OWFC Events – Togger

Togger 2019/20

Togger kicks off this Saturday and the OWFC website is ready for your predictions!
http://oldwilsonians.com/football/submit-togger-scores

Hopefully we can tempt you (and members of your team) in to making your Togger debut, or playing again this season. Again, it's only £2/week, with the first half of the competition running over 12 weeks up to Christmas, from 5th October. All you have to do is submit your scores online each week and we will do the rest with the scoring, producing results for the various prizes.

Best way to keep in touch with how the rest of the club is doing!

The scoring is as follows:
- 2 points for correct result
- 5 points for correct score
- -2 points for predicting either team (OWFC or oppo) to win or draw and they lose by at least 3

Money to be transferred to OWFC and questions to Roddy Trompiz o

Match Reports – 8th XI v South Bank (14th Sept)

(South Bank 6th XI 6 OWFC 8th XI 2)

A sunny day on the rock hard pitches of Club Langley was the setting of the first competitive game of the season for the 8s. With a few new faces, and players out of position, it took a while to settle in and perhaps unsurprisingly we went a goal down early. However we dominated the second half of the first half, equalising when Ryan Skinner's free kick was spilled by the keeper and Kavi Lakhani tucked the ball away. 1-1 at half time, and the message was: more of the same please. However, early season fatigue as well as the chopping and changing required when you have 3 subs meant we fell apart somewhat, not helped by some iffy offside decisions. In the last minute, at 6-1 down, goalkeeper Sam Belgrove went up for a free kick and Madz Christie eventually stuck the ball away for a consolation. Positives: some new faces, we dominated parts of the game and scored a couple of goals. If we can shore up defence we should start getting results!

Match Reports – 8th XI v Acton (21st Sept)

Another hot sunny Saturday afternoon, and this time the might 8s had the pleasure of the open expanse of Hayes on which to perform our tiki taka. An AFA cup game against, Actionians 7s, who play two divisiona above us, was always going to be tough, but we more than held our own. We started the game brighter, and tested the keeper a few times. A couple of defensive errors and some individual brilliance meant we were 3 down at half time. We had a great chance at 3-0 down to pull one back only for their defender to make an excellent last ditch challenge. One more conceded in a second half that we can be proud of. Play like that in the league and we will get results!

Team. Mole j , nelson g , stringer b , oram B, Watson s, Ayers s , Bedford d, Shute n , Wells t, igboayaka s, Christie m , mole b, Forbes a , mole n

My first game of the season and a much changed side from last season with a number of new old boys joining us from their Sunday side. All very positive and lots of endeavour , a fair bit of skill and some incredible misses- they fit in well.
We started with 3-5-2 formation on the large pitch at Hayes with the poor wing backs messers Watson and Ayers having the whole pitch to run up and down - Sam Watson ran out of legs on his debut after 65 minutes which is a good hour longer than I would have lasted there.
We dominated the first half with our front three running riot - igboayaka lots of skill , has a tendency to run down the odd cul de sac and overly excited in front of goal . Mats Christie is quick direct and again really excitable in front of goal but improved as the game went on. Lastly Tyrell Wells has a low centre of gravity excellent control and good passing range and yep you guessed it excitable in front of goal although he hit the woodwork twice. Seb Ayers also could have had a hat trick at the far post. If chance had been taken the score could have been 10-3. So we turned around 0-0.
The 2nd half was a different affair with actonians talking there way through the game and our centre midfield duo of dan Bedford and nick Shute putting in a bigger shift than the first half which was some going both good in the air and in the tackle. The back 3 had to marshal the stream of actonians attackers coming through. The 3 of Ben oram , Bruce stringer and boom boom held strong . With 25 minutes left and Sam running on empty captain mole brought on the finishers. A finishers job is quite simple if you have a lead you make certain you keep that lead , if you are drawing or losing you need to turn around the game. Well we had some experienced finishers with capt mole and my good self 75 years of it , also the apprentice finisher in young Ben mole just learning his trade. Within 5 minutes of the finishers coming on we were 2 up with mats Christie blasting the first one in when free and bustling the 2nd in from 5 yards. Actonians pulled one back 10 minutes later with a 35 yarder dipping over the josh mole who plays in the modern way similar to ederson . Josh then saved a one on one with 5 minutes to go. We saw off the last 5 minutes without a lot of trouble. A good performance from everyone and a really enjoyable game with both teams playing in the right spirit.
I can only believe we will get stronger with grea finishers like Nev Spencer and Steve Chinnery to join us
A first win of the season in September who would have thought that

Match Reports – Vets v Lloyds (7th Sept)

