OLD WILSONIANS FOOTBALL CLUB

SEASON 2019/20 NEWSLETTER NO. 10

All reports and news by 7pm Sunday

Stupowfc@gmail.com

Highlights this week include the 1s reaching the Semi Finals of the Old Boys Cup.
They will play Old Finchleians at home on January 11th (tbc).
A chance to welcome our old friend and former SAL rep team manager, Bob Leeds, to the club.

The 3s win over West Wickham included and I kid you not, "the best overhead kick of ALL time".
With the 5s, winning 3 2 and 8s 7 0 victory with a Sochi IGBOAYAKA hat trick the hashtag #FortressHayes was set to trend on Twitter, until the 4s just came up short in LOBC v Meadonians by the odd goal in 9.

The 2s will probably rue 2 dropped points rather than 1 gained at Owens, though never an easy place to go.
The 6s were let down with players not fancying a trip to Chiswick and came up short despite having a real go.

From 25 years ago, Alex 'The Axe' Forbes (Yes, really, Ed) gets a mention and Dave Nelmes scores a hat trick in the 5s.
In the 7s the combination of Clive Peckover, Greg Smith and Mickey Hughes can't keep Nat West Bank at bay.
From 50 years ago, the School v Old Boys report is written by schoolboy Steve Wisson who went on to become Chair of Governors, whilst a certain Mick Pilgrim features in the School side. Mike Harris took charge in the middle.

You can also read the Vets match report from last weekend featuring **yet another** Pat DuCasse backheel..

At the clubhouse you can now visualise OWFC tours from 2002 / 19, including a signed shirt with Polish beer splurges.

The 1s last OBC win is also part of the display highlighting the 1st X1 cup treble season in 2014/15.

The tour boards will be dedicated to celebrating the life of Kirk Benjamin 22nd May 1974 – 20th Sept 2018. His widow Sophie and children will be amongst our guests on 8th February 2020, Mac McAlister Vice President's day, to unveil a plaque.
Please put the date in your diary.

OWs Vets v Alleyns, Old Boys Vets Cup, Sunday 10th November 2019, lost 2-3

After beating 6-3 Alleyns two weeks before we knew Alleyns would be up for revenge in another cup tie at Hayes who are have been regular opponents over the years.

As usual at this time of year we held a minutes silence in honour of those who have served on behalf our country and my thoughts were with my great Uncle William Bryce who severely injured his leg at the Battle of Ypres in 1917, recovered and went out to France again in 1918 to fight on the Western front, only to pass away on 27/11/1918 after being gassed 3 weeks earlier, just before the end of WW1. He was 20 when he died, still blows my mind what those guys did and went through for their country at such a young age and his name lives on through 3 generations of Popes, like so many others he will not be forgotten. (Well said, Ed)

Anyway, back to the footy and we started strongly and it was no surprise that a back heel from Pat Ducasse and an excellent finish from **Chris Kennedy** out us 1-0 up.

Mark Simmons put us 2-0 when he coolly slotted past the keeper after breaking through the Alleyns defence and had a cracking long range shot that just went over the bar. At the other end the back four of Reid, Smart D, Pope and McLaughlin kept Alleyns at bay and when they did break free Brad Russell was on hand and pulled off one superb blocked save as a striker got through on goal. Chris Dyki was also in the right place at the right time to prevent an Alleyns goal and the midfield of Smart D, Langley, Simmons and Dyki were working hard.

Leading 2-0 at half time and with a nice brew provided by Jasper and subs arriving from OW junior football commitments we were confident to see out the game. The first 20 mins of the second half went well with Simmo once again testing their keeper with a long range chip that the keeper tipped over. Reid and injured Pope were replaced and this changed the game, with Rogers, Harris and Nick Billing coming on. Shortly after Billing made a superb tackle to prevent a goal after a scramble in the box. Alleyns started getting back into the game and scored a first from a long ball forward to their nippy forward, then scored a great second from a great finish after getting down the right and then scored the third with a pull back and right foot strike to complete the come back and end our run in this cup.

