***TRAINING WEDNESDAY POWERLEAGUE NXT TO SCHOOL 8PM – 9PM***

*The 1s continued their excellent League form with a home wine over previously unbeaten Alleyns and move into 5th place. The side definitely seemed to have turned a corner after two difficult years on and off the pitch with the pandemic. Two tough away games North of the river to follow.*
*The 3s had a fixture with West Wickham 5s, the Ref remarked it looked like their 4s currently top of the league and perhaps he had a point as the 4s had no fixture on Saturday. I’m sure the SAL will get to the bottom of it, but the team accepted the result and will rue injuries and missed chances.*
*The 4s struggled to get a side to travel to Ilford which was reflected in the 0 -10 score line.*
*The 6s again had a creditable performance but couldn’t face down Storm Arwen in the 2Nd half and their lead was literally blown away.*
*The 7s was the Smart show, with Dad’s OG and young Harry scoring four!*
*Like the 6s, credit to the 8s with a long cup journey up to old foes Bealonians. They gave it a go but were also downwind of the goal mouth action.*

.

***Please make yourself available for the next couple of weeks, who wants to go Christmas shopping any way!***

**All our Yesterday’s**

Fifty years ago the 1s 2s 4s and 5s all won , with the latter beating Bealonians this time.

Twenty five years ago the 1s went marching on with another victory whilst the 2s 3s and 5s also won. Like the 4s this week, the 8s went down by ten goals back in ‘96.

**Its good to talk. Its ok not to be ok.**

Talking about how we feel is something we all find hard to do whether you are a Man or a Woman.

Last Sunday we discussed ways of expressing how we feel, as well as how anxiety can affect us.

We spoke about the positive effects our Sports Club has had on us and what our plans are to Remove the Mental from Mental Health.

**About**

This group has been set up to help anyone connected to the Wilsonians Sports club, whether they be friends of friends or family members.

We are here to keep each other company.

We will share events across different platforms such as WhatsApp and help people get through the 12 or so weeks we have to face under Covid-19.

# AFA Cup  Old Owens 4 vs 2  1s  Played 27/11

Old Wilsonians made the long trip to everyone's favourite away day, Potters Bar, to face Old Owen's in the AFA cup.

The team was looking to build on an impressive win away to Redhill u23s less than 48 hours previously with a squad of 11 and some new faces in the side.

Both teams started relatively strongly with promising attacks at both ends. Carruthers had a shot from a corner at the back post blocked on the line, while Powley made an impressive finger tip save on to the post at the other end. A driving run from Carruthers ended up with him being tripped in the box, with **Steadford** converting the penalty to put Wilson's 1-0 up. The rest of the half was evenly contested until the final few minutes, when following another Ramsdalian save from Powley on to the bar from an Owen's free kick, the home side equalised with a bullet header from the edge of the box.

Heading into the second half at 1-1 both teams would have felt confident of going through to the next round. Jeevan had a goal ruled out for offside before Owen's took the lead from another header, this time from a corner. The OWs forwards continued to ask questions of the Owen's backline, but another goal put the home side 3-1 up. Wilson's pulled one back through **Steadford** after good persistence from Karamath but tired legs eventually told and a breakaway goal with most of the team caught upfield trying to grab an equaliser ended the contest at 4-2.

Overall a very good performance given the circumstances and a special mention for Petrie and Kirby who were both outstanding on their full debuts

Report Kieran Steadford

# 1s 3 vs 2 Alleyn OB, SAL League

Wilsons came into the game in good form in the league hoping to bounce back from a tough loss in the cup last week. Minutes into the game a surprise long throw was launched which was well flicked on by Paton, **Steadford** came steaming in at the back post to bundle it home giving the boys an early lead.

Despite the early lead Wilsons struggled to get their footing with Alleyns breaking down the left, whipping in a good cross and equalising at the back post. Soon after Alleyns played it off a physical number 9 who laid it back to their centre mid at the edge of the box who tucked on into the bottom corner to make it 2-1.

Lesser teams might have crumbled but fortunately Wilsons took the decision to dig in and show their metal. After a period in which the yellows showed more solidity at the back, Steadford smelled blood as the ball dropped to Alleyns holding midfielder just in front of the back four. After chasing him down and sending him flying in a textbook shoulder to shoulder, he curled a lovely finish into the bottom corner to draw the scores level. 5 goals in 3 games for **Steadford** as he mentioned roughly 5 times in 3 minutes in the bar after the game.

