TRAINING WEDNESDAY POWERLEAGUE NXT TO SCHOOL 8PM – 9Pm

All our Today’s

The 1s travelled to East Barnet in the SAL Cup, a competition that we haven’t entered in the recent past, as we play in the Surrey Premier Cup as well as Old Boys and AFA Senior Cup.
In a topsy turvey clash they raced to a 4 – 0 lead but were pegged back to 4 – 4, before converting all five pens to win. Shout out to Josh Eves who played in goal after an absence after Matt Powley was unavailable, thank you Josh.
The 5s were the only other winners, again in the cup away at South Bank, 3 – 2 AET.
This week the 7s and 8s play at Hayes with five away games.
The 1s go to Norsemen, a big physical side and will need to win the battles to bring back three points. The following Saturday December 19th they travel to Dulwich to play Alleyns for the second time in three weeks which will really test their title ambitions, all support welcome.

All our Yesterday’s

Fifty years ago the 1s and 6s won, whilst the 3s and 4s skippers weren’t particularly pleased with the side’s performance!

Twenty five years ago the 1s like this week won on penalties, Richard Smart making a rare appearance after a career in non league football. Familiar goal scorers included Richard himself, Darren Cooman, Jason Trout, Si Giles, Jon Quinton, Hugh McGeever, James Karamath, Roland Townson, Dave Valder and Nev Spencer plus Barnes but unfortunately not the Clanachan variety.

There is also a Christmas themed match report from the Ed in the 2s, laying down a challenge for festive reports this week please, ho ho ho.

A number of Old Boys and Club members have set up a Facebook group during these difficult times, please click on the link or cut n paste above.

Its good to talk. Its ok not to be ok.

Talking about how we feel is something we all find hard to do whether you are a Man or a Woman.

Last Sunday we discussed ways of expressing how we feel, as well as how anxiety can affect us.

We spoke about the positive effects our Sports Club has had on us and what our plans are to Remove the Mental from Mental Health.

About

This group has been set up to help anyone connected to the Wilsonians Sports club, whether they be friends of friends or family members.

We are here to keep each other company.

We will share events across different platforms such as WhatsApp and help people get through the 12 or so weeks we have to face under Covid-19.

Private

Only members can see who's in the group and what they post.

SAL Cup EBOG 4 vs 4 1s Won 5 – 4 PENS

Apple Crumble with added cream at the end.

While I'd enjoyed numerous trips to Crouch End, Winchmore and Potters Bar, High Barnet had eluded me up to this point. EBOGs away - the fixture we all love to hate.

After a journey to the very end of the Northern Line (equivalent to smoking a cigarette on account of the air quality, apparently), the Os were raring to go. The red carpet had literally been laid out.

And boy did we start well. Within the first two minutes, Steadford found Chen in space on the right hand side. He drove forward and his mis-hit cross confuzzled the Barnet defenders. **Jeevan** (I think) arrived late, took a touch and fired near post to put us 1-0 up.

For the next 20 minutes, Giles, Carruthers and Riman were electric. A one-two between Giles and Carruthers sliced through the EBOGs defence, before Giles squared to **Riman**. 2-0. Minutes later, Carruthers put **Giles** through, who finished assuredly. A Riman long throw then found **Carruthers**, who controlled and buried. 4-0 after 30 minutes and Wilson's were flying. Some miscommunication at the back gave EBOGs an inkling of hope going into half-time. 4-1.

Maybe North London wasn't so bad after all? The sun was shining, the slog on the Northern line long forgotten. It was all a bit…too easy. This unsettled the Os.

