SEASON 2020/21 NEWSLETTER 8. No. 1,719.

Stupowfc@gmail.com

It was good to see a large number of schoolboys play again and results across the club continued to improve.
Four good cup wins to report this week.
The 1s progressed in the Old Boys Cup against old Southern Olympian League foes, Tenisonians. They now can get revenge at home against Finchleians who knocked them out at the semi final stage last year or Old Brentwoods. Tie to be played 21st November.
The 2s went to play Rob Roy Reds, the London branch of Aberdeen FC supporters club and came out 4 2 winners in the AFA Cup with a tie against Bromleians or Blackheath Wanderers Youth Team to follow.
The 3s won another Old Boys Cup thriller, 3 – 3 at full time, but finished 5 – 3 to Tiffins’ troopz.
Lastly the Vets had an impressive win in the SAL Vets Cup with Parkinsons’, Simmo and Oz pulling strings (including Jon Howes during the warm up).
Fives had that OWFC rarity, a goalless draw last week but lost the first set 4 – 6 this week at Ibis Eagles in West London.
The 6s and 8s lost against a strong Old Blues and Cars X1 respectively, whilst the 7s made it back to back wins improving their league position.
The big match this week saw Hoffman's’ heavyweights the 9s, take on Forbes’ terrific tens at Hayes featuring five school boys, both sides submitted their respective views.

1s v Old Tenisonians, OBC, Home, Won 4 - 2

Old Wilsonians started the game slowly, with the challenging weather conditions forcing us to move away from our customary playing out from the back and instead opting towards the Wilsonians's of old approach of knocking the ball long (Kendo to note! Ed) and hoping that Ben Giles and Ben Mallins could use their pace against what was a relatively slow back three.

An attack from Tenisonians was neatly cut out at the back and with the ball quickly played out by Tommy Highwood to Ben Mallins down the right wing, Wilsons found themselves 1-0 up with a neat cross that was challenged for by Ben Giles but ultimately converted into his own net by Tenisonians centre-half, **OG**. To quote Giles, "I didn't even touch it." Very questionable honesty from a striker.

As the first half progressed, Tenisonians started to dominate the game more and a delicate 'round-the-corner' through ball allowed their left winger to hold off Wilson's left-back and proceed to neatly finish past the keeper. The half finished 1-1, but as we all know, you want to shoot towards the tree line in the second half at Hayes.

The second half kicked off and Wilsons stated to have the majority of possession, playing the ball around neatly and efficiently. This eventually led to a cross from the right which found **Kieran Steadford** open at the back post and he proceeded to find the net which had been kindly left open by Tensionians keeper who seemed more accustomed to playing 5-a-side. More of his antics to come later.

With Wilson's growing dominance becoming evident as the half advanced, a clearance from Powely sailed over Tensionians back line and found **Josh Robinson** who, one-on-one with the keeper, decided to allow the ball to roll down his shin and scoop it over the keeper for a 3-1 lead. As the rest of the team chased him off to the corner to celebrate, the players were astonished to see Lee Gear sprinting down the touchline, almost Mourinho in nature, to engulf Josh in their own private celebrations.

As much as I would like to say the score line remained 3-1, I do, however, have to mention that our goalkeeper, **Matt Powley** did in fact score a fourth. A back pass, saw the Wilson's keeper launch a huge clearance, which in his own words "started outside the post and swazzed (not sure that's a word, but in the circumstances, allowed, Ed) back in" bounced just short of Tenisonians penalty box, and with their keeper in No Man's Land, proceeded to bounce over him and into the goal.

Let's move on quickly. As the game continued to come to a close, Alex Karamath was penalised for a ball that appeared to hit his arm, however, the referee clearly was not aware of the defender's bulging anterior deltoids which the ball actually hit. A converted penalty saw the game end 4-2 to Wilson's who proceed to the next round of the Old Boys Cup.

A special mention should be given to Old Tenisonians who stayed to sink several pints and cheer on Teddy Farmer as he scored a deciding goal on the other pitch, bellowing a chant of "Jesus." I think the Old Wilsonians clubhouse should be thankful that Tenisons were not victorious as I imagine the clubhouse would still be in ruins this morning.

Report: Alex Osbourne.

