TRAINING ANNOUNCEMENT WITH ‘SENIOR’ JUNIOR TEAMS AT RAVENSBOURNE SCHOOL ON 3G TO FOLLOW

All our Today’s

A shortened newsletter this week, our Life President, Mike Pike, has been admitted to Hospital and we send him our best wishes and for a quick recovery so he can return home.

This year’s tour will feature OWFC representing England in an international tournament featuring not only the Maltese National Team Vets X1 but a Select X1 from the Netherlands.
Games will be played on Sat 30th April and we await broadcast details.
We can fit in a couple of extras so if you fancy some sunshine and to represent your country get on the plane!

Some good results this week with the 4s, 5s and 7s all winning. The 6s and Vets both scored twice and the 1s shared six goals with Owens. The 3s having being knocked out of cup competitions early this season, finished their League campaign, beaten by the only goal by Champions elect Actonians. I'm sure a number of friendlies will be arranged as they start thinking about coming back strongly next season.

Letter from Mick Pilgrim….Introducing ‘Wilson’
Finally, I must just tell you that my daughter and son in law are,as I type this, picking up a little puppy for the children. When asked what name our 5 year old Grand-daughter wanted to call him she immediately replied.....and this is honestly true.....WILSON!!! So I certainly won't be forgetting my OW roots any time soon.
I hope everyone at OWs is keeping fit and well and I look forward to catching up at VPs Days and the like during the coming months.
Best wishes to all.
Mick (and Lynn, Sarah, Ben, Jessica, George and Wilson)

And Best Wishes to you and Family Mick.

A number of Old Boys and Club members have set up a Facebook group during these difficult times, please click on the link or cut n paste above.

Its good to talk. Its ok not to be ok.

Talking about how we feel is something we all find hard to do whether you are a Man or a Woman.

Last Sunday we discussed ways of expressing how we feel, as well as how anxiety can affect us.

We spoke about the positive effects our Sports Club has had on us and what our plans are to Remove the Mental from Mental Health.

About

This group has been set up to help anyone connected to the Wilsonians Sports club, whether they be friends of friends or family members.

We are here to keep each other company.

We will share events across different platforms such as WhatsApp and help people get through the 12 or so weeks we have to face under Covid-19.

Private

Only members can see who's in the group and what they post.

1s 3 vs 3 Old Owens, SAL League, Home

After a 2-1 defeat last time out OWs wanted to bounce back strong at home against Owens.

The game started slowly with the home side on top applying pressure. A perfectly timed through ball to Ben G looked as if it would lead to the opening goal as he was put through 1 on 1, only to be brought down just outside the box as he went to round the keeper.

It seemed as if the keeper felt bad for denying a clear goal scoring opportunity as he decided to watch Gowtham's free kick sail in directly over his head, claiming he got "stuck in the mud".

The rest of the half was closely fought but the directness of the Owens attacks proved hard to deal with and they scored from 2 quick balls over the top just before the break.

After some wise words by manager Jon Howe at half time, OWs came out in the second half strong. A herculean long throw from Harley found Farmer at the near post who rose to flick the ball on, clipping the inside of the far post with the ball seemingly just going over the line, despite protests from the Owens players, it was 2-2.

OWs had a couple of chances to take the lead but nothing was quite going our way and this showed when Owens took the lead through a low driven free kick that found its way into the bottom corner, one of their only chances of the half.

This didn't deter the boys in black and gold as we soon grabbed an equaliser. Simmo showed his class by scooping a superb through ball over the Owens defence to Harley who remained composed as he slotted it past their keeper.

In a game overshadowed by a terrible refereeing performance the old boys didn't do too badly to secure the draw with the boys looking forward to a big away day at Alleyns next week.

3s 0 vs 1 Ibis Eagles
SAL League, Home

Title-challenging Actonians were the visitors to Hayes, and they took to the pitch confident of victory given their recent 3-0 victory in the reverse fixture.

That quickly dissipated as a youthful 3s side, featuring several debutants, started energetically and had the best of the opening exchanges. Solid out of possession, some nice touches from Gianluca were at the centre of most of our forays forwards.

Actonians responded but composed performances from James and Harry kept them at bay and the half finished with plenty of effort but little goalmouth incident.

The second half brought more of the same, and increasingly a single goal looked likely to settle the contest. There was no clear favourite as to where this might arrive, Wilson's unable to capitalise from several set pieces, and Will making a couple of good saves at the other end.

