***TRAINING STARTS TUESDAYS POWERLEAGUE NXT TO SCHOOL 7PM – 8PM***

***All our Yesterday’s***

Season had finished 50 yrs ago so a quick look back 10yrs when the 2s were good. Then 25 yrs when a Fathers v Sons saw three Matthews’, three Carringtons’ and two Pughs play, which sounds like an episode of Camberwick (well) Green..

***The Present***

The SAL Trophy started on Saturday in earnest with eight teams in action, but only three teams getting results.
Two draws and a terrific win for the 1st X1 over Polytechnic under the Special Two, Andy Parkinson and Jon H20we.
We wish Dan Stribbling and Lee well as he takes up a coaching role in Youth football at West Ham United.

***The Future***

You may recall John and Janet Brittain bequeathed a significant legacy to the OWA, Football and Cricket Clubs.
Work commenced this week refurbishing and rebuilding the changing rooms on the ground and first floor.
These works will take up to eight weeks. The total cost approaches 90k, so a significant investment in our facilities all thanks to John and Janet and a grant from the Football Association.
Thanks to ex OWA Presidents Neil Kendrick, Alex Forbes and others that have driven the project throughout lockdown and the facilities will be ready for season 2021 / 22 starting in September.

Nine scheduled games this weekend, please confirm with your skippers.

*This Sunday, 18th April at 10am, is the annual game for the Supers v SE London Arts Network, a mental health charity supported by Mike Pike. The game will be played for the Kirk Benjamin memorial trophy, the bar will be open serving outside refreshments and all support most welcome. We aim to raise £500 on Saturday for mental health charities. Donations welcome via*

**Its good to talk. Its ok not to be ok.**

Talking about how we feel is something we all find hard to do whether you are a Man or a Woman.

Last Sunday we discussed ways of expressing how we feel, as well as how anxiety can affect us.

We spoke about the positive effects our Sports Club has had on us and what our plans are to Remove the Mental from Mental Health.

**About**

This group has been set up to help anyone connected to the Wilsonians Sports club, whether they be friends of friends or family members.

We are here to keep each other company.

We will share events across different platforms such as WhatsApp and help people get through the 12 or so weeks we have to face under Covid-19.

## SAL Trophy  Polytechnic 1 vs 1st X1 2

The 1's kicked off the start of the post COIVD season away at Westminster Sports Ground to Poly in a 'top of the table' (only one other team in the league at present) clash.

This was also the first game for Caretaker manager Parky and his bottle boy Jon Howe, after the departure of Dan and Lee!

The 1's started the game well, having the majority of the ball in the early stages of the game with some great by the midfield 3 of Kieran, Serge and OJ linking up to put some nice balls into the front man Conrad! When Poly did find themselves attacking, a solid back 4 display saw them limit their chances, giving Powley very little to do in goal.

Late into the first half, the 1's managed to grab the first goal after a 'Serge-ing' run down the middle, ended up the in ball falling to **Kieran Steadford** outside the box, finishing with what only can be described as the straight leg shot ever seen which lifted lovely over the keeper and into the top corner for a 1-0 lead at the break.

The 1's had been in this position before this season and seen leads drop, so needed a fast start to the second half which they did! With a few personnel changes, the squad performed well into a strong wind, defending well, as well as continuing to move the ball into attacking areas that threaten for a second.

The breakthrough in the second half came from some great play again through the middle, before we worked wide for Jack to drive a ball towards the bottom corner on the angle, which the keeper for Poly did well to save. However, the rebound fell nicely in front of goal for **Conrad Condulah** to find the net from close range and make it 2-0.

The rest of the game went according to plan until a goal from 25yards for Poly made it 2-1 with only a few minutes to play! However, the 1's defended well for the final 5 minutes and came away with all of the points on a windy afternoon!

MOM went to Conrad after a fabulous performance in front of goal, blasting over from 10 yards, and a stand out shot that was hit so well, it went out for a throw in on the opposite side of the pitch! But apart from that, a goal and a solid lone striker performance meant he was well worthy of his MOM award!

