Alumni Evening - Wednesday November 28th

Calling ***ALL*** Old Wilsonians

Delighted to report that Wilson's School are holding an

Alumni Drinks Party on Wednesday November 28th in the Great Hall in Camberwell from 6-30 p.m. until 8-30 p.m, and, Yes, that does read 'Camberwell' so it will be of particular interest to those of you who enjoyed your education there

What's an alumni, I hear those of you who were brought up in the aforesaid Camberwell, Peckham, New Cross and Elephant and Castle area cry?

Well, it simply means former members of the school – those who attended at Wallington, where the school has been situated since 1975, will explain in more detail

And that year, i.e 1975, is particularly significant as far as this event is concerned because the initial Wallington pupils will now be in their mid 50s whilst if you go 43 years in the other direction, you get well into the 90s, so the evening will be of interest to Old Wilsonians at both ends of the age spectrum

For those who remember only Wallington this is an ideal opportunity to experience the roots of the school, whilst for those whose memories only relate to Camberwell, you can go back and see if your name, which you so lovingly carved in the wall back in 1952, is still there

As well as a convivial evening, at which the memories will flow as freely as the refreshments , there will be some interesting memorabilia for the older generation of Old Wilsonians to examine, e.g.

The Punishment Book **-** A lot of familiar names there

The Commendation Book - Not so many there!

A number of people have already expressed their interest in attending, with the classes of 1956 and 1962 both promising/threatening to come mob handed, but, whether you intend attending as a group or as an individual, you will be most welcome and will undoubtedly know more than a few people there – after all, we did all go to Wilson's!

Please let me know if you wish to attend – need to know for catering purposes - and, amongst other things, we will attempt to fill the Great Hall that so many of us remember so well

2nd XI Match Report (3-3 (2s won on pens) vs South Bank Cuaco)

The 2s came into the game full of confidence having secured a first clean sheet of the season last week and playing against a team from a lower division.

On a narrow bobbly pitch it proved difficult to dictate the game and OWs went 1 down after Powley got lobbed from 35 yards. The introduction of Steadford off the bench provided some much needed impetus before half time and Wilsons scored two quick goals, the first from Wright after some good work down the right hand side and the second from Howe, this time Wright turning provider with a incisive ball through the South Bank back line.

Wilson's started the second half well, with Steadford scoring after a neat passage of play to put OWs 3-1 up, before Wilsons missed a number of opportunities from crosses and corners. The 2s then lapsed into a period of complacency resulting in conceding two pretty awful goals to bring the game level at full time.

Cue an uneventful extra time, that was dictated by a much fitter Wilsons team however it proved difficult to break down South Bank, who made a mockery of their league standing by digging in to force the game to penalties.

Ollie Sitch took the first pen and scuffed his first shot of the afternoon unstoppably past the South Bank keeper before Powley disdainfully slapped away a South Bank pen to put Wilson's ahead. Louis Hewson decided he needed to up the excitement factor in front of his watching girlfriend so he missed the next pen. South Bank obliged by smashing one over the bar and the rest is history, Howe Steadford & Wright all found a way past the pretty porous South Bank keeper and the Quads still on!

3rd XI Match Report (1-2 vs Merton 3s)

No match report or scorer submitted

4th XI Match Report (13-0 vs Old Salesians)

The 4s were back on home turf against the Old Salesians (2s) in the old boys cup. On the back of a decent league run, an already confident team was given an extra lift as the opposition turned up with only 9 players.

Sticking to the trusty 3-5-2 formation that has worked so well as of late, the 4s knew they had to try and capitalise on the 2 man advantage. It didn't take long. It was 1-0 after 4 minutes and 4-0 after 20. No sign of the remainder of their team either so the 4s knew they had to keep pushing and found success down the wings with Dixon and Page as the outlets firing in crosses. The midfield completely dominated, stretching their weakened team at every opportunity. Cejay Watson took it upon himself to continue to bombard shots at their midfielder, who was playing in goal, managing to stick 3 past him and sub himself off before the half was even up. Watson was carrying a knock but in his eyes the job was done. 9-0 as the half time whistle blew.

There were mutterings of the opposition calling the game off but after a team talk and two more of their players turning up, one without boots, they were rejuvenated. The 4s continued to turn the screw and the opposition didn't look threatening even with 11 men, especially their forward who was playing in a pair of Cejay's size 13s. He took an 8 and even wearing three pairs of socks didn't help his touch.