2s vs Rob Roy Reds, AFA Cup, Away, Won 5 - 3

The 2s took an 11th hour postcode change in their stride, going on to beat Rob Roy Reds 5-3 and scoring some great goals in the process.

In another game without fans, the Aberdeen supporters club soon found themselves trailing to their visitors as **Gowtham** latched onto a flick on and finished from outside the box, with the ball skipping off the wet surface.

Tom Dixon soon added a second and Wilson's looked to be in control, until a dubious penalty was given for handball against Arjan, 2-1. An equaliser came next as the game deteriorated on route to half time, the wind, rain and astroturf all combining to make our usual tiki taka style of play very difficult in the middle of the pitch.

Rob Roy Reds brought on Stu Dunk at half time and he swung the game back in their favour, until a timely and equally rare **Andy Free** goal put Wilson's back in front. Confidence came back into the team after this goal, resulting in Wilson's fourth and fifth goals in quick succession from **Craig Elliot**, seemingly via a deflection, and **Will Stanley**.

The last action of the game was an even more dubious penalty, again against Arjan, as Dunky went down in the box. Final score, Wilson's win 5-3 and take one step closer to Wembley in this years AFA Cup.

3s V Old Lyonians 3s, Home, Won 5 - 3

The 3s kicked off at Hayes on a drizzly Saturday afternoon against an unknown entity in Old Lyonians.

The referee introduced himself as a player first and an official second insisting he understood what it meant to be a player therefore making his decision making all the more accurate!

Lyonians got us started in the afternoon rain and started stroking the ball around with some French va va voom on display. They had some decent ball players in the midfield but it was apparent they were not strong in the air and after a CJ flick on **Nick Page** got a few bristles to guide the ball into the far corner.

At 1-0 Lyonians picked up the tempo and despite Fin's best efforts in goal, he could only divert a strong shot onto the post before it ricocheted into the onion bag. Shortly after this, Tiffin then made a classic, goal line tackle to keep it at 1-1.

Wilson's managed to reorganise the midfield and quickly got back on top. Ted was up to his usual tricks, dancing past defenders with ease before number 11 decided enough was enough and took him down. A coming together ensued finishing in a little yellow card party. This however gave the 3s the bite they needed to kick on and after a long throw was flicked on again by CJ, **Gilson** was hauled to the turf and then converted the penalty himself to make it 2-1 going into half time.

The 3s were off to a flyer as the second half kicked off with schoolboy **Emman** meandering past the full back before firing a deflected shot past the keeper.

Following this, the 3s had countless chances that they couldn't quite convert to bury the game beyond return. Page and CJ both came close with one on ones that slipped narrowly wide or were cleared off the line. George, another schoolboy on for his debut, following 800 keep ups for a warmup, was playing some lovely weighted through balls in from the 10 role.

Out of nowhere the oppo winger, who had previously shown the skill of a potato, turned into prime Maradona and ran the length of the pitch before firing into the roof of the net. Little did he know that it wouldn't even be the best goal of the game.

The 3s continued to dominate possession and opportunities but couldn't finish. However, In the final minutes, a hopeful cross was swung in from the right hand side and the winger got up to smash a header onto the post which fortuitously fell right back to him with the goal gaping.

At the end of the 90 we were well on top physically and it was never in doubt that we'd go onto win. We came out flying and a good Page through ball was slotted home by **Gilson**.

Heading into the dying minutes, Teddy picked up a well saved shot from CJ out on the left flank before getting megged by the full back to raucous chants from the pavilion. **Teddy FARMER** had the last laugh though as he recovered, turned and hit a screamer across the goal and into the stanchion. The onlooking fans cheered him all the way back to the halfway line and on to the bar! A really solid, gritty performance all round with special mention to the schoolboys and 4's boys that stepped in last minute.

Goals: Page, Gilson x2, Emman, Teddy

7s v Merton 4s, League, Away, Won 6 - 4

The 7XI, fresh off a cup victory last week to South Bank 7's travelled to Merton 4's hoping to gain back to back wins in the league.

The team was mostly unchanged from the 4-1 win last weekend with Doyley and captain Kenny coming back in. With the inexperience of the referee, the game was serving (shaping) up to be a controversial one.

