OLD WILSONIANS FOOTBALL CLUB ‘All the News that’s fit to Print’

SEASON 2020/21 NEWSLETTER 11. No. 1,722.

Stupowfc@gmail.com

We travel back in time this week starting in 2010 to revisit games 10, 25 and 50 years ago, thanks to Mike Pike.

10 years ago, the 1s picked up what looks like a useful point at West Wickham, we know Greg Pettifor scored, but no reports from 2010 for the 1s, 2s, 3s, 4s and 5s means the 8s match report gets the headlines. (Yes, it is mine but Pikey forwards the precis so I’m not choosing my own!) So, if you want to reminisce get those reports in, otherwise you’ll be disappointed in your advancing years. Elsewhere Master Newman Saunders and Lewis Cosstick get on the scoresheet.

25 years the only scorer in the top three X1’s was a certain Mr. Butcher, I presume Mark, who went on the play Cricket for England and features as a co commentator on Sky Sports. The report highlights the 5s with Si Wilson amongst the goals while a certain Dave Dutton also features.

50 years ago it was all about the 1s, sadly coming up short against Bromleians, the holders, in the Surrey Senior AFA Cup repay, 2 – 4 it finished. John Brittain gets a mention for the 3s in 1970 and his legacy will shortly be put to good use as the changing rooms at Hayes are upgraded.

We now enter another period of ‘lockdown’ and any news will be communicated via social media and the website, stay safe. Non Sibi Sed Omnibus.

MORE POINTS SECURED THAN LAST SEASON ALREADY 8th XI 4 Lloyds TSB Bank 2

The 8's made the short trip to Coney Hall to entertain a Lloyds side they had beaten 4-2 away earlier in the season and history repeated itself as they found some form after an uncomfortable 11-1 loss the week before.

After a funny week, which saw students revolting and MAC burning poppies, the 8's started the game by burning up the Lloyds defence. With Steve Chinnery and Martin de Sousa adding some presence in midfield, it was Charlie Chinnery and Sam Snu supporting the front two of Alex Cheung and Callum Wrenn.

With the Lloyds 'keeper looking 'dodgy', it took a **STU' PATON** free-kick from 40 yards to open the scoring before another long range shot found the bottom corner of our net to make it 1-1. The second half saw more of the same, with the 8's pressing, with Lloyds looking dangerous on the counter, but 'Cookie' and James Sparrow held firm, with Alex Forbes winning any headers

The breakthrough came on 60 minutes when **CALLUM WREN** bundled home before another long range shot deflected off Alex's head to make it 2-2. Clive Peckover then made two good blocks when one on one and we deservedly took the lead again through **ALEX CHEUNG** before **CALLUM WREN** made the game safe

A much improved team performance and the 8's now have more points (10) than in the whole of last season

PASSION, PURPOSE AND A PATTERN John Fisher Old Boys 1 5th Xl 5

After last week's display we needed to improve considerably if we were going to get anything out of this game. In the first 20 minutes play was fairly even, neither side managing to get on top as chances went begging and both 'keepers saved well. We gradually began to assert ourselves and our passing became crisper as holes began to appear in the John Fisher defence

Just before half-time Steve Skelton played a nicely weighted ball down the right flank and **ADAM CURTIS** hit a rasping shot into the corner of the net

Although we had played reasonably well in the first half, skipper Terry Adams asked us to increase our efforts an extra 10% and break Fisher's resolve. And this we did to good effect for, within five minutes of the second half, a good run by **SIMON WILSON,** using his weight well, led to him putting us two up and further goals followed

A good through ball by Adam Curtis set **RICHIE BERKS** up for a third, and a good inter-change between Carl James and Richie Berks led to Adam Curtis putting the ball on to **SIMON LETTS'** head at the far post for 4-0 and we made it 5-0 when another thunderbolt from **ANDY CURTIS** gave their 'keeper no chance, the only 'minor' anoyanace of the game being a fluky goal scored by John Fisher with the last kick of the game

This was an excellent performance and we played with a passion and commitment which had been lacking in our previous performance. The team played with purpose and, most importantly, to a pattern. Every time we lost the ball we re-grouped as a unt and won it back. It was a deserved win, with everyone playing well

Special mentions for Carl James, who had a fine, hard-working game, Adam Curtis, who gave us the cutting edge we have lacked, and Richie Berks, whose work rate and running up front was first class

MILL HILL TURN UP LATE AND GO HOME WELL BEATEN 3rd Xl 5 Mill Hill Village 2

This week the 3rd Xl played Mill Hill Village at Harvington Estate and won easily via two **DAVE FLETCHER** goals, two **BOB FAVELL** goals and one from **JOHN BRITTAIN** and those are the facts.

However, when Mill Hill arrived at 3-00 p.m. with only three men and eventually started playing at 3.40 with eight, we should have scored more goals.

Playing good football we were only thwarted by god-goal-keeping and our forwards trying to beat one man too many before getting in a shot, but we did manage to turn round two goals to the good and soon added two more

Then it happened; two more little blue men came out of the distance and our play went to pieces.

All of our good play was forgotten and it was now Mill Hill who were on top, but Les Wilks, the oldest man on the field, held their giant centre-forward at bay and our defence together

We eventually won 5-2, their second goal coming in the last minute. Good games from Dave Fletcher – 2nd Xl skipper please note – Les Wilks and John (centre-circle) Brittain

1ST XI CRASH TO DEFEAT IN CUP REPLAY 1st XI 2 Old Bromleians 4

On a pitch that had been pounded by rain for 16 hours Old Bromleians showed us how to play football in such slippery conditions – quick, short passes to the feet, running on for the return pass and with the final shot always near the mark

The first goal came very early on when some hard running by the Bromleians' right-winger gave him a clear view of the goal and he placed his shot just inside of the far post. After last week's fine effort, this early goal destroyed the side's enthusiasm to a certain extent, and we faced an uphill struggle to get back on level terms

One again the long ball for the forwards to chase was employed, but this time it was not to good effect. The final pass was often not controlled, the ball skidding off the wet ground, and it was not possible to get a clear shot on goal

However, our efforts were at last rewarded as a throw-in was flicked on by Jamie Jennings to the un-marked **CHRIS THRELFALL** who beat the goal-keeper with a low shot. At the other end Si' Wills was having a fine game, stopping one shot from point blank range and palming out a well hit cross from the wing, but it was not long before we suffered the same fate as last week, a powerful shot from the wing hitting the inside of the far side netting

Half-time saw us 2-3 down, our second goal coming from **GERRY REASELEY** who hit home a good left foot shot from just outside the penalty area

The second half did not see much change in the pattern of play, and we had only one serious shot on goal, which was easily saved by their 'keeper. At the other end Bromleians scored once again after the defence had been overcome by the slippery conditions.

This was a day to forget for the 1st XI, so let's hope we can soon get back to a winning streak
