TRAINING TUESDAYS POWERLEAGUE NXT TO SCHOOL 7PM – 8PM

The tributes to our Life President have continued and this week I have included one from Bob ‘the Cat’ Bevan, which reflects on the enormous influence Mike had over not only this football club, but across amateur football.
His funeral details will be published as soon as we have been informed and we hope that covid restrictions would have eased slightly.

Life goes on albeit at a quieter Hayes..

Mike would have pleased to have seen the 1s result on Saturday which meant back to back wins against two of the best teams in the SAL. It caused me to reflect that if points per game had been applied this season the 1s would have been relegated. Although the season was declared null and void which was both positive and negative for us, the 1s wins translated into League games would see them rise to around 8th in the table, clear of relegation. The 1s will now go into the SAL trophy knock out stages. So, it reflects the old saying “it’s not over til it’s over” and football is no different….

.

Speaking of the SAL trophy the 8s play the final this week vs Bank of England 230pm ko, support welcome, bar open.

Fittingly, 25 years ago Neville Spencer mentions Mike refereeing the 7s. "The final game of the season saw the return game against Holland Park, four weeks after the unpleasant first encounter. This fixture, I am pleased to report, was a lot more enjoyable and this was due to the authoritative refereeing of Mike Harris"
The 6’s also staved off relegation with a trip to Sutts with myself, Kirk Benjamin (who turned up late..lol) and Nick & Jon Mole in the side. Sutts had to win to lift the League title and a defeat by only one goal was enough for us to avoid relegation on goal difference. It finished 2 1 Sutts so everyone was happy!

10 yrs ago the 1s and 5s played Carshalton with lots of goals, the week before the tour to Kiev, Ukraine.
We played the mighty FC Gidropark and Adam Deadman retrieved the ball from the Dnipro River as the locals seemed reluctant to enter. We later realised this was downstream from Chernobyl, Adam was never quite the same after that!

A number of Old Boys and Club members have set up a Facebook group during these difficult times, please click on the link or cut n paste above.

Its good to talk. Its ok not to be ok.

Talking about how we feel is something we all find hard to do whether you are a Man or a Woman.

Last Sunday we discussed ways of expressing how we feel, as well as how anxiety can affect us.

We spoke about the positive effects our Sports Club has had on us and what our plans are to Remove the Mental from Mental Health.

About

This group has been set up to help anyone connected to the Wilsonians Sports club, whether they be friends of friends or family members.

We are here to keep each other company.

We will share events across different platforms such as WhatsApp and help people get through the 12 or so weeks we have to face under Covid-19.

Private

Only members can see who's in the group and what they post.

For Kirk. Super Vets 5 SE Arts Network 2

What a lovely day . Over £600 raised for mental health charities.

A 23 man team to play the SE Arts Network playing for the Kirk Benjamin Trophy to raise awareness for mental health issues . Kirk took his life a couple of years back and it came as a shock to us all , especially those who had attended his wedding the previous year , a wonderful & happy occasion . Out of this heart ache have come a number of initiatives including this match, Men on the Hill (Glen Wheeler, Jasper & Doug) . A reminder that Doug is raising money at this moment for mental health in his 5km run/walk .

So we were there to celebrate Kirk & were joined by Sophie (his wife) , his 2 little girls , his mum, his brother & his family . We had Pikey hovering in the background with the trophy & taking copious notes, probably of my brilliant management & rotation of the 23 man squad . Micky Pilgrim was the man in the middle & I think had a pretty easy day We were joined by a number of supporters 12 old boys and a few we haven't seen for a while so hello Peckover, Hickey , Barnes , Andy Smith & Pete Horner . So Covid central !

We had a few poignant words from Stu Paton pre the match to remind us all why we were there . Popey then pulled 11 names out of the hat to start with and off we went & quite quickly 0-2 down with there number 9 & 10 causing us all kinds of trouble . After 20 minutes we rang the changes sent on 5 fresh legs & drew level before half time with Nick Billing heading in a goal from a corner (good to see he had learnt from last week which end to nod it into) & nick the trainer (that's as good as it gets Doug knows him & he lives local to the club) stole the ball off the oppo and prodded it in to the net . A further 5 changes at half time , and the other 2 throughout the second half got all the players on . The 2nd half saw Dan Harris trying from range a number of times pre curling in a 40 yarder , Doug Smart nodding in the 4th & Greg Middleton slotted in our 5th as the Arts network ran out of legs . Pikey was pretty close to blubbering about my astute management of the game , I could see it in his eyes (either that or hate !)

