# OLD WILSONIANS FOOTBALL CLUB ‘All the News that’s fit to Print’

**SEASON 2020/21 NEWSLETTER 7. No. 1,718.**

**Stupowfc@gmail.com**

*It was good to see a large number of schoolboys play this week and results across the club improved.*
*The 1s picked up their first league point and have a good chance to progress in the Old Boys Cup next Saturday against old Southern Olympian League foes, Tenisonians.*
*The 2s went to Sutton (apart from Simmo who went to Hayes) and came out 3 2 winners in the OBC with a home tie to follow, looking at the draw there is no reason for them not to progress to at least achieve a semi.*
*The 3s lost to Salesians First X1, but the Schoolboys acquitted themselves well.*
*The 4s seem to specialize in 2 1 wins and remain towards to the top of the league after a battle at Acton in West London.*
*Fives had that OWFC rareity, a goaless draw, whilst the 6s picked up a useful point against Merton and the 7s won in the AFA Cup. The 8s couldn’t follow suit, losing at Wokingians, always a tough fixture for lower X1’s.*
***The biggest game of the week was undoubtably the Schools national Cup Final live on You tube. They lost 0 – 2, frustratingly conceding at two set pieces in the first twenty minutes. Despite taking the game to Repton they couldn’t get a foothold in the game but can hold their heads high. No other school team has reached the final of this national cup competition, well done Boys, coach Chris Wells and head of Football Andy Parkinson.***

# 2s vs School 2s, Home, Drew 1 – 1, played October 10th.

After a close run affair during preseason against the school 1XI the 2's came into the game confident of a result against the school 2XI.

A school team guided by OW's legend Andy Parkinson had a long pre-game tactical session that would hold them in good stead for 80 minutes.

The 2's started brightly, showing their physical advantage over for some their counterparts 20 years their junior and early pressing proved fruitful with **Dixon** converting a cute Elliott chipped ball through the lines.

Unfortunately, this was as good as it got for the 2's and for large spells during the first half squandered a handful of chances that should have put the game to bed.

After an extensive half time team talk for the school boys, whiteboard and the full 15 minutes taken, the school 2 XI came out rejuvenated and started to bring the game to the OW's 2's who began to tire after 60 minutes.

This coincided with an extremely soft penalty where the opposing striker should have been stopped at the touchline long before he made the 18 yard box was given away and slotted away emphatically. Unfortunately, after a missing a host of chances the game finished 1-1 and with OW's missing several chances that flattered the schoolboys where the game should have been put out of reach but for awful finishing.

We hope to do better against archrivals Sutton Grammar next week.

## 2s vs Old Suttonians, OBC, Away, Won 3 - 2

The fourth game of the season for the 2's took place in familiar territory, away to Old Suttonians at Northey Avenue. Familiar for everyone but Simmo, who managed to arrive half an hour after kick off having gone to the wrong ground.

We started off the half looking dangerous when we got the ball down and started to string a few passes together but we weren't quite tight enough defensively, allowing the opposition to go one up with a shot that swerved to the right, wrong-footing the keeper.

Soon after going down, we brought the scoreline back to 1-1 with an equaliser from **James KARAMATH**. A deserved goal having begun to press higher, defending from the front. However, we allowed ourselves to go down once again with lapse in concentration, conceding from a long ball over the top. The 2s went into the half-time team talk with a lot to discuss despite having been the better side for the majority of the half.

The half-time team talk was clearly taken on-board with us starting the second half with much greater intensity and before we knew it Gowtham slipped through **James KARAMATH** who grabbed his second of the game from his rebounded shot. With control over the game, we began to push for a winner, creating more and more chances by the minute. Eventually after some nice interplay down the right flank, it fell to **Mark Simmo SIMMONS** who skipped past one defender and smashed it across goal into the top left corner. His unpunctuality was forgiven. After seeing off some long balls from Old Suttonians in the last ten minutes, the match ended in a 3-2 win for the 2's.

The Victory puts the 2's through to the next round of the cup.

# 4s vs Actonians Away League, Won 2 - 1

The 4s started their day in trademark Acton away fashion. 14 players at 11am and by 12 that was down to 12 including the keeper.

Fortunately the heroics from Chris Ironside traveling with 50 minutes to go to kick off he turned up and kept a clean sheet for the time he was in goal. Thanks Chris!

The game got under the way with emotions high and it took a while for the 4s to settle. With a lot of the team in positions that were alien to them everything seemed a bit rushed. A chance came for Big Bobbles in the first half and after a trademark step in he found himself 1 on 1 with the keeper and sent it wide of the mark.

