Alumni Evening - Wednesday November 28th

Calling ***ALL*** Old Wilsonians

Delighted to report that Wilson's School are holding an

Alumni Drinks Party on Wednesday November 28th in the Great Hall in Camberwell from 6-30 p.m. until 8-30 p.m, and, Yes, that does read 'Camberwell' so it will be of particular interest to those of you who enjoyed your education there

What's an alumni, I hear those of you who were brought up in the aforesaid Camberwell, Peckham, New Cross and Elephant and Castle area cry?

Well, it simply means former members of the school – those who attended at Wallington, where the school has been situated since 1975, will explain in more detail

And that year, i.e 1975, is particularly significant as far as this event is concerned because the initial Wallington pupils will now be in their mid 50s whilst if you go 43 years in the other direction, you get well into the 90s, so the evening will be of interest to Old Wilsonians at both ends of the age spectrum

For those who remember only Wallington this is an ideal opportunity to experience the roots of the school, whilst for those whose memories only relate to Camberwell, you can go back and see if your name, which you so lovingly carved in the wall back in 1952, is still there

As well as a convivial evening, at which the memories will flow as freely as the refreshments , there will be some interesting memorabilia for the older generation of Old Wilsonians to examine, e.g.

The Punishment Book **-** A lot of familiar names there

The Commendation Book - Not so many there!

A number of people have already expressed their interest in attending, with the classes of 1956 and 1962 both promising/threatening to come mob handed, but, whether you intend attending as a group or as an individual, you will be most welcome and will undoubtedly know more than a few people there – after all, we did all go to Wilson's!

Please let me know if you wish to attend – need to know for catering purposes - and, amongst other things, we will attempt to fill the Great Hall that so many of us remember so well

1st XI Match Report (0-3 vs Actonians Association)

The 1s travelled to Actonians knowing a win would take them into the top 4, but a defeat would put them in relegation zone territory.

As it was the 1s never really got going and lacked any fluidity on the ball or aggression and team shape off of it. Actonians opened the scoring after a huge raking cross from the left found the Actonians centre midfield in acres of space on the edge of the box, and he was able to touch down and loft over onrushing keeper Dan Hall.

The game was relatively even after that with both sides trying to play counter-attacking football but the Wilsons defence stood resolute from crosses and set pieces, but were growing in frustration. 5 mins before half time that frustration boiled over and Sergio found himself in the sin bin. However Wilson's held firm for those 10mins.

The Actonians second killed the game as their wide players stretched the Wilsons defence and the ball was cut back to the edge of the box and rifled home. There was not a massive response and the game looked like it was petering out but Actonians got a third on the stroke of full time after a free kick wasn't cleared properly and the Actonians winger was able to squeeze a strike through at the near post.

Onwards for the 1s and the way the league is shaping up there's still a chance a couple of wins would push them back to the upper reaches of the league.

2nd XI Match Report (1-2 vs Bank of England)

The 2s arrived at Bank of England with a fairly depleted squad but eager to make the most of a cracking pitch and clear overhead conditions. The opposition turning out in full Chelsea kits was sure to provide some added incentive for us to take all three points. Unfortunately matters weren't helped by Stanley taking his time getting to the ground in order to secure his starting spot on the bench.

The game started evenly without either side dominating the ball but we looked to use the width and get behind Bank's defence early on. Despite some early pressure, Bank broke through with a nice passing move and a smart finish at the near post to put them 1-0 up early doors. We looked to build pressure and soon drew level after Bank turned Elliott's corner into their own net under fierce pressure from Howe who incorrectly tried to claim the goal for himself.

We soon had a man advantage after a sin-bin for the opposition and we made the better chances without going ahead. It was a physical contest with some strong challenges going in and a dive that Teddy Farmer would be proud of coming from their right winger. Karamath had to leave injured and, down to 11, we knew our limited fitness would be tested by a young Bank team. We continued to have the better of the chances in the first half but went in level at half-time.

Our half-time break with complimentary oranges did us no favours. Bank continued to rotate and we failed to build in to the game and didn't play the football we are capable of. The game remained tight but eventually Bank took the lead after an effort from a corner was smartly stopped by MoM Bradley before the rebound was knocked in.

