# OLD WILSONIANS FOOTBALL CLUB

## SEASON 2020/21 NEWSLETTER NO. 5

**Stupowfc@gmail.com**

A strange weekend with only two home games on Saturday allowing lower X1's to play at Hayes.
The club was busier on Sunday, where despite the deluge, the Super Vets and some Junior sides managed to play.
I must say, after 40 years at the club the game was one of the most enjoyable I have played in.
It was, of course, played in memory of the late Kirk Benjamin and how he would loved the build up, the banter, the game and post match. Fittingly, we played the South East London Arts Network, a charity dedicated to improving mental health supported by our Newsletter Ed for 50 years and Vice President, Mike Pike. They had a decent side out but the Supers saw the return of Steve Holmes, Greg Middleton who alongside our Captain, legend and leader Mark Pope, Jony Q and Chris Dyki created a formidable midfield that ran the game. It was also great to see Adam Deadman back between then sticks and he (almost) kept a clean sheet! 4 – 1 was the scoreline, for now Popey lifted the Kirk Benjamin memorial trophy with a return fixture keenly awaited. ***The School visit us with four sides this weekend, probably our most important fixtures of the season. Our club depends on engaging and retaining schoolboys offering Sixth formers games now and capturing boys so they return post University. This is our chance to leave a lasting impression of OWFC and the OW Association on them.***

The school have also reached the English Schools Cup final for the first time, please read a message from Head of Sport, Andy Parkinson. The Vice Presidents, Vets, Super Vets have already decided to sponsor a bespoke kit on behalf of OWFC for the final, which will be broadcast live on YouTube.

## OWFC Vets 2 v 1 Lloyds of London – Played 27th Sept

The OWs Vets played their 2nd game in 4 days in the annual afternoon kick off v Lloyds of London featuring all 3 Smart brothers and Richard's eldest Harry.

Similar to last seasons match Andy Pope in goal pulled off some great one on one saves throughout the match but **Doug Smart** put Lloyds 1-0 up when his attempted chip shot squirmed under Andy and dribbled over the line. At the other end keeper Andy Parkinson was playing as striker and he had a great shot that the keeper saved superbly. Mark Mace had a couple attempts that only troubled the advertising boards and Mark Pope had a shot that went out for a thrown in. Just before half time Lloyds brought on Luke Slatford who was using the match as a warm down from his Olympic triathlon at Hever Castle earlier in the morning. It was  great to see Steve Holmes was back playing for the OWs for the first time in two years. (Hear, hear, Ed)

Vets manager Lee Reid brought on Doug Forbes and Chris Lovelock on for the second half (Strong, Ed) for some fresh legs and mid way through the half  OWFC equalised when a great cross from Chris Dyki was steered in from close range by **Si Elliott** and at the other end Mickey Owen went close with a header but the OWs stepped up the pressure and Mark Pope had one shot cleared off the line and another that just went wide but we finally got a break through when a move on the left involving Cornwall, Elliott and Mace who found Mark Pope with a pass and the resulting left foot strike was saved by the keeper but **Andy Parkinson (GK)** was on hand to fire home the winner. It was another great match against Lloyds of London, played in a great spirit and we hope it will continue for years to come.

Goals  - Si Elliott, Andy Parkinson  MOM - Andy Pope

After a break in the weather from Storm Alex on Friday, the stage was set after Poly confirmed that the game was on very traditionally thought twitter.

There was a late start to proceedings after Carruthers sent a few members of the team over to Civil Service (not the be confused with Polytechnic) but the warm up was tidy and the team looked strong going into the game even with the added hazard of geese droppings on the pitch.

From the kick off, the ball was punted high up the field by the Polytechnic centre back which set their no. 7 bearing down on our goal only to be foiled by Powley who made a good save within the first 30 seconds of the game conceding a corner.

After a tricky start, OWS grew into the game and started to look the better team with a good move seeing Sellman slotting the ball confidently past the on-rushing keeper only for it to be disallowed due to a narrow offside trap.

A good move by Poly on the right-hand side of the pitch saw the right winger take a snap shot which caught the keeper out at the front post, with the ball luckily hitting the underside of the crossbar Lampard-esk without the same end decision as the linesman saw the ball narrowly crossing the line before bouncing out. 1-0.

As Wilsons looked like they could get back into the game the team went two behind with a towering header at the back post; a well taken goal even though the target man could move freely in the box from poor OWS marking. 2-0.

Building pressure from old boys after the break saw a several chances go begging, even against our own keeper with O'Hene trying his upmost to outsmart Powley who was more than up to the task of fending off shots from his own teammates.