Around the hour mark, an unfortunate slip allowed Actonians to break down the right, the ball was squared along the six yard box and tapped in.

Snapshots from Foxy and Nathan came closest to forcing the equaliser but the game finished 0-1 from our only real defensive mistake in 90 minutes.

A narrow defeat perhaps tells the story of a season that has finished before the end of February, so is at least record breaking in one sense. Nonetheless, an encouraging performance and hopefully the start of bright futures for a number of players in the club.

MOM: James Clutterbuck

4s 3 Vs 1 Old Bromleians , League, Away

The 4s faced Bromleians away on Saturday.

We arrived an hour early to see the Bromleians team already warming up in a full training kit on the far pitch, and after they went back to the changing room to get changed, have a 10 minute strategy meeting, they finally got the game under way.

The game started and it was clear to see the 4s were beating them on the break, with Ade Dada making a break through run from a well timed Ant Adams chip, rattled the cross bar for **Montelle Henry** to tap in. 1-0

The play then went on repeat alike a old scratch CD where every 30 seconds for Luke Snowdon to repeat the same throw in about 20 times, until the ball finally went out for a corner.

Seb Davis Winifred, an expert in pinching goals from crosses, rose like a pregnant salmon over their defender to nod the second goal away. 2-0

After a heartfelt 15 minutes of watching the Bromleians manager rally his troops, we finally got the game on the way.

Second half started and the story was the same. The 4s piling on the pressure and Bromelians without answers.

A string on a well time crosses came in with one hitting the bar. One being sent into a neighbouring field.

The scoreline could of been 5-0 at times. However Bromelians came back and popped on past our step in keeper George Gill to make the game 2-1.

The 4s didn't let this change the game direction and quickly scored a third from an excellent finish from Hakim.

Game finished 3-1. Some petty squabbles at the end. The 4s move on

7s 5 vs 0 Poly 8's, League, Home.

Back again the mighty 7s were at home to top of the league Polytechnic, despite some excellent football and creating many chances we walked out of the reverse fixture losing 6-2, which many of us remembered unfortunately. However, we used this to motivate us for the game we had ahead, and boy was we up for it!

After a morning of false kick off times ,and the opposition only having two players on the pitch until 5 mins from the first kick when the rest of their team walked out, the game was finally underway.

We've been starting strong the last few weeks and we done it again. Straight from kick off after some passing play between our defenders and midfielders Terell was able to slot Chris K in behind who got 1 on 1 with the keeper but the keeper made a good save but that passage really set the tone for the whole match.

After playing some beautiful Coughlanball Billy, one of the 3 youngsters making his Debut, was able to beat his Man with some quick feet and skill, he then had the vision to see Terell making an overlapping run and slotted him in behind, being able to get across his man, and then away from him Terell was able to cut it back to **Nathan Spencer** who slotted the ball home in the left corner to make it 1-0 to the Mighty 7s.

We kept up the momentum from our goal, despite them having one very close chance, which if not for Rory and Dyki making two beautiful goal line clearances it would of been 1-1. We was comfortably playing around them creating many chances, however the ball just couldn't find its way into the back of the net. Chris K probably taking the cherry on the cake, after beating 3 players with some lovely dribbling, however just at the vital moment, due to pitch conditions the ball just got caught under his feet, and he wasn't able to put it away. 5 mins later the whistle blew for half time which he said he'll make it up to with us with at least 2 in the 2nd half.

After a good talk from our Interim Manger Jack Coughlan we was back on the pitch and ready to make amends for our chances missed in the first half. Once again we started the half very strong keeping the ball well and having some nice passages of play however that final pass just wasn't there for the first 15mins.

Due to frustration from an absolute clear penalty being missed by our Ref who just couldn't keep up with the play, and the missed chances in the first half which all great strikers get, Chris K was out for vengeance. After catching their defender dilly-dallying on the ball, **Chris Kennedy** was able to win it and find himself through on goal, he cuts a little to the right, and smashes it across the keeper to put us 2-0 up. We wasn't done there, about 5-10 mins later after a beautiful first time pass from one of the youngsters Lewis, **Chris K** found himself in behind once again, using the momentum of the pass to just slot it past the keeper into the right bottom corner with a beautiful outside the foot finish to put us 3-0 up.

