Match Report 1's v Winchmore Hill League Home 0 -4 Played 19th Oct.

Following last weeks victory the 1s were keen to continue the good form into the league.

However it was not to be. A slow start to the game was punished early on with a sloppy goal after Wilson's failed to clear when given the chance. The rest of the first half was a bit gritty with neither team playing particularly well.

A bit of a bollocking for Wilson's at halftime seemed to start doing the trick and the second half started better. Wilson's started to keep the ball a lot better and started to find balls up to Gilo with the midfield runners supporting.

Then the sucker punch followed. A hopeful shank into the box from the Winchmore right back was headed into the Wilsons net by Rich Rose following a breakdown in communication.

This took the wind out of the sails and a third soon followed, again from a cross, and then another was added with a 40 yard cross that somehow sneaked into the near post.

A bad day at the office, we go again next week. Report Ben Mallins

(Ed Picture of happier days with Simmo and Parky lifting the Surrey Premier Cup.

Good luck this to the 1s in the first round of this competition under floodlights.

AFA Senior Cup Match Report
1's v Old Minchendenians Away 1 -1 Won 5 – 4 Pens AET.

Wilsonians faced a long away trip to the North end of the Piccadilly line to play against Old Minchendenians in the AFA Senior cup.

To make matters worse it was beginning to rain.

The game started fairly evenly with both teams creating chances. Minchendenians had a couple of moves that broke down in the final third due to a pass too many or an offside. Wilsonians created a good chance down the right that saw a cross flash across the face of the goal with Wright just unable to get on the end of it. There were a couple of additional pop shots as the half came to a close.

Play was delayed at the start of the second half as the referees finished their coffee while the players were waiting in the rain. A yellow card was then issued to Brailey for failing to notify the ref of his substitution. As the pitch turned to a bog the game became looser and a runner from midfield managed to work his way behind our defense to slide a good finish past Powell. Wilsonians then upped their intensity, perhaps not quality, but it paid off. Osborn put a header over and then we squeezed a nervous keeper into a misplaced pass that **BEN MALLINS** capitalised on and slotted home.

The game then started to favour Minchendenians again who were able to keep their feet and pass through Wilsonians forcing a good save from Powell but not much more as the game went to extra time.

Extra time was only 20 minutes due to light and produced little quality. Minchendenians were still on top with Wilsonians only chance coming from a free kick which saw Wright put it wide after a sin bin and yellow card were dished out. On to penalties with the score at 1-1.

Wilsonians lost the toss and took second but Powell made up for it by making a good stop to his left on the first. We calmly slotted away our penalties with the exception of Steadford's who's dribbled across the line after catching the keepers' legs. Finally, it was won with a penalty from Cooper making it 5-4.

Penalties: Wright, Mallins, Steadford, Osborn, Cooper

Match Report 2's v West Wickham League Home 0 - 7

The first time of the season there have been a lot of changes in the 2s squad. A good start to the game saw OWs hit the post and another good save from their keeper. However, not quiet the fluidity and aggression of the last couple of weeks. They scored twice from deliveries from the right and we went in 2-0 down but still certainly in the game.

The next goal was all important and it went to them. Disappointingly heads dropped and although we kept trying to do the right thing West Wickham were clinical and with their tails up gave us a smashing.

It was hard to take but hopefully just a blip in our season and looking forward to seeing them later in the season.

Team : Collins, George, Sherlock, Harris, Mackley, Evans, Jeeven, Elliot C, Akpakwu, Aofeolju, Dixon, Clare, Farmer, Newman Sanders B

Match report 3's v Glyn OB OBC 3 - 0

Yes they may be able to win a league game on a Saturday afternoon, but can they win a cup game on a cold, wet, windy afternoon in October with a depleted squad? YES THEY CAN!!

Bounding into the game off the back of a 3rd straight league victory from 3, the 3s took on Glyn Old boys in the Old Boys cup. With a couple of new faces adding some much needed depth to the 3s squad (due to Cj being poorly, Will wooing the love of his life in Italy and the Kirbys choosing to trouble some other folk on a Saturday afternoon) we lined up in this seasons trusted 4-3-3 formation.
We weren't sure if this much-changed personnel would gel in this formation. 10 minutes in our fears were alleviated. It became clear it would work ever better than Seb chirpsing a drunk lesbian in a Lewisham nightclub.

