Match Reports - 1s v Old Actonians, 5th Oct Away 2 - 2

The 1s travelled to West London for their third away fixture out of four league games, looking to bounce back from a disappointing result against West Wickham, and with captain Sergio and ex-captain Sellman making their first appearance of the season.

After a slow first 10mins, in which Wilson's couldn't keep the ball, the 1s started to dominate possession and dictate play. Sam Wright, fresh from 3 hours sleep, was finding pockets of space down the left between the defence and midfield and was linking well with Karamath. Wilsons created a number of promising opportunities but Actonians defended balls into the box and the keeper was rarely tested. In fact, Actonians could have gone into the break one up, but their tall striker headed over at the back post - a sign of things to come.

For all the nice football played, it was a route one goal that broke the deadlock. Sellman clearing from deep inside his own half put Giles through, who showed extreme pace to first outrun the centre half, knock it round the goalkeeper (deliberately?!?) and tap in. A phenomenal 50 yard solo effort which ended with Gilo falling into a swan dive of celebration.

Actonians then made a triple substitution, and these fresh legs when Wilsons were tiring changed the game. With about 25minutes to go, a corner wasn't properly cleared and a cross recycled with the Acton striker (remember him) outjumping Wilsons at the back post with a bullet header into the top corner. This was followed by a carbon copy header to put Acton in the lead - a deep cross to the back from the Acton left back and another bullet header into the top corner.

However, Wilsons failed to give up and got a deserved late equaliser from a corner. Steadford delivered and the ball was missed by everyone and bounced through to MOM Sheridan who headed home from 5 yards out. A great show of resilience and Wilsons looked the most likely to get the winner in the final 5 minutes.

Match Reports - 2s v Weirside Rangers, 5th Oct Home AFA Cup 2 - 1

2XI vs Weirside Rangers (H) AFA cup - 2-1 (Osbourn, Newman Saunders B)

It's been a fairly positive start to the season but keen to progress to the next round of the AFA and keep the treble in our sights!

We started fast with our new found passing game with lots of possession. Gowtham to Mitch to BNS and A BNS sitter missed set up the story of the day! We also missed a couple of chances from excellent deliveries. Totally against the run of play OWS failed to clear convincingly and a good ball in and no one taking ownership lead to them going 1-0 up. At this stage despite trying to do a right thing we lack both communication and quality when it mattered. Many more chances were squandered before finally a short corner 1-2 between Mitch and Kara, with Kara whipping in to Ali's head. 1-1 at half time despite a few more chances for the O's.

In the 2nd half was more of the same but Howe and Kara squandered multiple chances. The woodwork came to the aid of Weirside along with a MoM performance by the keeper. Finally, we scored from a Gowtham corner 1 of about 9 that he put on a six pence. A knock down off the eye socket of Jimmy T and BNS followed in to win the game. O's maintained control and even in the last minutes Howe has a break away with a 20 yard head start on the almost dying centre half but was caught up and fell on the floor from the pressing 50 year old.

Could have been 10-0 but we will take the result and the process!

OW 3XI 1-3 Wilson's 3XI Played Sept 28th

The game started with a strong early presence from the schoolboys, bolstered by the wind and slope of the pitch. From the off they were working hard to apply pressure to the OW backline. Good defensive work from Seb and Luke Saitch managed to prevent any clear cut chances for the Wilson's boys despite the mounting pressure in the first half an hour.

30 minutes in Saitch headed in cleanly from a well delivered Curran corner to put the OWs ahead. For the rest of the half OWs seemed to be the dominant team with the entire midfield making a number of dangerous runs from box to box. Demola particularly was proving too much for the schoolboys to handle, but the team was unable to find a second goal. Shortly before the end of the half, the Wilson's boys managed to bag an equaliser against the run of play to level the score.

Despite this, up until the half time whistle the old boys looked the better team and the same could be said for the beginning of the second half, with the OWs coming out strongly after the break. However, the schoolboys managed to up their intensity further and scored again to take the lead when the OWs failed to clear their lines.

With the old boys pushing hard for an equaliser, a late goal for the schoolboys sealed the game and overall was a performance that OW 3s will be looking to improve on in the coming weeks.

Match Reports - 3s v Old Sennockians, LOBC 5th Oct Away 0 - 5

This week saw the 3rd XI take on Old Sennockians in the London Old Boys cup. It's said that wars are won and lost on logistics. Even before the game had started there was a clear leader in this battle. The opposition had been at full strength and warmed up for over an hour before kick off. On the other hand, the old Wilsonian's were still waiting for our 11th player to arrive at the start of the game.