In a half in which Wilsons failed to produce the standard of football we know they're capable of it was hard work and tenacity that helped them take advantage before the half. Seconds before the whistle went, **Giles** chased down a seemingly lost cause and nicked the ball from the toes of the defender. With the keeper rushing out he calmly slid it past him to give Wilsons a 3-2 lead at the half.

The second half was much better in terms of quality but less dramatic in terms of goals. Chances fell to Ohene-Djan and Riman who both managed to hit the glades shopping centre with wayward efforts. Wilsons dominated the half with Alleyns barely getting a sniff, seeing out the victory with maturity and class.

A satisfying and well deserved league win for the lads, on to a warm reception from EBOGs in the cup next week.

# 3s vs West Wickham X1 3 - 4, League, Home

Wilson’s fell to an agonising late defeat after a second half goal fest as West Wickham took the spoils on a cold day in Hayes. West Wickham started well and took the lead with a nicely taken goal by their striker. Wilson’s were struggling to get the ball down and pass the ball and went in trailing 1-0 at half time without much goal threat.

West Wickham doubled their lead early in the second half before Wilson’s quickly pulled one back, the first of three set piece goals. After a spectacular missed overhead kick, Ally picked himself up to fire a cross/shot across the goal that found **Foxy** in space to calmly slot the ball into a gaping net. Wilson’s second goal followed soon after as Danny swung in a free kick that **Andy Free** expertly guided in with his hip.

West Wickham regained the lead once again before **Ally** tapped in from close range from a corner to level the score. Wilson’s were pushing for the victory but a mini injury crisis during the game took it’s toll and West Wickham broke in the 88th minute to take all three points. Jack Shelton

# SAL LGE, AWAY

Old Actonians 7s 7 vs 4 Old Wilsonians 6s

The wind really blows up North..

A slight delay to the game as the previous game started late, but that was a blessing for us as a few were late arriving due to classic London traffic.

On a tidy 3G pitch we had the opportunity to play some proper football, except Storm Arwen brought some suspect conditions with it. The game started well for us as we played with the wind behind us and Strong went for an early ping to test the keeper. We could see what we had to do just from that.

The first goal came from **FAIRHURST** who was the quickest to react to a freekick that was parried into his path by the keeper. We had some nervy moments defending but when attacking, quick balls to **RAND** let to scrumptious goals. First he dazzled past a few players and slotted in and then again **RAND** walked through their defence, gave the keeper the eye and rolled the ball into the back of the net. At 3 goals up, we were cruising.

However, we let one slip as the opposition built up pressure, just after a goal line clearance from Chappell from a chip that should have all but crossed the line, only for the wind to spin it around and literally bounce on the line, the opposition danced round our box and managed to get a goal.

They were at it again until in the last minute of the half **MARTIN** pinged the ball from a free kick on the half way line which evaded everyone and found the back of the net.

We knew what we were expecting as the sky got darker and the wind picked up. In the second half we knew we would be up against the wind so we had to stay solid. We did the opposite though and conceded two goals far too easily from corners. At times we played the ball out neatly from the back, at others the ball couldn't get past the half way line.

Waton, in goal, tried his hardest to keep us in the game however the opposition kept the pressure on. The wind helped carry the ball and there were further goals from the opposition. In the end we had one clear cut chance in the half with Oluwole-Oju missing from a few yards out.

# 7s 5 vs 3 South Bank 7s, Sal League, Hayes

**Harry's on fire, your defence is terrified…**

The Mighty 7's turned up at Hayes determined to down top of the league Southbank (played 5 won 5) after rousing words from Manager Hoffers. The Boogie Box was just about blowing the windows out of the new upstairs changing rooms in a pre match ritual to get the blood flowing. Kieran took charge of an excellent warm up and the platform had been laid for a magnificent performance.

Right from the referee's opening whistle Southbank we're given no time to settle and it was the 7's who dominated both in possession and territorially. Throughout the game Kenners and Harry Smarts intelligent runs were causing Southbank back line issues and Jonny Q diligently ensured their adventurous right back was kept in his box.