(Following reference to the Urban dictionary, chirpse is a noun that can refer to both the act of flirting with the intent of something more, and the mission to flirt with intent and succeed. It differs from mere flirting because one only chirpses someone who they fancy. Verb: Chirpsin or Chirpsing. I hope that clears that one up but remember we went to a Grammar school so expect Oxford English dictionary usage rather than grime…. Ed)

One of the new faces to the 3s, Chris Kennedy collected the ball on the left touchline and fizzed a ball into the unstoppable Ant Adams on the edge of the box and continued his run into the box. Mere mortals would've taken a touch, not MOTM ADAMS, he flicked the ball through the heart of the GLYN defense, first time, with a part of the foot that most men don't realize exists. **KENNEDY** then finished a stunning move off with a slotted shot in off the post. This sparked 2 things; jubilant celebrations and returning erections (from last week's monumental victory and subsequent match report from sick note).

The 3s then controlled the rest of the 1st half through the excellent leadership of Sam Elliott and Seb Goals-Goals at the heart of defense. The rest of the half was faintly uneventful, except for Seb sending Glyn's 6'4' CF back to last Tuesday with a shoulder from Hell and Sam Elliott's hospital pass across the face of his own box (lucky the 3s have a skipper that's willing to take a knee to the skull to save a teammate's blushes)

The second half started in same vein as the 1st; Wilsons domination. The wing backs, Foxy and Kris Page (part time keeper) were phenomenal, Kennedy and Page produced penetrating runs at the heart of the Glyn defense, Foxy (the other one), Magnus and another new face Saunders controlled the heart of the midfield.

Wilsons never looked in trouble in this game and the dominance was well rewarded when **KENNEDY** slotted into an open net for his second following a thunderous strike from the edge of the box from the excellent Dan Fox.

Dalby's safe hands kept Wilsons in control of the game and his dynamite distribution produced some guilt edge opportunities for the home boys.

Off the back of another sumptuous passage of play, **NICK PAGE** continued his rich vein of form and slotted in from wide on the right to take his goal tally to 7 for the season (already 3 more than last season...).

On a day where a few teams crumbled at home, the 3s stood firm and marched on to the next round of the Old Boys Cup.
3 wins from 3 in the league, a cup run being born, and a squad that looks hotter than an all-nighter in Singapore... the double is on boys

Match Reports - 4s v 5's LEAGUE 26th Oct 1 – 2 5'S V 4'S LEAGUE 26th Oct 2 - 1

The 4s had beaten the 5s in pre-season, however, from their unbeaten league results it's clear they have been recruiting since then as the two teams met at Hayes having both enjoyed good starts to the season.

The game began at a frantic pace and from the offset was always niggly and not particularly played in the correct spirit from both sides for an inter club game. The 5xi probably just shaded the game in terms of chances and possession in the first half and got into the lead when a cross hit Billing's outstretched arm from point blank range for a penalty. I'm not particularly sure what hand ball rules are these days but i'm told by the letter of the law it is a penalty. Either way, their striker scuffed the penalty into the bottom corner to take the lead. Breen should of equalised when nodding wide at the back post and just before half time we should of had another when Gore and Breen combined well with pulled back cross just behind Breen but there had a been a lack of clear cut opportunities for both sides in a tight game.

The second half followed a similar pattern to the first half and the 5s extended their league half way through it when the cut us open relatively easily and added a second which had been on the cards for a while. We lost Cotter to a nasty head injury shortly after and then Breen received a sin bin which effectively ended our chances of being able to get anything out of the game as tempers flared on a number of occasions. That said Gore was a constant threat on the break and missed two one on ones. We got a goal back in the last minute when **GORE** curled in a 25 yard free kick but it was pretty much the last kick of the game.

Overall the 5s were value for their win on the day and probably have a decent shot at winning the league.
P.S. I'll resist a sour grapes dig about how they are essentially not an Old Boys team and thus have a different recruitment rules to the rest of club. Oops.
(Ed, I'll encourage debate on this point and your views will be noted by Management Committee and of course, rules can be changed at the AGM)

The view from the 5's

On a drizzly Saturday morning the 5s turned up on time for the first time this season.

We had a few old boys returning to action and making their first outing of the season as we took on the 4s.

The 4s seemed to think the game was theirs before we started but it didn't work out like that.

The first 20 minutes was cagey with both teams not really creating much, that changed 5 mins later when some nice play down the left put josh in behind and when he crossed it a 4s player met the ball with his hand – penalty. **SAM JAMES** stepped up and topped it into the bottom corner 1-0.

We then dominated the half limiting the 4s to long shots and we should of had another 3 were it not for some slack finishing. Highlight of the half was the returning James Paton jinking through 5 of their players.