OK, I'll be honest so it was probably Mark Simmons having to come off at the start of the second half that may have changed the momentum of the game but Reidy and myself hoped others may have thought otherwise. (Simmo's due a call from the Super Vets soon, Ed)

Ed McLaughlin just pipped Brad Russell to MOM.

Old Boys Cup Home QF

1's v Old Bealonians 5 – 2

Another cup match for the 1s this week following a great result in the Surrey premier cup the week before.

This time it's the quarter final of the Old Boys cup with the club looking to get their hands on the trophy once again.

Old Wilsonians looked to start fast, dominating possession and creating chances. A Ben Mallins effort looked destined to bulge the net took a deflection off the Bealonians defender sending it crashing off the cross bar! However, moments later and a lapse in defence saw Bealonians win the ball up high creating a 3 v 1 and punished our mistake 1-0. Bealonians who clearly wanted to do everything to win started to time waste with their goalkeeper holding it for what seemed like ages without the referee interfering. The 1s turned on their intensity in attack which the opposition couldn't handle with Kieran Steadford driving into the box to finish a low driven cross 1-1! Some good bits of goalkeeping from Ed Healy saw us into HT.

With the 2nd half beginning much like the 1st with us dominating the ball creating chances with Mallins again causing havoc in the Bealonians box dancing around 4 players only to be stopped by their keeper. Things took a turn for the worst when we played ourselves into danger having to give a free kick away, 30 yards out from goal which in all fairness from the sidelines didn't seem that dangerous if only we knew what was about to unfold the Bealonians number 10 with an absolute thunder bolt into the top left corner of the goal which even with 3 Ed Healy's was unstoppable!.

We knew weren't out of it, we just needed to take a chance and that's exactly what we did a wonderful pass from Ally saw Mallins break the Bealonians offside trap to make it 2-2 with a great finish. Everyone knew it was our game to be won with Wilsonians piling on the pressure we won a corner, Kieran Steadford with a wonderful delivery to the back post which saw Mallins unmarked volley home to make it 3-2.

With Bealonians deflated Wilsonians went for the jugular another Steadford corner found Rich Rose who leapt like salmon to crash it home 4-2!. Bealonians now needing to chase the game, we created more and more chances with Ben Giles rounding off the scoring by dancing past their goalkeeper to slot home and make it 5-2!

Great performance from everyone involved Dan Stribbling.

MoTM - Ben Mallins Semi finals here we come!!!!

Match Report 2's vs Old Owens League Away 1 - 1

This week a strong 2s squad made the pilgrimage up north to Potters Bar to face Old Owens in a game we could have gone top if results went our way.

Unfortunately, things didn't start well with Aaron somehow almost injuring himself in the warm-up doing some especially vigorous high knees.

Unfortunately things in the game didn't start much better with the Old Owens midfielder smashing one into the top corner from the corner of the box. 1-0.

However, we found ourselves level not long after with an exquisite hoof forward from Mackley went straight to their keeper, who then proceeded to clear the ball straight into **Jon 'Non Flying Squirell' Howe** leaving him with an open goal and no one around him. Of course Howe then proceeded to almost fall over twice and almost run the ball out for a goal kick but he just managed to save it before rolling into the empty net. 1-1.

The rest of the match lacked real quality but on balance we probably had the better chances. Apart from one good save from Powley they didn't really trouble our back four.

We created a few decent openings but were perhaps guilty of not being clinical enough in and around the box. We also must have had about 12 corners all of which Gowth delivered well , but just couldn't find the net with Syd coming close a few times. Unfortunately Gowth's quality from corners apparently doesn't translate to free kicks as he ballooned one over from 25 yards out in the last 5 minutes.

The ref blew the final whistle and the match ended as a draw, despite the bizarre protests about there being 5 minutes left from an Old Owens fan on the sideline who apparently had been timing the match on his stopwatch.

Not the best result but the title dream is still alive.

Match report 3's v West Wackem League Home 2 - 1

On a wet and boggy Hawes Down, with a few sore heads, the 3s produced a gritty performance to secure an astounding 2-1 victory against local rivals West Wickham.