However Wilsonians started the better out the two teams managing to create chances through Sam, Leyton, Jonny Q and Ollie. The first goal came from Sam's throw in which **Jonny Q** was able to head the ball in the back of the net to give Wilsonians an 1-0 lead. 1-0 eventually turned into two, following a foul in the penalty area, **Jonny Q** stepped up to convert the penalty to make it 2-0.

Despite a few chances from Merton, Wilsonians were able to take control of the game. Following Doug's goal kick to Madz, the six passes between Madz, Kenny Leyton, Jonny Q and Doyley ended up with **Fraser** scoring a scorcher of a shot 25 yards out to make it 3-0. Half time blew and Wilsonians were in cruise control.

Or was we?! (Were)

The second half began with a few substitutions which Merton were able to gain momentum out of nowhere. Our worst nightmare were realised when Ire accidently gave away a penalty on purpose even though it was obvious. Merton stepped up and scored to make it 3-1. Moments after they were able to score from a corner to make it 3-2. It wasn't long before we went back ahead with Sam's cutback finding **Ollie Flowers** to turn it home to make it 4-2 to Wilsonians. The front three were running riot, however at the back there was more defensive issues with Merton scoring once again to make it 4-3.

After an off the pitch scuffle between Wilsonians and Merton, We managed to score again through **Sam Forbes** to make it 5-3. Once again, the referee was having a nightmare as a controversial foul near the penalty area led to Merton getting another penalty which they converted to make it 5-4. With Wilsonian's now holding onto their lead with minutes remaining, a breakaway happened with **Sam Forbes** latching onto Johnny Q's header and slotting past the keeper with ease to make it 6-4 and to finally put the game to bed.

The final whistle blew with Wilsonians celebrating another victory in what an exciting but controversial game.
With us now recording back to back wins in the league and in all competitions, it puts us in a great position with the visit of Polytechnic 8th to come next weekend.

8s v Carshalton 5s, League, Home, Lost 0 - 8

A windy Hawesdown against a free-scoring Carshalton was always going to be a tough ask for the mighty 8s.

We were bright and competitive, without really threatening, for the first 20 minutes or so, but once Carshalton got their first, the floodgates opened.

We were our own worst enemies, gifting chances, failing to clear our lines and even throwing in an own goal for good measure.

We did improve in the second half, with the wind and legendary Hawesdown slope in our favour, with Sochi Igboayaka drawing a great save from their keeper, which was our best chance of the game.

But as we chased goals, we left ourselves very vulnerable to the counter attack, and the goals racked up.

Let’s hope we’ve got all our mistakes for the season out of our systems, and we can start getting some points on the board!

El Classico

9s V 10s Friendly, 9's win 4 - 0

The day of the Spanish "El Classico" and how apt it was to be contesting in an inter-club friendly Versus the 10's.

So, here we are after a weeks rest we found ourselves in an inter-club 'El not-so-Classico' 9s v 10s match, playing on one of Hayes' Hallowed turfs. We were looking to make it 4 out of 4 wins in a row!!! Manager and Captain Michael Hoffers out due to a late admittance to hospital we were determined to get the victory & make him proud. A special mention to Jack Coughlan who stepped in as captain and lead the side at short notice. (Hope all ok Hoffers?, Ed).

A 4-0 win against a spirited and newly formed 10's with new boys and old made it an interesting and great game of football. We lead 2-0 at half time thanks to a calmy placed finish from **CHRISTIAN BUCKLE**, followed by another fine finish from **CHRISTIAN BUCKLE** after a beautiful pass from debutant Rory Sweeney.

The second half was a more contested half, but the 9's were well organised at the back and barely let any chances get past them. Another goal for **CHRISTIAN BUCKLE** completed the hat trick and ultimately the killer blow. The 10's kept fighting and showed great spirit which ultimately lead to us getting one more opportunity - a cheeky chip from **NATHAN AMOAH** completed another fine 9's performance and making us the side everyone's talking about at the moment.

Also a special thanks to Frank Fenton for stepping in goal and keeping a clean sheet!

The Mighty 10s are back….

5 schoolboys, 2 players returning from injury plus a few old stagers and you get the mighty 10s .

Who would have believed it a few years back !

A big thank you to Jon Howe and Andy Parkinson for all their hard work behind the scenes .

We had 24 schoolboys scattered around the teams this week something to be mighty proud of.