OWFC Vets v Lloyds of London , Sunday 15th Sept 2019, 3-1

The OWs started the new campaign with the regular fixture v Lloyds of London at Hayes on a hot Sunday afternoon. The OWs Vets had a few new faces such as Chris Kennedy, Prav Pranicker and Fraser Jones and Lloyds included an old one in OWFC legend in Richard Smart.
Both teams created some chances with the OWs more clear cut and Mark Pope, Mark Mace, Pat Ducasse and Chris Kennedy were all guilty of wasting some relatively easy chances but Mark Mace gave us the lead after his first attempt had been saved and then Chris Kennedy made it two when his pace too him clear and he slotted well past the keeper.Lloyds got a goal back after a great cross behind our defence for their centre forward to score.
In the second half Lloyds keep pushing forward to get an equaliser but with Andy Pope having a great game in goal an the back 4 and midfield helping out we managed to keep them to just the 1 and OWFC made sure of the win when Mark Pope ran through from central midfield to slot past the Lloyds keeper's right to make it 3-1. Chris Kennedy escaped with just a badly bruised collar bone after being taken out by about 3 of the Lloyds defence on one of surging runs through the middle. It was great to get a decent win for the new season, bring in a few newer players to the squad and hopefully the winning run will continue when we play HSBC in the next game in October. All 3 Pope brothers got MOM
votes with Andy Pope getting more than enough to beat big brother Mark Pope with Dave Pope getting one vote which was very impressive as he wasn't playing and lives in Sydney.

OWFC Squad:
Andy Pope, Fraser Jones , Mark Pope, Neil Kendrick, Aaron Langley, Chris Billing, Chris Kennedy, Jamie Parkinson, Doug Smart, Dan Harris, Lee Reid, Mark Mace, Prav Pranicker, Pat Ducasse.

Goals : Mark Mace, Chris Kennedy, Mark Pope

Match Reports – 1st XI v Polytechnic (7th Sept)

Some would say that a trip away to arguably the strongest side in the league was an unfortunate way for Wilson's to kick off their 2019/20 campaign, but a determined performance meant they were desperately unlucky to not walk away with all three points.

Wilson's started the game on top and were in front not long in with Ben teeing up Conrad to slot into the bottom corner. As the half progressed, Poly grew into the game and had a couple of long distance efforts sail harmlessly wide. The scores would have been even going into halftime, however, were it not for an acrobatic tip round the post from Ed in goal.

The second half began in similar fashion to the first with Wilson's looking dangerous with their pace on the flanks. However, an unfortunate bounce from a long free kick gave Poly their equaliser with their forward unable to miss from the edge of the box.

Wilson's battled on and kept creating chances with only the final product lacking. The second goal was somewhat inevitable and after a bit of a goalmouth scramble the ball found its way to Conrad who finished for his second of the game.

A string of poor decisions by the officials incensed the Wilsonian outfit resulting in a feisty end to the game. The game seemed all but over with one minute left on the clock but a superb free kick converted by the Poly captain left the Wilson's squad devastated.

Were it not for what was probably the worst refereeing performance by a Brit since Graham Poll's three card fiasco, Wilson's may well have began the season with three points! Although it felt more like two points dropped rather than a point gained, Wilson's take heart that they not only competed with a strong side but dominated for vast periods of the game.

Match Reports – 4th XI v Old Dorkonians (21st Sept)

Old Dorkinians 5 – 1 Old Wilsonian's 4s AET (1-1 FT)

The new passing style of play adopted by the 4's this season has allowed the defenders a few more touches of the ball. Perhaps emboldened by this and the sole occasion he went a full ten minutes without ceding possession to the opposition striker in his own box, Chris Charman has dared to suggest recently that talismanic striker Jay Breen's place in the side is under threat from new signing 'Fake Breeno.' On Saturday the Dorking crowd danced to the Marvin Gaye/Tammi Terrell hit Ain't Nothing Like the Real Thing as Breen produced a masterclass in finishing and forward play to demonstrate he remains the main man.

Early in the second half Charlie Newman-Sanders found some space on the right side and hung up a cross to the edge of the penalty area. Jay Breen, captain for the day, took to the skies. What happened next was a mastery of angles so complete it would have left Pythagoras himself with a little snail trail in his Y-fronts. Breen contorted his six foot two, tanned, muscular frame into a scissor kick position and met the ball full on the volley. Unlike the great Marvin Gaye, Breen only plays one tune. However, every performance of Net Music: A Song in G(oal) Major is note perfect and as the ball ricocheted high off the stanchion the Dorking crowd rose to applaud another sensational rendition.