Great game , well played by both teams . Pikey said a few words , Sophie thanked us, Stu handed Sophie & Kirks mums some flowers (thanks Stu for sorting out) . Lots of photos lots of laughing , Kirk would have loved it , I know I did. Alex Forbes

A tribute to Mike Harris by Bob ‘the cat’ Bevan

I joined the Old Wilsonians Football Club 60 years ago this autumn. There were only four teams and Mike was skipper of the 3rd XI. He was a bustling, not necessarily skilful striker but a frequent goal scorer. As in life his playing style was courageous and he had a big heart. Anyone who played against him knew they had been in a game by the end.

Off the field he was enormously enthusiastic about the club and didn’t keep quiet about it.

Back in 1961 we had an equally enthusiastic 4th XI Captain, Brian McAlister, brother of the legendary Richard “Mac”. He held his own team meetings and did an occasional newsletter which meant that his side was doing well even though Brian himself was not as good a player as his brother. People were very keen to get into this bonded side.

Consequently the new old boys were struggling to get a game and it was decided to form the first ever 5th XI in the history of the club and I was elected captain at the age of 17.

So I probably first met Mike properly at the Monday selection meetings in the office of our then Hon Secretary George Croucher – another legend of AFA football. He worked for Mays Funeral Directors in Peckham High Street. As you can imagine this led to a deal of black humour especially enjoyed by Mike and the then 2nd XI Captain Ian Forbes.

Young old boys will find it hard to believe that we used to post the selection notices on the Tuesday mornings so with deliveries much more reliable you would know by Wednesday where and for which team you were playing.

I suggested that as we were spending that money we should turn the selection notice into a short weekly newsletter, giving last week’s results, tables and other news.

Mike announced that he had a Gestetner duplicator which he would donate to the club if I would do the newsletter/selection notice. I can see him now bringing this heavy cumbersome machine up the stairs into our flat in East Dulwich which was not hugely welcomed by my parents.

Once again for the younger old boys this was a state-of-the-art printing machine 60 years ago. You had to type each page on a wax stencil so mistakes were a nightmare, although small ones could be fixed with correction fluid. Then you had to paste black ink onto a roller and the letters would appear through the typed wax onto the paper. It was a messy, time-consuming business with frequent malfunctions which, for a few years occupied my winter Sunday evenings. No wonder I got married so late.

Of course Mike Pike took it over for decades and I’m sure he is as delighted as I to see it still going, as was Mike H.

As George Croucher started to wind down from his 40-year stint as Secretary and five before as Assistant Secretary, Mike slowly took over and for many, many years he was the club’s driving force.

Sometimes not always a diplomat but he got things done and I can pay him no higher compliment than to say he has been as important to our club as was George Croucher. I know that he would be flattered by that because he had the most enormous respect for George. I now regret not saying that to him myself.

Just like his predecessor Mike became involved across the whole of AFA football where again he was held in the highest regard and affection, including organising the Old Boys Cup.

Many people have already listed the many offices and honours he held or received so I won't repeat them here.

At the last OW Association Past Presidents lunch held before the pandemic I sat with Mike which I am now so pleased about. We rolled back the years including the time when we had played together in a 5th XI where I scored my only competitive hat-trick and he got one too. In his case probably one of several dozen.

We talked about George and the duplicating machine and all the ups and downs and even the odd disagreements we might have had now all in the past.

I also know that he was delighted, when I started speaking professionally, that the OWFC were featured on dinner menus such as the PFA, Footballer of the Year and many others. I think he even asked for the odd copy.

That picture of him with our first-ever AFA Cup should be enlarged and hung in the club. It was one of his happiest ever days and I was glad I was there too to witness his unashamed joy.

Just like other legends who have left us it will be hard to go into the clubhouse without expecting to see and certainly hear him. I shall not be alone in missing him. RIP mate. You were a good man.

1’S V Alleyn OB SAL Trophy Won 3 - 2

On a glorious April afternoon Hawes Down was lucky enough to be graced by the 1s, with the sprinklers on Hayes seemingly more important than the football.

A quick start from Wilson’s saw them take the lead in the first few minutes courtesy of a **Ben GILES** finish following a fine ball through from Ben C.

A few minutes later, Harley was put through by Gowtham before being taken out by the centre half before he had the chance to pull the trigger. **Kieran STEADFORD** stepped up and despite the keeper guessing the correct way and the lack of power and precision on the shot, the ball found its way into the back of the net.

Alleyn’s - who had fared well in their abandoned league campaign - came back strongly courtesy of their left winger who continuous drove with pace and skill. Soon enough he wriggled past Mackley before being taken down in the box by Serge. Powley was sent the wrong way from the resulting penalty and soon was picking the ball out of the net again as fine work from the Alleyn’s forward resulted in a shot from the edge of the area which found the bottom corner.