We looked to bounce back but couldn't use the ball well and a red-faced Howe was soon feigning injury to take a much-needed breather. Bradley kept us in the game until the end and despite a resurgence in the last ten minutes, we were unable to properly test their keeper.

In an all too familiar feeling, we were done over by the Bankers and were left to console ourselves with sausage rolls and baked beans. I understand the somehow the quadruple is still on and we look forward to an improved performance away at West Wickham next Saturday.

Squad: Bradley, Kyne, Dunk, George, Mackley, Taylor, Elliott, Cliffe, Hewson, Howe, Karamath, Stanley

3rd XI Match Report (1-2 vs Merton 3s)

The boys rocked up to a very sunny Carshalton with a never before seen level of punctuality. Gigi had a look at the scenery and immediately thought 'Yes, this is the ploughed field that perfectly depicts my new English footballing career' and began to make subtle hints of a team photo simply by saying 'Guys, team photo?!'

After a quick warmup and some keep ball J.Kirbs won the toss meaning the oppo would start with the sun in their faces. This proved a crucial factor, when 10 minutes in the sun caused havoc, seemingly blinding their CBs and allowing Matt Williams to sneak in with a naughty little finish. Minutes later another ball over the top was flicked on and well bundled in by an ever beaming Chibu. The goal tsunami continued to flow in the opening few minutes as Matt Williams, fresh off of a goal avoidance streak from the previous week slotted home from close range again.
As the half went on Carshalton dropped their best striker back to win some first balls in what became a battle of goalkeeping kicking attrition. Martin was drawn in at the thought of a big midfield heading exhibition and comfortably came out on top, Sam Elliot looked on with envy. Gigi looked confident at the back, still dreaming of the perfect team photo and made a good save in what was to be the only decent Carshalton attempt of the day.
The second half began as the first ended with a melee of set pieces being played into the middle of the park. As the game drew on Carshalton began to look weary despite Wilson's having just a bare 11. We began to string a few precise passes together in the middle and were well supported by the two full backs, particularly N.Tanner who proudly made it past 60 minutes this week. With the game fizzing out we received countless Throw ins in dangerous positions where Gilson, the self proclaimed throw in messiah, stuck one on Martin's bonce where it neatly met the net. A couple of frustrated Carshalton challenges followed but ultimately it was a comfortable Wilson's performance and the boys enjoyed a nice Winness (bar MotM Tanner who Shamefully took in a losters).

Gigi got his photo. We all looked handsome. His mama was very proud.

5th XI Match Report (2-2 Polytechnic)

The 5s have have had a poor start to the season currently sitting rock bottom of the division so the visit of runaway leaders Polytechnic seemed a daunting prospect. Polytechnic were already out warming up when this lowly reporter arrived at 1:15pm and looked a well organised outfit. However it was us that started the game much the better of the sides looking extremely dangerous on the break whilst solid at the back. Halfway through the first half we deservedly took the lead when Dixon played Gunnell through who smashed the opening goal into the bottom corner. We saw the rest of the half out comfortably enough apart from once when got carved open and Young made an outstanding save and went into the break deservedly ahead.

Polytechnic however came out firing in the second half putting us under constant pressure and equalised almost straight away when a lucky bound in midfield left us exposed at the back and they finished well. Poly kept pouring forward and we rode our luck at times, however, we weathered the storm and began to look dangerous ourselves again. It was one such break which saw Cotter played through and taken out by the goalkeeper, penalty with 15 minutes left. Cotter picked himself up and slotted home. We looked fairly comfortable at this point but as the game entered the final 5 minutes we gave the ball away sloppily in our own half and they had a pretty tame effort which Young in goal would normally do better with us but squirmed under him on this occasion.

2-2 and a fair result against an excellent Poly team. Something to really build on next week.

6th XI Match Report (0-1 vs Old Blues)

After no game last week the 6's were back in action in a long away day to Old Blues.

Wilson's states quickly with the central midfield partnership of Dan Shave and Harry Relf dictating the early stages of the game. Wilson's were unlucky not to be ahead after 20 minutes with the lethal combination of Stan Sherlock and the main man Jonny Q peppering the opposition goal. It was 0-0 at half time but Old Wilsonians deserved to be in front, playing some nice football on a bobbly pitch.