Unfortunately the strike proved to be breathtaking in both the literal and metaphorical sense of the word for the Old Wilsonians players and they conceded five times as they tired to exit the cup in the first round.

Team: Young, Marsh, Adams, Marr, Rickie, Scott, Drame, Fenton, O'Callaghan, Newman-Sanders, Breen, Jarlov

MOTM: George Young - I'm really good at table football; like I hardly ever lose a game. When I play, I dont touch my goalkeeper; he never moves. I just set him up in the middle of the goal, worry about my outfield players and it's surprising how often the ball just hits the keeper and bounces out to one of my defenders so I can carry on playing. What I’m trying to say is that George Young is a basically a slightly less wooden version my table football goalkeeper.

A massive thank you to the 5's players who helped us field a full team this week. Two hours of football this early in the season is not ideal but everyone's effort level was incredible.

Match Reports – 6th XI v South Bank 5th (14th Sept)

‘Old Wilsonians 6th XI 0 South Bank Cuaco 5th XI 9

Both teams arrived at Hawes Down on a hot autumn afternoon looking to grab the new season by the horns and leave with an invaluable 3 points.

The match kicked off and all of OW’s hope and expectation for the new season dissipated with South Banks opening blitz. Within the first 15 minutes OW’s found themselves on the wrong end of a 3-0 score line. After a sluggish start the yellow and black finally started to find their feet and produced one or two good moves as the second half drew to a close. Unfortunately, with South Bank scoring their fourth goal just before the second half the momentum shifted back in favour of the visitors.

The second half started in a positive vain but was short lived when South Bank added a fifth. With South Bank in full flight they started to take full control of the game with match ending 9-0.

This game opened a lot of eyes and the team will have to go back to the drawing board as Old Wilsonians hope to bounce back with a win next week again Civil Service’

Match Reports – 6th XI v Old Finchleians (28th Sept)

An away day in Finchley...
Old Finchleians 6s vs OWFC 6s

An away cup tie in north London isn't always the best. However, availability was good this week. We needed to draft in two friends to help out, but travelled to the game with 13.

We were greeted in Oak Hill park, by the changing rooms; covered in graffiti in support of Julian Assange, calling for protests to be held outside HMP Belmarsh...

Anyway, we got out onto the pitch, having donned our new shirts for the first time.

Looking at our opponents, we felt that we would be in with a chance, most of them looked to be 50+

The game kicked off and we started to play some really good football. Keeping possession of the ball, short passes aplenty. We went in at half time 4-0 up, including a missed penalty by Steve Benwell!

The half time team talk called for continued concentration, and not allowing the oppo back into the game. More good passages of play, with a few injuries meant that we had a bare 11 for the last 15 minutes, but we saw the game out comfortably 6-1.

Four goals by man of the match Steve Benwell and two by Jason Chappell.
A very good away day indeed.

Match Reports – 1st XI v West Wickham (21st Sept)

Having made a strong start to the league securing 4 points from 6, it was always going to be a difficult task to continue the run against the league champions when the gaffer is forced to make 5 changes to his starting 11. Out of the 12 players in the squad, 5 of them were yet to even play in the first two games.

Having said that the first 20 minutes was fairly even, only for wickham to take the league with a soft goal. Their striker was allowed to turn on the edge of the box and run through on goal to smash the ball into the roof of the net. Wilsons then conceded a penalty with the penalty initially saved by Ed Healy, only for the rebound to be put in. Wickham had two more one on ones saved by the wilsons keeper only for wickham to score a third through a free kick just before half time.

The second half started and Wickham were 4-0 up after 10 minutes, but Wilsons scored through Karamath with a neat 1-2 on the edge of the box. Wickham scored a fifth and the confidence had really been sucked out the team which was quickly followed by two more goals. Debutant Aziz was a bright spark on the wing with quick feet and pace down the wing pulling one back to Sam to make it 7-2.

It was slightly like Groundhog Day from last season. When Wilson's have 8/9 of their regulars out we can match any team. But if we are going to be making 6 changes every week, it will be a very inconsistent season.

Report by Ed Healy

Match Reports – 1st XI v School (28th Sept)

Summer appears to be over as the old boys had a break from the league to take on the school in a friendly fixture. The game started with a good tempo and back and forth. After the opening exchanges the old boys began to take control of possession and put some moves together. A cross from the left found Sellman unmarked but he was unable to control the ball and the chance was lost. A good move in the centre of the park found its way to Giles running into the box from the left hand side but his shot was cleared. Possession was quickly recycled and a well struck ball out to Sellman allowed for an unpressured delivery and the first goal of the game headed home by Carruthers. The ball found the back of the net again not long later but the looped header from Sellman was questionably cancelled out for offside. Just before the break the old boys doubled their lead. A move that broke down on the right found its way to Carruthers who played a long diagonal ball which again found Sellman. The volley at the back post was placed back across the keeper meaning Wilsonians went into half time in a strong position.