Gunnell was firing on all cylinders and confidence was sky high. Most would put it down to his recent goal scoring form but it was actually down to the fact he was running off the back of two good dates with what he described as "the love of his life" - he met her on the 4s night out. Four good goals in total unfortunately didn't shelter him from receiving the DOD award which he duly deserved for missing an absolute sitter half way through the second half.

Only four goals were scored in the second 45 and we put this partly down to their right back having finally managed to suss out Dixon's preferred line of attack. Infuriated by this, he subbed himself off to re-evaluate his game. We'll let you know the outcome next week.

One note worthy goal was a 25-yarder from Stan. Although nicely placed into the top right corner it didn't quite contend with the bicycle kick Cotterooney scored in the first half.

Strong performance all round and some well deserved beers after the match. Love Saturdays.

5th XI Match Report (1-4 Bealonians)

The 5s travelled all the way to Essex to play against Bealonians, for the Old Boys Cup in the hope of a cup run.

The game kicked off and the 5s look composed playing some good football, the oppositions left back didn't take kindly to being tackled and loosing the ball and with in about 10 mins of KO had already lost the plot, telling Jon he was going to break his jaw. As the left back was so distracted by Jon he hand balled it in the box and the referee awarded us a penalty, to rub it in Jon slotted it in the bottom corner. Their left back didn't take kindly to this and began foaming from the mouth whilst shouting. Unfortunately after our goal we began to play poorly by trying to play the long ball which wasn't working. We persisted with this tactic and despite having two very good headers of the ball upfront there they had 7ft CB and the majority of the balls over the top were easy for him to head away. The long ball over the top failing meant we kept losing the ball and the opposition repeatedly counter attacking which resulted in the opposition equalising with 20 minutes to go, and the rest of the game was the same story with the long ball and then opposition countering as well behind 2-1 then 3-1 and then 4-1, unfortunate for the 5s but I think we deserved more out of that game. Time to focus on the league!

6th XI Match Report (H-W vs Old Lyonians)

Opposition couldn't raise a team. 6s progress to next round

7th XI Match Report (1-4 vs Polytechnic 8s)

We were robbed

We headed to Chiswick again, to beat the team who had beaten us in the cup a fortnight ago.

We were positive and eager to get a result. Our league appointed referee wasn't available as he was used as a linesman for the Polytechnic 1s game. We ended up with some guy who apparently used to be a ref.

Poly were handed the lead, when the ball went over the byline, but the ref didn't respond to our calls and allowed play to continue. The ball was netted by the striker.

Steve Benwell got an equaliser shortly after. However Poly managed to get a 2nd before half time, after some poor communication.

Half time and we had only positives. The fact that the ref was giving every decision to Polytechnic, we deserved to be in the lead.

We should have had a penalty awarded, as Sam Cheshire made an excellent run into the box, onlyto be pushed by a defender. However the ref was nowhere near the action and refused to award the spot kick.

Polytechnic were handed a 3rd after the ball was a clear foot over the byline, but the ref couldn't see as he hadn't left the centre circle. It was played back onto the pitch and slotted away.

This forced us to go forward and were caught on a counter attack. 4-1 And the game left a bitter taste in the mouth. We were robbed. If it was a league referee, I would have been writing a report now, but there is no point as it won't get is anywhere. We were the better team and we deserved at least a draw. Strange how the Polytechnic striker can admit the ball was over the line after the game. Where was the sportsmanship when it happened?

8th XI Match Report (1-1 vs Merton 6s)

This week spelled the return of the fixture that provided us with our solitary point for the season thus far. A confident squad full of a great mix of experience and youth turned up to try and gain our first win of the season. Following the two minute silence on this temperance weekend, we kicked off the game at a great pace with mini Duke, Forbes S being our greatest asset using his extreme pace. Before long our positive start to the game paid dividends as a cracking through ball sent Forbes S through before he rounded the keeper and tapped home into an empty net for his first goal for the club (hopefully first of many). Soon after we continued our excellent start to the game with a disallowed goal from Dyki C for a tight offside call and a header that sailed just over the bar from Forbes D. As halftime approached the opposition had crafted little to no chances despite their runs from deep causing us a few problems. At the break, with us leading 1-0, step-in captain Kenny ensured we kept the work rate going with some encouraging words and a change in formation. In the second 45, the pressure from the opposition became more intense as we they held more of the ball and began to win some 50-50 challenges. A moment of miscommunication led to a back pass being picked up and a Merton freekick within our box. Thankfully it led to nothing and with just 10 minutes to go, the three points seemed within touching distance. However, a Merton corner led to a defence header being palmed in by their striker. Despite the calls for handball, nothing was given and we had about 8 minutes to rally and find a winner. The game became end to end with neither able to find a decisive strike. A point a piece is how it ended despite all the lads working their socks off all game.