(Ed, Welcome back James after three years out following a double cruciate knee injury when playing for the 1st X1, picture with hair. Hopefully, James can get a few games under his belt and start climbing the sides)

2nd half and we continued to press on and play some good stuff at times - again missing some opportunities with Sam James Striking the crossbar. However he did lay it on a plate and **LLOYD** finished with aplomb 2-0.

We continued to create chances but couldn't find another. Kek pulled off tackle of the season diving at the feet of the 4s oncoming striker coming up with the ball - brave.

The 4s pulled one back late on from a decent free kick to be fair but the 5s managed to hold on for the all 3 points and give manager Ian Wellman a money can't buy engagement present.

An excellent win against a good team leaving us with 9 points and undefeated in the league. We hope to bring some old faces back in and hopefully are now an established side that can kick on in the league.

Ian Wellman

Match Reports - 7s v City of London, League 25th Oct Away 6 - 1

Game 4 for Old Wilsonians 7XI served up to be a demolition game as they were able to demolish City Of London Res by 6 goals to 1.

The windy but also rainy conditions played its very own performance with both teams in the opening 10 minutes attempting to play their football despite the weather conditions. After a back and forth exchange with both teams creating chances a Beckham esque cross by Jonny Q found **Madieson CHARLES CHRISTIE** at the near post in which he attempted to flick on resulting in the opposition defender to gladly help contribute in putting it in the net sending OWFC 1-0.

The goal managed to lift the confidence of the OW's, creating many chances despite what could potentially have been a clear penalty for the opposition just minutes after they conceded. Once Madieson left the pitch for Chris Diki, the OW's managed to continue the tempo and pace of the game resulting in **CHRIS DYKI** managing to score with his first touch by excellently scoring the second with a bullet header minutes after entering the fray. Not, bad to stake your presence!

The OW's continued to control the game, seeing out any potential danger before going into half time with a 2-0 lead. A resurgent half time team talk, and tactically smart substitutions by the coach managed to help boost the morale of OWFC as they came out the second half looking to get the third goal to see out the game. The opposition grew slowly in the game creating many chances but failing to convert. A wicked delivery from the corner by Sam found **Madieson CHARLES CHRISTIE** once more at the near post in which there was multiple deflections before ricocheting off Madieson's shoulder and going in to give him is second and Old Wilsonian's third of the game.3-0! The OW's were looking for more goals to boost their goal difference in which The City Of London managed to break the OWFC clean sheet. 3-1. Now the oppositions managed to gain some belief controlling the tempo in the middle of the park however due to breakdown of their teammates, they capitulated.

After some fantastic counter attacking play from the left-hand side allowed Sam to send a resounding through ball to **Luke SNU** with the midfielder excellently firing a powerful shot to the bottom left corner to make it 4-1. The floodgates of goals managed to continue with **Dan SNU** sliding in with an Aubameyang poacher finish to make it five after the keeper spilled Sam's effort seconds before. With the 7's continuing to punish the opposition, creating chance after chance, they saved their best goal for last with Luke brilliant laying it off for **Madieson CHARLES CHRISTIE** who fired an excellent finish with his left foot into the bottom corner to claim what could be a questionable but smart hattrick to make it 6-1. Theo's continued to maintain possession until the final whistle blew, a resounding and dominant victory to keep them fighting with Actonian's 8 the 's at the top of the league with only two goals separating the two. What's next for the OWFC 7XI is a derby match with the OWFC 8's next weekend which is a must win.

All in all, it was a dominant victory for the Old Wilsonian's 7XI on this wet but windy day.

Report by Madieson Charles - Christie

On a day when the weather was perfect for the world sailing championships the OWFC 8XI took on Old Sutts in yet another Cup game up at the club, which sees us still having played just the single league game to date. Somehow despite the challenging conditions and the garden umbrella breaking under pressure, some images have been produced to tell the tale of a scoreline which flattered the opposition with us falling with a 6-1 defeat despite holding firm at just 1-0 at half time. Boom Boom.

The season has started positively for the 8's but an OBC cup game vs Suttonians was never going to be easy. We started the brighter going down the infamous Hawes slope but our final ball was off and Sutton started to grow into the game. Twenty minutes in and we were one down as we failed to deal with a corner and the ball was converted from a couple of yards. This was to prove our nemesis on the day as we conceded a further four goals from corners as we struggled to create much ourselves.