The second half had a similar feel to the first but with more chances and fewer goals as the old boys struggled to be clinical. The lead was halved after Sheridan gifted the school boys a free kick on the edge of the box. The wall split from the resulting free kick and the ball bounced beyond Healy. The final goal of the game came down the right with another Sellman cross that the defense failed to deal with leaving an easy tap in for Giles at the far post. The old boys began rotating the team around trying to give game time and rest to various players while scouting the schoolboys for future games. More chances went begging but Wilsonians showed some good character following last week's result and played some good football to build on in future weeks. The physicality was the telling difference in the game against a well organised school boy side

Report by Ed Healy

Match Reports – 2nd XI v Nottsborough (14th Sept)

The 2s started the season with a convincing win against last season's runners up.

From the off, we were putting constant pressure on their backline and forcing them into mistakes. Our first goal as a result of us winning the ball back in the Nottsborough half, some good build up play led to a rasping shot from Howe hitting the cross bar. In the ensuing goal mouth scramble, the ball fell to Karamath to head home. 1-0 OW's.

It was soon 2-0, some good work down the left leg to another mini goal mouth scramble with the ball being slotted home by Jeeven. That's how it remained until HT.

We knew there would be an onslaught from Nottsborough in the second half and it duly arrived, but our defence held out well. We did conceded one goal but their were hints of offside. There was also a penalty conceded, but Powley produced a wonderful double save.

The game was made safe with 10 minutes to go, a through ball from Demola found Howe, how found the top corner with another left foot drive.

3-1 winners... Quads on!

Report by Demola

Match Reports – 2nd XI v Old Sutts (21st Sept)

On a 25 degrees, scorcher of a day, unfortunately for Wilson's it was more the weather and not the football that was the beautiful thing, in their face off against Sutton Old Boys.

From the outset neither team looked overly impressive with numerous passes being misplaced and a lack of desire on display from either side. As both Wilson's and Sutton began to find feet, Sutton broke the deadlock with a shot skewed off the inside of Matt Powley's leg to give the visitors the lead.

Wilson's began to get on top of the ball towards the end of the first half but the display left a lot to be desired.

Following half time Wilson's again began to fall back into their earlier lacklustre showing, with passion, desire and indeed quality all apparently being left on the touch line.

Half way into the second half Sutton bagged a second; and at the point the wheels had all but come off for Wilson's. With a third following 10 minutes after, and Matt Powley making a few good saves to keep the score line slightly more respectable, the game ended Wilson's 0 Sutton 3

Match Reports – 2nd XI v School (28th Sept)

School gets schooled OWFC 2s 8 vs School 2nd X1 2

The school games are always a highlight of the football calendar and even if this particular game proved a slight mismatch in terms of quality, the game was played with energy and spirit and but for a few tactical errors could have been much closer than the score-line suggests. So much so that the school took an early lead and caused us problems in the first half. An unfamiliar back 4 of Harris, Sherlock, Mackley and Evans took a while to settle and conceded a corner moments after kick off. A school CB rose uncontested to head past Bradley in goal. The lead didn't last long as the game soon opened up allowing Gowtham to cut in from the right and cross to left back Mackley at the far post to head home. The onslaught then commenced as our forwards worked hard and combined well with goals following from BNS and 2 from Dixon to put us 4-1 up at the break.

More of the same was asked for by skipper Jon Howe at half-time and with fitness levels being a weakness of previous seasons the solid lead presented an opportunity to push ourselves which was duly taken. Goals followed from Elliot, 2 from Howe and one from the excellent Tom Dixon who made a strong case for regular inclusion in this much improved 2's team. A second goal from the school was brilliantly taken by their big number 7 up top who danced past our defence to finish well for a well-deserved consolation. MoM for me was Jon Chen. Against a poor defence the forwards all worked hard for each other and did their job but as the holding midfielder in the first Chen broke up everything that came his way and played the ball out well, before switching to RB after a nasty clash of heads saw Mike Evans retire for another spell on the sidelines.

Team: Bradley, Mackley, Harris, Syd Sherlock, Evans, Jon Chen, Gilson, Gowtham, BNS, Dixon, Howe, Elliot
