Just three games survived the storm, with the 5s our only victors. Credit to the 8s who pushed Actonians all the way in West London. The 2s need to discover early season form.

A message from Neil Kendrick our OWA President re future plans can be found on page 2.

All our Yesterdays..
25yrs ago the 2's were lacking stamina and fitness, so I presume they had now joined the 1s and Forbes' at All Bar One Sutton on the Friday night….
50yrs ago the 2s were held to a goalless draw by a strong side whose 1st X1 weren't playing, another issue that's familiar 50 years on!

Page 5. highlights our goalscorers list, Sam James going joint top this week and Hat trick man, Frank Fenton (whose name sounds like a peaky blinder) goes up the charts..

Dear Old Wilsonian Sports Club Members

Happy New Year to you and all your families.

A big thank you to you all for being part of our family of Sports Clubs.

Our Club continues to thrive and that is purely down to our members and the committees who run our Clubs.

We hope to be a Club the local community can be proud of and behind the scenes we have been working towards this goal. Over the coming year we will be changing our legal structure to a Charitable Incorporated Organisation. We are working with Hewitsons LLP and their Charities team to hopefully have this in place by the end of the year. It will bring a number of benefits and remove the current financial risk we have due to our current legal structure.

At the recent AGM it was also agreed to trial a new structure to run the Sports Club and this will be implemented from the beginning of February. We have streamlined the current Council and formed a number of sub-committees that will be responsible for the day to day running of the club. The hope is for the Club to function in a much more efficient way, with all the subsidiary clubs being able to set budgets and plan much more strategically how the club is run.

Over the coming year we hope to make the following improvements to our Clubhouse facilities:

- Complete refurbishment of the inside of the bar area and social spaces
- New bar furniture
- New outside furniture for the balcony
- Refurbishment of ladies toilets and shower area
- Refurbishment and enlargement of men's changing areas both upstairs and downstairs, including the creation of a flexible women's/men's changing area

Our Club is very much your club so if there are any areas you feel we could improve please contact someone from your committee or contact me direct.

Wishing you all a fantastic 2020 and I hope to see you all up the Club very soon.

Kind regards,

Neil Kendrick

2's v Old Parkonians, League, Home 0 - 3

Report: The 2s continued their run of home games looking to bounce back from defeat the previous week. Unfortunately, a failure to clear lines, and then some sloppy defending from a corner, allowed Parkonian's to poke home from close range and take the lead within 2 minutes. Wilson's responded well and dominated the ball for the next period of play until a break down the right from Parkonian's was met by a fine finish on the volley and killed any momentum. The rest of the half saw more of the same, Wilson's enjoying most of the ball but without the quality needed in the final third. This was punished late on in the half as another set piece wasn't dealt with and the teams went in 3-0 at the break.

The second half saw a change in shape and no lack of endeavour, but with Wilson's chasing the game chances were generated for both sides. Despite this, a combination of Wilson's finishing and excellent goalkeeping from Powley meant there were no further goals. A classy nutmeg from Gowtham the only other highlight on a disappointing afternoon.

5’s v Ibis Eagles 2’s League, Home Hayes 4 - 2

The 5’s welcomed ibis eagles reserves to fortress Hayes looking to continue their title push.
Full squad turned up on time and we was soon out getting warmed up before the oppo had even shown up. A couple different faces in the squad after players returning from injuries, holidays to their homeland (New Zealand, Josh) and cute pre marital commitments (Jon Knight).
Ricky took the warm up and got passing drills going for 5 or 8 or 10 minutes. Dynamic and status stretches done, limbered up and we headed over for the man Chunk to run through the team. Let’s catch these boys cold early doors. Cold they looked as 3 of their players wore snoods to play in which if we needed an extra 10% motivation to beat these lot was right before our eyes.
Early on **FRANK FENTON** decided to shoot from a corner yet again and just as last week it ended up in the top corner. 1-0 to the mighty 5’s. The lethal strike partnership of Paton and James was creating some chances up top. After a spell of pressure their goalkeeper cleared the ball out by kicking to the edge of the semi circle and was picked up by the left foot wand of Fenton who opted to shoot straight away. As the ball rose in the air half of the team were expecting it to fly over the bar and strike a wild bowcat yet he caught it so cleanly and **FRANK FENTON** made it 2-0 with goal of the season as it crashed the back of the roof of the net. Ibis then pulled one back and made it 2-1. Some pressure from us at the beginning of the 2nd half and we really had Ibis on the ropes. A long throw from Scott Bradley found Fenton inside their area bouncing for his left foot. **FENTON** crashed a half volley in and the ball and the keeper ended up in the back for the net. Big Tay made some big saves and then a quick free kick from Godfrey released Sam James through one on one with the Ibis goalie, **SAM JAMES** calmly slotted near post and we was 4-1 up. Ibis got a late consolation and our title challenge remains firmly on. After a quick dance and sing song in the changing rooms we showered and got in the clubhouse. Adebayo lost his clothes and ended up topless in the clubhouse, Morley won the raffle to ignite jubilant scenes in the corner. Many teams left the clubhouse wishing they had a team spirit like ours as they headed off for their Saturday nights. Ended up in the presidents lounge again and this time one of our main supporters Craven was the centre of attention when he also lost his t-shirt. Successful day at the office and boy does it feel good to be apart of the 5’s family at this present moment.

