TRAINING WEDNESDAY POWERLEAGUE NXT TO SCHOOL 7PM – 8PM

The 1s have good cup draws away to SAL SD3 Old Blues (Christs Hospital School) this week in the Old Boys Cup. Then, home at Hayes in the AFA Cup on 9th Oct v The Warren (Met Police Sports Club, Coney Hall). The Warren merged with Lloyds Bank in 2014 and play in SAL SD2 so good opportunities to progress in both cups.
Please take them, a good cup run will help build confidence
If selected please make every effort to play, we know some people have challenges but a late unnecessary drop out let’s all your team down and has consequences not just on the pitch.
Thanks to 54 yr. old Chair with replacement hips travelling to Acton last week to give the 7s nine players. Ed.

Chairman’s Pre Season Message

I have a good feeling about this season. After a couple of covid false starts in previous seasons it feels like we are up and running .
We have newly refurbished changing rooms (funded by OWFC Brittain legacy & Football foundation).

We have a new club captain in **Dan Harris** (Who was last to leave the Bar Sat with Nottsborough 3s, Ed) Dan helps run a team in the youth section & has played for over 30 years so well deserving of being our club captain. We also welcome **Barry Wilde** from the school as our new 1st XI manager & wish him every success.

Its important that each player has signed up to the code of conduct & acknowledged the FA email confirming they are playing for OWFC . If you haven’t we will be unable to select you until you do .

We have two selection secretaries this year **Cejay Watson** will run 1st X1 – 4th XI & **Alex Forbes** (me) 5TH XI - 9th XI . We are also running a vets & Supervets sides on Sundays. If you fancy a game please contact me (07855273218) & I will get you a game .

Its good to talk. Its ok not to be ok.

Talking about how we feel is something we all find hard to do whether you are a Man or a Woman.

Last Sunday we discussed ways of expressing how we feel, as well as how anxiety can affect us.

We spoke about the positive effects our Sports Club has had on us and what our plans are to Remove the Mental from Mental Health.

About

This group has been set up to help anyone connected to the Wilsonians Sports club, whether they be friends of friends or family members.

We are here to keep each other company.

We will share events across different platforms such as WhatsApp and help people get through the 12 or so weeks we have to face under Covid-19.

3s 1 Old Salesians 1st X1 6
SAL League Cup Home

A bad day all round…

On a day that will be remembered for gridlocked petrol stations, a lacklustre European Ryder Cup performance and the end of Chelsea's title hopes for the 21/22 season, we will happily forget an early cup exit against a not very classy, Salesians outfit.

On paper we had a strong if slightly unfamiliar side named and we started reasonably well once we got the ball down and started playing out from the back properly. Unfortunately we conceded first after a misplaced pass in the final third resulted in a quick counter and straightforward finish. We were unlucky not to equalise in the first half with the best chance falling to Sochi on his 3rd XI debut narrowly missing the far post with a strong header.

Going into the 2nd half we felt confident we'd get something from the game but were soon 2-0 down. A ball over the top saw a foot-race between Dan Harris and a far younger winger, and though Harris was able to make a recovering challenge, ref for the day Micky Pilgrim decided this was a penalty. Despite admissions from the opposition's striker and subs bench that it was a good tackle, the pen was slotted away and from 2-0 down and having to now chase the game we lost some discipline and Salesians capitalised on 4 more easy opportunities

.
A well deserved and well taken consolation goal for Sochi was little more than he deserved but not enough to mask some poor passing, absence of creativity and, ahem (wonder if any other match reports will use this today), lack of petrol in the tank.

4s 1 Merton 1 SAL League Cup Away, Win 4 – 3 on penalties
Another Chunky cup run? Time for leopard skin top?

Starting the day on 9 players, the 4s had the odds stacked against them to get the victory away at Merton.

Fortunately, a hero in the name Rambo took the call and joined to give us a starting 10 players.

The game started with Merton piling on the pressure and after a lucky position from a corner, they quickly went 1 up.

But the 4s rallied on and the long ball over the top to debutant striker Devon were causing the back four of Merton all sorts of trouble.

Just before halftime, debutant centre back George sent a bullet of a freekick into the Merton keeper that Abdi nudge in. 1-1.

The second half was full of chances for both sides. A freekick from Merton looked routine for step in injured keeper chunk.
Instead, he felt a bit fruity and passed it onto the inside of his post, the ball then rolled across the length of the goal mouth and Luke Walmsley sent it out for a corner

After a quality free kick from Luke linden, the referee blew for full time and penalties.