Acton quickly came back from the goal kick and managed to slot one past Marshy in goal with a quality finish.

Half time came and we had our heads held high. Played great football at times and the message was clear. Lets get composed and we will break them down. Ricky Morley after 3 handballs also decided to leave the lads with some sound advice, "WE TACKLE THEM, THEY DON'T TACKLE US" .

For anymore inspirational quotes from Ricky please email him r.morley@jeffersonfrank.com

The second half got under way and **Frank Fenton** managed to finish one bottom corner with his left boot. Surprisingly as the park was filled with many dogs but Frank kept his brain focused and got the job done.

After about 10 chances that were inches wide we managed to get the final goal from a corner with big **Jazzy aka James DRUMMOND** going up to see it in the back of the net.

Great effort and huge shout out to needle at the back, also Bryon who pretty much sprinted for 90 minutes and single handedly kept us in the game.

Onto Poly at home next week.  Up the 4s!

# 5s v Civil Service, League, Home, Drew 0 - 0

The 5s took on top of the League Civil Service 5s bolstered by the introduction of four schoolboys into the squad. With six strikers and only three recognised defenders in the squad, the balance of the starting XI looked questionable on paper. However, the 5s started the first 20 minutes playing some excellent football carving out chances against a much more physically imposing Civil Service team.

The concern with blooding numerous schoolboys in one game is often they may be bullied physically, however Harold Kikoyo and Adrian Fuah were resolute in the backline alongside more experienced heads, restricting Civil to a couple of half chances from set pieces.

The 5s nearly took the lead on 30 minutes when a bouncing ball was met by Robbie Adams who smashed the ball against the crossbar from 25 yards. The 5s continued to dominate the 1st half chances with Chris Kennedy carving out numerous opportunities which came agonizingly close. Schoolboy Humza Rafi making his debut on the left wing also gave the Civil defenders a torrid time in the first half, although for all the endeavor the scores were level at half time.

In the second half Civil came into the game a bit more as the lack of replacements in center midfield for then 5s began to show, as Wilson's tired. Still chances for Civil were limited to set pieces, where their height was causing a fairly short 5s team issues. It was from a set piece that the ball feel to Civil midfielder who clipped the ball over Josh Holland in the 5s goal, who just about to managed to get fingertips on the ball to turn it onto the post. As the ball came back off the post a Civil forward put the ball towards the empty net only for another of their strikers to selfishly tap the ball in on the line from an offside position, therefore the referee disallowed the goal.

Into the last 5 minutes with both defenses tiring there was a final one on one chance apiece, with Robbie Adams flicking the ball just over the bar at one end, before a Civil striker couldn't get the ball out of his feet before Josh Holland scooped up the loose ball.

So, 0-0 it finished, which going into the game was a fantastic result and the 5s will feel like they could have taken all 3 points. **More importantly the schoolboy debutants all equipped outstandingly.**

# 6s v Merton 4s, League, Drew 1 - 1

We have had a habit of concedeing first this season. And not just first, early.

We set our game up to keep the defence tight for the first 15 and have five in midfield to hold possession.

Using a 4-1-4-1 formation, the team was able to play out from the back using the full backs to good advantage and having Martin as the pivot between the defence and rest of midfield. The opposition controlled possesion early on however with little to show for it. We grew into the game and utilised Rand and Gilbert on the wings.

The opposition's defence was shaky on the ball and they didn't like playing out from the back as much as us. A rapid switch from defence to attack forced a mistake from the opposition's centre back pairing and Stride capitalised with a deft flick of the ankle to **RAND** who calmy collected the ball and slotted through a gap of a defender and goalkeeper who were out of position on the goal line.

From there we stepped up, stringing together a lot of passes. Nicholas and Davies cleaned up the growing number of long balls and helped be the base of attacks. We had some intricate play allowing the ball to get into the box though, save for a few crosses across the face of the goal, we couldn't get a real shot away. Forbes kept us in the lead near the end of the first half with a near post dive from a shot that could have easily squirmed in.

The second half began well and we had a some rapid pace up from the younger Wilsonians. Down the left Rand and Palmar managed to get into some good positions and Tutianu and Forshaw linked up well and held the ball well allowing the rest of our attackers to get up the pitch. We fell short by not making clear cut chances however we had the ball in the opposition box many times. As the game went on the opposition started playing a long ball game, however, they were playing with three or four up top at times and we didn't adapt. We soaked up attacks and did well clearing our lines, and countering where possible. The opposition started calling out every little foul and were getting frustrated with the ref. That said they kept pushing and a cross into the box saw three players come in at the back post unmarked with one scoring a diving header to level the game.