Our goal coming when Jon Small was pulled down in the box and he duly converted the kick. With men going down like flies we made good use of the rolling subs but unfortunately Graeme Nelson seems to have picked up a nasty one which looks to curtail his early season resurgence.
On the positive side if we had defended properly from corners and they hadn't crossed one in we would have won 1-0.
A fine performance from Dan Robbins in the sticks and a lot to think about before our away day at Old Wilsonians 7's next week.

A CASE OF DÉJÀ VU - WELL, ALMOST 5th Xl 9 Old Thorntonians 4

The main pitch at Hayes looked perfect, and with the morning rain the ball was likely to skid over the surface. With Dave Parkinson, Dave Stewart and Terry Adams drafted into the side it had a nicely balanced look and Captain Forbes's call for attacking flair, especially from Grahame Nelson and Darren Coomansingh down the flanks, was quickly converted from theory into practice . But the visitor's defence held firm under severe pressure and on the quarter hour they took the lead with a piercing counter-attack, with two first time passes setting their centre-forward free to race on to a diagonal ball and clipping it superbly over the advancing Greg Bushell

Undeterred we kept playing to our pattern and shape and **DAVE PARKINSON** slotted home from Dave Stewart's right-wing cross and **KEVIN SULLIVAN** converted from the penalty spot after his cross had been handled. Lou Barry then almost scored with a backheel from a right wing cross which just shaved the far post

But Thorntonians kept plugging away and scrambled an equaliser when Gary Bushell palmed down a free-kick floated just under the crossbar and the ball squirmed away from him. Down the other end **DAVE PARKINSON** got his head to a right wing cross as the 'keeper came off his line and we were back in the lead, only to relinquish it just as quickly as a clearance was charged down and their winger slammed the rebound first time over Greg Bushell as he raced off his line to retrieve the situation

There was barely enough time for **DAVE PARKINSON** to put us back in front before the referee blew the whistle to end the half and for the teams and their supporters to catch their breaths – 4-3, the same half-time score as last week

The second half half saw us start just the same and with Dave Stewart and Lou Barry putting a stranglehold on the midfield, we began to run the visitor's defence ragged. Darren Coomansingh cut their defence to ribbons and the goals started to flow, with Darren having a hand in everything – including a hand ball in our area, which was duly converted, but **KEVIN SULLIVAN and DAVE STEWART** had already scored by then, so we led 6-4

DARREN COOMANSINGH then scored a great solo goal, having been put through wth just the last defender to beat, a superb cross was met by a flashing **KEVIN SULLIVAN** header for a picture goal and their centre-half headed against his own bar from yet another Darren Coomansingh cross before **GRAHAME NELSON** wrapped up the proceedings with his first ever goal for the Old Boys! A good all round performance and an emphatic victory Terry Adams

The 1st Xl had an extremely convincing win over Mill Hill and, I'm pleased to say, were still full of running when the final whistle went; I think the regular training sessions are showing their worth! On the debit side they were often guilty, albeit in the first half only, of bunching with the result that, very often, two of our players were moving to the ball at the same time with the result that both of them lost it! **GERRY REASELEY,** to my mind, was undoubtedly the 'Man of the match. He gave the final pass for three of the goals and scored the other one himself. His own goal came when he collected the ball in our half, ran half the length of the pitch to deceive Mill Hill's only defender then side-stepped the goalie and put in a powerful left foot shot – from about a yard. One of their supporters was heard to remark, "Why didn't somebody upend him; it's only a foul" No comment

JAMIE JENNINGS, CHRIS THRELFALL and LES SIMNER got the other goals and these players, plus Gerry and Dave Bartlett, certainly controlled the match throughout. Chris, especially, seemed to cover every square foot of the pitch whilst Les is at last finding his old form. Ron Ashdown

The 2-5 result for the 2nd Xl indicates how strong the opposition were. Our goals came from **JOHN BRITTAIN and MALCOLM TAYLOR**

As the score-line suggests the 3rd Xl hit the form of which they are capable. Centymca had several good individual players but lacked the team organisation, which was the basis of the 3rd Xl's play

We got away to a flying start with a brilliant goal from **COLIN HAND** after two minutes. As the game progressed Colin proved to be a vigorous and fine centre-forward, scoring two more goals in the second half, but it is difficult to pick out any individual players as the whole team was outstanding.