With the rain starting up once again, a glimmer of hope came when a smart ball through from Airdrie found Robinson whose heels were clipped bringing him down in the penalty area leaving the referee no option. Up stepped **Conrad Conduah** whose fierce strike from 12 yards sent the keeper the wrong way, flying into the top left corner in the process. 2-1.

For the last 20 minutes of the game old boys looked like they could come back from the 2-goal deficit and come away with a point with another clever threaded pass from Airdrie finding Sitch bearing down on goal, the move being stymied by good work from the Poly defence. With old boys on top a goal against the run of play deposited from the opposition keeper's hands thwarted any dreams of a comeback, the goal taken calmly by the left forward who passed the ball under the OWS keeper. 3-1.

**Alex Karamath** gave the team hope making the score look more representable at 3-2 but it was too little too late with the referee blowing for full time. 3-2 FT.

# 3s v Nottsborough SAL League, Away, Home 2 - 2

After last week's cup defeat at Nottsborough, there was a real sense of injustice - the opposition had benefited from some fortunate goals and particularly one-sided refereeing. This week revenge was on the cards as we once again made the trip to Kingston to repeat the fixture in the league.

The 3s dominated the early stages of the game, winning 50-50s all over the pitch and pinning Nottsborough back with a high press. Our passing out from the back was particularly impressive, Nottsborough were chasing shadows as we crafted dangerous waves of attacks. The goal was inevitable, Nick Page latched on to a free kick at the back post, and had the awareness to tee up **TEDDY FARMER** for a close-ranged finish. 1-0.

Nottsborough then made the fatal mistake of winding-up Tolu. Much like Bruce Banner, when Tolu is angry he undergoes a Hulk-like transformation and starts to dominate the midfield. Angry Tolu hit the back of the net shortly after, but the referee disallowed due to a handball in the build-up. The front 3 of Farmer, Page and Newman-Sanders caused all sorts of problems for the Nottsborough defence as the 3s sought to extend their lead. Tolu smashed home from the edge of the box, but again found his goal disallowed.

It was a positive mood at half-time as the 3s sensed 3 points. Keeper Dan Hall had only had to sweep up a couple of loose through balls all game, but typically early into the 2nd half we conceded as Nottsborough buried their only chance of the game. 1-1 Nottsborough had some wind in their sails but the 3s continued to show their dominance, as Tolu teed up **CHARLIE NEWMAN-SANDERS** who timed his run to perfection and slotted home for 2-1. The 3s pushed on to extend their lead but got caught on the counter as Nottsborough put away their 2nd chance of the game for 2-2.

Overall, we should be happy with a fantastic performance but it feels a little more like 2 points dropped than a point gained. We were better then Nottsborough all over the park, worked well as an attacking and defensive unit and barely made any errors throughout the game. Unlucky lads.

MOM: Tolu

# 4s v Carshalton Reserves , SALC, Away, Lost 1 - 2

After playing Carshalton at their place in the league and winning just 2 weeks before the 4s turned up expecting great things to kick start their cup run.

The game started similar to the last outing with both teams being very physical but very little chances between the two sides.

0-0 at halftime with step in goalkeeper for Taylor that took his missus out for salmon and avocado on sourdough bread and an artisan coffee, Sam James keeping an impressive clean sheet in the first it was all to play for in the second half.

After a few changes with Sam James coming out on pitch and Frank Fenton going in goal the second half got on the way well with early success for the 4s.

**Sam James** knee'd a ball into the back of the net early on and we were right in this.

Carshalton fought back straight away and even after some impressive saves but Frank they managed to equalize from a rebound.

After a period of play we were far more dominant the 90 ended 1-1 and we were onto extra time. (Exciting, Ed)

Carlshalton (rather than correct this for the third time I'll leave this spelling in, Ed) got the better of the time and managed to get a goal in and after a valiant effort the 4s couldn't get the equaliser.

Few beers later and a stroke for Frank Fenton with a cockapoo called Molly who was very excited to see the boys. She likes cricket balls and tennis balls and Frank.

# 5s v Civil Service 6s, Away, Won, 3 - 2

On a wet October Saturday, the 5s made the trip to Chiswick to face a struggling Civil Service side. With 3 dropouts on Saturday morning, the 5s were relying on a couple of regulars carrying knocks and thankful for Tom Dixon making the trip to Chiswick after the 2s games was postponed.

Despite the week of rain, the pitches at Civil were in superb condition and the 5s made the most of the surface in the first 20 minutes, getting the ball down and moving it quickly. With two of Civil's older players at fullback the 5s exploited the wings with countless crosses and breaks coming down the right side of the pitch. With several near misses the 5s finally took the lead with the ball falling to **GARY BONSEL** in the box, who calmly slotted home to make it 1-0.