We started in the time honoured fashion when you start a team & we introduced ourselves and stated our favoured position. Nev's centre forward unfortunately fell on death ears as he donned the gloves .

We scattered the Old Boys around and the communication was good throughout the team .

The 9s who are a bigger side than us (literally, Ed) broke through in the 35th minute and added another before halftime.

But all the schoolboys did exceptionally well sticking to their tasks and playing some good football.

Both Nabeel & Dylan at Centre backs were good in the air read the game well and unlike myself quick .

Felix broke tackles and spread play well . Nirron grew into the game and became more influential as the game progressed . Jordan upfront ran them ragged, has lots of tricks and again improved as the game went on. I can see at least 3 of them playing in the top 3 sides in a few years .

The second half was much of the same with the 9s breaking our high line a couple of times and adding to their tally . Heads did not go down and as the game progressed we created the better chances.

Thanks to everyone it was really enjoyable with everyone playing their part, & both team being competitive and fair. Hopefully we see a few more games from the 10s & a win or two .

MOM Felix Report Alex Forbes

OWFC Vets v HSBC Vets, SAL Vets Cup, Sunday 25th October 2020. Result 7-2.

The OWFC Vets opened the 2020-1 cup **competitions** against HSBC, who had beaten Old Blues 1-0 the week before.

The pitch was in great condition as usual, even after hours of rain fall during Saturday and Sunday morning and with a strong squad we were confident of a winning start to the seasons cup run.

The squad reduced by one swiftly when Jon Howe's calf went in Simmo's warm up and after we stopped laughing Vets player manager Lee Reid named the starting XI , ref OWs Phil Gilmore gave both teams his instructions, OWs captain Mark Pope and the HSBC captain finished the pre match coin toss we were ready to go (phew, that's a relief, Ed).

The OWFC Vets started well, passing from deep from our own box at times, created a few half chances but HSBC went 1-0 up with their first attack, their left midfielder sweeping home from a cross. It was no surprise that we got back to 1-1 quickly when Jamie Parkinson found **James Karamath** who scored. It was 2-1 shortly after when Mark Simmons found Chris Kennedy whose right footy cross found **James Karamath** for his second.Dan Harris then found **James Karamath** with a filthy diagonal pass (according to Dan) and Karamath completed his hat-trick. Phil

Gilmore earnt his money as ref by having to endure HSBC moaning about offsides, Simmo being his usual chirpy self in his ear, YP having a little conversation with some colourful language with the HSBC no.7 and Jamie Parkinson accidentally kicked an HSBC midfielder in the head, who funnily enough wasn't too happy!

Lee Reid brought on Kendrick and Taylor for the start of the second half with Ducasse and Harris coming off, Pope moving to midfield and Simmons going up front.

The OWs made it 4-1 when Simmons passed to **Chris Kennedy** to score, Stu McBride passed to **Mark Simmons** who dinked over the keeper for 5-1, an HSBC defender turned into his own net after a Karamath cross, **OG** following a one two with Jamie Parkinson, to make it 6 and Simmons found **Kennedy** again for 7 and HSBC scored a consolation late on to make the final result 7-2. Other notable chances were Stu McBride hitting the underside of the bar from a long range shot, Kennedy hitting the underside of the same bar from close range before he hit another great chance into orbit from a Jamie Parkinson cross.