The early stages of the second half was more of the same as the inspired introduction of Ben Cooper onto the left wing injected the side with an element of pace (and heavy touches into the arms of the keeper when running through one in one). However, with about 20 minutes remaining the only Old Blues player who had shown any sign of threat throughout the game took on Syd, Dan and Robbie in a Lionel Messi style run to eventually slot it in against Joe Dolby who otherwise had a fantastic game displaying Pepe Reina style distribution. The boys gave everything in the late stages of the game enjoying close to 100% of the possession but the goal simply never came, even when Dan Shave was gifted with an open goal opportunity from 10 yards out and opted to rattle the ball against the post rather than place it into an empty net to level the score.

A good performance from the 6th XI which resulted in an underserved loss (biggest robbery of the season) but we go again in the Cup next week.

Starting XI: Joe Dolby, Jack England, Syd Sherlock, Dan Seston, Robbie Adams, Ed Adams, Harry Relf, Dan Shave, Chris Dyki. Stan Sherlock, Jonny Q

7th XI Match Report (2-1 vs Norseman)

The OWFC 7s met the Norseman 9s in the AFA cup. After a poor showing in the cups this year we were keen to progress and showed this with our start, taking the game to the opposition and dominating proceedings. Our domination bore fruit after great work down the wing from Benwell resulted in him crossing across the face for GILBERT to sweep home.

We continued the push but gave away an unlucky penalty handing them a potential undeserved lifeline. Their keeper trundled down to take (lame) and found his journey was wasted as Dan Robbins pulled off a beautiful diving save to deny. 1-0 HT.

We started the second half with the same intensity and good feet from Rand won a penalty (questionable as it was probably outside the box). Stride took it and hit it with power but it clipped the bar and went over. Disappointing. Incredibly around 10 minutes later Norsemen won yet another penalty but this too was saved by Dan Robbins - an absolute HERO.

Frustratingly against the run of play they equalised after a free kick was headed in but after soaking up pressure we attacked their goal relentlessly. After several close calls Stride finally managed to squeeze the ball to FAIRHURST on the edge of the box who fired a stunning long rage arrow into the top left corner. The game got even more heated with players from both sides getting shirty though in fairness the Norsemen weren't exactly covering themselves in glory with their conduct.

Nevertheless we finished strongly and march onto the next round.

MOTM: Robbins

8th XI Match Report (3-4 vs South Bank Cuaco)

You don't what you're doing....**

The 8's had been unfortunate the week before not to beat Merton. The talk in the changing room was that last weeks game had seen the 8's play well but get on the wrong end of some refereeing decisions. More worryingly, there had been a lack of control by the ref towards the end of the game when Merton had made a number of reckless challenges on the younger members of the team. We were delighted to learn we had the same referee this week....

The 8s lined up in a 4-5-1. We reflected upon the fact that we are approaching the winter equinox - a slightly odd observation but nevertheless accurate and more on that later. We thought momentarily about playing a false 9 but nobody really knew what that was. Ultimately it was decided that a false centre back pairing of D Forbes and Hollis would be something that South Bank would find difficult to deal with. You can't get it all right.

The game started with a traditional pip from the referees whistle. And what a pip! Some people, like match reports, can get that pip wrong and make it too long (excuse the pun) winded. Not this chap. Off we went and some good work in midfield saw the 8s on top in the opening exchanges.

A break by Southbank that we failed to defend well led to a calamitous goal - our erstwhile keeper (C Steel) doing an excellent impression of a large cat (possibly cow) flap and enabling the ball to trickle through to goal. C Steel said he felt awful, we all agreed he should. That said (and other goals aside) C Steel had a good game and it's nice to have a good keeper and someone who distributes the ball well. We continued to pile the pressure on and after a scrap in the box (and possibly a foul), S Forbes finished calmly from close range. 1-1.

The game was played generally in a fair and competitive spirit however both teams were struggling with a lack of communication with the referee - essentially neither side was clear what decisions were being given and there was little interest from the ref in elaborating on this. Lineker was hauled over in the box and the referee awarded a penalty. Lineker dusted himself down with a quiet, yet noble dignity and converted from the spot 2-1 to the 8s!