Jack, Terrell and Kieran took control of the midfield battle and the back four looked solid with Rory joining in the attacks down our left. It was no surprise when **Harry Smart** smashed us 1-0 up cutting inside his defender from the inside left position before a thunderous right foot strike headed into the roof of the net past a bewildered keeper. 5 minutes later **Harry Smart** again cut onto his right foot, this time down the inside right channel and unleashed what is fast becoming a trademark clean strike which flawed past the keeper at his near post before he knew what had happened, Harry then turned provider when the 7's turned defence into attack swiftly. Having collected a good pass out of defence Kieran found Harry on the right hand side, who turned and played Kenner's in down the middle. **Kenners (Chris Kennedy)** pace was too much for the Southbank defence and he coolly rounded the keeper before passing it into the empty net to make it **3-0**. Frustratingly the 7's conceded bang on half time when what seemed Southbank's first foray into our box. Their gifted striker tricked his way to the bye-line before cooling pulling it back for his fellow forward to control under pressure then find the bottom corner. We went into half time **3-1** up.

Another rousing team talk from Hoffers and Smartie Senior ensured OW went out for the second half with confidence. South bank proved a different proposition in the second half which lead to a more even game, However Kennedys pace and Harry is guile we're still causing Southbank trouble. And a couple of chances came and went which should've put the game to bed. Unfortunately Southbank's right back put a wicked ball into the box and Richard Smart heads home for the own goal (pillock).

The seven's response was strong and immediately put South Banks back line under pressure. A free kick from roughly 25 yards out to the left of the penalty area. Harry shoots, the free kick was parried and Richard Smart intelligently followed up with a shot but it was handled and the ref pointed to the spot. **Harry Smart** steps up to complete the hat-trick and put it in the bottom left-hand corner **4-2**.

South Bank replied well with a bit of pressure. Winning a Dubious free kick 35 yards from goal. Another wicked Ball in and Frosty's Punch unfortunately hit the incoming striker and it bulges into the back of the net **4-3**. South Bank with some momentum now continued with the heavy pressure and win a freekick 40 yards out from goal with a minute to go. A good clearance from the resolute defence put Harry through 1 on 1 with the center back. **Harry Smart** turns him inside out until he fell on the floor and put the ball into the top right hand corner to seal the **5-3** victory. Rumour has it the centre back is still suffering dizzy spells. All three points go to OWFC and a good stepping stone for us 7's to go on and beat Carshalton who are also unbeaten in the league.

# Old Bealonians 4 vs 8th X1 0 OB Cup.

On a day when even sailing aficionados would have said, nah your good mate!, the **OWFC 8th XI** took to the roads and made their way to the depths of Essex to take on a **BEALONIANS 7th XI** in a cup quarter final and not a D list celebrity in sight!

The referee unfortunately also didn't fancy it and despite making an appearance made off with his match fee and match ball before we had even started warming up properly. 40 minutes later we got under way with an agreed reduced playtime with the help of their chairman picking up the mantle and finding his whistle!

With what seemed like the first real kick of the game, yours truly had flattened their striker with a blow to the face by the ball from a clearance that Tyson Fury would have proud of! (The blow to the face that is, I have no idea if he can play football!) The first 20 minutes was backs to the wall stuff and anything aerial came back with interest and time in the oppositions half was rare but we stood firm and luckily the opposition had not worked out that if they carried the ball and walked through us they stood a better chance of scoring than all the wild shots that kept Doug Forbes busier behind the goal than in front of it!

Finally they got a lucky break when a shot deflected off, yours truly again, back and sent Doug Forbes the wrong way as it nestled nicely into the opposite corner.

We battled on and despite some good pressure on the ball and more blocks and saves another goal was conceded just before the half time whistle blew. A positive team talk and some chats about how to use the wind to our advantage with our fox in the box lobbing from basically anywhere on the pitch in their half!, saw us back out for the 2nd half in some what fading light levels.

More spirited defending followed by the for mentioned lobs from various parts of the opposition half seemed to be how the half was going to play out and despite a few positional changes by us we conceded another couple of goals before the final whistle blew but we battled to the end and a great performance all round on a difficult day for football.