Merton shot first and sent the first penalty 10 foot over the post. And after a string of good and bad penalties and a few decent saves, the 4s were victorious with deciding penalty from Andrew Marsh that he slotted away.

Onto the next round…… Chunk

6s v Old Actonians 7s Home League 0 - 2

Two losses

This aggressive encounter started off with a proper warm up by the 6s (maybe impacting our stamina in the game).

Early into the first half we could not get the ball to settle at our feet and the opposition fleeted down the left wing and despite a Robbins save a follow up shot squirmed into the back of the net. We had to make an early change too as the tackles started flying in and Mace was caught. The rest of the half lacked chances on both sides and whilst Actonians held possession well never really pressed for a second goal. There were pockets of bickering across the pitch which were exacerbated by the side man that Actonians had who occasionally skipped on the pitch to tell the ref what to do.

The second half became a more lively affair and the 6s started well getting the ball down a bit more and playing out from the back. That said, every attack left Benwell isolated as our midfield five were compact on a big pitch. Whilst chances were few and far between, the tackles were not. Their number 7 was sliding in at every chance he could, picking up a yellow and then a moment of aggression as a player kicked out at our right winger for trying to nick the ball from behind him. Straight red.

Now that Actonians had ten men it was time for the 6s to capitalise. Nicholas charged forward with the ball from the defence a few times however Benwell remained isolated.

In the final ten we tried to have more players higher up the pitch but the ball did not want to stick to us and we lost possession easily. In the end, we conceded a second goal as we tried for the equaliser. It was like losing twice.

5s vs Civil Service Won 2 – 0 League Cup Away

5s win at Civil with plenty in the tank.

The 5s trip to Civil started with disruption as the UK lost their collective heads and went on their latest wave of panic buying. With lifts cancelled and trains arranged the 5s suffered two fuel casualties en route meaning a bare eleven would have to start and complete the cup game against Civil 6s. After playing a brand of total football last week there had been rumblings within the 5s ranks of a daring 3-5-2 formation, however due to the late dropouts and a lack of players able or willing to play wing back, the 5s set out in a more familiar and rigid 4-5-1.

The 5s new and improved warm up routine appeared to pay dividends yet again as they made another blistering start, carving out opportunities at will. Nathan Carpenter and Max Ferrier both went close early on, only to be thwarted by excellent saves from the Civil keeper. The 5s were not to be deterred and took the lead after 10 mins when a curling freekick from the left-hand side was missed by everyone and met by **BARNABY LOCK** at the back post to slot into an empty net.

With 20 mins gone the 5s looked in total control of the game when Josh Cotter's crunching tackle left himself worse off than the opponent. Unable to carry on out on pitch Josh donned the gloves and 5s keeper Jem Seelan, fresh from a night of Chaos, took to the field. The 5s soon doubled their lead when a corner fell to **BARNABY LOCK** to volley home, taking his tally to 3 in 2 games from centre back. The 5s stayed compact for the remainder of the half to go into half time with a deserved 2-0 lead.

The second half was for the most part uneventful. The 5s goal did lead a charmed life at stages, with Chris Charman putting the ball onto his own bar and a Civil striker finding the post from a yard out. At the other end the energy of Max Taylor, Nathan Carpenter and Max Ferrier continued to cause Civil problems on the counter, with the Civil keeper making some superb saves to keep their side in it. After a fantastic battling performance the game ended 2-0. A clean sheet for Josh Cotter and a MoM performance from Jem Seelan on pitch.

It was a very different performance from last week, but the ability to adapt and play with grit as well as flare will see the 5s in good shape for the season.

Actonians 8s vs 7s
SAL League 25/9
Lost 0 – 11
Nine Men went to mow

Some last minute drop outs meant only 9 men made the long trip down to Acton.

Setting up in a 5-2-1 formation, our defensive shape was solid for the opening 3 and a half minutes with Actonians not making much of a threat on our goal.

However, after their first goal went in on the 15 minute mark, which was an accidental cross into the top corner of the goal, they scored another 3 in quick succession and our fate was sealed. The final score ended 11-0 as the 9 man system tired out.

An honorary shout out to Al "the pensioner“ Forbes who pulled off a body feint to get past 3 players, much to the oppo's dismay.

A tough 90 minutes on the pitch made up by the team spirit and couple of beers post-game.

With more commitment and availability in the weeks ahead we hope to put this result behind us very quickly.

