# Match Report 2s v Poly Home 5 - 2

Turning up to a beautiful looking Hayes pitch on a rare, sunny Saturday in October, the 2's had a strong side that looked determined for the win. Stu 'Mourinho' Dunk played manager on the sideline to order some structure into the squad. And a quick mention to Poly for having no kit. Nice one lads.

The game kicked off with a heavy amount of OW's possession but we couldn't seem to find the crucial final pass to let us in behind. Strong play at the back kept Poly at bay while the OW's midfield looked to move the ball forward and eventually the deadlock was broken. A pass off the ref saw a drop ball awarded that was quickly passed out wide to Jon Howe who delivered a peach into the path of **DIXON**. Tidy finish and 1-0 OW's.

Coming towards the end of the first half, we should've put ourselves many more goals up on Poly with multiple spells of good play from all the boys. However we ended the half still at 1-0 and went back out for the second 45 in search of more goals.

The break had obviously come at a good time for the boys in Wilsonian red and blue as they made it 1-1 fairly early in the half. A sharp break from them left an overload to defend against and resulted in a shot that Powley couldn't do anything about.

The goal turned a switch for the 2's and resulted in a spell of dominant possession. 2-1 to OW's came soon after as **BARNABY** was put through and coolly slotted it past the keeper. Back in the driving seat. **Ben NEWMAN - SAUNDERS** made a perfectly timed curved run, which left all the Poly players with arms in the air asking for an offside. Not given. Finish. 3-1.

The next goal also came from OW's. A corner from the right flew off the head of a Poly defender and rose into the air. Falling the way of **EVES**he called to make sure no one would touch it. One bounce and BOOM! 25 yards out, edge of the left hand side of the box, a rocket was unleashed with a one way ticket to the top left corner. A lack of celebration occurred due to shock and there we had 4-1. Quote from Jon Howe – 'the best goal I've seen in amateur football'.

After the goal then came a lapse in concentration, which allowed Poly in down the left. A simple cross met what looked like an offside Poly player at the back post to be tapped into an open goal. Offside not given by the ref (something Powley didn't seem too keen on) and it was 4-2.

Continued spells of good play by Conduah and Craig allowed us to hold a strong amount of possession and the defensive performance got better as the game started to close out. Conduah was unlucky to grab a goal with a run and a left footed shot that only met the corner of the crossbar. Mids and Syd at the back made crucial clearances with both Josh's providing out balls down both flanks. 5-2 then came shortly after as the Poly keeper made a save but was left searching for the ball in the sky when it was next to his foot. **DIXON** capitalised on the opportunity by putting the ball into an empty net.

More chances went begging towards the end of the game, including what looked like it was going to be another wonder goal by Eves that was just tipped onto the bar by the Poly keeper.

An on the whole solid performance by the 2's that was commended by a 5-2 score-line. Well played lads.

**Match Reports - 4s v Clapham Old Xaverians, LOBC Away 19th Oct 7 - 2**

On Saturday it was a case of 'no Moniz, no Charman, no problem' as the fours marched into the quarter finals of the London Old Boys Cup under the tutelage of rookie manager Jay Breen.

Being third in line to anything is an unenviable position to be in, as I'm sure Prince William would attest. Yes, you crave the responsibility, the glory, the women, but in order for you to ascend to power tragedy must first occur. In the case of William it would be the demise of his grandmother the Queen and his father Price Charles. In the case of Jay Breen it is the absence of two slow paced defenders leaving an unbalanced squad. Nevertheless, an unbalanced squad is better than an incomplete squad and Clapham played the first half with only ten men. The fours took full advantage of this, moving the ball quickly and creating a number of half chances before **Breen** opened the scoring with a smart finish from inside the box. **Gore** doubled the lead shortly afterwards and Old Wilsonians were cruising.

Shortly before half time, the match was decided. Clapham scored from their first attack to of the game to get themselves back into the contest. Then, straight from kick off, **Clare** chipped the goalkeeper from well inside his own half to restore Wilsonians lead and kill any momentum the opposition had mustered.

