TRAINING WEDNESDAY POWERLEAGUE NXT TO SCHOOL 8PM – 9PM

Fred Brindle, RIP.

Sadly, two weeks ago Fred Brindle passed away. (Pictured left 4th from bottom in front of GK).
Fred was a stalwart of the football club and played over 400 times.
He was ever present in the lower sides and would regularly drive the younger members to and from matches.
He popped up one day after playing in the insurance league (he worked at Lloyds of London) and decided to come and play at Old Wilsonians as he was good friends with Ian Rayworth and Terry Adams .
Fred & Ian became a fixture in the lower sides, advising and nurturing the younger players in the Wilsonians way.
He was also a great advocate of team bonding after the game with a pint or two .
Fred was a keen golfer, would regularly attend the OW Golf Society day.
He was always immaculately turned out, a quiet man, with a lovely sense of humour and always had time for you.
Alex Forbes OWFC Chair.

.

Fred will be sorely missed by those who knew him and all those old boys who he used to look after in their first games with the club as highlighted above, including Alex and Doug Forbes, Rob Bryan, Jim Lloyd, Grahame Nelson, Jon Quinton, Karim, Phil Gilmore, Mike Hoffman, Steve Chinnery, Mark Mace, Nick Mole, Richard Smart.
Mick Pilgrim neatly summarises our feelings writing, “Fred epitomized the best of what playing for OWs was and still is about. Playing hard but fair, looking after your team mates and socialising with friend and foe in the bar off the pitch.
A good man in all respects”. Our thoughts go out to Fred’s widow Diane and his family.

The funeral will be held on Friday, 12th November at 11:30 - at the Kent & Sussex Crematorium, Benhall Mill Road, Tunbridge Wells, TN2 5JJ. Going on afterwards to the Abergavenny Arms, Frant Road, Tunbridge Wells, TN3 9DB. No flowers, but any donations to the British Heart Foundation.

If you are planning to attend grateful if you could text or call Terry Adams so the family have an idea of numbers for the service and catering afterwards. Mobile number **07761-26291**. Thank you.

Date for Diary – Old Wilsonians Association Past Presidents Day, honouring the two Mikes, Harris & Kendrick and remembering and celebrating all Old Wilsonians.

Its good to talk. Its ok not to be ok.

Talking about how we feel is something we all find hard to do whether you are a Man or a Woman.

Last Sunday we discussed ways of expressing how we feel, as well as how anxiety can affect us.

We spoke about the positive effects our Sports Club has had on us and what our plans are to Remove the Mental from Mental Health.

About

1s v East Barnet OG , SAL LGE, 3 – 1 Away

The 1s looked to continue a good run of form which had seen them record two consecutive clean sheets by making the trip to EBOG's. Away games here always tend to be a gruelling encounter and the team were braced for a battle which commenced from the 1st minute.

OW's played the better football in the opening exchanges with the midfield trio of Gowtham, Elliot & Steadford (who was playing his first game in 6 months) winning 1st and 2nd balls. A couple of half chances were spurned and a great delivery from a corner by Moody warranted a finish at the back post but the 1s were knocking on the door. EBOG's however were looking to counter and the front man caused a couple of problems early on which resulted in a yellow card for Paton who had three bites at the cherry. Giles joined him in the book after a crunching tackle right on the touchline much to the delight of the lovely EBOG's faithful.

The first goal on 20 mins came from a knock down which fell to Craig ELLIOT from 20 yards out. Having swung his left foot aimlessly it somehow found it's way past a number of players with the 'keeper at full stretch but nowhere near stopping this fluke of a strike.

The team were working well to limit EBOG's with Riman & Giles coming inside to press the ball trying to force the mistake but it was Wilson's mistake that nearly led to an EBOG's equaliser. A back pass was collected by Powley (someone needs to tell him he can't pick up a back pass) but the resulting free kick was blocked and the 1's saw out the half being the better side.

EBOG's didn't have the same bite in the 2nd half and from here on in, the 1's played the majority of the game pressing for a second. Just after hitting the woodwork, a short corner between Gowtham and Sam allowed Tommy HIGHWOOD to make it 2-0. Somehow after hitting the post, crossbar and seeing an effort cleared off the line it remained 2-0 but with 10 mins to go Steadford's through ball to Ben CARRUTHERS meant the game was sealed with a smart finish after rounding the 'keeper.

