Golf – The Bourner Jug – 26th April

We are booked in for a two tee start with a nice leisurely mid-morning meet on Thursday 26th April returning to Banstead Downs Golf Club. I very much hope to see you all again this year for one of the most enjoyable and drunken days in the calendar.

Entry will cost the usual £60 per person for which you will receive a thoroughly enjoyable day with old friends and.....:

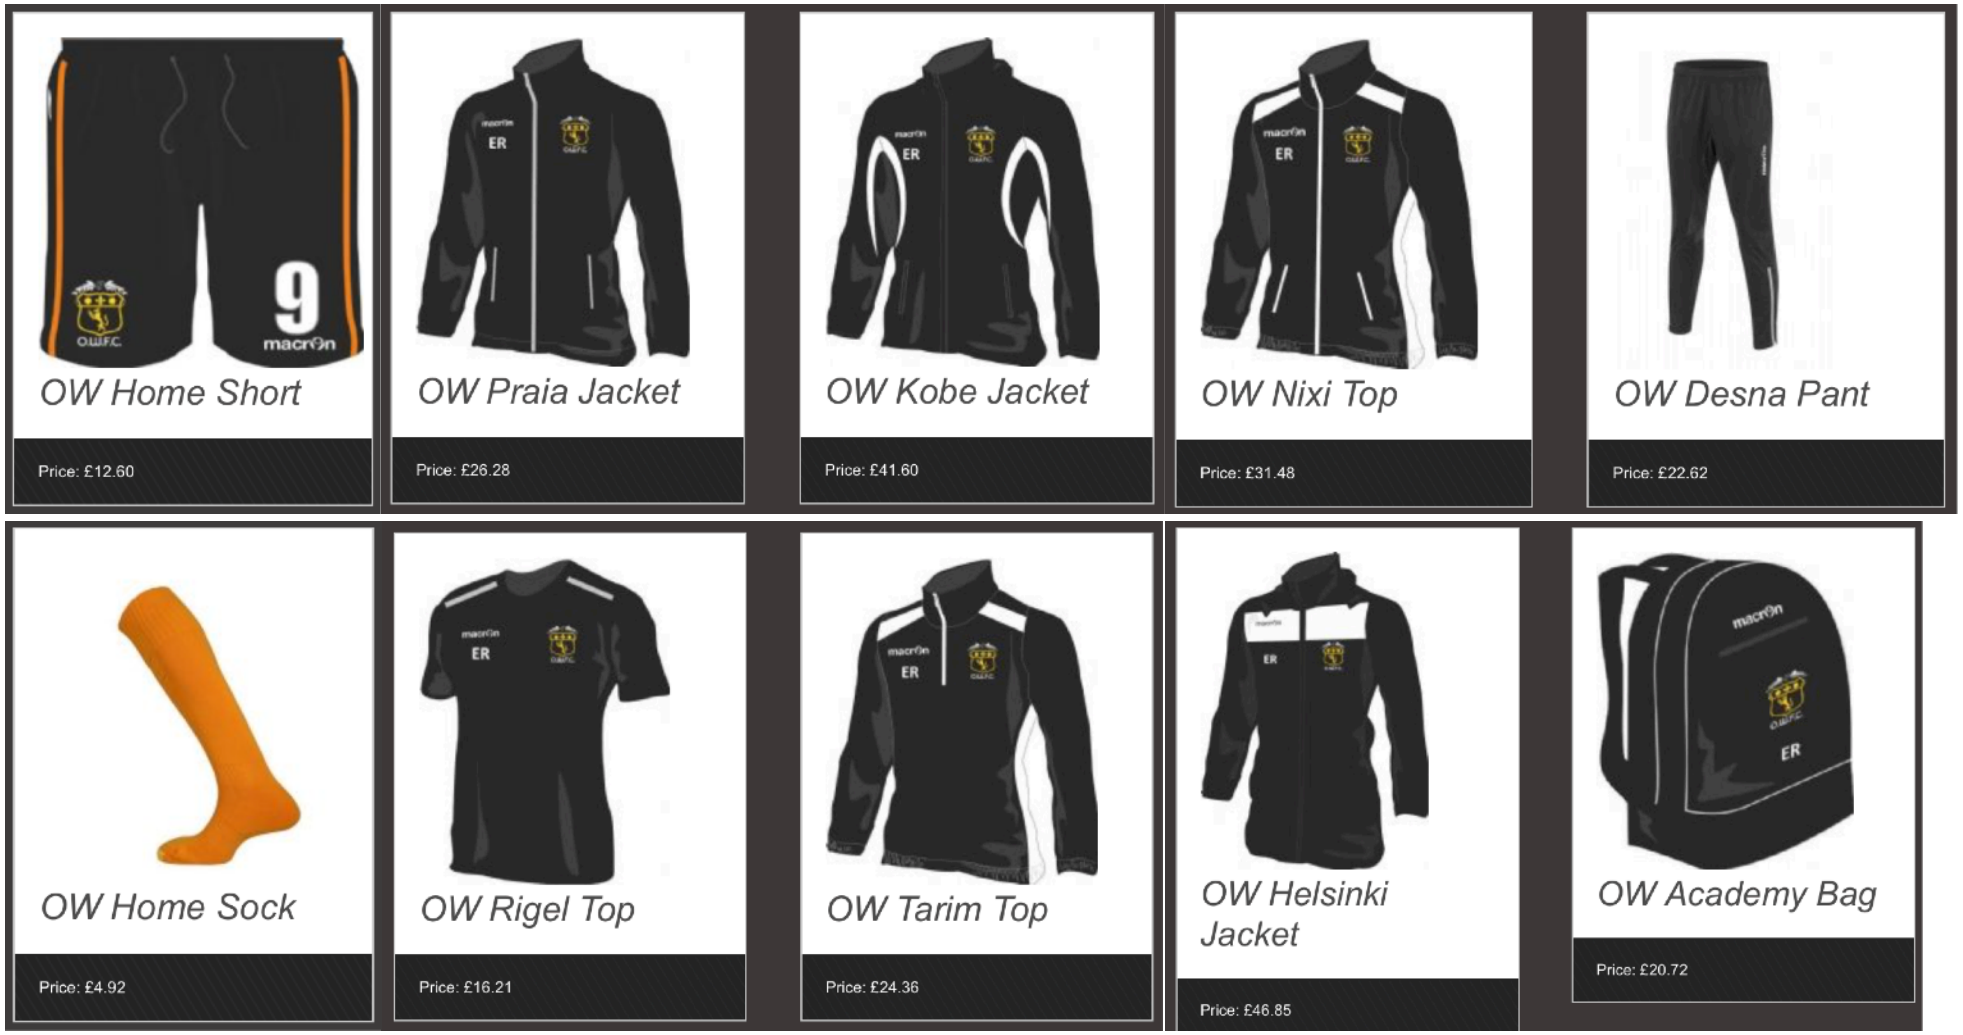

- Coffee and bacon rolls
- Short game and putting lessons with the pros
- 18 holes of inland links golf
- Beat the pro on the 17th par 3
- Three course meal
- Trophies - well some of you will

There will also be over £600 worth of raffle prizes up for grabs and of course the Old Wilsonian bookies will also be on hand for you to have a flutter on yourself or someone else if you want to hedge your bets a little.

As I am sure the vast majority of you will be aware, sadly we have lost one of our organising committee recently, an incredible Old Wilsonian, fund raiser, family man and a very dear friend to us all in the shape of Mr Ian Forbes. Ian has done so much for the old boys but rather poignantly had never picked up a golf club let alone played, yet Ian readily gave up his time and effort every year for our annual golf event and will be a sorely missed this year and years to come. I am determined to make this years event a huge success again in Ian's honour and I am pleased to announce we have fittingly secured the services of Mr Alex Forbes to pick up the baton.

I really hope to see as many of you again this year as possible. If you are interested in participation please email Barnes (bldc1974@icloud.com) who can provide you with all the details you require.

OWFC 1st XI 9 – 2 EBOGs

Back on the hallowed Hayes turf for the final time before the cricket season begins, the 1s ran out comprehensive winners against an EBOGs side that were reduced to 10-men at half-time.

0-1: The EBOGs forward latched on to a flick on and drove at the OWs defence. He beat the defenders before firing home at the near post from 12 yards.
0-2: OWs were caught out playing around the back, with the EBOGs forward nicking the ball of Ed Healy and stroking it into the empty net
1-2: Wilsonians get a lifeline after a set-piece wasn't cleared, Sheridan jumped highest and looped a header on to the bar, with Sellman able to poke home the ball on the way down.
2-2: A beauty – I could have spent the whole match report on this goal. Childs fizzes the ball into Sellman's feet about 20 yards out, who controls, takes one touch to shift out of his feet before curling a rasping, dipping effort into the top corner.