Squad: Matt Powley, Kieran Steadford, Conrad Conduah, Michael Ojetunde, Sergio Ohene-Djan, Tommy Highwood, Alex Karamath, Ben Carruthers, Niall Sheridan, Richard Rose, Josh Fan.

Managed by the Special Two, Andy Parkinson and Jon H2owe.

# Civil Service lobbied on Pitch 30
# Civil 3s 3
# 2nd X1 1

After a 5-month hiatus the 2s put out a strong team to face the Civil 3s in a fight for an unknown bit of silverware. Whether this was a new cup created by the league or one that we had somehow not managed to be knocked out of pre-lockdown we didn't know, but the excitement grew as we walked over to the worst pitch of 30 that Civil had to offer.

The first half was solid from both sides with neither giving up too much ground. A Civil goal was correctly ruled offside and not long after the ref ignored a blatant handball in the box by Civil, following a great bit of play from Teddy Farmer. Besides these, the only notable moment of the half was Ned Foulkes conceding a soft yellow card in the first 10 minutes.

The second half is where the rust began to show – two unfortunate defensive errors within 15 minutes lead to an undeserved 2-0 score line and an uphill battle for the 2s. The game had opened massively at this point and there were chances at both ends of the pitch. Following one of the worst open goal misses in modern footballing history from Civil, a great break of play allowed the 2s to get back into the game with a (heavily deflected) Tyler G half-volley. It was all O's at this point, but the 5 months away began to show as Aaron George, Will Gunnell and Will Straws had chances which couldn't be converted.

As the pressure mounted on the pitch, Ned F was fouled by the Civil left back in a similar fashion to his bookable offence in the first half. After expressing his frustrations at the ref, he managed to pick up a second yellow but thankfully the ref was nice (or inept) enough to let Ned finish the half.

Despite Civil being pinned into their defensive third for the majority of the second half, a quick counterattack sealed the deal after the Civil number 9 stepped past a marauding Dan Hall to tap into an open goal that only slightly made up for his previous miss.

Final score 3-1 Civil.

# SAL COVID CUP HOME STRAIGHT
# 5th X1 0 or 0 South Bank 0

A solid (in ability as well as weight) looking 5th X1 squad lined up on a cold April afternoon on a surprisingly decent looking Hawes pitch for the first fixture of some kind of mystery post-lockdown league that the SAL has created - much appreciated that we will have some football!

Having been soundly beaten 3-0 and 5-0 in our two post-lockdown fixtures thus far the aim here was to get back to basics here and not concede too early.

The game plan worked almost too well as the first half was played at a pretty frantic pace but a complete stalemate. Chances at both ends were extremely rare with 90% of the game being played in the middle third of the pitch.

We changed our formation at half time and came out for the second half a much improved team (playing downhill probably also helped) creating a number of opportunities to take the lead  that we were unable to take.

With half an hour remaining we went down to 10 men after an off the ball incident and that pretty much ended our ambition to win the game as we dropped deeper and deeper just trying to hang on to our clean sheet.

The last 5 minutes were a bit of a siege on the edge of our 6 yard box as long throws and corners rained in but we survived to earn a decent point against a well matched South Bank side.

Man of the match was Toby Shelton by a country mile; imperious at centre back.

# 7s get nothing from the Banker in SAL Trophy
# HSBC 4 7S 2

After a three month hiatus, the 7s were ready to be back on the pitch again playing against a strong HSBC side.

The game kicked off and it was a strong start for Wilsonians dominating the middle of the park and having the lion's share of possession.

The possession was put to good use creating a number of Wilsonian chances inside the box but rustiness showed as the majority of these were fired high and wide.

We knew as long as we kept up the momentum then one of these chances would eventually find the back of the net. And eventually one did thanks to **Sam Forbes** tapping in at close range following a low cross by Jonny Q. HSBC started to wake up and put more pressure on us and got back into the game with an equaliser with the last kick off the first half.