The day was tainted when the linesman failed to give offside to an EBOG's attacker in the last minute (who seemed at least 3 yards off) to nick a consolation goal. 3-1 but a controlled and measured performance with some good individual performances. It goes to show the importance of having a strong squad as both substitutes came off the bench to score, Karamath displayed his customary speed after giving up 30 yards to catch an attacker in the 85th min but it was Elliot's performance in midfield that set the tone and arguably won him MOM.

The 1's look forward going back to EBOG's in a cup game where they hope the red carpet in the dressing room but more importantly the hospitality will be rolled out once again.

Powley, George, Paton, Straw, Karamath, Elliot, Gowtham, Steadford, Giles, Moody, Riman, Highwood & Carruthers.

Alleyn OB 4 vs 4 3’s, SAL Lge Away

Old Wilsonians 3s started strongly running in to a 2-4 lead by halftime from goals by Will S, Nathan C and Joe W.

Would they regret the many chances missed of the half?.

Well yes, Alleyn’s second half performance whilst better than their first, was still not up to Old Wils, however, they were able to score twice in this period creating a tense final part of the game.

With chances at both ends not taken the game eventually ended as a 4 - 4 draw.

This was a definite missed opportunity for the 3s to get a win and move up the table.

Final score - 4-4

5th X1 10 vs Alleyns 1, SAL League, Home.

After a good win last week the 5th XI were full of confidence coming into this game against a struggling Alleyns side sitting bottom of the league.

The 5s started the game well and scored an early goal when **Henry McGeever** headed in a perfectly placed corner from Luke Curran. The Alleyns goalkeeper was substituted with an injury and this encouraged the Wilsonians strikers to chance shots wherever possible. It didn't take long for **Gary Bonsels** to chip in the second. After going 3 nil up through a free kick from **Luke Curran** the 5s became complacent and allowed Alleyns to get a goal back.

Tyler O'Callaghan was vocal in centre midfield and helped get the team's shape back to ensure Alleyns could not get another goal. The 5s scored again to go in at half time 4-1 up.

The OW's knew that the first goal of the second half would have a massive impact on how the game would play out. Fortunately it was the 5s that scored early in the second half to make it 5-1 and all but secure victory.

Gary Bonsels continued his clinical finishing in the second half and ended up with 4 goals. Ollie Hutchins also scored two and deserved a hat trick for his efforts. **Jack Shelton, Goran Kuric** both scored late in the second half to help the 5s to a massive 10-1 win. Alex Burmingham put in a grey performance on the left wing to take a deserved man of the match.

Team: Dan Robbins, Henry McGeever, Jamie Moniz, Jack Shelton, Goran Kuric, Gary Bonsels, Tyler O'Callaghan, Luke Curran, Ollie Hutchins, Toby Shelton, Barnaby Lock, Ruban, Alex Burmingham

Goals: Bonsels x 4, Hutchins x 2, Kuric x 1, Curran x 1, J Shelton x 1, McGeever x 1

4s 3 vs Poly 1 SAL Lge Home

Game started well with the mighty 4s adopting the recent 4-5-1 unbeatable formation breaking down Poly early on.

20 minutes in Fingers step up for a free kick just outside the box and absolutely rattled a bullett on top bins to make it 1-0.

The 4s continued dominating until the end of the first half with poly increasingly getting more frustrated as the game went on.

Half time came and poly whipped a cross in the box that met the head of the striker narrowly getting past Josh Holland in goal.

Soon Pedro came off, meaning that the game needed the last sub / notorious game changer chunk to come on the pitch.

Within 2 minutes of him coming on and doing a series of roly polys, Poly couldnt handle the pressure and Andy Free nodded one in from a corner.

Shortly after their keeper made a blunder and passed it straight to Tom, who slotted it away.

3-1 man of the match goes to Gorgous George. Report Chunk.

The 4s finally winning their first league match

SAL Lge Away

Another game we felt we could win. With the bulk of the core squad out a make shift team made it to Merton near the venue where we turned up a couple of weeks ago to play a team that didn't exist.

We felt confident as we were playing the team bottom of the league. Though we were then told there was no ref so one of their subs reffed the game.