After a fine team talk from the groundsman letting us know that we didn’t have to put the nets away at the end of the game, Wilson’s battled well in the second half.

Half chances came and went for both sides before Ben G slipped in Sellman down the left. He proceeded to flight a delightful cross with his left onto the head of Harley. Sadly, a tame header was saved by the keeper before ricocheting off **Ollie SITCH** into the back of the net. The linesman had his flag up straight away but after a VAR check, the goal was ruled onside by the referee and Wilson’s managed the game well in the final minutes to win 3-2 in the league cup (whatever that is).

6s 4 vs 2 7s (Ste)even I could score a hat trick. Classico revisited.

Gracing the hill of Hawes Down were the 6s and 7s who fought the last game of the null and void 2020/2021 season.

With both sides lining up with a 4-5-1 it was poised to be a possession filled, controlled passing and tactical spectacle.

Almost immediately a long swirling ball over every player found itself drooping over the 7s back line with S.Benwell pouncing on it only to fire it wide.

The 7s had a few plays down the right wing however with nothing to show for it.

With a bobbly pitch the possession game plan wouldn't work for the 6s and instead rapid dispossession of the ball and quick counters gave the best opportunities with Rand getting fouled in the box for a penalty. S.Benwell stepped up confidently but the power in his foot drove the ball wide. Not long after, another penalty was given as a cross from Gilbert hit the arm of the 7s left back however from a distance of about 1 yard. **FEVZI** stepped up and placed it into the bottom left out of the reach of any keeper. The 6s settled into a play of dispossessing the 7s and countering with a rapid counter finally leading to **S.BENWELL** tapping in to make it 2-0 at half time.

The second half started well again but the 7s started to grow into the game and string passes together. Another counter led to a third though with Rand finding **GILBERT** at the back post for another tap in. It all looked comfortable here with 25 minutes to go.

The game settled itself until the 7s stuck a few players up top. We tried to play a possession game however the pressure led to a few mistakes and the 7s got one back from a flick on that allowed one player to get in through the back and then almost immediately out of nowhere another shot from outside the box found itself into the net.

Robbins stopped an equaliser with only moments to go and then popped up the man of the match, **Matt RAND** who drew three defenders down the wing with him, toyed with them, made the keeper come off his line and found a dink from the outside of the box that went into be top corner to settle the game at 4-2.

Team: Robbins, Strong, Chappell, Nicholas, Adams, Martin, A.Benwell, Fevzi, Gilbert, Rand, S.Benwell, Patel, Benson

Played 17th April 8s 5 Merton 6s 2

It was surely a notification from the footballing God's that the mighty 8th XI were going to get back to winning ways, after last week's season re-start with a swift perusal of the Team sheet showing two Moles playing, the Gaffer and one supporting on the touchline.

On a sunny, but breezy pitch we lined up against a Merton team that had been hard to beat last time we met. With a bare eleven, due to a late Uber and a call up to the 7th's for Smartie, we set up in a slightly experimental formation.

Nick's pre-match talk was around us needing to compete better and talk more. We started well and it wasn't long till **Jon Small** opened the scoring for us with a deft touch and shot.

This awoke Merton and they soon levelled. As the first half wore on the skills of Terrel were proving too much for their defenders. With a silky cross field pass from Seb, Bruce's first time ball to Terrel on the edge of the box, gave one defender no option other than to floor him. Their defender was on a yellow, but didn't need the referee to give him his orders as he limped off injured, not to return. **Terrel** slid the penalty bottom right leaving their keeper no chance.

Being 2 1 up at half time, Nick commended the fighting spirit and told us to keep working for one another. With the 2nd half started we allowed Merton too much room and their movement got them a second goal.

But this didn't deter us and we then scored three goals from **Nathan Amoah, Sochi Igboayaka and Nathan Carpenter (his first for the club).** One of these was a true footballing master class of touch and movement with a fine finish. As we got into the last 12 minutes both Teams visibly tired with Merton looking less like a threat.

Great return to winning ways and some superb football played at times. Good to see everyone supporting one another and challenging for everything. As Nick said, it's good to talk.

ALL OUR YESTERDAY'S – 10 YEARS AGO

FIVES CEMENT THEIR EUROPEAN SPOT Carshalton 2 5th Xl 2

On a hot Tuesday evening the fives played Carshalton, opponents just above us in the league and fellow promotion candidates

Despite having to contact some 50 people to achieve a squad, Gavin Englefield still turned up confident that we would field a strong side and we arrived with five regular 5th Xl players whilst the remainder of the squad was a mix of players who did us proud. Unfortunately a 'keeper malfunction, i.e. going AWOL and then turning off his 'phone, let us down but the five's utility man, Mr Miles Collin, stepped up to play between the sticks and the 11th man was played by Mr Tony Roffey, George's father, who had turned up to watch and, coincidentally, plays and acts younger than George!