Against the run of play Southbanks pacey winger (do we even play against those anymore?) beat Bryan at right back and finished well. Hollis should've probably covered but he had the look of a man wondering which of the great woodland creatures Maxwell reminded him of. The 8s continued to press and after some good work on the wing by S Forbes the ball was squared back (yes SQUARED BACK) to Lineker who slotted home. 3-2! Not so, the ref awarded offside from his vantage point of the halfway line.

8th XI Match Report (3-4 vs South Bank Cuaco)

We then allowed concentration to lapse and Southbank broke again and after some ping pong in our box, a bit of ball handling by their forward and an offside that to be fair would've been a challenge for anyone to call, Southbank took the lead. Maxwell was as enraged by this goal being awarded as a badger that had just learned culling season had been extended and he had just sold his set (a badgers house) for a life on the road. The ref then awarded a free kick against Kenny for claiming to be part badger - outrageous.*

Another lapse in concentration from the outfield players enabled Southbank to loop a shot from the outside of the box, which momentarily was caught in the glare of a low winter sun (which itself is caused by us hurtling towards the aforementioned winter equinox), and sailed into the top corner.

4-2 down at half time. Our Captain A Steel gave the team talk, which to our collective surprise focussed on the essays of Alexander Hamilton, and the 2nd half saw a change in personnel with Hollis, Richards and Cronix switched for Nelson, Ketheeswaran and Philips. The fresh legs enabled the 8s to keep the pressure on Southbank and a ball over the top was expertly finished by S Forbes still having a lot left to do. The 8s had a lot of chances in the 2nd half and on another day would've won.

Back to the ref, and there was a lot of discussion about his approach to the game. The match report is not the forum to focus on the specifics of that but I think it is worth reminding ourselves that without referees there would be no Saturday football. It is always a struggle to get them booked and we should be grateful to those who give up their time to stand in the middle and treat them with respect. That said and whilst I have never seen the point in trying to argue with any referee on a decision they have made, I think there needs to be a focus on better communication between the referee and the players. I don't think anyone expects the ref to get it right all the time but I think if they tell players why they have made a decision you can at least understand it. Most importantly, the referee in any game needs to deal with reckless play - Southbank and Wilsonian's played competitively and with generally good sportsmanship but other teams need a closer scrutiny and discipline from referees on dangerous play.

In the spirit of full disclosure it should be noted the author of this report did receive a booking (his first in 20 years) for a late challenge on their winger. Late in that he had already gone past the challenge and whilst it wasn't reckless the ref was right to call that one back. I'm confident with a bit more running (and a little less pie) the timing of my challenges will improve in the coming weeks.

Green and Lineker played well in the middle and created our best chances along with S Forbes. Good games from all involved and we look forward to the cup game next week. Kit Hollis

MOM - Sam Forbes
TEAM: C Steel, Bryan, Hollis, D Forbes, K Maxwell, S Forbes, Green, A Steel, Lineker, Richards, Croninx, Nelson, Philips, Ketheeswaran
*the author has used some poetic licence and in fairness the ref's pip at kick off was a fraction too long. A little like this report.
**the title is obviously reference to my ability to play as a false centre back.

9th XI Match Report (2-6 vs City of London 3s)

Possibly the worst facilities in London greeted the mighty nines as we faced City of London. Having lost the reverse fixture 5-1 a few weeks previously, we knew we were in for a challenging afternoon. However, it soon became apparent that this City of London team wasn't the same one we played before, and the match should be a close one. They took the lead when a defensive mishap from a corner gave them a tap-in. We equalised not long after, from a corner of our own, which was headed down by Humphrey Keeper for George Worrell to fire home from close range. They caught us on the break just before half time, so we went in 2-1 down but felt the game was there for the taking. A second half decline has been a prominent feature of our season so far, and so it continued this week. A free kick was awarded when Kek in goal was judged to have handled a back pass from Al Forbes (it wasn't a back pass), which City duly scored from, quickly adding another. We managed to peg one back when Josh Godfrey's cross found the unmarked Seb Ayers, who headed home. Unfortunately, pushing for another goal left us badly exposed at the back and they added two more before the end. Need to sort out fitness out to end these second half collapses!