The 5s pushed on and nearly doubled their lead minutes later when Tom Dixon's cross found Jay Breen in the middle, he put his header back across the keeper only for the keeper to make a fantastic save, tipping the ball over the bar. With Civil not offering much going forward, it was sloppy defending from a corner which offered them a way back into the game. As the ball bobbled around the box their forward tucked the ball into the corner of the net off the post, giving George Young in the 5s goal no chance.

Having dominated the play and the chances going in level at half time would have been a travesty, however the 5s weren't to be denied as a corner of their own was powered into the top corner of the net by one of **Civil's defender OG**, making it 2-1 to the 5s at half time.

The message at half-time was more of the same and 2 minutes into the 2nd half Tom Dixon again broke free to go one on one with the keeper, he unselfishly square it to **JON JONES** who composed himself before putting the ball into an empty net. The 5s were cruising at 3-1 and if it wasn't for Civil's excellent goalkeeper then they would have been out of sight. The 5s were marauding forward and the pressure told as Tyler O'Callaghan was needlessly bought down in the box by a Civil defender. Tom Dixon stepped up to take the penalty, however the Civil keeper again pulled off heroics, diving low to his right to save the penalty.

As the game ticked on the 5s were under little pressure, however they were caught of guard when an innocuous ball down the channel was immediately volleyed over George Young's head from 30 yards, making it 3-2. Buoyed by the goal Civil pushed hard for the last 15 minutes, however a resilient 5s defense saw out the game with little threat to their goal.

The game finished 3-2, with what should have been a comfortable win proving more challenging than it should have, however 3 points is 3 points!

# 6s v Old Salesians Reserves, League, Away, Won 4 - 2

Following a 4-0 defeat last week we really needed to get things right and start getting some points on the table.

A welcome return of 6s skipper James Sparrow, saw the gaffer return in goal.

We started this fixture with a strong squad and newly found confidence. We started really well and were playing great football on the floor. But quickly found yourself one nil down due to a mistake and a quick counter attack by the opposition.

We weren't behind for long as **Stephen Benwell** managed to find the back of the net. A lovely cross by Chris Kennedy who found Steve who took a lovely touch with his back to goal and then managed to turn and shoot and found the bottom corner.

We then began to control the game with lovely passing and quickly made it 2-1. **S.BENWELL** again with the goal. Another assist by Kennedy who put a wonderful cross into the box and found Steve who slotted it far corner with a one touch finish.

Salesians managed to get a second goal with a quality strike. Just before the half, we took the lead once more with a goal by **Chris KENNEDY**. The play started from the back with a through ball by Gilbert who found Strong. Still with a bit of work to do, Strong took the ball past two players including the keeper and then found Kennedy who slotted it into an empty net. 3-2 Wilson's at half time.

We started the second half strong and in total control. After some more good play Wilson's managed to get a 4th with **S.BENWELL** securing his hatrick. A great run by Stride who beat 2 players and found S.Benwell who perfectly placed it into the bottom corner.

Full time 4-2 Old Wilsonians. Great performance from the lads and well deserved.

# 8s v South Bank 7s, SALC, Lost 4 - 5

The hallowed turf of the Hayes 1st XI pitch was the venue for the mighty 8s' latest adventure.

Our first cup game of the campaign, against a South Bank 7s who were undefeated so far this season – a tough game awaited.

We started brilliantly and caught them cold, with **Sochi Igboayaka** scoring twice in quick succession. We created many more chances, with Nathan Amoah going close in particular. 2-0 up at half time, and although South Bank got into the game towards the end of the half, we felt we were in charge.

However,r in the second half, they stepped things up several gears, scoring 5 goals, including several worldies, and we just couldn't cope.

We switched back on in the last 10 minutes, **Sochi** getting his hattrick and another from **Tyrell Wells**. In the last minute of injury time we got a free kick and sent everyone up, even the keeper! The ball bounced around the box, but it wasn't to be.

If we can defend 5% better, we'll start winning games! Special thanks to Richard Smart for stepping up to ref the game when the appointed ref failed to show.

# 9s v Alleyn OB X1 Friendly, Away, Won 5 - 4

Second game for the ‘Super 9s’ and we found ourselves back in Dulwich, only this time the game was a real challenge coming up against a very good Alleyns side.

We started slowly, conceding two goals early on within the space of about 15 minutes. However, we bounced back after getting some organisation together and continued to look dangerous on the attack. Late on in the first half we clawed it back to 2-2 with two very well taken goals by ***Alex Burmingham***.

The second half was much more tightly contested, and after a missed penalty by Alleyns, ***Alex Burnmingham*** went up the other end to win a very controversial penalty for ourselves, he stepped up and slotted away beautifully to complete his hat trick!