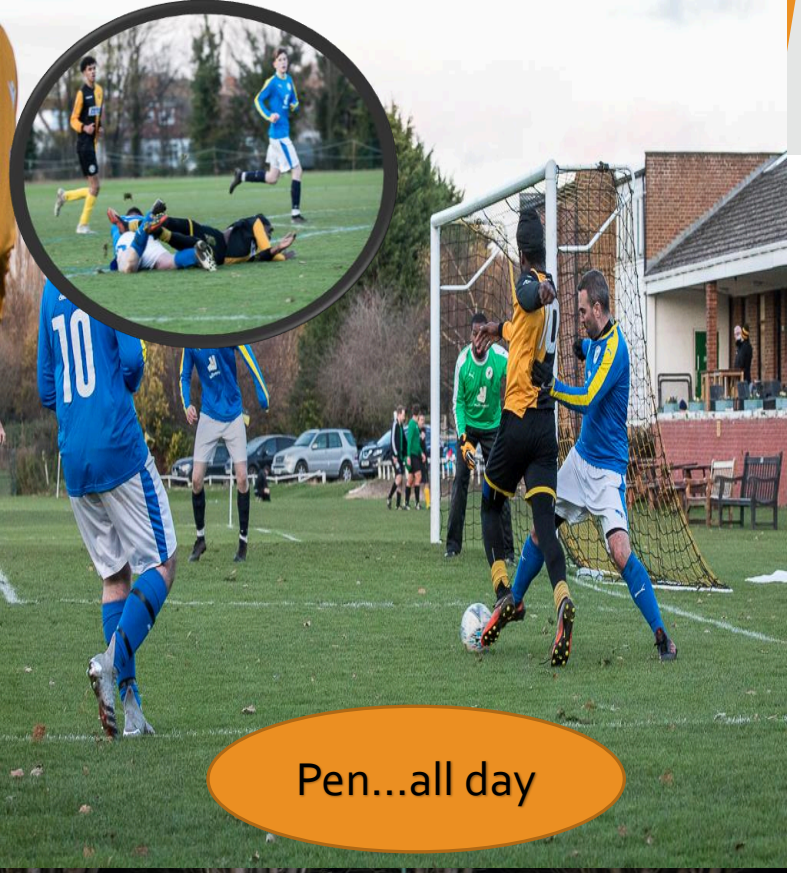

The second half was a bit of a blur. The North London sun was blinding for most of the half. EBOGs came out with a renewed purpose and their 'crowd' started to chirp up. Wilson's could not get out of their half. Pin-ball in the box saw them get a second back. A long strike, which hung in the wind, gave them the third. Tempers briefly flared as a man with immaculate hair knocked our keeper Eves over; Jeeves raised his leg as he fell and the man with flawless hair got very upset. His friends restrained him as he assured the Wilsonians of his presence in the car park following the game.

At around the 75 minute mark, a decent cross from the EBOGs left wing was met by a header into the top right corner. Comeback complete, as calls of 'apple crumble' came from the sidelines. At this point, there had been enough drama and the 22 on the pitch collectively agreed that the game was going to pens.

During the shootout, Eves saved their second brilliantly. Kara, Riman, Straw, Eves and Steadford all slotted confidently. Riman smashing it high in the centre was the highlight. It was a shame that our opponents booed and jeered as our takers stepped up, but this only made it that much sweeter when Steadford secured the win.

Into the next round and another trip to - you guessed it - North London in the diary. The treble is on.

8th X1 2 Vs Ibis Eagles 5s 4

Polar opposites as far as the weather this week for the OWFC 8th XI in front of the clubhouse which gave us another opportunity for the players to impress the spectators against an IBIS EAGLES XI.

With a few late arrivals delaying the start of the game, which is always frustrating and something our players need to work on as it's not the first time and I expect it will not be the last either, we finally got under way and were soon under pressure as we found it hard to keep our shape and discipline. Some good defending and last minute tackles were keeping us in the game and we were getting a few opportunities at the other end as the half got deeper into the 45 minutes.

Some more last minute defending looked like it had got us out of trouble only for the ball to break kindly for one of their strikers who managed to side step some more frantic defending before slotting it into the corner was how the first half ended and certainly something for us to build on once we had our team talk.

Unfortunately, I had tweaked my hip/thigh sending a ball into the oppositions corner for one of our strikers to chase just before the half ended so had to leave the field and knew this would hinder our attempt at keeping the goals out.

Soon into the 2nd half and the score was 2-0 to Ibis but heads were held high and the tackles were flying in and breaks were coming and on one of those breaks **Sochi** made use of his space and drove in behind the defence and towards the keeper before slotting it into the corner which seemed much more effective than all our previous shots which had been straight at the keeper who clearly was equal to the saves.