With yet another stacked squad full of flair, flamboyance and familiarity. (Love a bit of alliteration, Ed) The 3s started strongly despite SEB's best efforts involving the opposition in his passing game. The Wilsons boys found their stride and played some liquid football with a well worked move resulting in PAGE crossing an inch perfect ball to **WILL GUNNELL** from the right flank to fire home. We continued to win the battle across the pitch being first to every ball in midfield and defence.

Then out of absolutely nowhere a goal for the ages which has been compared to Ronaldo / Bale / Rooney with **JIMMY TAYLOR** nailing the "best overhead kick of all time" from fully 20 yards out. Scenes.

The half ended with GUNNELL missing a sitter from 5 yards out after more good work from PAGE down the right. 2-0 into the break and a first half performance to be proud of.

Second half the boys dug in with MOM TIFFIN winning every single header in midfield. The contest was even but a bit of West Wickham pressure resulted in a dreadful penalty call & despite the absolutely superb DOLBY saving it, the taker followed in to finish despite SAM ELLIOTT telling everyone in no uncertain terms to follow in (and then not doing so himself).

More pressure followed but the back line stood strong with the excellent FOX and KRIS PAGE filling their pockets with West Wickham wingers, DOLBY producing a string of five saves and TOLU and CHIBU throwing limbs everywhere in the centre of the park. With the pitch ever worsening, counter attacks were few and far between. BNS had the best chance of the half and in his own words, binned it "surprisingly" wide, even with ANT ADAMS in 3 acres of space in the box.

Another highlight of the second half was a substitution resulting in the slowest dressing known to man. WATSON took a decent chunk out of the game warming himself in the centre circle with a shirt at least 3 sizes too small for him. West Wickham's keeper did what can only be described as lose his mind at the sight of a half naked Cejay.

Insane opposition aside, Wilsons showed the type of steel that winners are made of. Wilsons held on and took all 3 points to rocket them back to top of the league.

Match Report 4's v Old Meadonians LOBC 4 - 5

The 4s went into this tough LOBC quarter final in good spirits on a mild November day at Hayes Hill. A useful blend on youth and experience has made us more potent going forward in recent weeks whilst opening us up slightly at the back and this was particularly evident today.

With a serious lack of goalkeepers available, centre-mid head honcho, Tyler O'Callaghan stepped up to make his debut between the sticks. What followed was an effective, if slightly unorthodox display of goalkeeping as he had very little chance with most the goals but some bizarre attempted punches and sweeper keeper styled tackles on their forwards outside the box. The was one exception however, which was the first goal, a well struck freekick from 30 yards which Tyler unfortunately palmed straight into the top of his own net, 1-0 after 2 minutes. We recovered from this poor start to quickly equalise when **GORE** caught their defender napping to run through and finish well. The first half was played at breathless pace with both sides playing some excellent attacking football. I can't remember the exact order of goals but **LOCK, SHERLOCK and BARBER** all scored as both teams traded blows in a first half that finished with us 4-3 up at half time in a quite remarkable game. Our fourth goal (Barber) in particular was a stunning team move with football I wasn't sure we were capable of!

It really felt like we would kick on and win the game comfortably in the second half however Meads came back out revitalised with a treble substitution that really strengthened them. The game became a little bit cagey as perhaps we tried a little on the big Hayes pitch and there inevitable equaliser came with 20 minutes to go as the ball was bundled in at the back post after O'Callaghan saved well. We still looked a threat on the break and smashed the bar on 4 separate occasions in the second as the ball just would not go in for us. With 5 minutes to go the struck a killer blow to score the final goal of the game and take the lead for the first time since the opening 5 minutes of the game. There was still time for us to almost equalise again at the death when a frantic scramble in the Meads box just couldn't be forced over the line.

A great cup game against a good Meads team played in the right spirit which saw everyone from both sides having a beer in the club house together afterwards. Disappointed with the result but not the effort or execution, sometimes it just isn't your day.

Match Report 5th X1 League Home vs Actonians 3 - 2

On a soggy morning on Hawes Down, the 5s were ready and focused to bounce back from defeat the week before and stamp their intentions back on winning the league.