From the off though they didn't look like a team at the bottom of the league. They pressed us and played in front of our back line with some neat link up that allowed them to keep getting in behind us. They kept doing this, not allowing us to settle on the ball or venture past the half way line. One goal went in and then frustratingly a second from a corner that was not a corner. Nevertheless we should have dealt with it and cleared our lines. From the half hour mark we stepped it up and started playing the ball a bit more and upped the tempo, that said we didn't create a chance in the first half.

We knew we were in this still until about five minutes into the second half when the sub who reffed came on and scored within five minutes. After that we had the possession and tried to score. Nicholas made some runs from deep in defense, Gilbert got the ball down and sprinted with it a few times, Vin drove forward from right back and Benson won the ball back a fair few times allowing Jukes and Gunnell to feed Benwell and Oluwole-Ojo. We just couldn't get the goal though. The more we pushed on the more we conceded. We had a consolation somewhere in the mix with Waton getting on the end of a cross-shot from Oluwole-Ojo. Consistency is key and we need that with the team in the coming weeks.

8th X1 vs Bank Of England 5s, played Oct 16th Won 5 – 2 Hawes Down.

- Another week stepping up to the call to arms and I added myself to the **OWFC 8th XI** to take on a **Bank of England 5th XI** up at **Hawes Down** which was going to be a test of my stamina levels having put in over 1000 miles on the road last week!
- A high spirited start saw us dominate a lot of the exchanges and we were one nil to the good fairly early on and seemed to be cruising until then **Bank XI** equalised with a rare siege on goal and pressure from a cross saw the keeper push the ball straight onto their forwards body who chested it into the goal without knowing to much about it. Despite the score line the pressure kept on coming from us and goals either side of half time saw us in a great position and when the fourth goal was scored it looked like any late collapses of late had been put to rest.
- Unfortunately, some anger management issues and lack of discipline saw us reduced to 10 men after a foul on one of our players and before we had a chance to reorganise the formation a rare break from the opposition saw them get an easy tap in for their 2nd to make it 4-2. We continued to push and the fifth goal sealed the deal and the game finished 5-2 to **OWFC**.
- Some great football at times is all to often in my opinion being spoilt by a lack of discipline and a few players need to take a hard long look at themselves and realise their behavior reflects on the rest of the team as well as the club as a whole and even when winning we need to do so with some grace, class and manner that is befitting of an **Old Wilsonian XI** to earn the respect of our opposition and be aware that better teams will exploit these weaknesses and really test those individuals in more important games in the future.
- **Result :** (OWFX 8TH XI) **5** vs (Bank of England 5th XI) **2**

9s 3 vs 2 Bank of England, SAL, Home

Hard fought win for the ‘Super 9’s’ getting our winning ways back on track.

Right from the start a couple things didn’t go our way, once again our preparation wasn’t ideal, nor the numbers to start the game.

But once we stepped on the pitch, unlike our last home game, we bossed it. From front to back, brilliant performances and the football was sublime. **Sotch**i taking some brilliant chances and putting them away like it was nothing, it was a total of 3 that he managed to put away. So we cruised into a 3-0 lead.

A couple of other chances were wasted, myself having a couple that I should’ve done better with or maybe looked up for better options but overall, the football was brilliant!

Second half, was a different story, we started a bit slow, the slight flare up in the middle spurred them on and we started to tire in the game, but not for a lack of trying.

A wonder goal and a set piece header, got them back into the game, we won’t talk about the missed pen from our side.

So it was a nervy last 15 at 3-2 up, but the boys really stuck in, including those who had not a lot of sleep or carrying injuries, and came out winners, and could’ve even nicked one on the counter.

MOTM for today was Sotchi for his massive running, clinical finishing and more, but others really mucked in, and all could’ve been in for a shout for MOTM. A real team effort today under tough circumstances, come on boys!!

2NDS REMOVE PRICE TAG FROM THE BALL 2nd Xl 3 Centynca 2

The 2nd Xl maintained their winning run with a hard earned 3-2 victory over Centymca. The most exciting thing about the game was the new, white, virgin ball, so new that it still had the price tag on it. Whether this fact explained our dreadful beginning is difficult to say, but certainly nobody seemed keen to kick the ball sufficiently hard enough for it to reach its destination. However, Centymca, for all the presents we gave them, were hardly better and the first quarter of the game was spent aimlessly in midfield but, and suddenly, we contrived a goal out of nothing and, just as suddenly, the opposition eqaulised, just to prove that the game was not as dead as it appeared.

