City with them hitting the post 3 times looked as though the afternoon was going to be a long one.

Old Wilsonians to their credit fought back. Cee-jay was causing the City centre backs a plethora of problems and confidence within the team in the ball was surmounting. The best football was coming from them and a leveller was imminent. Halfway through the first half, a lovely cross from Gunnell found Searle 6 yards away. The finish was less than desirable though, as it ended up closer to Gunnell than the back of the net. The level did come after some persistent pressure from Wilsonians, and a deep freekick from Kirby made it the easiest of finishes for Williams in the 6 yard box. 1-1 half time.

Kirby's rich vain of assists continued into the second half. A sloppy pass back to goal allowed City to score in similar fashion to their first goal, a finish which even Dan Hall wouldn't have stopped. Unfortunately a Wilsonian response wasn't as vigour as their first half response and they never got going in the second half. The forwards of City enjoyed more of the ball and got a 3rd goal after the ball dropped from a corner and it was driven hard through what seemed like all 22 men on pitch to find its way into the net.

A fourth was added after cross came from their left and neat finish into the top corner from their striker. The game was over. Not for the first time this season Wilsonians were their own worst enemies and that elusive first win in 2018 will have to wait until Nottsborough away next week.

OWFC 7TH XI 3 – 0 ALLEYNS 7TH XI – WE DID THE IMPOSSIBLE!!
After El Unclassico a fortnight ago, our next fixture was against an unbeaten Alleyns side. They beat us by double figures last time we played them, but we were buoyant after recent performances.

The game started and to be honest, we were on the front foot for the entire half. We were peppering their goal and finally broke the deadlock via an expert piece of goal poaching from James Eglon. Some excellent defending from the team, including some well timed challenges from Ash Chappell, meant that we came in 1-0 up at half time.

The focus of the second half was to keep up the effort, keep plugging away and putting Alleyns under pressure. We got our second goal through some excellent play on the wing from Rickkie Rand, laying it up for Ed Adams to tap in at the far post. Alleyns had a few chances to score, but the 7s kept them at bay and some good saves from James Sparrow meant we were going for a win. More pressure on the stand in Alleyns keeper from Mandeep Dhariwal, allowed James Stride to add a third.

We held on and saw the game out comfortably, against a side who had won all 11 league games. Added to the fact we got our second clean sheet in a row and it made it all the more sweeter.

An excellent team performance, demonstrated by the very tight vote for man of the match. Onto the next game, El Unclassico pt.2!

ONLY ONE WINNER ON THE PITCH BUT EVERYONE WINS AFTERWARDS 3rd XI 0 Meadonians 2

On a rock hard Hayes pitch Meadonians deservedly went through to the final of the London Old Boys Cup. We had our chances, the best of these coming in the opening five minutes to Matt Stone, whose effort was well saved by their 'keeper, and Nick Tarn, who should have shot when he had a one-on-one with the 'keeper instead of passing to an offside Paul Daniels! If we had converted either of these chances we could well have gone on to win the game. Alas…….

Meadonians slowly pulled themselves back into the game and the turning point came when Paul Daniels went off at half-time and, from that point on, we never looked likely to score and were unable to relieve the pressure on our back four.

Meadonians scored two goals in the first 15 minutes of the second half, where both times they had a one-on-one with Kelvin Wing and finished well each time. For the last 20 minutes we pushed Clarke Quarrington up front and played three across the back, but their defence held well under pressure and kept us down to a couple of half chances, which we were unable to convert. .

All Our Yesterdays - 25 years ago

Meadonians were the better footballing side and had further chances to extend their lead, but at no point did any of our heads go down and whilst some players had indifferent games, everyone gave 100%. Good games from Nick Mole and Ali' Simpson in defence and thanks to Mick Hughes for substituting for us at short notice.

What was excellent was the hospitality shown by the 3rds after the game as they mingled with the opposition, bought them copious amounts of drink – a gesture that was returned – followed by the 'Numbers game', with some obnoxious concoctions unveiled by President Mike Harris, followed by a game of 'Bottles' with our opponents and the 2nd XI.

This was the best night I've had at the Old Wilsonians this season and I look forward to a couple more before the season ends. Hopefully it will become a weekly occurrence, with every team socialising with their opponents, playing games, singing and just having a fun time.

Thanks to everyone who came and supported us. It was much appreciated by the whole team and sorry we could not make it to the Final as the support deserved. Alex Forbes

Mayfield have only been beaten once this season, by our 1st XI, and this defeat they avenged on Saturday last in a well deserved victory.

We did not see much of the ball in the first half but, after the interval, a much improved 2nd XI thoroughly deserved their win over Fulham Compton, who seemed to give up somewhat!

The 3rds played well in a hard fought game and many chances were missed

A poor game for the 4ths and not much football was played, really, although Bob Bevan had a good game. Dave Vidler told me he had a bad game and this was confirmed by ten other blokes I spoke to.

Old Owens played their usual brand of all-in rugby against our team of midgets – the 5th XI – but 2-1 is better than 16-0.

It's not that I want to give up doing it every week (the newsletter, that is) it's that I have had so many threats on my life since I started that I cannot stand the worry and strain anymore, so would be very grateful if somebody could take over.