SAL Cup South Bank 9's 1 - 5 OWFC 9's

A fine muggy Saturday with a soft flat ground ideal for a good game of football. It was a very good start from both teams however the Super 9's always looked like we had the edge with a few early chances and Nathan Spencer clipping the bar early on. We encountered a fair few interruptions to put it politely including 'poo gate' and a-lot of hand bags being thrown about mainly due to the South Bank keeper completely loosing his head.

We was denied a stone wall penalty after a beautiful bit of close control from Terrell skipping his way past several South Bank defenders and then blatantly clipped, however our first goal game from a bouncing ball which Nathan Spencer managed to get a toe to followed quickly by getting clattered by the Southbank keeper which then lead to an undeniable penalty (we were just grateful the ref saw this one), ***Nathan Spencer*** then buried the penalty bottom left **0-1** to the OW's. The game then proceeded to have more stoppages with the Southbank keeper constantly challenging and proceeding to a lot of name calling - the most rememberable one of Rory Sweeney being called a "Ginger Paedo" and a number of wrist waving motions being put on display to the majority of the OWFC 9's lads. It was very comical!

The second goal came from a Palace style counter attack with Jack Coughlan winning the ball and gliding like he was on ice skates before slotting it through to Keinan Wilson, Keinan then delivered in a perfectly weighted through ball through to ***Nathan Spencer*** which he then finessed into the bottom right corner. So after an hour and a half (it honestly felt that long) the first half was done and we led **0-2** and in complete control and living rent free in the South Bank keeper's head.

We began the second half with calm heads and ready to finish the game off and a slight change in formation saw Matt Abbett coming on with a big presence in defence, we never looked like conceding with our midfield of Siva, Joe, Keinan and Dijon working extremely hard and our solid defence of Andy, Rory, Matt, Jack and Price, Not forgetting the machine between the sticks Tom Frost.

We cheaply conceded a penalty from Jack Price being simply too much of a beast and far too strong for their striker, But we had Tom in goal so we had no doubt that their striker would be nervous about the penalty which he blasted straight down the middle and some say that Tom got a finger tip on it pushing it onto the bar which gave our whole team another huge boost (specsavers required for those suggesting finger tips were used).

We went on to keep the pressure on Southbank where we received a free kick just past the centre circle. Rory Sweeney done his iconic ping into the back post which is a nightmare for defenders and their keeper spilling the ball ***Jack Coughlan*** used his natural strikers instinct to bring the ball under control and smash it past the keeper, very composed finish from the centre back scoring his first competitive 11 a side goal which led to absolute wild scenes

0-3!

We continued once again even with game near enough done to push for more, deep into the second half we then hit the bar again from Terrell holding up the play beautifully and laying it off to Joe Munn who struck it first time - he very unluckily hit the bar but deserved more after a gritty performance at centre mid.

The fourth goal was something worthy of a Puskas award, a truly outstanding finish from ***Keinani Wilson*** with a kung fu rocket which almost resulted in him getting fined for destroying the net. It even had the opposition applauding the goal it was that good. We was in complete control of the game at **0-4** The Southbank keeper now arguing with his own teammates…. rattled once again!

Nev Spencer came on and demanded everything in the air winning every challenge he faced. With his vocal presence no one dared to challenge him. It should have been a hattrick for Nathan Spencer where another one of Rory Sweeneys iconic back post corners had Nathan control the ball and shift it onto his left and smashing it towards goal and somehow it was bravely headed off the line.

We did however go on to concede a late goal from a cross which was headed in but that did not let our heads drop, an unbelievable amount of running from Andrew Hoffman and Jack Price as our wingbacks ran tirelessly up and down throughout our 2 hour game and carrying us up the pitch linking with our wide men Siva and Dijon South Bank simply couldn't handle the persistence and determination from our wingers and wingbacks.

To put the icing on the cake Keinan won the ball high up the pitch slotting it into ***Terrell Wells*** & everyone knows including the Queen that he has extremely quick feet, he calmly went round the keeper with ease before smashing it into the net with pretty much the last piece of open play. **1-5** it ended with Super 9's marching onto the next round!