Our goal came from an ambitious through ball from that master of motionless football, 'Long John Ford.' Deceiving Centymca with a sweep of his false eye- lashes, he stroked the ball towards the left-hand edge of their penalty area and found 'Man of the match' **COLIN HAND** in hot pursuit. The angle was tight and the goal-keeper seemed likely to get there first, but he hesitated for a fraction of a second and Colin stepped in with the outside of his foot – either that or his boots were on the wrong feet!

Accordingly inspired we forced a corner on the right but it proved to be our un-doing. The kick was headed out and subsequently fly-kicked over the half-way line where their centre-forward latched onto the ball and found the net. Bob Harper, being those fatal two yards off his line, could only throw up an arm apparently in the hope of conjuring the ball over the bar. So the scores were now level, and there was no further scoring in the first half.

As usual we saved our best play for the second half, although we rarely strung two or three passes together, but when we did we enjoyed instant success – Ford to Burgoyne on the left just inside the opposition's half, a long cross-field pass to Larry Bartlett, who drove a cross towards the far post, where everybody missed it apart from **BOB FAVELL,** who hooked it home.

Again our lead was short-lived when yet another breakaway achieved the equaliser, although there was more than a suspicion of off-side about it, but we were now well on top and had a couple of efforts cleared off the line before scoring a gem of a winner.

We moved the ball from our own penalty area to the back of the Centymca net without an opposing player touching it, or even threatening to do so. A push down the right-wing found Colin Hand who crossed first time to the far post where **TONY MAUNDER** materialised to head home.

This goal was so well conceived and executed that it made complete nonsense of all that had gone before but, at the same time, is probably the reason why we will all be looking forward to next week as it may happen again. Ian Forbes

ALL OUR YESTERDAYS - 25 YEARS AGO

MY CORNERS SWING BOTH WAYS Barclays Bank 9 7th Xl 5

This was a strange match with an even more bizarre score-line. For the initial 20 minutes we played against ten men, but still managed to go a goal down after giving the ball aimlessly away whilst coming out of defence but quickly equalised when an Andy Kirchin in-swinging corner found **RISHI PATANI** at the far post to head home, and we then took the lead when an out-swinging corner reached **DAVE PUGH** at the far post who volleyed magnificently through a crowded box for his first OW goal.
We continued to press and created good openings, but could not capitalise on our numerical advantage and when Barclays came up to full strength the balance of the game shifted and we became increasingly under pressure and conceded two goals to see us 3-2 down at half-time but equalised soon after the break when a Gothan Naryan flick-on found **NEVILLE SPENCER** running through to put away a simple chance before conceding again and then equalsing with the goal of the game.
A pass out of defence found Neville Spencer, who passed the ball forward to Mick Hughes on the half-way line who then pushed the ball to **RISHI PATANI,** who ran on strongly to beat the 'keeper at the near post.
This was the last time we were level as Barclays scored four more goals as we stopped working and made some horrendous errors. **DAVE PUGH** did pull one back, but Barclays then scored again to make the final score 9-5.
I was very disappointed after the game and apologies to my team-mates for being so. However, it is inexcusable to make the basic errors we did in this match and we ***DESERVED*** to lose this game, a game we should have won! Nobody performed badly but I expect the majority of the team to look at their own performance and to look to improve.
Clive Peckover again played well in goal and is certainly getting a lot of exercise since returning to the 7s, whilst Dave Pugh and Rishi Patani worked hard and maybe deserved more than their brace of goals.

LACK OF FINISHING TOUCH PROVES 1ST'S DOWNFALL 1st Xl 0 Old Danes 1

On a glorious Saturday afternoon, and still feeling the effects from the Cricket League Dinner, I shuffled on to the 1st Xl pitch at Hayes and, for the first 25 minutes, saw them playing total football, with, the two wing-backs running gloriously down the line. We produced plenty of good crosses but, unfortunately, no-one in the middle provided the final touch and Old Danes then scored with their first attack, the result of complacency on the 1's part.
The second half was much the same as the first – lots of pressure but no finishing – and we were unfortunate to suffer a 0-1 reverse. Doug Forbes