A quick change of goalies with Doug stepping in net at short notice. Unfortunately the second half began and HSBC continued the way they left off the second half scoring three goals in quick succession. A run from Dyki at RM teed up the ball to **Sam Forbes** who grabbed his second of the game with a finish to the bottom left corner of the goal. The 7s pushed on but the referee ignoring a foul blatantly inside the penalty area opted to give a free kick on the edge of the box instead. This was shot over the bar which summed up the game.

Overall a strong start to the game by the 7s unhinged in the second half no doubt related to fitness issues. As the new season restart progresses and fitness levels recover, there is every chance of success going forward.

# Old Lady overcomes the 8s
# 8th X1 Vs Bank of England 5s SAL Cup. Lost 1 - 3

In our first game since December, the 8s faced Bank of England 5s on the hallowed slopes of Hawes Down.

Despite a makeshift line-up due to some late arrivals, we started the game brightly and held our own, but failure to clear our lines on two occasions saw us concede twice.

We had our own chances, with Pradhosh Kirubaharan and Mo Omar in particular going close.

The second half saw us concede again quickly to what in fairness was an excellent goal. We knew we were still in the game if we could only find a goal from somewhere. Step forward Tyrell Wells – off on a mazy run, he beats one, he beats two, he nutmegs a third and it's in the back of the net!

We created more chances, were denied a clear penalty when Tyrell was clipped in the box, but could not find the net again. A 3-1 defeat when we really should have got something out of the game. Must remember to pack our scoring boots next time!

Squad; Will Humphries, Sam Waton, Roddy Trompiz, Nathan Carpenter, Sochi Igboayaka, Nathan Amoah, Seb Ayers, Ben Mole, Tyrell Wells, Mo Omar, Pradosh Kirubaharan, John James, Bruce Stringer.

# Supers grounded by Hong King Kong X1
# Super Vets 3 Ashley Dyer X1 4 Hayes 11/04

It was good to see Ashley Dyer again, I think last time I saw him we were playing 2s together before he disappeared to Hong Kong.

Ash bought a team made up of old ex pats who played for Hong Kong sports club & unfortunately they looked fit & up for it!

Due to a couple of our forwards dropping out and el Presidente Mark Mace running late we started with Messrs. Dyki & Middleton up front against a goliath of a Centre back .

We failed to work their keeper first half. Kendo got caught for the first & as we ambled to half time 0-1 down unfortunately in the last 2 minutes they scored 2 good goals & Nick Billing under no pressure played a one two against Doug Smart our keepers shins before steering into our net .

0-4 no shots on target we were looking down the barrel of Hong Kong tear gas with only one umbrella.

A rejig and Macey upfront with Will Davies (the big man) we were able to put Goliath and their defence under a bit of pressure We also closed them down similarly to what they had done to us in the first half. This paid dividends when Macey shinned one in from a couple of yards midway through the half , Will then slotted one in with 15 minutes to go .

We pushed forward & Will Davies slotted his 2nd (maybe after 15 years this has always been his position !), with Ashley Dyers x1 rocking and a couple of minutes left we had a couple of good chances but their keeper made some good saves .

A well natured game refereed well by Micky Pilgrim (thankyou), organised by Nick Billing (thanks) & oppo by Ashley Dyer (again thanks ).

Well done to both teams , its great to be back and playing again , Next weeks episode The Arts Network..

Team – Smart D, Pavet D, Billing N,  Kendrick N , Billing C, Davies W , Doyle, Pope M, Holmes, Middleton G , Dyki , Graham B, Philmore, Mace

# ALL OUR YESTERDAY'S – 10 YEARS AGO

**2nd XI'S PROMOTION DREAM STILL ON COURSE  Alexandra Park Reserves 2  2nd XI 4**

This game did not start well as, within the opening five minutes, the opposition scored twice with their first two attacks and, in the past, this may have led to our heads dropping. However, on this occasion, the goals sparked us into life with Doug Smart putting du Casse through but he shot over the bar, but this attacking pressure eventually paid when their centre back was adjudged to have handled in the box and **DAN SHAW** stepped up and smashed an unstoppable penalty into the roof of the net, and it was not long before the equaliser came when Michael Mitchell provided an excellent cross for **NICK LEHMANN** to power home a bullet header to make it 2-2 at the break

Our attacking endeavours were again rewarded early in the second half when Mike Sinnerton ran onto a Smart throw and did well to cut the ball back to **PAT Ducasse,** who finished from close range. The 2s were now in control of the match, with the new centre back pairing of Pope and Ellis dealing comfortably with all that was thrown at them.

