# OLD WILSONIANS FOOTBALL CLUB ‘All the News that’s fit to Print’

**SEASON 2020/21 NEWSLETTER 18. No. 1,729.**

**Stupowfc@gmail.com**

*With all amateur adult football paused, we look back to 25 and 50 years ago.*
*On 6th Jan 1995 only the 3s and 7s recorded victories with Dave Valder, Grahame Nelson, Dave Parkinson and Mick Makele Hughes on the scoresheet.*
*Back in 1971 the 1s were playing Penguins which seems appropriate at this time of year! The goals were flying in, Jim Matthews scoring a hat trick, Malcolm ‘Yogi’ Taylor and John Brittain notch and even Mike Pike features with a goal for the sixes!*

*Into the present, Steve Holmes continues his 5k a day challenge raising monies for motor neurone disease in support of his Dad. Full details can be found here;*

https://www.justgiving.com/fundraising/steveholmes-5kadayinjan

I had not asked anyone to run in support, but by sheer kindness Steve Hollander, James Loud, Jamie Parkinson, Mark Pope, Andy Pope and Andy Donnelly are all running 5k a day with me remotely to where they live. Steve, James & Jamie I haven't seen for some time, so quite an amazing gesture.

So, really from me, the message of thanks and how important the OW's are for all, especially in these strange times when we can't be together.

Thanks for your efforts, that you have always done, for all of us at the club.

Sincerely,

Holmesey.

WELL FOUNDED OPTIMISM 7th Xl 4 Glynn Old Boys 2

This return league match against Glynn offered us the opportunity to make amends for our woeful defeat in November. As the consequence of an apparent surplus of players in the lower Xls, we were able to field a strong team who were more than capable of getting a result
The first half saw us take the advantage against a ten man opposition with an early **ROB BARTY** goal when he found himself on the edge of the six yard box. This provided us with the confidence that has sometimes been lacking and, when going forward, it always seemed that further goals would be possible
In defence we were very solid, with the schoolboy centre pairing of Sam Dring and Darren Wallace playing with authority, whilst the full-backs, the ever improving James Hudson and the returning Andy Udale, never looked in trouble and provided many opportunities to set up attacking moves
Our second goal was a **DANNY BLAKE** special, as he ran from the half-way line, beating three players followed by a perfect one/two with Alex Walton before finishing emphatically
The second half was a little more tense, as the midfield failed to continue with their defensive duties, thereby putting pressure on the back four. It was inevitable, therefore, that Glynn would score and when they did, just for a moment, we looked as though we might struggle
The **DANNY BLAKE** over-head lob from an Andy Kirchin throw was a little bizarre but a welcome way to restore our two goal lead. Glynn then scored their second from a corner, but when we went forward it always looked likely that we would score again, so I was confident that we would hold on to our lead and my optimism was well founded when our fourth goal followed after some excellent work by Dave Hall on the left, whose cross/shot was blasted into the net by **ALEX WALTON** from at least four inches
So we finally recorded our second win of the season. Everyone put in a very positive game but the victory was built on the performances of the defenders, all of whom had outstanding games

GOALS GALORE GREET THE NEW YEAR

Wandsworth Boro 3 2nd XI 5

After the Christmas break, lack of fitness really told when a good reserves side just managed to beat a not so good Wandsworth Boro' eleven. **JIM MATTHEWS** reveled in the open spaces of the largest pitch we shall have to play on and scored a fine first-half hat-trick.

The pattern of play was set right from the start and within a minute a goal-mouth scramble ended with Jim crashing the ball into the corner of the net. We continued to impose pressure but our passing was not really suitable for such a large pitch and un-necessary work was being done as a result of the hurried passing and when such a movement broke down, Wandsworth cashed in on our midfield gaps to equalise

It is unfortunate that, when we attack with our midfield men in support, wide spaces occur, and in this game our efforts were not quite good enough, but it would have taken super fit men to have satisfied us. However, I hope that all potential 2nd XI players will now take advantage of training sessions as this may be the deciding factor in team selection now that competition for places is so fierce

We continued to press forward and good ball control by Ron Ashdown enabled him to find **JIM MATTHEWS,** who scored his second goal with a confident hook shot. Wandsworth then got on level terms again when a cross, which should have been headed clear, was missed and a first time volley squeezed past a stranded Brian Wells

**JIM MATTHEWS** completed his hat-trick just before half-time with a powerful shot after good interplay on the right

The second half was one-way traffic, although occasional breakaways from Wandsworth did look dangerous, particularly down the right-wing, but we did manage to miss four open goals before good blind side running by **'YOGI' TAYLOR** enabled him to score our fourth goal and then **COLIN HAND's** persistent pressure brought its reward when he beat the off-side trap and pushed the ball beneath the opposing goal-keeper

A brilliant save by Brian Wells caused everyone present to applaud but this did not inspire the rest of the team to play like internationals, especially when we allowed their right-winger to pinpoint a centre for the final goal to be headed home