With the game literally going from one end to another the 9’s we’re battling to maintain a 3-2 lead. We began to tire at the back and Alleyns then bagged two goals in quick succession with only a couple of minutes left to make it 4-3 - Heartbreak!

However, the lads showed real fight and determination in which saw a blockbuster end to a very competitive match, and once again up stepped ***Alex Burmingham*** with a wonderful first time volley over the goalkeeper to make it four all (4-4). With almost the last kick of the game, another counter attack saw a beautiful through ball onto ***Byron Skinner*** who was put through on goal and calmly slotted past the goalkeeper. Full time score 5-4. Unbeaten start continues for the 9s.

**SCHOOLBOYS EXCEL IN 7THS V 8THS BATTLE 7th XI 7 8th XI 0**

Another 7ths v 8ths friendly took place at Sparrows Den, with the teams making up a nine-a-side game which provided the schoolboys with plenty of room to run around in but little space for the older ones to hide!

The 7ths, fielding the majority of the schoolboys, took the game to the 8ths right from the start but were only able to create long range chances, the consequence of some committed defending by the 8th X1, but the pressure eventually told and a cross from the left found **SAM WALKER** unmarked to score at the far post and by half-time a second had been added when neat play from Rishi Pattani set **SAM WALKER** up for his second

The second half brought continual pressure from the 7ths and following more neat play on the left it required a simple tap-in from **SAM WALKER** to notch his third. **RISHI PATTANI** then scored a well-deserved goal, chipping the 'keeper, and **KEVIN LUNSDEN** broke down the left-back position to fire home his first goal for the Club. However, **SAM WALKER** had not finished and two more goals followed, giving him a five goal haul

It must be mentioned that all of the schoolboys played well, but special praise for two who played for the 8th XI. ***Matthew Washington,*** playing in goal. conceded seven but played exceptionally well and kept the score down with a very promising display and ***James Karamath*** worked tirelessly and deserved a greater reward for all of his efforts. This was another good run out for the 7ths and 8ths and the schoolboys continued to impress. All we need now is for the league programme to start.

**CUP DREAMS SHATTERED AMOMGST EXHAUSTION 4th XI 1 Old Saelsians 2**

Salesians started this game positively and took the lead, but 'man of the match' **GREG SMITH** went close on two occasions before scoring the equaliser, and his probing runs from midfield caused no end of problems for their defence, which never managed to pick him up.

However, and with ten minutes left, legs were getting heavy and gaps started appearing in midfield as we pushed for the winner, but this left space for one of their forwards to pick the ball up from 30 yards, run forward and unleash a dipping shot which cleared the despairing grasp of Ian Pilgrim and floated into the back of the net and, despite valiant efforts from players close to exhaustion, we were unable to get the equaliser and force extra time.

**FOOTBALL IS A GAME OF NINETY MINUTES  Alleyn Old Boys 4  4th XI 1**

With a strong wind blowing across the pitch and a cannon ball to play with, the 4ths found it very hard going in the first half. We seemed very open at the back and allowed the opposing forwards to bang four goals in by half-time and it seemed we were in for a hiding and the way things had gone, unable to do anything about it

The second half, however, saw a complete change throughout the team. Everyone was using a bit of intelligence, both in releasing the ball and obtaining it, and goals looked likely but goals, it seems, do not come easily to the 4th XI and we did not manage to capitlise on our superiority and Alleyns overcame our pressure and once again rained shots at Pete Clarke in goal

Fortunately he was having a very good game and they also failed to score and with five minutes left we unexpectedly scored when '**STICK' MATTHEWS** stuck his right leg out to a ball bobbling in front of their goal-keeper

If the team had played as they did in the second half for 90 minutes, things could possibly have been more fruitful. John Drabwell

**LES WILKS INSPIRES CHARLIE HOLDER TO USE HIS RIGHT FOOT  5th XI 6  Brent 0**

The inspiration of Les Wilks on the touch-line drove the boys of the 5ths to greater glories than they ever dreamed of, for not only have we now reached the same number of points as we achieved by Christmas last year, but Charlie Holder has also realised he has got another foot and claims to have cleared the ball ***twice*** with his right one this season – Terry Adams please note

Our first goal came ten minutes before half-time when **IAN STEVENS** hammered home a cross that was nodded down by 'Peg-leg Harris.' A **BRIAN REYNOLDS** first-timer then left the goal-keeper wondering where the ball had gone and the third came with the assistance of a top-spin lob from **ROY CREAMER** just outside the box

The second half saw little change although **'PEG LEG'** had to go off after ten minutes with a strained muscle - or was it wood-worm – but managed to get a goal before departing, and **ALAN FIELDER** made sure of his mention by taking two good chances to end the feast of goals. Keith Miles