8’s v Old Actonians, League, Away, 0 - 2

The 4G pitch at Gunnersbury Park was the setting for the 8s latest outing.

Having beaten Actonians 2-1 in our last encounter, we were confident going into this one.

The first half display was excellent. Jamie Moniz marshalled the defence expertly, Seb Ayers made a brilliant last gasp clearance from a free kick, and up front we were always a threat with Sochi Igboayaka, Terell Wells and Madz Christie combining well.

We had a chance of a breakthrough when an Actonians player handballed in the box. Sochi struck the penalty well but the keeper made a great save. 0-0 at half time, and the message was: more of the same.

However, our levels dropped in the second half and we ceded too much possession to the opposition. It was only a matter of time before one of their efforts went it, and annoyingly a scuffed shot found the corner.

A defensive mix-up shortly after led to the second goal. A solid performance first half, but we need to take our chances and improve our stamina!

Super Vets v Cudham Sun 5/1 Lost 0 -7

Back at Hayes after a Xmas break.

Our team was relatively strong and we thought we had half a chance against a well drilled Cudham side. (Oh dear, Ed)

That's the way it seemed up to 33 minutes with both teams playing good football but neutralising each other out.

Then our keeper failed to hold on to a 30 yard drive , which is unlike Chunk who has great hands. The second Cudham goal was well finished but our 6 players in the box failed to attack the ball. So 0-2 down at the break .

So a little rejig after sensible words if we kept possession we would tire Cudham out and win the game. We played well for 10 minutes and started to stretch the game.

Then Cudham scored again with a great drive from outside the area. Thereafter Cudham upped their game and we dropped off also tried to push forward a bit too keenly and we were picked off at will.

Debuts to Will Davies and Martin Read at the age of 63 , also lots of effort and some good football played especially from our central midfield duo of Pope and Carruth.

Also thanks to Mick Pilgrim for reffing

And pictorial view from OWFC Facebook page.

Fresh after the Christmas training camp, the Super Vets found themselves against the very useful Cudham who had won their previous game 7-0 according to the bringer of all Christmas joyful tidings Mick Pilgrim! Feeling this was clearly against weaker opposition the squad took to the pitch and looked good for the first half hour with the score still at 0-0 and little chances for either side. Alas this was as good as it got and after a few errors and general lack of pace in key positions we found the game slipped away and got worst in the 2nd half and ended around the 7-0 mark although it's the taking part that counts! right?

The names have been changed to protect the innocent and Pamela in goal had a couple of shockers and Timmy Mallet, Harvey Steinwein and Mr. Blobby did not have too much to shout about but in general a good run out for everybody!

2ND XI IN £7M BID FOR STAMINA AND FITNESS 2nd XI 0 Old Dorkingians 2

On a fantastic Saturday afternoon the 2nd XI arrived at Hayes with plenty of time to allow for their half-hour exercises with 'Mr Elevator' – 'cause he lifts the team – Andy Pullen. We left Christopher Columbus's team talk with tears in our eyes from the passion we felt for being allowed to play for Old Wilsonians

Once again the front line supported Dave 'Giggsy' Parkinson, with his flowing black locks, and Jason 'Tumbly' Trout, the Lithuanian acrobat, whilst the midfield was packed with experience. Out wide was 'Constable' Paton, soon to be on the dole when the terrorists give up the ghost and, talking of ghosts, our own central mid-field players both had one foot in the grave, 'Captain Columbus' and 'Whispering Death' Bruce Graham. The left side was made up by a cybernetic robot called Neil

Again the back five resembled the only structure visible from the moon. Yes, 'The Great Wall' was complete, sturdy as ever and confident of a clean sheet against the league leaders