The second half was an exercise in controlling the game and sharing around the minutes as **Sulliman, Jones, Gore and Adams** added further goals to seal a comfortable 7-2 victory.

Team: Young, McCarthy, Billings, Bennett, Adams, Cotter, O'Callaghan, Jones, Breen, Bywaters, Clare, Shelton, Gore, Sulliman

MOM: Cotter – the stand out player in an exceptional team performance

**Match Reports - 6s v Merton 5s, League, Away, 0 - 7**

Seven?

Not one a match where I can pinpoint what actually went wrong. The first goal tilted the game and set the tone for the match. During the first ten we had the ball down and managed to get a few chances but we were unable to convert. We gave them too much space in the middle and after their first goal, three followed quickly and we saw ourselves down 4-0 in the first half. There was no specific problem, one or two were one on ones and one was from a corner. There were no mistakes rather we were just slow at retrieving the back when we gave it away at times. We settled a bit towards the end of the half.

The second half didn't start any better. We conceded early and went on to concede two more. We had chances and didn't give up but its hard to see what really went wrong. Strange when you conceded seven...

We need a lot more height in the team too...

## Match Reports - 7s v Bank of England, League 19th Oct Away 2 - 1

What started as a gorgeous day ended with a hard fought victory for the 7th XI.

Having lost to this side a few weeks ago we started with pace and passion with attacks from both sides. The referee making offside decisions which were clearly on, but favouring the defender's pleas. 20 mins in we had dominated, but then Banks 5 man midfield started to get into the game and the defence allowed their centre forward to dance through a tackle to score.

This spurred the team on and the pressure paid off from a set piece corner. Great header from Luke Connew was matched with the save and **JOHNNY QUINTON** was in hand to equalise. Two minutes later another set piece was sent far post allowing **JOHNNY QUINTON** a free header to make it 2-1. A well deserved half time lead.

Half time saw a change of tactics from Doug "Pep" Forbes to the classic 4-3-2-1 Xmas tree matching the 5 in midfield. This stifled the oppo and allowed the skills of Sotchi and Maddidon to support Sam upfront and the second half saw constant pressure from these three.

The midfield of Johnny Q, Luke and Terell worked hard and controlled the match.

The switch of Harry for Hallett stopped their forward having any pace advantage and Chris Dyki had an excellent second half when he replaced sweeper Boom who had a good first half, but was struggling to stand up in the wet.

Josh Mole was excellent at left back and Saj Phakey had the best game I've seen him have with superb defensive and attacking moves. Josh was ably replaced by Serb Ayers who has grown tremendously as a player since last season. Callum Steel made 2 scary kicks just too keep the defence on their toes, but had really excellent handling throughout. We ran out comfortable winners but should have it to bed in the first 20 mins.

Great support from Ben Mole and good to see Laki refereeing at the ground and this is a side with real potential with a strong core, lots of pace down the wings and dangerous at all set pieces. Now sitting top of the league.

MoM was Johnny Quinton with the first unanimous vote I've ever seen. Worked hard and scored two good goals.

Callum Steel, Boom , Matt Hallett, Josh Mole, Saj Phakey, Chris Dyki, Johnny Q, Sotchi, Madz Christie, Sam Forbes, Luke Connew, Harry Coninx, Terell Wells, Seb Ayres

**WE.VE GOT TEN MEN - HOW MANY HAVE YOU GOT? Old Sinjuns 4 5 th Xl 8**

At two o'clock, kick-off time, we had nine men which, by the opposition's standards, was quite good because I only counted four of them! By the time we wandered out to the pitch we had to wait another 15 minutes for the opposition to come out - all eight of them. They brought the nets out and put one up and then proceeded to dump the other one on us saying – "Here we are; here's yours."