The game commenced and a fairly 'loaded' Carshalton side came at us but we held firm defensively by riding a couple of their opportunities and, slowly, got ourselves back in the game and took the lead through **DAN GRIFFITHS,** who received the ball on the edge of the box and turned sharply to strike into the bottom corner with his weaker left foot

Carshalton had some talented and physical footballers on the pitch and tried to come at us, but the back four of Englefield, Scola, Billing and Elliott held firm. Furthermore, some good play across the middle saw George Roffey have a couple of strikes and a blatant penalty appeal on Reaz Baksh was missed by the referee and the half ended 1-0, the fives having played well

The second half continued in a similar fashion to the first with some good football by both sides and Carshalton equalised soon after the break after their strong striker held off a couple of challenges to rifle a shot into the top left-hand corner but the fives regained the lead when excellent play, involving Baksh, Roffey and Platts, saw **PHIL PLATTS** break through the defence to beat the Carshalton 'keeper to put us 2-1 ahead and the fives looked comfortable for a while, as Andy Free worked hard on the left with Ben Newman-Saunders, who had replaced young Mr Tony Roffey, and Dan Griffiths, who was working hard up front, being particularly effective

However, and despite an heroic performance by Miles Collin, Carshalton equalised 15 minutes from the end to make it 2-2, after which both sides battled hard for the winner and, as the sun went down, the tempo of the game increased. In fairness, either side could have won and a draw was probably a fair result, despite the fact that it means the fives have missed out on a chance of promotion with a game left to play

No official vote was completed for 'man of the match', but special mentions must go to Platts, who was involved in some excellent fives football, and the Roffey's, one of whom did superbly upfront in his first game for some years, whilst the other Roffey worked tirelessly in the middle of the park

The fives have had an excellent season and the lowest we can finish is fourth which, in some leagues, allows you to play European football at the highest standard. Speaking of which, and with Billing and Scola off to the Ukraine to represent the OWFC internationally, the back four will look different for the five's final game where a good result against Westminster Citizens could help our 4th Xl win the league title and also help today's opponents achieve promotion Chris Billing

NB: Tony Roffey was later given the 'man of the match' accolade for helping the side out when they only had ten men

SUTTONIANS WIN LEAGUE AND 6THS SURVIVE Suttonians 2 6th XI 1

Before we started this game we knew that even a defeat by one goal would keep the 6th XI in this division for another season and Suttonians only needed a draw to win the league. As early as the second minute we found out what sort of a game we were in for when their skipper clattered into Duncan Lewis
Suttonians hopes of winning this game by a large margin took a knock when the 6th XI went ahead with a very well taken goal by **GARRETH PERRY,** who picked up on a defensive error, but another good strike by a Suttonian forward brought the scores level about ten minutes later
This was followed by 20 minutes of Suttonian pressure which eventually paid off when they scored ten minutes before half-time as our goal-keeper, Paul Gerrard, ended up in a heap after an unfair challenge, but the referee allowed the resulting 'goal' to stand
So we turned round for the second half knowing that we could not afford to concede another goal. The tactics of Duncan Lewis, now on the touch-line, were an inspiration to us all but resulted in the play being condensed to the left-hand side of the pitch so that he could have a better look!
As Dave "Is he a ringer" Joliffe - who had replaced Duncan - was playing on the right-hand side, he quickly became disillusioned and, as usual, failed to make it once again at this level. We had a very sound defence, with a very good performance from Stu' Paton, as you would expect, and also the two full-backs, Kevin Lunsden and Rob Barty
We held on for a 2-1 loss, although we had a few hairy moments – Paul Gerrard made a very good save in the last couple of minutes – and the 6ths live to fight another day; and in the same division

MIKE HARRIS SHOWS HIS AUTHORITY 7th XI 0 Holland Park 4

The final game of the season saw the return game against Holland Park, four weeks after the unpleasant first encounter. **This fixture, I am pleased to report, was a lot more enjoyable and this was due to the authoritative refereeing of Mike Harris**
What did not change, however, was the way Holland Park out-played us, and two goals in each half was no more than they deserved. The 7th XI were strengthened by four players from the higher sides, who were clearly our better players, but James Hudson and Matt Washington both put in very creditable performances
Despite the disappointing results, this has been a positive season, with many school players being introduced to Old Boys football.
May I take this opportunity to thank all of those who have supported the team, especially the 52 players who have turned out for the 7ths during the season Neville Spencer