We kicked off and pressed forward, immediately showing that we knew the meaning of the words 'commitment' and 'passing.' As the half progressed Dorkingians came more into the game and, finally, the pressure led to their opening goal, which they led by at half-time, and a passionate talk from Christopher Columbus led us to start the second half much as we had done the first

Agan, however, Dorkingians showed more commitment and speed to the ball, which allowed them to stretch their lead. We lacked the ability to open up their defence and never had any good opportunities to win the game

If the transfer market opens up we will be looking for a Graham Souness type character to run the midfield and, if we could buy stamina and fitness, we could start competing against sides like Dorking

Highlights of the game were Christopher Coumbus blazing over the bar and Bruce Graham's 40 yard shot that did not reach the goal

Finally a word for all you fashion hungry youngsters. Always starch your jeans and get a good pressed crease, like Mick Pilgrim. Keep your school shoes, like Neil McCoustra, because you never know when they will come back into fashion again. And, finally, start cross dressing like Jason Trout and wear your girl-friend's under-wear to the game.

But for an out-standing display by the opposition's goal-keeper the 2nds would have performed the double over Mayfield. An exciting game, with everyone playing for ninety minutes, ended with goals being the only things missing

It was apparent from the kick-off that Mayfield's 1st Xl did not have a game. Nevertheless, their fast play only inspired us to play some of our best football this season and after 15 minutes we began to get on top, with new boy (sic) 'Mac; McAlister plugging the gap that used to be.

With our 1st Xl having their game postponed we found some supporters on the line and their encouragement had some effect when a series of good passes found John Brittain and Tony Maunder testing the Mayfield goal-keeper with hard shots

From a corner taken by Alan Marks the ball went to Brian Turner who was all alone at the far post, but his diving header, from the top of his head, went wide and high and, from this point until half-time, he suffered from double vision and, with his leg strapped up from a previous injury, it was quite a sight to see him dribbling the ball around Doug Clasper and Dave Cohen and passing to Mayfield's centre-forward!

The second half started as the first half ended, the usual order, I'm told. The two Ians, Rayworth and Forbes, had the middle sewn up and, with 'Yogi' Taylor and 'Mac' containing the other forwards, we saw Dave Cohen and Doug Clasper coming through and it seemed only a matter of time before we would score

Unfortunately, and as the final score shows, our efforts never quite produced the goals, even 'though shots from Tony Maunder, having his first game of the season, and 'Yogi' Taylor looked winners. A fine move, started from Doug Clasper, found Tony Maunder piercing the middle but his shot, although good enough to beat most goal-keepers, was spectacularly saved by this one.

Although over-shadowed by Mayfield's goalie – who happens to be the league's 'keeper – Simon Wills had a very competent game, his only worry being the Forbes back pass! Although a close thing, Ian managed to stop the Mayfield forwards by putting his forearm into the mouth of them. The forwards duly bit hard, but we are told you cannot get rabies twice

The game ended as furiously as it had begun, with the 2nds on top all the way. Perhaps next week we can turn superiority into goals and with Tony, Doug and Dave beginning to out-jump defences, and with a lesser goal-keeper, perhaps…… look out for this spot next week. **Brian Turner**

Classified Results, January 17th 1970				
2nd Xl	0	Mayfield Athletic	0	
3rd Xl	5	Fulham Compton	3	Jennings 3 Gibbons, Carpenter
Palace	1	Notts Forest	1	Payne

In a closely contested match the 3rd Xl were good value for their two points. Two late withdrawals led to Jamie Jennings and Terry Adams, of the 1st Xl, filling in and it was Jennings who was the main inspiration behind this win. His timely challenging in the air and his speed and opportunism eventually proved to be irresistible and his three goals were well-taken and thoroughly deserved

We had the better of the early play and from a quick break through the middle **JAMIE JENNINGS** exchanged passes with Ted Gibbons and slotted the ball low to the left of the advancing 'keeper. But Fulham were quickly rewarded when, from a speedy break, their inside-forward hit a cross-shot whilst off balance and the ball curled in at the far post, just eluding Martin Taylor and entering the net via the bar

Play was much more even now, with both sides playing fast open football, Fulham favouring their wings and the 3rds using longer passes through the middle. And it was from a long through pass by Rod Warboys that Jamie Jennings slipped the Fulham defence and, although the 'keeper parried his shot, **TED GIBBONS** followed up to slip the ball home and we increased our lead when **ALAN CARPENTER** nipped in to beat the 'keeper to the ball following a scramble from a corner

(This was part of a report by Terry Adams, which came in two parts and with a commercial break in the middle!)