Once again the mighty 7s did not take our foot off the gas. We created many chances over and over again, after some beautiful play down the right side from Dyki which involved a nutmeg very Neymar like he was able to put in a cross which Sochi just put over the bar. However this wasn't Sochi most notable miss, after a sweet pass from Nathan Spencer, Sochi found himself and the ball on the line, Sochi crossed the line but the ball didn't and it went out for a goal kick. We thought we had seen the worst the of the refs bad calls however after taking the ball down from an over head pass Terell found himself one on one with the LCB being able to get on the inside of him and into the box just as he was making a pass he was taken out, very evidently in the box however the Ref gave a free kick on the edge. Terell was evidently not happy with this decision, displaying his anger to the ref. Dyki took the free kick which went out for a goal kick. So we thought Sochi's miss was bad but it seemed like Nathan Spencer wanted that award from himself. Terell once again found himself on the inside of the LCB with some tight control, and was able to square the ball to Nathan Spencer, who like Sochi found himself on the line with the Ball, somehow and I don't know how, Only God, Nathan and their keeper know how, the ball didn't make it into the back of the net.

This didn't make Nathan's head drop though, after some Coughlanball down the wings the youngster Billy and Nathan S played a nice one two and **Billy SNU** found himself through on goal and slotted it him to open his goal account for the club and make it 4-0, now Chris K told us he was going to make it up to us with 2 however he done one better and was able to secure himself a hat-trick, it was all coming down our right side once again. Billy was able to get down the line and square a ball across the box which **Chris K** was there to finish to make it 5-0 and Show both Nathan and Sochi how to finish that close to goal, the match soon finished after, and the Mighty 7s got their revenge on top of the league.

Honourable Mentions:

The Defence yesterday was absolutely brilliant, they fought hard for everything, and left absolutely everything out there on the pitch! Big thanks to Frosty, Dyki, Keiran, Tambo and Rory when something was thrown at them (or kicked shall we say) they dealt with it, and another big mention to Nathan Amoah who was there just in front of them and Won himself MOTM, due his defensive work rate, and quickness to win the ball back for us and get us moving forward again.

South Bank 1 vs 2 8's Away but Home, SAL Lge

Torrential rain at Hayes was the setting for the 8th XI's latest adventure. Technically an away game, with South Bank 9s borrowing our pitch, which is just weird.

First half was one way traffic in our favour, with Matt Golding and Luca Stringer in particular absolutely bossing it, and Rory Sweeney a rock at the back. A clear foul led to a penalty for us – missed!

But we weren't to be denied later in the half when **Luca Stringer** burst into the box after a through ball from Matt Golding and rifled into the bottom corner. 1-0 up and half time, and it should have been 2 or 3.

Second half was a different story. South Bank rejigged their team and started to dominate, earning a deserved equalizer. We were hanging on a bit, when an appalling pass out by their keeper was intercepted Matt Golding who squared it for **Sochi Igboayaka** to tap in.

We were relatively comfortable for the rest of the game, and overall a thoroughly deserved 3 points, and a first win for new skipper Matt Gundry-White.

MoM: Matt Golding

Team: Sam Waton, Bruce Graham, Matt Gundry-White, Roddy Trompiz, Seb Ayers, Bruce Stringer, Luca Stringer, Sochi Igboayaka, Ramiz Mohamed, Rory Sweeney, Jack Coughlan, Ben Mole, Joe Jukes, Matt Golding

Vets 2 v 4 Old West Citz, Home.

Despite the possibility of a more important game of thermal global nuclear war being played out in the background, the merry band of men that is **Old Wilsonians** and with their mix of **Vets** and **Supers** took to the Haze flatlands which had thankfully firmed up a little since last week although now had that extra bit of bobble to contend with!, against a **Westminster Citizens XI.**

I'll leave the match reporting to someone else for a change but just as a summary we looked good once we had decided which strip to wear and the white Real Madrid figure hugging look was sanctioned although that to be fair was probably the only resemblance at a stretch!.

From the start we looked good and took the lead but as the game went on we started to loose our possession and individual battles and soon the score line was against us and despite pulling another goal back the game ended 4-2 but was played in good spirits despite some grumbling from the opposition which made Gilly's day as he turned Referee into school master and had to put a few toys back into prams and bring out the big finger!

The weather was bright and sunny and felt a world away from last week and much more like Spring and thoughts of Summer just around the corner should hopefully but a spring in the step of others wanting to play in the future although I'm still trying to get my head around how someone can get injured in their sleep during the night before the big game but definitely falls into a class of Super Vets injury!