With ten minutes left, things got a little heated and both teams were chasing a win. Ultimately no one could do anything to change the scoreline.

It was well battled and we did well tactically, playing to our strengths. Importantly we didn't concede first, kept possession well and counter attacked well. We can certainly build on this next week.

Team: D. Forbes, Berard, Patel, Nicholas, Davies, Martin, Gilbert, Rand, A. Benwell, S. Benwell, Stride, Palmar, Forshaw, Tutuianu

## Old Wilsonian 7XI VS West Wickham 6XI, League, Won 7 - 1 Played 10th Oct.

After back to back defeats in the league, Old Wilsonian's 7's travelled not far to West Wickham 6's looking to get up and running in the league. Despite Fraser missing an open net to claim a hattrick, and the #aaronout claims becoming louder. The demolition job at West Wickham finished 7-1 with goals from Fraser (2), a Dyki free kick that went under everyone, a stunning header from Kevin, rounding up the goals were Jack and Jonny Q to ensure that the 7's are not only up and running for the season but to let the other teams in the league know that were here to play.

Squad: Elliot (GK), Dan L (C), Dyki, Doyley, Jonny Q, Sam, Saj, Shaz, Will, Kevin, Fraser
Jack, Billings.

Goal scorers: Fraser (2), Dyki, Jonny Q, Kevin, Jack, OG?

## Home vs South Bank 7XI Won 4 – 1 Home, AFA Cup

Another week the #aaronout campaign continues. With no league games last weekend due to the AFA Cup, Wilsonian's 7XI entertained South Bank 7XI on the fresh Hayes pitch hoping to progress to the next round of the AFA Cup. The side featured a mix of the experience as well as youth with five schoolboys making their debuts. We started the game in style causing all sorts of problems. The game exploded into life within 3 minutes with Madz winning a penalty due to a handball. Madz took the ball and stepped up to convert the penalty emphatically to make it 1-0. The headers kept coming to Jonny Q which allowed Madz and Sam to continue to cause havoc on either side of the flanks. We managed to continue to play some sublime football looking to increase our lead. The second goal eventually came with a through ball to Sam from the left-hand side before dinking the keeper to make it 2-0. Our defensive lapse were slowly becoming too concerning, our worst fear came to life as South Bank managed to pull a goal back from a goal mouth scramble following a corner kick. Another goal was needed before half time to ease the nerves of OW's and that third goal manage to arrive from Sam's corner kick with Billings arriving to convert his header. 3-1 life was good till the referee sin binned Jonny Q for apparent arguing.

Without Jonny Q for a brief period of time, the second half started more or the less the same with Wilsonian's creating as many chances as they can before Jonny Q came back on. With less than five minutes before time Sam passed the ball to Leyton who skipped past 3 players before delivering a screamer of a shot 25 yards out to make it 4-1. The final whistle eventually came and, on a day, where many of the 7XI squad were unavailable the remaining players who were there and the schoolboys proved that the OW 7XI spirit is still intact.

Squad: Aaron (C), Callum (GK), Jonny Q, Madz, C Billings, Sam Forbes, Leyton, Phil Platts
Sam Stuart, Toby Saiban, Harry Bowman, Ollie Flowers, Ire Ogunwale, Fraser

Goal Scorers: Madz (P), Sam Forbes, Chris Billings, Leyton

# 9s v South Bank XI Friendly, Home, Win 2 – 1  Played 10th Oct

Third game for the ‘Super 9s’ and we found ourselves playing at home for first time on such a prestigious day in the clubs calendar. We were limited to the worse of the two Hawes Down pitches and knew playing conditions would be tough.

Our opponents this week were once again a  South Bank XI (who were demanding a rematch after their 5-1 loss to us). With a number of new faces and a much younger South Bank squad, we knew this would be a closer contest. However the score line didn’t really do our 9’s justice. We played some excellent football and our CM’s Frank & Josh we’re pulling the strings in the Midfield.

It took just over 10 minutes for the 9’s to take the lead, a powerful shot from Byron Skinner was spilt by the keeper and **NATHAN SPENCER** reacted quickly to tap in the loose ball and take us 1 to the good. We went on to create a number of further chances and had 2 opportunities cleared off the line from the South Bank defence and Andrew Hoffmann coming agonisingly close.

South Bank were trying to take advantage of the downward slope and late into the first half they did exactly that, with a huge drop kick from their keeper it looped over the top of our back line and with some confusion between the defence and our stand in Goalie Ricky Morley the ball somehow fell to their young forward who tapped in to a open net and make the scores level going into half- time, 1-1. Was unjust on Ricky who had a sound half in goal and did us a huge favour stepping in!