The starting strategy was clear, park the bus until reinforcements arrived. Unfortunately, it turned out to be a minibus and we were unable to avoid conceding two goals, both of which could be attributed to a numbers advantage.

After 15 minutes, the 11th man arrived and the situation stabilised. We looked to be the stronger team and were able to create a number of goal-scoring opportunities. Sadly, they were unable to capitalise on any of these and finished the first half 2-0 down.

We entered the second half with high hopes and continued to apply pressure. However, it was all for nothing as after about 20 minutes a Wilsonian who will remain nameless decided that it was time for an early bath. A goal mouth scramble from a corner led to a handball clearance off the line. For the referee, this was an open and shut case for a red card and penalty, which was put away to make the score 3-0 and put the final nail in the game's coffin.

At this point, the remainder of the match was a foregone conclusion and ultimately finished with a disappointing and not necessarily reflective score of 5-0. The one silver lining is that we now have more time to focus on the league. Anon. No Team.

Match Reports - League 4s v Civil Service, 5th Oct Away 2 - 1

The 4s travelled to Chiswick in high spirits following a strong start to the season and with the promise of post match beers a guarantee with Palace being the late kickoff.

The mood was quickly dashed however when we were reduced to 10 men 30minutes BEFORE kick off with a late drop out, just what we needed against the early league leaders Civil Service.

We reorganised our formation and set ourselves up as hard to beat with men behind the ball. However, we started the game the much more positive of the teams and took the lead after 20 minutes when Matthews cross was diverted, perhaps somewhat fortuitously, by CHARLIE NEWMAN SANDERS sticking a leg out and the ball looping in the top corner from the edge of the box. Just the piece of luck we needed. We should of really doubled our advantage but Jones scuffed his finish from close range after a free kick was flicked on.

As the half wore on we started to drop deeper as we tired a little bit and Civil pushed forward. They created a few chances but nothing particularly of note whilst we were defending stoutly. However, we were struck by a killer on the stroke of halftime as they floated a fairly innocuous looking free kick only for Young to fumble the ball straight back to the feet of their striker who powered in from the edge of the area.

We picked ourselves back up at half time and again came out looking the better team. Breen was a constant thorn in their side and could of put us back in the lead when their keeper saved well at his feet when 1 on 1. Incredibly we retook the lead half way through the second half with a fantastic team goal was finished superbly by NEWMAN-SANDERS on the turn from the edge of the box.

There was still 25 minutes to play and by this point our ‘game management’ operation was in full affect and we started to believe we could actually get a result. We did just that and other than a couple of scares we saw the game out relatively comfortably for what was a fantastic, if unlikely victory.

Top effort by everyone who left everything out on the pitch and came away with the 3 points our efforts deserved.

Match Reports League 5's Away West Wickham 6 - 2

After an outbreak of man flu left availability a nightmare for the 5s, however the team seemed in good spirits going into their 2nd league game of the season.
From the kick off it was clear that we weren't up against the usual high standards of West Wickham of old when their captain had to ref the first half due to there not being a ref. Also that transpired on their ability to defend, when shortly after kick off, Levi Lewis decided to test the keeper from range but ended up finding top bins. Wooooshhka 1-0.
Shortly after that West Wickham fired back with an awkward ball over the top leaving Ian Wellman in no mans land and the ball sliding into the back of the net 1-1. Straight after West Wickham started to find their way, and after a clever cross in front of goal was deflected by chunk in goal, they seemed to be getting into the game.
That didn't dampen the spirits of the team but instead sent midfielder Josh Nordbo into a Scottish braveheartesk frenzy, screaming a war cry into the team that lasted the rest of the game, but also kicked started the obliteration of West Wickham. Levi lewis found the net from range again making it 2-1 and Sam James bagged his first of the season. We went into the half time with our heads held high.
Half time, Michael Hoffman started looking slightly pale, so we subbed him "hoff" and brought on veteran player Greg Wareham to steady the back.
From the KO we were a different level. Sam James quickly got his hat trick after the break and it was clear to see we had clearly killed west wickhams hope. Following that Josh Norbo still in full braveheart mode decided to not lose his bottle in front of goal for the first time in his career and bagged a 6th.
At 6-1 with 10 minutes to go we decided to park the bus a bit a see out the result, and a long range dribbler of a shot caught the GK Chunk sleeping and he decided to pop it in the back of the net for them through his legs. Who said football was a gentlemen's sport.
Match finished and Nordbos rant didn't. 2-6 to the rightful winners.

Connor Antil was outstanding throughout. MoM and pretty much set up all the goals

Match Reports 6's v Old Wokingians Away LOB 1 - 4

The mighty 6s faced a long trek to Woking for their LOB clash, where we had won handsomely last year in the same competition.