Martin Taylor made several fine saves and was very unlucky not to keep his goal intact and the team spirit is one of the most valuable assets that the 3rd Xl possess Anon

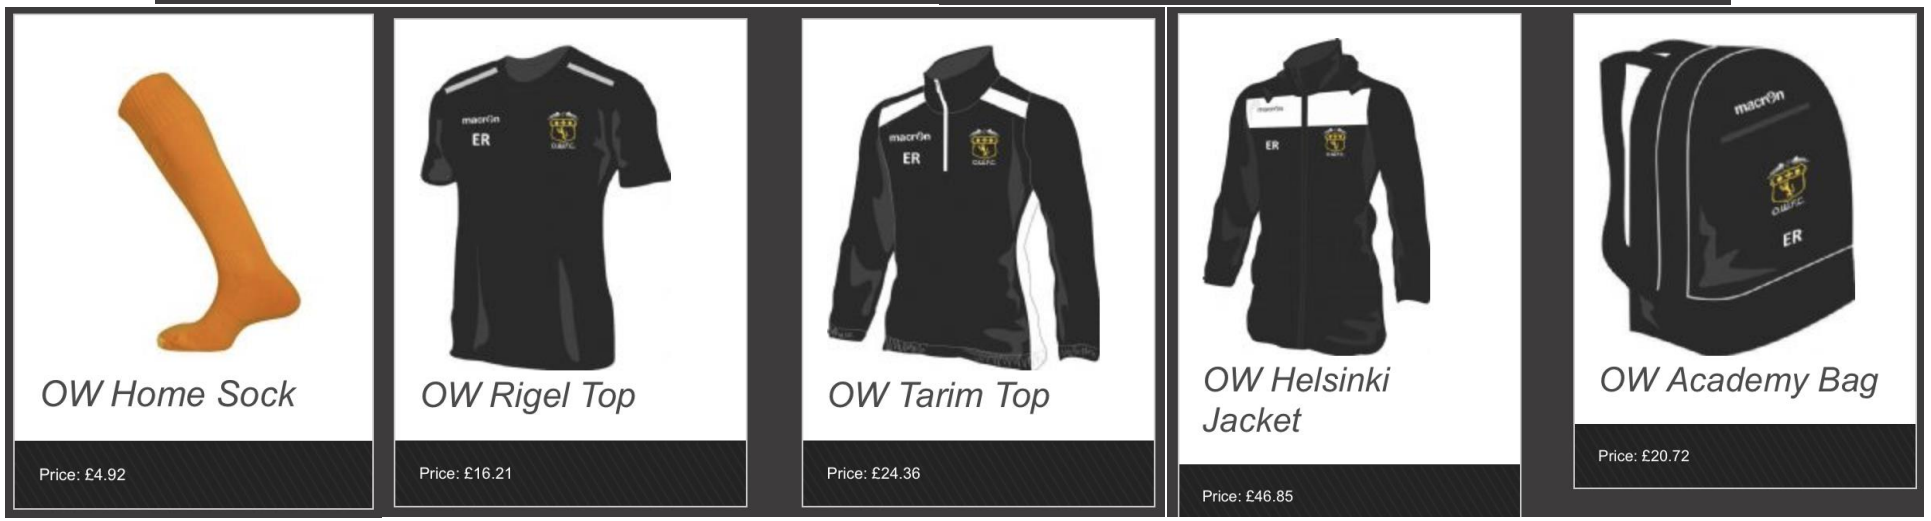

Playing against only seven men for the first ten minutes, the 4ths failed to take advantage. Instead of swinging the ball about, they decided to make a series of short passes - to the opposition! After about 20 minutes, and Witan's other four men arriving, we were one down when the ball was not cleared in defence and their right-winger took full advantage, banging the ball into the top left-hand corner. Play was fairly even after this but our forwards were not getting possession in the penalty area, where it matters. After turning round we didn't really take advantage of our wing men and the ball was being pushed too far forward. However, after 20 minutes we drew level when a corner, taken by John Clarke, was brilliantly headed in by **TONY GOLBORN** but, and alas, after another minute's play, the score was 1-2 when Witan's centre-forward was allowed to tap the ball past Gordon Manning. John Drabwell

The main action in the 5th Xl's game took place in the second half. Mill Hill were awarded a penalty against an incredulous Bob Harper, who had merely dived at the feet of their right-winger when he slipped in the box. They scored from the spot and again five minutes later with a cracking 25 yard drive

Alan Fielder, who had looked dangerous for the entire match, then rounded their full-back to put in a perfect centre that even I could not miss. Ten minutes from time the referee failed to see that their inside-right was ten yards off-side when he scored and even another nicely headed goal, from **JIM DARLING,** was not enough to save us.