Report: M Nicholas

9th XI Match Report (3-3 vs South Bank Cuaco 7s)

The 9s are always keen to take the field, but this week Michael Hoffman took it to new extremes by turning up several hours early for the kick off, perhaps thinking he had been picked for the 2s who had an early kick off on an adjacent pitch. When skipper Mole turned up, he looked around the changing room for a volunteer. Neville Spencer was the slowest at finding an excuse and was handed the keeper's jersey.

A respectful minute of silence before the game was followed by far too much silence in the game, communication is an area where the 9s could improve. The early exchanges were quite even, the best chance falling to South Bank, but a very sharp save by Nev, low to his left, kept the scores level. A good example of the benefit of hard work was set by the senior players of Heath, Stringer and Al Forbes and the youngsters responded well to keep South Bank at arm's length. The solid base gave the 9s a platform to build from and chances were created. The deadlock was finally broken by **JOSH GODFREY** with an unstoppable free kick into the top corner. The 9s looked unstoppable for the rest of the first half and two more goals by **JOSH GODFREY** completed his hat-trick and saw the 9s coasting 3-0 at half time.

But having conceded many goals in the later stages of games, the 9s know that a game isn't over until the final whistle. South Bank dominated the play after the resumption, and with 15 minutes to go, they were back on level terms. The 9s had one last chance when Josh crossed in a perfect corner, Al Forbes rose like a very old salmon to head just over the goal, saving the team from some intolerable boasting in the bar after the game.

A great effort from the whole squad, a point on the board, and a suggestion that there's many more to come !!

Vets Match Report (3-2 vs Old Alleyns) played 4th Nov.

Lee Reid's unbeaten Vets travelled to Dulwich early on Sunday morning to take on regular opponents Alleyns in a cup fixture. The OWs Vets started brightly with right back Mal Smart putting in a few marauding runs down the right and getting in a couple of decent crosses that we could not convert.

Alleyns led at half time when a decent pass in between the defence and Andy Parkinson in goal was finished well following a good run from the Alleyns number 9. Shortly after a brilliant low drop kick from Andy Parkinson put Ducasse in on a one on one with their keeper but the finish did not match the pass and the keeper saved.

In the second half the OWs put on the pressure and James Doyle curled in a great right foot shot, from the left, over their short keeper into the top right hand corner.

The OWs defence continued to stop any Alleyns chances until Mark Pope let a long through ball slip past and again the Alleyns number 9 fired home a well taken second.

This fired the OWs into further attack's and Dan Harris arrived from OWs junior duties to strengthen the midfield. Shortly after Doug Smart headed home a looping header after Jamie Parkinson got his head onto a corner. With the clock ticking down James Doyle moved onto a Dan Harris pass and was taken out by an Alleyns defender and it was not a difficult decision for the ref to award a penalty. Mal Smart cooly slotted home to give the OWFC Vets their third win from three and progress to the next round against Meads Vets. The OWs Vet also got through to the next round of the other Vets cup when Tenisons pulled out of the 10th November fixture.

BRITISH RAIL APOLOGISES FOR THE DELAY TO THE KICK-OFF Old Sinjuns 1 2nd XI 3

Having been directed to the wrong ground the 2nds finally arrived at Wimbedon Common half an hour late. Whilst waiting for us Sinjuns had lost two match balls on the railway line behind the pitch and the kick-off was further delayed until one was retrieved. It was cold and raining and the referee looked thoroughly fed-up with this!