Despite the strength of the opposition in all areas, we held our own and played well, conceding when a sliced clearance wasn't dealt with properly, allowing Woking to score a tap-in.

It was soon 2-0, and we feared the game might run away from us, but the deficit was halved when **Jason Martin** scored a screamer of a free kick from literally the half way line. The keeper got his fingertips to it but couldn't keep it out.

The second half was similar to the first – lots of possession, but few chances created, with Woking taking their chances. 4-1 in the end but a decent performance that will hopefully set us up nicely for our return to league action!

Match Reports - 7s v Bank of England, 5th Oct Away 1 - 2

OWFC went into their final round robin cup match vs Bank Of England, coming off the back of a disappointing defeat but much approves performance against civil service last time out.
The last time these two sides met, was in the league last season which was a very feisty encounter that included 6 goals and a red card incident - the boys were hoping for a much improved performance and result, and knew we had to be up for it from the first whistle.
The first half was a tough battle between both midfields, lots of tackles and change over of possession, but with Wilson's being the better side and creating more of the chances, the best of which falling to Jonny Q, after being slid through one on one, unfortunately his attempted old hit the base of the post, and out to safety.
Into the break 0-0 and a change of system for Wilsons, changing to s 4-4-2 in an attempt to get more bodies around Jonny Q up top. A long ball over the top led to defensive mix up, leaving Bank of England capitalising with a tap in from close range. and taking the lead against the run of play. Wilsons now slightly deflated, but kept battling, continuing to try and keep the ball and create chances, Sam Forbes long throws into the box continued to cause problems, and eventually led to and equalising goal, this time a successful attempt at a lob from striker Jonny Q, after a scramble in the box, coming from another Sam Forbes long throw.
The game went on, with some heated moments bringing back memories from meeting last season. Approaching the last 10 minutes of the game Wilson's continued to dominate possession, but failed to take their chances, another long ball over the top was allowed to bounce, resulting in a foot race uphill between Matt Hallett and the Bank Of England striker, unfortunately their was only one winner, and the forward finished one on one and gave Bank of England the winning goal to end the game, Wilsons losing 2-1
A frustrating afternoon and an undeserved loss, however one with many positives to take, and the squad can now move forward and focus on the league. (Love a cliché..Ed)

Match Reports League 8s v Civil Service 4 - 2

One would have to scour the records for the last time the 8th XI recorded back to back wins, let alone the last time Al Forbes scored a goal. This was an entertaining game played in the spirit of the cup, in the first half the 8s were playing crisp passing football and keeping possession well. Midway through the half the breakthrough came courtesy of **NATHAN AKINTUNDE**.

Playing downhill for the second half we had every reason to be optimistic, but it was Civil Service who came out of the blocks quicker and pegged us in our half for the first 15 minutes. We were eventually punished when we failed to properly defend a corner, allowing 'Diego' (that man again) to stab the ball home. 1-1. Some casual passing out from the back allowed Civil Service to get in behind and score a second, the 'keeper unfortunately parrying the cross to one of the opposition midfielders running in.

At this point, the watching spectators thought that the game was dead and buried as the 8s were creating no chances whatsoever. But football has a funny knack of producing the unexpected; a chance was fashioned out of nothing near the right-hand touchline, Seb Ayers heading the ball across the box and the shortest man on the pitch **TERRELL WELLS** heading the ball over the advancing opposition 'keeper. 2-2.

Enter Alex Forbes, making his return after a double hip replacement. Electing to play in centre midfield, I don't think the opposition were expecting much and to be fair, some of us probably weren't expecting much either. A spell of attacking play by the 8s resulted in a corner being given, it was a great delivery that was headed behind by a Civil Service defender. The second corner, floated in by Terrell Wells, deserved to be met with a header. And it was, with interest, by **ALEX FORBES.** Have you ever seen a moment where *everyone* is stunned – the home team, the opposition, the spectators? Well that moment happened, and the goal scorer was soon buried under a mountain of bodies.

However, it wasn't over yet; **SOCHI IGBOAYAKA** was rewarded for his industry with a wonderful solo effort.

What a game. Two wins in a row? The 8s coming back from behind to win a game? The perfect advertisement for hip replacement surgery?