Having left the field and deciding to warm up and have a shower I'm not sure how the scoreline got to 4-2 to Ibis on my return but we were still getting chances and making their keeper pull off more saves which was good to see and I'm sure this spirit will see us get a result sooner rather than later. (Looks like it was a Penalty Boom…Ed)

A good competitive game and another good workout and for us to build on despite the result.

ALL OUR YESTERDAY'S 50 YEARS AGO

LATE COMEBACK BUT 1ST XI HOLD ON 1st XI 4 Old Monovians 3

Continuing their recent run of success, the 1st XI started this game with the purpose and skills that reflected their enthusiasm to do well. The midfield was controlled by John Pugh, Bill Morley and Dave Bartlett, linking well to create many chances up-front and after hitting the woodwork three times the 1sts took the lead after 15 minutes when a clearance found Les Simner who, after a short run (how else can Simner run? – ed) sent a perfect through ball for **JAMIE JENNINGS** to strike firmly home.
This goal gave the side the confidence to play with skill and determination although, at times, we were allowing Monovians a little too much room at the back but, and after 30 minutes, a defensive error, a Jamie Jennings' challenge and a **LES SIMNER** shot made it 2-0.
The 2nd XI continued to dominate the game in the second half, and **DAVE BARTLETT** was soon able to add his name to the goal-scorers. Making a fine run from the half-way line, he cut inside and hit the ball firmly past the 'keeper. The Monovian defence was now in a shambles and **CHRIS THRELFALL** was able to nod home the fourth following a throw-in.
With 20 minutes to go and four goals in hand, the game was won – or was it? A complete slacking off of effort by the forwards and midfield, relinquishing the space they had fought so well to gain, saw Monovians come back with the aid of two gift goals. And, in the end, the final whistle was a welcome sound to a team which demonstrated its true talents and faults in what should have been a one horse race.

A BRIEF EXTRACT FROM THE 4TH XI REPORT Brent 3 4th XI 1

A number of problems need to be resolved if the 4ths are to win more games than they lose. Fitness has never been our strong point and this is resulting in several weaknesses, e.g. the side's work-rate is pitiful, too many players are waiting for the ball to come to them, our midfield players are continually being caught off-side and leaving the defence out-numbered, players are not running off the ball to create space for passes, players are losing the ball too easily and not winning 50-50 balls; - ***think it best that we end there!*** Dave McCarthy

ALL OUR YESTERDAYS - 25 YEARS AGO

JESUS CHRIST, SUPERSTAR,HOW MANY GOALS HAVE YOU GOT SO FAR 2nd XI 3 Clapham OX 1

The 2s danced out of the changing rooms with their studs eerily echoing to the tune of 'Jingle Bells' off the cold concrete steps, and the chorus was later to continue 'Oh what fun it was to see, as Wilson's win at home.'

A strange star appeared above the Hayes afternoon sky which beamed three rays of light earthwards and illuminated three persons wearing gold who normally feature on a higher astral plain. Pearing through the shafts of light you could just make out Messers Trout, Webb and Giles warming up, having arrived from the Planet 1st X1.

So 'Oh little team of Bethlehayes' started in positive fashion, with Clapham looking as though they were caught 'Away in a manger.' But it was not to last long as the 2s were forced to defend heavily during the first half.

However, after 25 minutes the 2nds took the lead as 'Hark the Herald Corrigall' crossed for a glancing header by 'Stuey' to be dispatched by **JASON TROUT** at the far post. So, 1-0, and it is not often that this happens, 'Once in Royal Hayes City', in fact, but Clapham dug deep and drew level before half-time.

'Good King Pullenas' gave us a pep talk, 'Upon the feast of oranges.' He decided not to let us have a 'Silent early night' and the afternoon was to end in triumph as our skipper guided 'his flock by night' and 'Good goal-king Stueylas' popped up with a powerful cross-shot which ricocheted into the net via a deflection.

So the 'Holly and the Ivy' at the rear, in the shape of Andy Udale and Danny Webb, kept things tight until the close when **SI' (Joseph) GILES** headed home in the last minute.

The star shone brightly throughout as the 2s trooped off the field and, in the changing rooms, amongst the kit, nestled in a bed of newspapers, a new arrival was found. No, it wasn't Mike Kendrick, but our raffle winning bottle of port! Report Stuart Paton