A brilliant performance from every single one of the boys who all put in a proper shift and extremely well managed by our Gaffer Michael Hoffmann. UT9's

ALL OUR YESTERDAY'S – 50 YEARS AGO

IN THE DAYS BEFORE SAT-NAV Old Fairlopians 3 2nd Xl 3

The long journey to the ground was spent planning tactics. The understanding within the team was quickly shown when we approached Tower Bridge, for here the convoy dispersed as though 'The Bismark' was approaching London Bridge. The leading car turned left, the second right, the third landed on the sands and the fourth stopped in amazement. A passer-by in a family saloon, who somehow emerged in the middle of the Wilsonian 'Red Arrow', stood on its nose, after which the driver was seen to slump over the wheel in nervous exhaustion.
However, the side arrived at the ground safely under the guidance of one W. Burgoyne, stupidly entrusted with the Club's A to Z.
On a pitch of variable slope and unpredictable bounce, the rather pedestrian, albeit pure footballing midfield of John Ford, from the latest Hammer epic, "I was Long John Silver's impersonator", Bill Burgoyne, whose shorts were stolen at the game, and an over-zealous and far from friendly, to the opposition, that is, Steve Wisson, found Fairlopians rather precocious and distinctly sharp, which put rather a lot of pressure on our capricious, voluble and noisy back four.
On a rare breakaway Colin Hand tested the opposition's woodwork, which proved to be safe, and the ball was cleared. At this point we changed tactics and started passing to each other, the rewards of which were quickly evident. Tenacious tackling by Steve Wisson ended with another test of the cross-bar, **BOB FAVELL** slotting home the rebound like an embryonic Jimmy Greaves. Stung into retaliation, Fairlopians attacked on the left and, in a mix-up between our defence and the referee, their right-winger pulled the ball back for his centre-forward to equalise.
The second half began disastrously as, before we had digested our Jaffas, the home side had taken a 2-1 lead, but we struck back immediately when a ball of Eastern cunning slipped through the Fairlopians defence with **BOB FAVELL** once again supplying the finishing touch.
But, and alas, a corner on the right was only partially cleared and we were a goal down again. Now the bull-dog spirit, the darkest hour and the back to the wall fight came to the fore. After twice being denied by the wood-work, we scored a wondrous third goal.
An inter-play of Machiavellian cunning between Ford and Burgoyne bemused the opposition with its deceit. For a fleeting second the defence stood square, giving 'Long John' the chance to split them with a pass of inch perfection, Colin Hand to centre accurately and **TONY MAUNDER,** stooping as though in prayer, headed home. Justice was done and seen to be done. Bill Burgoyne

ALL OUR YESTERDAYS - 25 YEARS AGO

BUT WE ARE, OF COURES, A SECOND HALF TEAM 1st Xl 1 Old Salvatorians 1

After a disappointing away defeat the previous Saturday, the “undefeated all season” talk had changed to the “undefeated all season at home” talk. We let the referee know Salvadorians about this just before kick-off and, eventually, he proved to be very supportive!
However, our start wasn’t quite as bright as required and when we went 1-0 down – with Colin Lake diving the wrong way – the “defeated all season” talk could easily have reared its ugly head and, up until half-time it did, a desperate desire to win unfortunately being suppressed by an ability to be a yard behind the pace of the game.
However, in the second half, the uptight uncomposed rabble of the first half transformed itself into the world beaters we all know we are – especially Webb and Pope. We stepped up the pace, developed a good sha[e, spread the play and every other positive cliché one wishes to mention.
Clear-cut chances fell to almost every player in an orange shirt but it wasn’t until **DOUG FORBES** was left in the clear nearly 30 yards out that our main marksman really made his mark, with a deft chip, a delicate lob, an outrageous display of Doug’s skill or a crap cross, whatever you want to call it, we equalised.
Although the goal has been claimed by Forbes, he hasn’t yet claimed responsibility for also putting their ‘keeper, two of their defenders and four men in orange shirts’ into the net as well!
With a much more passionate second half, with all team members contributing to a dominant performance, we can now look forward to winning against a bunch of schoolboys next week. Anon

A TOTALLY COMMITTED PERFORMANCE Old Guildfordians 0 6th Xl 4

We started this game brightly, winning the ball in midfield and getting behind both full-backs but for 20 minutes we lacked the cutting edge to match the rest of our football. The defence coped well with Guildford’s forwards and apart from a last ditch interception by Jim Lloyd, they failed to create any chances throughout the first half and, come to think of it, the entire match!
We finally took the lead when a good interchange of passes put **DAIMON RILEY** in the clear and he pushed the ball wide of the ‘keeper to put us one up.
In the second half we continued to play bright football and started to create a number pf goal-scoring opportunities and eventually **DAIMON RILEY** scored an identical goal to his first and, shortly afterwards, **JAMES HUDSON** put us three up following a corner. James Karamath then traumatised his full-back into making a rash challenge and his resulting pin-point cross was turned in by skipper **DANNY ‘Beckham’ BLAKE.**
An excellent performance in which every player was totally committed. No special mentions for individuals as it would be unfair to any of the 12 players used. Tony Higgins