After a rushed first 10 minutes the visitors Actonian's were all over us and managed to Lob chunk in goal with a tidy finish. Shortly after we found ourselves in an ugly scrap in the goal mouth, that ended with the Actonian's player finding the net again.

Not ideal and not the start we were looking for.

After a few changes to the formation we then started to play some excellent football. Taslim our new striker started causing their back four all sorts of trouble and just before the break, **Josh GODFREY** found the net, a needed goal before half time.

The half time team talk was clear. We had to win. And the boys started the second half like a different side.

We were all over them. After 15 missed chances we managed to get the score line level roughly 20 minutes into the second half. Being blind and at the other end of the pitch means that I couldn't identify who scored but it was either **LEVI LEWIS OR TASLIM DRAME** (Useful, Ed)

All a bit scrappy but we got there in the end.

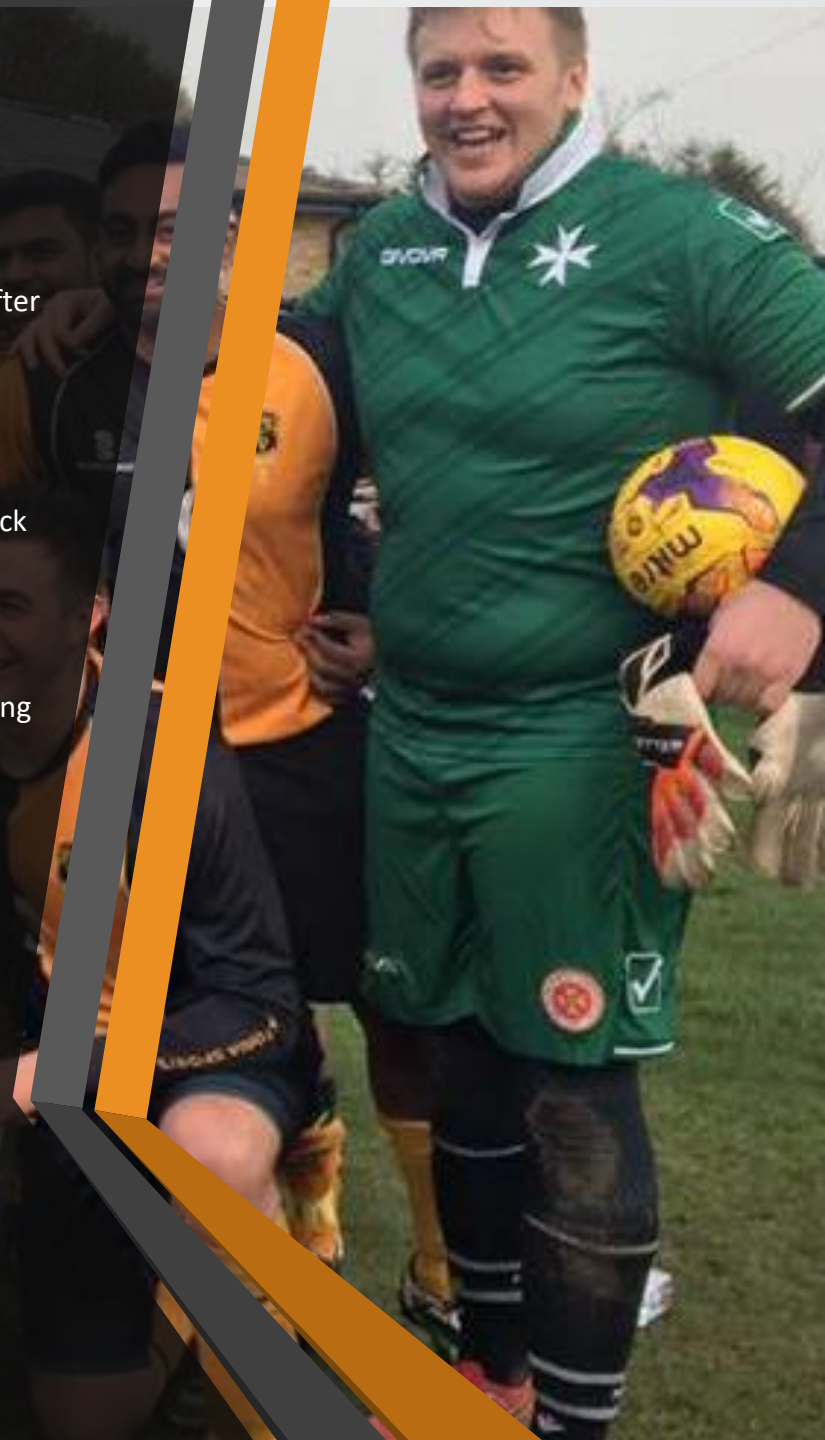

Actonian's starting attacking again but it was all a little too late as we were flying at this point and right at the end after another 15 misses, either **LEVI LEWIS OR TASLIM DRAME** got the ball over the line in another scrappy display.

3-2 and the march continues for us to win the league.

Goals from Josh Godfrey, Taslim Drame, Levi Lewis.

Man of the match - Scott Bradley.

Match Report 6s vs Poly 8s Away League 2-5

Poor organisation. Again...

After an awful week for selection, with only 5 regulars available; The 6s made the trip to Chiswick with a patched together bare 11.

With 2 minutes to kick off, the opposition captain comes over and says that the referee has pulled out. Now, this happened last season when we played Poly away... Seems as though they aren't as organised as OWFC! For obvious reasons, one of their players had to forfeit his game to officiate. Turned out to be a poor decision as he had absolutely no control over the game, should have sent off their tall midfielder, after he kicked out at Kev Fowler.

Anyway, we went 3-0 down within the first 15 minutes. Then decided to make an effort and try to play some football. We came in at halftime 3-2 down, after two goals from our makeshift striker Ash (left back) Chappell.

We had them on the ropes and we knew it. They were arguing amongst themselves and we had suppressed their play and had an excellent 30 remainder of the first half. The second half saw one of their supporters (looked like the dad of the guy who reffed the first half) took over referee duties.