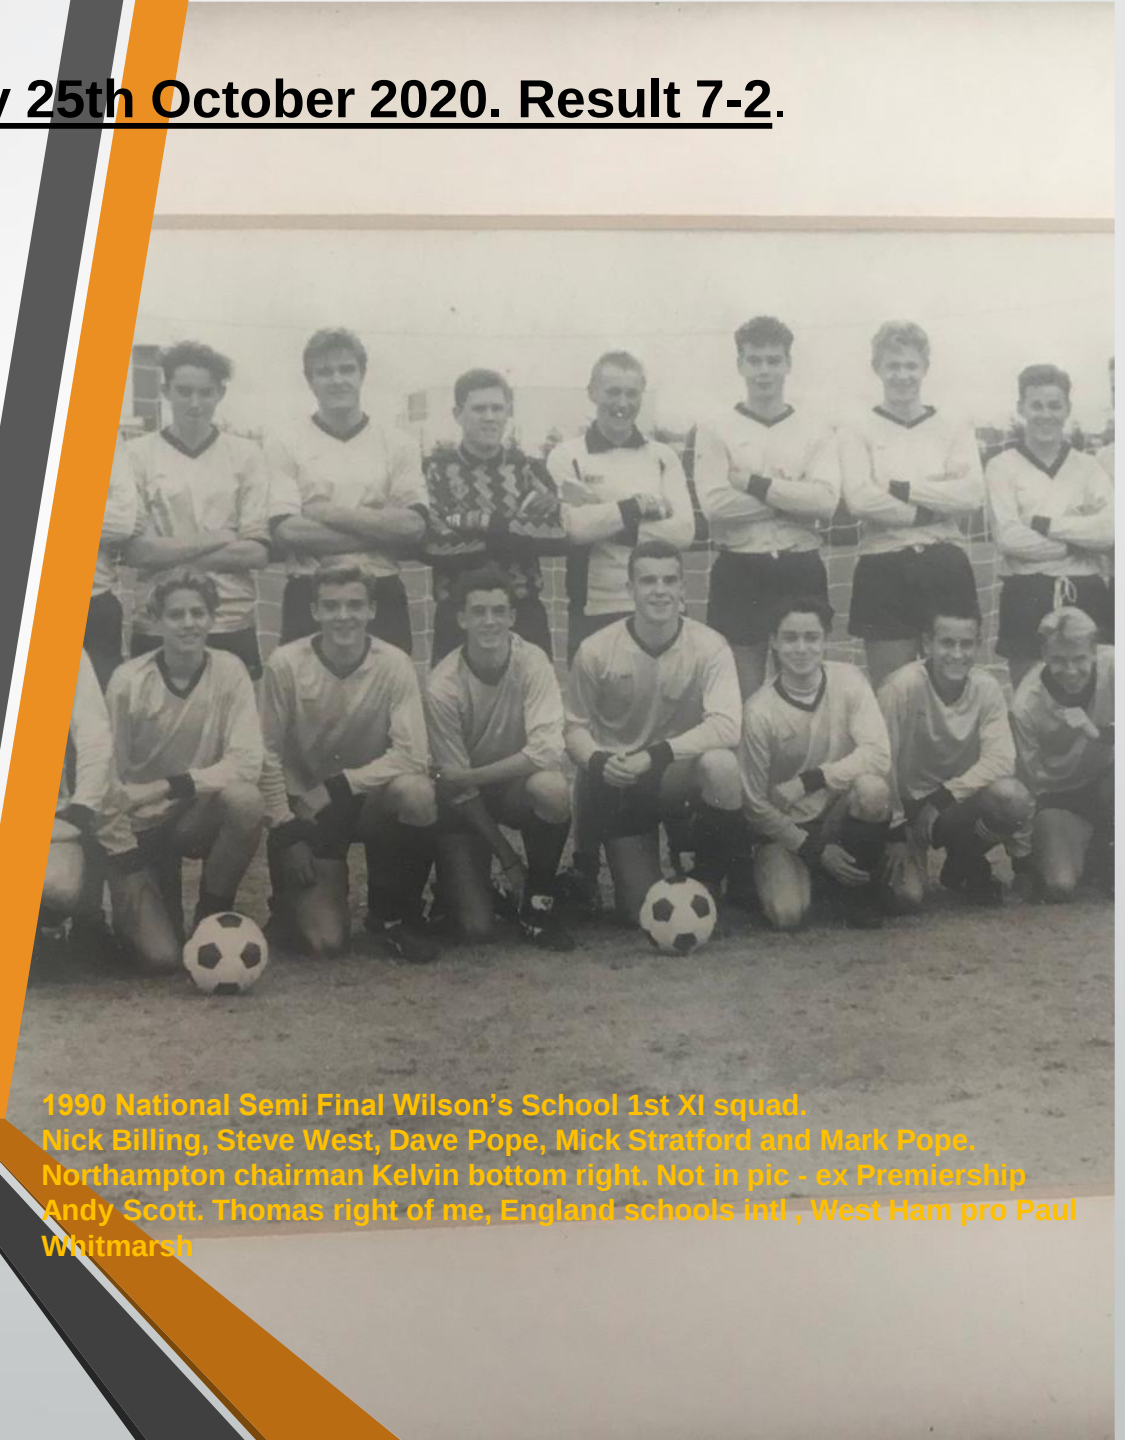

It was a great win and hopefully we can keep most of this squad as we progress in this cup.