RUDE AWAKENING FOR THE 3RDS 3rd XI 0 Old Paulines 3

The 'Top of the Table' 3rd XI started this game at Sparrows Den against a ten man Old Paulines side who had to put an outfield player in goal. This game was supposed to consolidate our league position but, from the first whistle, the opposition attacked with speed and started creating numerous chances that belied their one man defecit.
Their goal-keeper arrived after about ten minutes but with the 3rds winning no corners and having no chances on goal for the entire game, quite frankly he need not have bothered!
The Old Paulines' striking force scored two gaols in the first half and one in the second and could have doubled this tally but for some inept finishing and some desperate tackling.
This result cries out for some imminent personnel changes but, whatever happens, the 3rd XI have to pick themselves up and keep going; we've done too much to throw it away now. Jon Quinton

Jon Quinton, that much sought after writer of reports, has decided to run The Marathon in April, a decision worthy of praise in itself, but he is going to do so to help Unicef in their bid to promote polio vaccination and is looking for sponsors for this very worthy cause.
You are invited to show your generosity and concern by becoming such a sponsor, so please let Jon know of your interest as soon as possible.

OLD (BAD) HABITS NEARLY COST FOURS 4th XI 2 Old Wokingians 1

We almost managed to snatch defeat from the jaws of victory but not quite. This was a game we dominated, with a hat-full of chances, and it was only poor finishing that kept Wokingians in touch.
We went ahead on the stroke of half-time with a **DAVE NELMES** header from a corner and continued to carve out chance after chance in the second half when **LUKE BURTON** scored our second in a goal-mouth scramble and we were looking at a cricket score.
However, our main problem this season has been not pushing home our advantage and, sure enough, we were caught in midfield and let them back into the game with a scrappy goal. Up until then the defence had looked rock solid, with Stu' Forbes in superb form and, in the end, it took a brilliant double penalty save by Dave Parkinson to ensure we held on for the two points – let's hope we bring our shooting boots next week. BELOW PAR PERFORMANCE BUT VICTORY ACHIEVED 1st XI 3 Mill Hill Village 1

Another win, the third on the trot, gives us 13 points with four games to play, an ideal situation from which to threaten the middle of the table! This was not, however, our most impressive performance, despite the fact that our opponents are struggling near the bottom of the table and were playing without that collective confidence that walks hand in hand with success.

With Bill Morley absent, officiating at a wedding (we are not sure in which capacity – bride, groom or vicar) and Chris Threlfall attempting 'O' level English for the fifteenth time, two changes were necessary. In midfield we acquired the services of Mick Pilgrim whilst Steve Wisson took Chris's place upfront.

The match never really reached a sustained pitch of any quality and it was only now and again that we achieved the collective understanding and unison that marks our play when we are "on song." We were helped by an early goal when the Mill Hill defence got into a muddle and Steve Wisson intercepted an ambitious back pass, just managing to keep the ball in play by turning it to Les Simner wide on the right.

With their goal-keeper scurrying frantically back to the empty goal, Les chipped over his head and the centre-half, in attempting something more athletic than a bicycle kick, could only find the roof of the net. A succession of near misses kept Mill Hill in the hunt and, thus duly encouraged, it took a very good save by Brian Wells to keep us in front at half-time.

In the second half our play generally remained at a low ebb, enlivened only by brief moments of enterprise and, from two of these, we added further goals, a brilliant **GERRY REASELEY** header from a right-wing cross and a breakaway by Les Simner, John Pugh and Steve Wisson which ended with **GERRY REASELEY** side-footing home from six yards. Mill Hill's reply was a speculative overhead volley that flew into the corner from 15 yards, taking part of Pete Sayer with it – a particularly painful part!

Not a convincing performance by any means but, remembering the changes that were forced upon us although, at this point, I put on record that both newcomers played very well indeed, it is pleasing and unusual to play below par and still win. Anon – but too short to be Terry Adams!

Dance Profit

Those delightful young ladies, Lesley Fletcher, Diane and Christine Simner and Anne McAlister made £33 for the Association from the dance they recently organised.

We thank them for their devotion and remind all Club members that one of their greatest money spinners was their food, the delicacies of which you can once again discover at this week's dance, sponsored by the OW's Dramatic Society, where you can hear tracks from the new Neil Young album.

Thought: With two such experts in the kitchen at home, why is Les Simner so small?