On a small pitch both sides resorted to 'kick and rush' football and with four changes from the previous week, we were unable to play to any plan. However, the defence looked solid and we had the better of the exchanges and soon carved out some good chances, with both Stuart Paton and Simon Elliott looking dangerous on the break and we took the lead after about 20 minutes when **MICK PILGRIM** scored a typical far post header from a corner

Shortly after this the match was almost abandoned when the ball was again kicked onto the railway line but, after a long delay, another ball was found. This interruption ended any rhythm that either side was able to achieve and the rest of the half, and the whole of the second, was awful to watch – scrappy, kick and rush football with hardly any passing moves

We continued to create opportunities but could not score until, with ten minutes to go, **STUART PATON** scored two quick goals on the break, whilst Sinjuns got a consolation goal at the very end

This was not a good performance but it is good to win whilst playing badly, and we certainly deserved victory on the balance of play, but we must keep trying to follow Mick Pilgrim's instructions by playing short, early balls and building moves rather than trying the spectacular 50 yard pass or hopeful punt. However, with the defence looking so solid, we have a good base on which to build

Finally, a quick mention for Danny Wilson on making an impressive debut for the Club, who will surely be in the 1st XI if he decides to play regularly

THREES SILENCE THEIR CRITICS 3rd XI 3 Old Salesians 2

With a howling wind, driving rain and a boggy Coneyhall pitch, the 3rd XI made a marvellous job of putting the nets up, only for them to fall apart in a devastating warm-up! After about ten minutes we scored, prompting a raging debate as to the scorer. Ian 'Sniffer' Haines was busy carving another notch in his shin pad when up piped 'Whinging' Prince, claiming it was his only for Salesians to take a 2-1 lead

The second half started with hurricane 'Luke' blowing in our favour and **MARK MACE** quickly pulled us level in a mega goal-mouth melee, and then went on to score the winner after a fine through ball from Clarke Quarrington; a good team performance Andy Pullen

1ST XI PAY THE PRICE FOR STANDING AROUND A LOT! Pinner 3 1st XI 1

Another disappointing display from the 1st XI took them to their third consecutive defeat. As usual we got off to a promising start, with some fine, open, attacking football. Midfield play was excellent to watch but the finishing was below standard and the first direct shot at goal was by Dave Cohen, who played at full-back! The majority of play was in the opposition's half but the Pinner goal was under threat only occasionally

The defence was very solid, capably holding the Pinner forwards although, mostly through their own stupidity, they were left wide open and Pinner were able to score their first goal. After another of our attacks had broken down on the edge of the Pinner penalty area, the ball was quickly pushed to their centre-forward, who laid a square pass to the right-wing just inside our half; the winger over-lapped and centred a harmless looking cross, which our defence stood and watched, and their other winger was left to head into an empty net. The goal did not seem to spur us into any urgent action, so we changed round a goal down

The second half started as the first had done, with sustained pressure on the Pinner goal but, mid-way through the half, we were three goals down as, after a goal-mouth scramble, the centre-forward prodded the ball home whilst the defence stood appealing for off-side

For the first time in the game Pinner put us under heavy pressure and really came into their own. After a bad clearance from our defence the Pinner wing-half neatly trapped the ball and split our defence with a pass inside our right-back, John Houghton, for the left-winger to run onto and hammer the ball past Gerry Adams in goal – 3-0

This sparked the 1st XI into action at last and, after 80 minutes, we finally got the goal we so richly deserved. Terry Adams over-lapped down the right-wing and crossed for Jamie Jennings, but the left-back got his hand to the ball first and **GERRY REASELEY** easily converted the resulting penalty

The last ten minutes were played out in even fashion, but if the 1st XI are thinking of promotion this season, then the whole team should play in the spirit of 'Bill' Sollis Les Simner

All Our Yesterdays – 50 years ago

The 2nd XI had a good game on the whole and were unlucky to concede five goals. Our first goal came from a long ball by Alan Carpenter which **JOHN BRITTAIN** slipped into the net. John also scored one of our other two goals and the third was well-taken by **JOHN JARMAN ,** who made his debut for the 2nds this week, from a rebound from a shot by Tony Maunder

In a very controversial match the 3rd XI were beaten by the dirtiest side we have met so far. We were soon a goal down whilst their second was the result of a deflection, which was fumbled in by one of their forwards. **DAVE VIDLER** then scored an opportunist goal and the 3rds would certainly have won if they had been allowed to move more than five yards without being chopped down

An excellent game by the 4th XI in which **TONY CAUSER** scored three goals and **PETE ROBERTS** the other. Everybody played well but, owing to their being no referee, some bad decisions were made when their captain took the whistle!!

A hot Parkonians team beat the 5th XI convincingly and were 7-0 up at half-time. The second half was a little better but we could not possibly match a team that was obviously of a higher ability