The game remained 3-2 until the final 15 minutes, where tired legs/cramp kicked in, as the light faded in Chiswick. We conceded 2 more goals, which flattered them. 3-2 would have been a fairer result but it was 5-2.

Anyway, home games for the next few weeks, including a cup tie against Old Suttonians next week. I think selection won't be an issue!

(Having skippered the 6s, I feel your pain, despite being 'regionalised' the trips to Acton / Chiswick etc always stretch availability. Keep going, with Chris Dyki you may lift the 6th X1 AFA Cup again one day! ... Shameless I know, Ed)

Team: Sparrow, Fevzi, A.Phakey, S.Phakey, Nicholas, Dyki, Martin, Benson, Croninx, Fowler, A.Chappell.

Match Reports - 8s v South Bank 8s, Home League 7 - 0

An early kick off at fortress Hayes , a strong 8s took the field with a 5-3-2 formation .

Southbank packed the middle of the park and we struggled to play through or around them as we hurried our passing in the early part of the game . But whilst we struggled so did Southbank who were unable to test Chunk in goal until the 80th minute . We dominated the midfield throughout with Mssrs Lineker, Davies & Connew winning everything on the floor and air & our front two of Christie & Igboayaka stretching Southbanks' defence.

Tyrell Wells was bought into the game as Bruce Stringer pulled a muscle , Tyrell injected a bit of speed which opened Southbank up , Tyrell had a hand in 4 of our 7 goals. We took the lead with a **Madzs Christie** header & added a 2nd just before half time again **Madz Christie** header .

The second half we upped our game our passing was sharper and we dominated in the air especially at corners . The goals poured in with **Sochi Igboayaka** running riot up front and **could have had a double hattrick (scored 3)** . **Dan Lineker & Manny Dharwal** also getting in on the act . A good performance from all . Defensively we were never really tested and then midfield and attack dominated throughout.

On the preceding Monday, I make that November 10th, the School 1st Xl played their annual game against "a mixed Old Boys team." The following report was written by Steve Wisson, the School's centre-forward at the time but now Chairman of Wilson's School governors

This match could have been billed as the David and Goliath of the schoolboy football arena. Old Wilsonians were matched against a School team who have difficulty in scoring one goal a game and who regularly concede half-a-dozen!