Half-time

3-2: After early pressure from OWs, Carruthers is able to get a low drive away from the edge of the box, which hits the post and ricochets in off the EBOGs goalkeeper.
4-2: Akkaya threads a ball to Sellman between the centre-half and full-back, and Sellman curls home into the far corner with his right-foot.
5-2: Sellman pinches the ball of the EBOGs centre half and dispatches the one-on-one chance.
6-2: A deep-run from Childs who had briefly moved into midfield was picked out by Akkaya, and Childs expertly lobbed the onrushing EBOGs goalkeeper from 18 yards.
7-2: An overload down the right-hand side allowed Sellman to slip the ball into Carruthers who drove at the goal who finally (after numerous chances!) managed to find the back of the net
8-2: A cut-back from Karamath down the left-hand side reaches Steadford on the edge of the box
9-2: Sellman fed the ball into Akkaya on the edge of the box (thinking he might get a 1-2). Akkaya doesn't pass at 8-2, swivels on the ball and fires home with his left foot into the far right corner.

EBOGs 2 – 5 OWFC 2nd XI

On a poor, sloped and soggy pitch the game started well for us. We dominated the majority of the first half with EBOGs hardly getting into any dangerous positions. Jon Howe opened the scoring by heading in a great ball into the bottom corner of the goal. The next goal came from Matt Powell who was 1 on 1 with the keeper, slotting into the bottom left after tricking the keeper by falling over while shooting. We were dangerous through balls in behind to the wings and this showed for the 3rd goal as Ted Farmer got onto a ball over the top and finished with a shot across the keeper. The second half started a little slower but we were still on top which allowed Sam K to beat the keeper with a good finish inside the box, after that EBOGs had there first spell of pressure in the game and managed to get one back. All hope of a come back was eliminated when Ted Farmer was played in to score his second as he beat the keeper at his near post. The game lost its tempo after that with us getting a few more chances to extend our lead further but couldn't convert them, and EBOGs getting another consolation goal with 5 minutes left to make the game finish 5-2 overall a successful trip up to North London.

OWFC 4TH XI 2 -2 ACTON ASSOCIATION 6TH XI - 4th XI Deny Acton Title
Blessed with a return to Hayes and perfect football conditions the 4s faced top of the league Acton who we drew to earlier on in the season. We shaped up for the match with a 5-3-2 formation, which included a strong back 3 with Dixon and Matthews playing as wing backs, while the fans favourite Matt Rand played the role of striker.

The game started with Acton kicking off. It was pretty even until 20mins gone when Pat Matthew's played a ridiculous back heel pass straight to a Acton player. He played a ball over the top for their pacey winger to run on to, leaving Ironside for dead and through on goal. With just the keeper to beat Ballard came rushing out to edge of the area making a point blank save with his feet. This sent the ball up into the air and fell to Acton's striker 25yards out who hit it on the volley with Ballard screaming Fuck (knowing the strike was going in) and the ball just dropping down into the top corner, 1-0 Acton.

Acton were up to their dirty tricks, making some nasty late tackles, chopping down Cejay leaving him concussed and having to go off, while their manager also gave Yuved a lesson in the offside rule. There were no clear-cut chances for the 4s and we went in at HT 1-0 down.

HT and there were some encouraging words for Matthews and Yuved, giving us the belief that we could get something from this.

The second half picked up where the first half left off and 10mins in it should have been 2-0 with the winger again 1 on 1 with the keeper. With the goal at his mercy and the goal at his mercy Ballard made an incredible one-handed save, putting the ball over the bar for a corner. From the resulting corner Ballard again showed his dominance, punching the ball clear of the area.

Some decent play by Acton down the right wing and a cut back into box caused a mix up between defence and midfield allowing the Acton player to pick up the loose ball and fire it into the bottom corner, 2-0 Acton.

Elliott “Fingers” Robert stepped on to the field and made an impact straight away. It wasn't long before Matt Rand connected with the ball sending it up the left flank for Dixon to run on to and breeze past their right back. He cut the ball back to Fingers and with a first-time strike game was back on 2-1!!

Acton were determined to get another goal but some heroic saves from “The Big Show” Ballard ensured Acton wouldn’t have the last laugh, making save after save and putting his body on the line. How Acton didn't score was beyond anyone.

With minutes left on the clock and a corner to Wilson's, Ballard gave the shout to Tiffin and Yuved if he should come up for the corner. Tiffin replied saying "Don't be stupid, get back in goal", but Ballard wasn't having it and thought Fuck It I'm going up!

Running from box to box without a break in stride Ballard arrived in the box at the perfect time. An out swinging corner from Gowtham landed on Ballard who connected with a bullet header, sending the ball in to the back of the net and levelling the game 2-2!! 6 men tried to take him down when celebrating but they just couldn’t with all the adrenaline running through him.

Ballard gave the instruction to Rand to stay in Acton's half so they couldn't kick off, giving him loads of time to get back to his goal and catch his breath.

With that the game came to an end, denting Acton's chance's for the title.

MERTON 5TH XI 0 – 2 OWFC 5TH XI

The 5s travelled to Merton for the penultimate game of the season looking to extend their excellent league form and maintain top spot in the league.