At 2-45 we kicked off – we had ten and they had eight. As usual against a lesser number of men we took it easy and when they went 1-0 ahead we put a little more effort into our game and two goals came in quick succession from **KEVIN SULLIVAN** and **DOUG SMART**, at which point our eleventh man turned up. Sinjuns then drew level but we again went ahead through **DOUG SMART**, with **GARY ATKINS** then adding a fourth, but again Sinjuns came back to make it 4-3 at half-time. It had been a poor first half and Alex Forbes made this very clear during his team talk. There was a change of referee at this point,with his predecessor coming on to make the home side up to nine

We started playing better and went 5-3 up when **KEVIN SULLIVAN** back heeled the ball into the net and **KEVIN SULLIVAN** then completed his hat-trick when he put a rebound past their goal-keeper, but we againlet Sinjuns back into the game to make it 6-4. We continued playing better, using the full width of the pitch, and **LOU BARRY** cracked in our seventh goal and **DAVE DUTTON** then finished off the scoring to make it 8-4 at the final whistle If we continue to play this badly the season is going to be a long hard one but, hopefully, this wasa one off as it is always difficult to play against 8/9 men. The team was also greatly changed from the previous week, with only five of that side playing today .

**GRAHAM SMITH TAKES LE TISS Old Greenfordians 0 2 nd Xl 3**

Each and every man starred but in each and every constellation one star shines brightest and, on this occasion, it was the Smith star, who is more inclined to follow the bear.

However, stocks had grown low and Graham tried a substitute lager which, having refreshed his parts, continued to perform.

Fifteen minutes of the second half had gone when the ball broke to **GRAHAM SMITH** 35 yards out. Instantly he assessed the situation and, seeing the 'keeper off his line, struck the ball 'Le Tiss' like into the corner of the net.

Another ten minutes passed when a cross from the right found **GRAHAM SMITH** 15 yards out and his header smashed against the bar and, in the ensuing melee the ball, halfcleared, found **Graham SMITH** waiting on the edge of the box and 'Le Tiss' like he mesmorised a Greenfordian and struck to put us two up and minutes later, 'Le Tiss' like he fired the ball into the corner of the net

A very encouraging performance from the 2nd Xl whom, I believe, have learnt two things from this game.

Firstly, the 2 nd Xl, with work, could have a very fulfilling season and, secondly, what lager a saint Drinks. Nick MOLE

Old Uffingtonians are a good side, playing in the Old Boys League, but should not have beenable to beat us, especially as they only had ten men. I think this was one of the quietest games I haveever played in. Nobody seemed to be the least bit interested in wanting the ball and did not put themselves out to call for it
The final score was 3-5, the goal-scorers being GERRY REASELEY (2) and JAMIE JENNINGS
One final word from me - what is Les Simner doing? Gerry Reaseley