All Our Yesterdays – 25 years ago

EIGHT IN THE FIRST HALF AND THEN……. Old Uxonians 1 4th XI 9
When the whistle blew I thought that this would be an easy report to write, but then we had to play the second half!

The day got off to an extraordinary start as Dave Stewart was seen by six of his team-mates to be over-taking on the M25. Such reckless driving should not be tolerated at a club which is trying to improve its disciplinary record

We started with ten, they with nine, and we promptly ripped their posteriors from their troubled torsos as a flurry of goals in the first 20 minutes left us 6-0 up. We played graceful, flowing, elegant, some may say beautiful – nay, inspiring football. We finished the first half 8-0 ahead and Geoff Robinson had deemed to grace us with his presence as they went up to ten men

Maybe it was because we were kicking downhill in the second half; maybe it was because 'Wolfie' wore the Ghostbuster ***slimmer*** under-crackers that his daughter had bought him; maybe it was because Jim Marsh left six beer cans behind in the net – we caught him sulking as he did not touch the ball until the 26th minute, and he threatened to get his brother – maybe it was because we then played time honoured proverbial s***

No, in fact we did not play that badly, but once their goal-keeper realised that he could use his hands, they found another dimension to their game. Oh, and of course, the referee did not help – do they ever? – as he awarded them a penalty, which was a little disappointing

Fortunately humour was restored to the game as Terry Adams was crashed out of the game, had to run 50 yards to collect the ball and was promptly penalised for a foul throw. We finished with another goal and the 4ths go marching on.
Many thanks to their skpper for his own personal J.Arthur nomination: "Maybe we could arrange a friendly as I think we are about evenly matched !!!!!!!!!!!"

All Our Yesterdays – 50 years ago

This was a good victory for the 1st XI, although Grammarians took a first half lead but, five minutes into the second, Les Simner sent across a low ball which **BILL MORLEY** accepted gratefully to crack home a lovely goal. This gave us the will to win and, five minutes later, **LES SIMNER** chased the ball all the way to the opposing goal and lobbed a neat goal over the advancing goal-keeper

Mid-way through the second half a right-wing cross from Dave Bartlett was coolly headed home by **GERRY REASELEY** and, five minutes later, **LES SIMNER** scored our fourth. Dave Bartlett

Monovians were one up at half-time and the 2nd XI were containing them but then a bad refereeing decision gave then a corner from which they scored their second goal. From this point onwards the spirit and enthusiasm of the team was non-existent and Monovians were allowed to run amok and finished well-deserved winners.
Tony Golborn

Lady luck was again against the 3rd XI, with one disallowed goal, one cross-bar struck and one half-back a passenger, but the 3rds contained an unusually weak Grammarian forward line for the first half, only to tire at the end of the second after another player was injured and left the field for ten minutes, the only goal of the game coming after about 70 minutes. Mike Harris and Ian Rayworth

The 4th XI made a shaky start in which Brian Reynolds had to make four marvelous saves, but we soon settled down and went ahead from a corner when Barry Jenkins hooked the ball over his head and **JOHN CLARK** volleyed into the net, but we again had a period of shakiness and Inland Revenue equalised and then took the lead. The second half saw a much better display by our lads and we eventually equalised with a 30 yard shot from **NIGEL LOOKER** and could well have gone on to get both points instead of this well-deserved one. The 5th XI had 60% of the play but unjustly ran out 4-2 losers. As usual we took a long time to settle down and, whilst doing so, the Centymca winger scored through a defensive error. However, we then played some fine attacking football but, and against the run of play, their inside-forward intercepted a back pass and slipped home an easy goal whilst a third quickly followed

The second half started like the first, with an early Centymca goal, but, after this, the 5ths raised their game considerably and **MIKE PIKE** rounded off an excellent game by robbing the full-back on the edge of the penalty area and driving the ball high into the corner of the net. We continued to press and, from a corner, **CHRIS HORLER** rammed in the second. Shortly after, with the 5th XI completely on top, Tony Brighton was injured in a collision with Charlie Holder and had to be carried off. He returned shortly before the end but was only a passenger.