We started the game well with Russell Bywaters, playing his first 11 a side game since Wilsons Year 10 B Team (he turned 34 last week), upfront showing some good early touches. The first goal came around 30 mins after an almighty goal mouth scramble finally fell to Billings who slammed the ball home from close range. The second quickly followed as Moniz (J) took a corner which curled straight in over a flapping keeper.

The second half was a bit of a non event and we really didn't get out of second gear and to be honest played really poorly but Merton never looked like getting back into the game. One of the few highlights was Will Bennett receiving the biggest black eye I've ever seen from a completely innocuous ball to the face.

Their subs were overheard describing our style of play as 'monstrous' and we were just a 'rugby team' but hey, I'd rather play ugly and be top than in a relegation scrap like them!

We retired to the pub, via the bookies, to watch the Grand National where everyone did their conkers in. All in all, a decent Saturday.

MERTON 6TH XI 8 – 3 OWFC 6TH XI

Another “away” game played on the familiar surroundings of Hawes Down, this time the opposition was Merton “6s”. It is clear this team have a number of players who are playing far too low. The league really should do something about the obvious selectional strength issues, as the 6TH XI team look set to win the league, while the 5TH XI side are 15 points below them in a relegation battle. Anyway, enough of that, on to the match…

The first 20mins were abysmal. We gave the ball away far too cheaply and were caught out of positions on numerous occasions and found ourselves 4-0 down. With 10mins of the first half to go Merton had their best player sin binned and it gave us a chance to relax on the ball and settle in to our game.

At half time the talk was about showing some pride, given this was our last game of the season. We came out for the second half and began to look more dangerous going forward. Jake Stanmore was having a lot of joy in the number 10 role and often found himself in lots of space. On one occasion the ball was played through the middle for him to run on to. As he was about to shoot the defender slid in and fired the ball past his own goalkeeper.

This sparked a frantic second half where both teams traded goals and the crowd of 2 were spoilt with a further 6 goals, well worth the trip out! After Merton made it 5-1 a lovely through ball from the right found James Eglon in behind the defence, his finish took a slight deflection off the defender to make it 5-2 and 5 goals in as many games. Three more Merton goals in quick succession made it 8-2 and killed off any feint hopes of a miraculous revival, but there was still time for Pat Kirby to get the pick of the OWFC goals. The ball was recycled well by Rickkie Rand on the left whose cross was met by Kirby at the back post, to sweetly strike the ball back across goal. 8-3 and game over.

A disappointing end to the season, but one we can look back on with pride given our 4th/5th (awaiting other games) place finish.

THE TEAM IS VASTLY CHANGED BUT NOT THE RESULT 2nd XI 2 Old Adeyans 3

This was a return fixture for the Reserves, having played Adeyans away just before Easter. A vastly changed team, a phrase used too much this year, were expecting a tough match and this is exactly what happened.

The early pressure from the 2nds was very encouraging so when Matt Harris put **KEVIN SULLIVAN** through for a one-on-one with the 'keeper, and he slotted home well, it came as no surprise. The game then became an 'end to end' affair but with no real chances being created and there were no further goals before half-time.

Having been in exactly the same position in the away match, we realised that solid defending was needed for the second half but, unfortunately, we quickly conceded two goals when we failed to clear from a free-kick and again when Alex 'Tyson' Reeves tried to punch a cross clear and almost removed their centre-forward's head! However, this was after the latter had headed the ball home.

At this point we could have given up but we kept pushing forward and, in the last 15 minutes a long ball from Mick Hoffman tempted the opposing 'keeper out of his area. He had to play the ball out but was caught by **PAUL DANIELS,** who hit an excellent shot from a very acute angle to even the scores at 2-2.

The last ten minutes were very interesting, with some very energetic challenges! A draw was a reasonable result but, as in the previous game, we conceded a goal in the last minute. So we lost, but the team spirit and commitment could not be faulted.

Good debut performances from Matt Harris and Laurence Banks and a fine cameo from Ian Pilgrim, who stepped in at the very last moment to complete the team. 'The 2nd XI'

Note to the Editor

Dear Sir,
(Sometimes rightful respect is essential)
Just thought I would drop you a brief note of congratulations at the end of your first season as editor of the Old Wilsonians' Football Club newsletter.

At the time of writing – April 13th – the club have played a total of 195 games and no fewer than 187 have seen reports of their games submitted on time, whilst a further four have appeared late, which means that only four have not been recognised at all, a remarkable achievement and a tribute to your ability to convince members of the value of your top class publication. Many thanks, too, to all of the contributors.

I hope all members of the OWFC enjoy the end of season dinner and the summer months, and please let me know if you want to play cricket for the OWs

Yours, etc.
Pikey