The School kicked off and, rather surprisingly, no goal was conceded in the first few minutes. The Old Boys put the School under a lot of pressure and should have scored. At the other end it was noticeable that the School's forwards were having to shoot from well outside the penalty area, due to strong tackling in midfield and good covering from Dave Cohen, the Old Boys skipper.

The rain began to bucket down into the faces of the School defence and the headmaster made a hasty retreat to his car. The Old Boys were rewarded with a goal by **CHRIS THRELFALL** on the half-hour who, after out-running ***Pat Thomas***, fired a low and hard shot past ***Brian Younger***, who had the all too familiar task of retrieving the ball from the back of the net.

After questioning Chris as to whether or not it was a toe punt, the School re-started with the wind and rain becoming even more harsh and, to everyone's delight, the whistle blew for half-time.

The early stages of the second half were again dominated by the Old Boys but sterling work by ***Pat Thomas and Mick Pilgrim*** in particular kept the score down. But the Old Boys went further ahead when **GERRY REASELEY** fired in a low shot which ***Brian Younger***, stuck in the Hayes mud, could not get near.

The School attacked more and should have pulled a goal *back* when ***Steve Wisson,*** who only had the 'keeper to beat, shot too near the latter, who saved well. ***George Carrington and Ray Jenkins*** both got themselves into good shooting positions but their finishing was too weak.

At the other end ***Mick Pilgrim*** cleared the ball off the line with a spectacular kick and ***Brian Younge***r pulled off a brilliant save from a Chris Threlfall header which looked a certain goal. The Old Boys had a series of corners from one of which Dave Cohen headed well but at ***Brian Younger***, who could not hold it and **JAMIE JENNINGS** was on hand to flick the ball home.

With the seconds ticking away ***Dave Rackal*** spurred his men on to score a goal and a dubious consolation penalty was awarded. ***Steve Wisson*** became the School's third penalty taker this season, but it was not third time lucky as Simon Wills saved well to deny the School a well-deserved goal.

By this time ***Cliff Norris and Martin Taylor*** were discussing whose round it was and ***Mike Harris*** obligingly blew for full time. ***Steve Wisson***

THE AXE MAN COMETH Old Sedcopians 4 5th XI 4

After a detour to see the whole of Kent the 5th XI Warriors arrived at time-zone Sidcup. 'Alex the Axe' and his Warriors took to the field of battle knowing that Sedcopians were going to be tough opponents.

With this in mind the inevitable happened – Sedcopians began strongly whilst we were still recovering from the time-zone happening and jet-lag of actually getting to the game, and their movement and passing were crisper and more fluent than our own.

Tackles were not being made and our marking was poor, so waking up to the fact that we were 2-0 down after 15 minutes we decided to do something about it and, slowly, we began to pass the ball about, tackles were beginning to be made and we even looked reminiscent of last week's team.

Dave 'The Happening' Stewart collected the ball and played a one/two with 'Mario' who sent **GRAHAME NELSON** for a run half the length of the field to shoot home – 2-1 and we were back in it. But Sedcopians never relented and, with some dubious decisions from Mr Referee, they duly obliged and a lack of marking on our behalf made it 3-1.

At half-time 'The Axe' urged us to show more passion, more fight, more pride, changed a couple of positions and we began to tick – and then went 4-1 down!

So, with 30 minutes left, we deided to get going. Passes were being made and the pressure began to tell, forcing free-kicks and corners, and we made it 4-2 when 'Axe' nodded on to the bar and **DAVE NELMES** tapped in. We tightened things up, runs being made, and we started to wear them down. 'Boom Boom' continued to make forceful runs down the left and **DAVE NELMES** popped up in the box to get our third.

Then, in much the same way and with by far our best move of the game, Luke Burton crossed and **DAVE NELMES** again got in front of his marker to make it 4-4.

And still both sides could have snatched it. Kevin Sullivan came close and Nick Bier saved on the line. A good fight back but one has to say that, with the talent in the side, we should not get into a position where we are 4-1 down in the first place! Anon