# ALL OUR YESTERDAY'S 50 YEARS AGO

**BE CAREFUL WHAT YOU SAY  Old Colfeians 0  2nd XI 1**

The twin towers of Wembley loom ***even*** closer. The 2nd XI took the field, which delayed the start by some moments, with great trepidation. It looked a depleted side, with three regulars in the 1st XI, one in Majorca and Bob Favell delayed by traffic, so the scene was thus set for another 'Horatius and the Bridge' as Mike Kendrick and his lieutenants quelled the massed throngs of Old Colfeians.
For ten minutes the defence looked as if it was going to be swamped, but we gradually came more into the game and dominated the last 25 minutes of the first half, Bob Favell having arrived 20 minutes into the game.
Colin Hand had a stinging drive well saved, Tony Maunder lobbed just over and Mike Kendrick was within a whisky (sic) of touching home a free-kick. The defence gradually grew in stature and Steve Smith is now 6" 6' – great stuff the manure Colfeians use – and were easily containing a somewhat stereotyped forward line.
The second half proved to be much different, however, as Colfes exerted great pressure on our defence. Colfes had a striker who bore a striking resemblance to Joe Bugner and he certainly punched harder – get it, striker, striking, punched? Oh, never mind!
Five minutes to go and extra time loomed through the gloom but then, lo and behold, **COLIN HAND** bulged the home custodian's onion bag. Yes, that's it, a goal, to put us one up with five minutes to go. Not much could happen in that time, or so we thought, or those of us capable of such an intellectual exercise, that is.
Steve Smith, however, made nonsense of this by addressing the referee in such a manner as to question his eye-sight, fornicating habits, parent-hood and the type of his genital organs. For his part the referee was somewhat aghast and requested that Stephen remove himself from the environs of the pitch, which he did, the moral of this story being that vitriolic directed at referees will reduce your side to ten men. **VENEMOUS, POWERFUL AND A WHOLE LOT MORE 5th XI 5 Old Suttonians 2**

After a bit of a shaky start, with a melee in our box needing the cool head of Paul 'Reformed' Britton to clear the inpending danger, we settled down, with our passing creating more space.
We went ahead when a long throw into the heart of the box was hooked in by **SIMON WILSON,** the first of many to come. But our concentration dipped slightly at this point and Suttonians equalised, and, even with some creative midfield play, we could not regain the lead and went in level at half-time.
Some constructive criticism at the break geed us up and inspired a brilliant spell of 10 to 15 minutes, during which time the opposing goal-keeper let one goal trickle in from **DAVE VALDER'S** accurate, but rather tame, shot. With the score at 2-1 there was still plenty of work to do from the midfield trio of Laurence Banks, Lou Barry and Simon Letts as space suddenly became a premium.
A deep penetrating run from Nick Wright released **SIMON WILSON** and left him nothing to do but slot the ball past the floundering 'keeper and, at 3-1, the pressure subsided slightly, during which time our left-hand side became more apparent, with the youthful duo of Danny Harold and James Hudson working the ball forward sweetly from the back.
And it was Danny who managed to use his cultured left foot to expose their tiring full-back and the ball landed at the venomous boot of **SIMON WILSON** and, after some exquisite control, he again buried it, this time to the left-hand side of the 'keeper who, by now, was well beyond his sell-by date.
With a 4-1 lead we began to push on but, despite some heroic defending by Terry Adams, Duncan Lewis and James Hudson, we conceded a well-worked goal from a corner, but this only resulted in more resolve and determination to finish the game on a high and more passing and intelligent play, especially by Si' Letts on the right-wing, allowed Nick Wright to control the ball with a touch of magic to yet again release **SIMON WILSON** and he finished with aplomb.
The final score was 5-2, leaving Suttonians' heads down and the 5s with their first win of the season and desperate to play their next game. Paul Britton

**Stranger than fiction department**

Frenchman Pierre Aulach of Limoges was electrocuted when his hi-tech 'Flies Undone' warning system malfunctioned in a public lavatory as his devise, worn beneath his trousers like a jockstrap, gives him a mild electric shock if his flies were left undone.
"I was testing it in a local toilet but it wouldn't work. I asked a man beside me if he had a screwdriver but he got the wrong end of the stick, he hit me and that is when it short-cicuted."
As fellow lavatory users watched in horror, Mr Aulach was propelled face forward into the urinal where he jolted up and down 'like a beached halibut.'