Second half was pretty much the same, we continued to dominate and create chances, Josh Nordbo played several fantastic balls across for Bobbles who couldn’t get anything on the end of it to slot home - It was coming!

Eventually after hounding the opposition 18 yard area, Byron Skinner was brought down from a challenge from behind and a penalty was awarded. Up stepped “Twinkle Toes” **BOB COOPER** who tucked it away calmly into the left corner - 2-1 to the ‘Super 9’s’.

We held our nerve and although the game probably should of seen a greater winning margin the 9’s went on to finish the game with 3 wins in 3.

## THE 7THS HAVE ONE OVER THE EIGHT  7th XI  9  Old Wokingians  1

A fine all-round display saw the 7th XI , this week containing six schoolboys, sweep aside Old Wokingians by nine goals to one. Following last week's spirited, albeit losing,  performance against Old Paulines, this was a most encouraging result. Its most positive features were strong tackling , excellent passing to feet and running into space, which saw us repeatedly open up the Wokingian defence

The basis of this victory, however, was the performance of the back four, where Kevin Lumsden came into the side at left-back to join James Martin, Sam Dring and Ravi Lutchman. Their tackling throughout the game was committed and skilful and the centre-backs dealt capably with anything in the air. They worked well as a unit, holding the line to trap several opposition attacks off-side

They also showed great confidence in bringing the ball out from the back and **KEVIN LUMSDEN** in particular made several driving runs down the left flank and was rewarded when one of three led to him striking our final goal

By this stage Old Wokingians had been well and truly taken apart, conceding four goals in the first half and five in the second. The majority of these were scored, or created, by our midfield which worked hard, winning the ball consistently and combining well together and with the front two to create numerous chances, several of which were converted

**DAVE HALL,** who had a good game on his debut, **NEVILLE SPENCER, DANNY BLAKE and ALAN CURTIS** each scored a goal, of which Danny's 'Yeboah' like drive into the top corner was the most spectacular

It was our two strikers, however, who did the most damage. **ANDY KIRCHIN** troubled their defence all afternoon and scored two goals, both well taken, one a notable lob. His presence was also of great assistance to **RISHI PATTANI** who, as last week, showed a good touch around the box but this time greater confidence in front of goal and slotted home two himself

Whilst results such as this are unlikely to continue if the level of performance in all departments is sustained, the 7th XI should hold their own in this division and give a good account of themselves against Cup opposition,  which is our assignment in the Old Boys Cup this week.  Clive Peckover

# *ALL OUR YESTERDAYS – 50 YEARS AGO*

**THE NEED FOR TRAINING EMPHASISED 2nd XI 1 Old Chomleians 4**

The Reserves are still seeking their first win of the season, although they were unlucky not to register it in this game. With the game only five minutes old Tony Maunder sprained an ankle. He struggled on until the end of the first half but was little more than a passenger, so the side was virtually reduced to ten men throughout the entire game

The 2nds took the lead after a goal-less first half when **JOHN PUGH,** who was having to take on the whole of the defence at times, scored. Strong running and hard work put Ted Gibbons in a scoring position on two occasions, but his shots were wide. The referee, in his wisdom, failed to see two blatant hand balls in the Chomleians' area, and also deprived us of a free-kick when Simon Wills was hit in the chest in mid-air – "an accident", claimed the referee, thus allowing Chomleians to equalise

In extra time, with the tiring OWs slowing, Chomleians, not surprisingly, scored three more. The team showed more fight than of late, with the exception of last week's fine performance, but attacking names and mistakes will not help anyone. But one point was made by this game, namely ***training.*** A fit side will be able to find that extra pace which it lacks at the moment. Mike Harris

THE 3RD XI NEED TO BE MORE RUTHLESS 3rd XI 1 Tansley 6

The 3rd XI were not as hopelessly out-played as the score-line suggests, but we were an inept and gutless side nonetheless! Ray Howell, and several others, had extremely poor games, the like of which we will not see, I hope, for many weeks to come

However, I still believe we can do well in future matches. We have had some very tough opponents in the past couple of weeks, which should have served to teach us that we cannot expect to win unless we play a far more creative form of football, combined with a much greater sense of determination in the tackle

Next week we play B.B.C away, so let's make every ball ours and chalk up our first, long awaited victory of the season Ray Howell

***Annual subscriptions:*** Just a reminder that annual subscriptions are still due and if you ignore them they will not go away, so pay up – 25/- for those two years or less out of school and 50/- for all you old men

***Training:*** Every week at least half of the reports published mention the fact that their team is not fit.