THE STORY OF 'JURGEN' AND 'THE GREAT WALL' 2nd XI 2 Old Sinjuns 0

At last a game on the hallowed turf of Hayes, playing against a Sinjuns side with a reputation from last year (What sort? -ed)
The game started at a reasonable pace, with Sinjuns having the better of the play but being unable to get past 'The Great Wall' 2nd XI back five
and with Mickey Pilgrim adoptomg a 'Klinsmann' type role up front, Mark Mace was expected to play a slightly more mobile role by playing off PC Paton and 'Jurgen'
The midfield slowly started to pick up and win more balls, which enabled a slick move,involving most of the team, being finished by 'Jurgen' Pilgrim slotting
P.C. PATON through to score the opening goal. The remainder of the half was comfortable, with the 2nds having the better of the play.
A good team talk at half-time gave the side a positive attitude to keep the game going and we started well by creating lots of chances with one of the highlights being 'Jurgen' butting Ashley Simpson to add the finishing touches to his otherwise faultless features. **'JURGEN' PILGRIM** was to pop up later to score a superb goal – it was estimated that he settled on the ball for 1 minute 15 seconds before slotting the ball home!
In the latter minutes Sinjuns attempted to attack again, but 'The Great Wall' was well in control and the game finished with us 2-0 victors. Doug Forbes

NEARLY AS MANY J.ARTHURS AS GOALS 5TH XI 2 8th XI 1

A nine man 5th XI played a 4-4-1 formation, with Kevin Sullivan working hard in the role of our loan attacker. The 8th XI had the better of the early exchanges without pressing home that advantage only for **ALEX FORBES** to side-foot home for the 5ths to go in at half-time 1-0 in the lead, which produced two J.Arthur nominations

Firstly Kevin Sullivan was heard encouraging the 8th XI by saying they were only 2-0 down and were not doing badly. Secondly, and as the teams lined up for the re-start and Mike Harris went to blow his whistle, Ian Pilgrim, the 5th's goal-keeper, quietly pointed out to the 8th XI's goal-keeper that he should be at the other end!

Upon the re-start the 5ths worked hard to press home their advantage but were hit by a sucker punch with a good goal on the break from the 8th s and they then really started to play, with 'I.P' having to push one shot onto a post and catch another excellent one as it rebounded off the bar

This spurred the 5ths on and some good interplay resulted in **DAVE VALDER** going through to beat the 'keeper. An entertaining game, played in a good spirit by both teams and the referee. Dave Stewart

50 Years ago….Cont…

From the kick-off the 1st Xl pressed forward, looking for shots at the Pinner goal and the initial play showed that the work put in during training was well worthwhile and the back four of Pete Sayer, Bill Burgoyne, Dave Cohen and Geoff Robinson were pouncing on any attempts by Pinner to break through. The midfield of Bill Morley and Malcolm Taylor were working well to make room for themselves to receive the ball from the defence and were distributing the ball well to the forwards Terry Adams

From a forward line that only produced 30 goals last season, a score of four in one game for the 4th Xl shows a promising start to the season. Always leading it seemed that we could be in for our second victory in 12 months!, but, alas, a 4-4- draw was to be the resul.t **MIKE HARRIS** stood in and scored our opening goal but by half-time Mayfield had leveled. Good play by Mike Harris and Dave Fletcher resulted in **PETE 'Peg Leg' ROBERTS** slamming in number two but once again Mayfield equalized
The our 'Man of St Marks', **CHARLIE HOLDER,** began to take on the Mayfield defence alone and two magnificent goals gave us a two goal lead. Anon

This season a system of points has been adopted for each game played at Hayes whereby every team playing there will be allocated ten points, to be awarded to different players as the supporters think fit. After a month or so, when each team has played at home an equal number of times, those points will be added up and the Club will have a 'Player of the month'
This system started this week and the following points were awarded:
1st Xl: 3 - Jennings 2 - Burgoyne 1 – Cohen, Morley, Robinson, Threlfall, Wells
4th Xl: 1 - Bevan, Evans, Fletcher, Hoare, Holder, Hole, Roberts
As you can see from the 4th Xl scores, the panel does not have to award all of the points and if the whole team were to have a bad game then nobody would merit a score. The system is the same for all teams, so whether you are a 1st Xl player or a 5th Xl player, you have an equal chance of being our 'Player of the Month'

It is always nice to see an Old Wilsonian achieving things so I am sure you would all like to join me in wishing the best of luck to **BRYAN WATTS,** who has just signed a television contract. He tells me it will arrive next week and will be worth about 12/6d a week!

As many of you know, the Club has to buy some new kit for members without Club shirts. The style of the shirt, black and gold quarters, has been with us for some years and the question has arisen about changing the styling. The colours must stay black and gold, but the design can change to any of the following:
Stripes, halves, gold with a black band, gold with black facings or any other comparable mixes you can think of
Your team captain will ask you for your opinion this week and the Football Club committee will meet to consider their, and your, opinions on this matter (The issue of new kits as relevant today as 50 years ago..Ed)