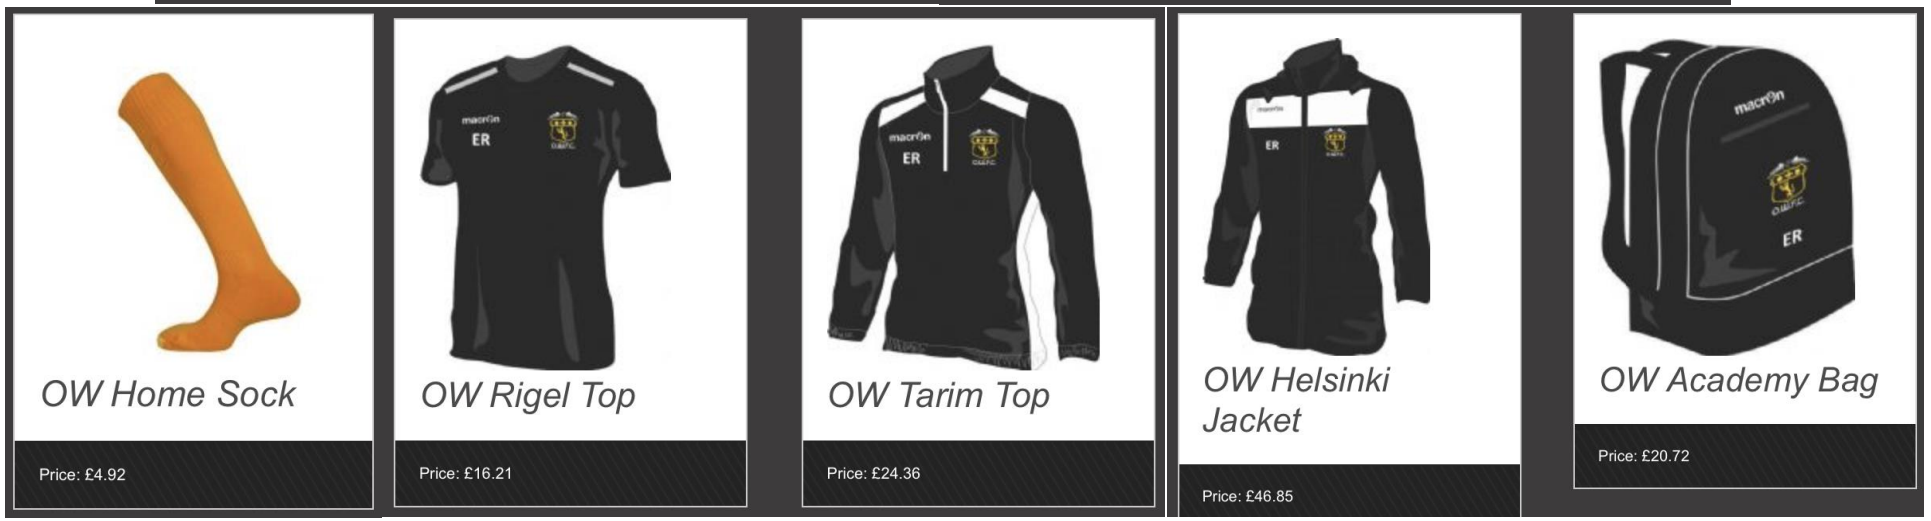

The 2nds lost 1-3 and the scorer was BRIAN TURNER

The 3 rd Xl's opposition had not been beaten since January and we were, in some respects, unlucky not to have ended their record. Unfortunately we took time to settle down and, in the process, conceded the first goal of the match. However, by half-time we had equalised through a well-taken chance by JOHN BRITTAIN and not long after the interval BOB FAVELL persevered to put us into the lead and we managed to hold out through a fluctuating period of play until three minutes before the end when the opposition created a fine equalising goal. Extra time exposed our main weakness – stamina – and although Ian Rayworth, after a solid game in defence, became an injured passenger, this should not serve as an excuse as Danes took the lead and held it without undue worry
The team played well, but the forwards needed a little more determination in front of goal. More goals will come with perseverance and the team must create more chances and become more aggressive Ray Howell
Following this season's opening run of defeats, the 5 th Xl decided to experiment with a 4-3-3system. . Whilst this tactic paid off well in defence for most of the game, the formation eventually broke down in midfield, whilst the forward line had a remarkable tendency to see how many players they could get in a space of three foot square! Solid defensive play kept the score sheet blank at half-time and shortly after the break we went ahead from a solo run by PHILIP DUCKWORTH, who won the ball on the half-way line from a defensive clearance, outstripped the full-back in a race for goal and lobbed a shot beautifully over the advancing goal-keeper's head
This goal spurred Mill Hill into action and after 15 minutes play a left-wing cross was brilliantly headed home by Dave Glen over Bobby Harper's head! By this time Mill Hill had control in midfield and, with our defence tiring, were able to score three more soft goals
Some consolation may be had from the fact that Dave McCarthy had to play in borrowed boots,
due to a misunderstanding at Camberwell Anon

Crystal Palace's humble ambition to stay in the First Division was urgent enough to cancel out the obvious discrepancy in class