Next up, Alleyns away in the Old Boys Vets cup in early November. Report Mark Pope

GAME AND FIRST SET TO OLD WILSONIANS 7-6; NEW BALLS PLEASE Edmontonians 6 1st Xl 7

The long trip to Edmonton saw us return, after five years, to the famous Henry Barras stadium. Games against Edmontonians are traditionally frantic and physical and this was no exception. It was a game, however, which the 1st Xl should have won more convincingly but, nonetheless, it was a win, something that seems to be eluding many of our sides at the moment – maybe something to do with the dreadful turn-out at training!

IAN MURRAY marked his return to availability when 'Trout the Monsoon' centered and Ian finished from close range. This was the point where we should have stamped our superiority on the game but, instead, we allowed an Edmontoinian player too much space on the edge of the box and the scores were level

We continued to create chances but, far too often, gave away good possession with a combination of poor passing, lack of communication and inept movement, and these are parts of our game we must work on in training if we are going to improve throughout the season

Further goals were scored by **NEIL KENDRICK and NEIL HUME,** and it was good to see the latter open his account for the Club. But the most memorable moment of normal time was 'Hooter's' cross with his right foot which meant that **'**Kendo**'** could not fail to score – but he did; fail that is

For periods of the game, however, we strolled about and defended carelessly and full-time came with the score at 3-3. Extra time came and we scored two quick goals and really should have wrapped up the game, but that was far too simple and within ten minutes the scores were level again.

Those two quick goals of ours both came from **'TROUTY'** and were scored with great composure, and it is good to see him with his old confidence back and we took the lead again as **'TROUTY'** completed his hat-trick as he bundled the ball over from a corner but, with four minutes to go, Edmontonians drew level again from a free-kick, giving 'Sponge' no chance

With two minutes left, and penalties looming, we won a free-kick just inside the Edmontonian half. Danny Webb centered perfectly and **'KENDO'** ghosted in at the far post to head home from close range

A win in the Cup, followed by a good run, is always important for confidence and this is something we need after two poor seasons where we seemed to have lost a very important part of the game – knowing how to win Neil Kendrick Lake Goddard Horswood Beales Webb Harris (Matt) Kendrick.N Murray.I Butcher Trout Hume

MR WILKS IN COMMAND IN DEFENCE Shene Old Grammarians 0 4th XI 2

The 4th XI took a step towards the Novitts Cup final with a sound win against a big Shene Old Grammarains side

With a reconstructed side and young Evans playing strangely, sorry, strongly at right back, 'Noggin the Nog' was allowed to roam to his heart's content in the centre of the park, whilst very little passed Mr Wilks, who ably controlled the defensive set up. The mid-field had probably its best game to date, with 'Drabbers' causing havoc wherever he went, and he went virtually everywhere, there's nothing like regular habits, young Fletcher linking well with Bob Daniels and 'Spud the Murphy' all setting up numerous chances for the forwards

The first half was one to forget, with so many chances nearly going in. However, the second half provided us with the reward we so richly deserved – a goal. The ball was freed from defence and picked up by **DAVE FLETCHER** just outside the box

"Hand Ball", shouted the opposition, but the referee signaled for play to continue. Thinking a centre was due our opponents retreated, so he continued with the ball glued to his feet, rounded two defenders and slotted it home at the near post with his left foot

"At last", was the cry echoing across the park, and the team rallied and came close to scoring many more goals, Mr Murphy delicately flicking the ball to Peter Vince, who, on occasions, was very near. However young Vince was tackled late in the second half, or below the waste, and the offender was sent off, young Vince having suffered a suspected broken foot in the process

This inflamed the team, as well as his foot, and our second goal arose from a ball glided through the defence by 'Spud' Murphy, and with Chas Evans shouting "Ah, you've wasted it," **BOB DANIELS** slotted home

On the whole this was a good all-round performance from a well balanced team. Our thanks to Peter Vince and 'Joe 90' – Jeff Cotton – for turning out at short notice Dave Fletcher