The last ten minutes, however, were not as comfortable, with 'Donners', in goal, making some important saves to keep us ahead. The victory, though, was finally sealed with a couple of minutes to go when **TOM COLLINS** picked the ball up in centre midfield and went on a run before finishing coolly from the edge of the box; game won and won well

If the 2s can get a result against Salesians in the week, and a win against Esthamians at the club next Saturday, they could clinch promotion and cap off a rewarding season that has been a long time coming, so come along and cheer us on Pat Ducasse.

# ALL OUR YESTERDAYS - 25 YEARS AGO

BUT ARE WE SAFE YET? John Fisher Old Boys 2 6th Xl 4

On a sultry Spring Saturday the 6th Xl strode out Cantona-like against a ringer infested John Fisher side. Not to be intimidated – depite the rude boy placed in the centre of their midfield – we began the game hopeful for a result that could stop the rot and save the team from relegation

After a few mad moments from John Fisher corners, the 6th Xl rose to the challenge and began to attack in numbers, led by the boy Joliffe. However, a curious decision by the referee led to John Fisher taking a 1-0 lead from an off-side position, but the 6th Xl were only a goal down for a brief period as quality cannot be subdued for long and Joliffe jinked and swerved past three defenders to curl a pin-point cross onto the head of **JON QUINTON,** who thrust home his header.

After this we piled on the pressure with a sustained period of corners, taken by Joliffe, and goals were inevitable and superb. First **DOUG FORBES** rose like a salmon at the back post to thunder a header down through the chest of the centre-half, who was left twitching on the goal-line and the score was further increased when, moments later, **DAVE JOLIFFE** scored direct from a corner in-swinging into the top corner while all watched in wonder and admiration

The interval brought substantial changes to our side and, consequently, we lacked cohesion for periods of the second half. Furthermore John Fisher, spurred on by their own relegation worries, pressured us greatly and this paid dividends when Si Ledger ducked under a bouncing ball thereby enabling them to score

The game now became competitive, with Kirk Benjamin making excellent head-way down the right, using his pace and dogged tenacity, and Tim Parsons holding the centre of midfield

A fourth goal came our way when Tim Parsons thundered the ball across the face of the goal and everyone turned away bar two people, their 'keeper and **MICK HOFFMAN.** Mick would not be denied, pouncing like a tiger, beating the 'keeper to the ball to drive home with the power of a speeding train to leave said 'keeper stunned and nursing his shattered hands Dave Joliffe

# *ALL OUR YESTERDAYS – 50 YEARS AGO*

**BONES. BOSUNS AND PAINFUL TOES 5th XI 1 Mill Hill Village 1**

An incredible mixture of Old Wilsonian talent, brought together under the guise of the 5th XI, just held on to a draw with a Mill Hill 5th XI who made it seem as if one or two of their higher teams were without games last week-end
Under the shrewd captaincy of 'Bone' (Terry Fanning) , our 5th XI had much the better of the first half, during which they did not make full use of the strong wind, and the only goal of the first half came from a fine curling header by **PIP WARBOYS** following one of many useful corners taken by Ted Gibbons
The second half saw Mill Hill pile on considerable pressure and only a first rate display from goal-keeper Gordon Manning restricted their goal tally to one .
It was good to see the 'Darby and Joan' of OW football in the same side and Wilks and McAlister both looked as if they could develop into assets. Thanks to Martin (Bosun) Taylor for sailing in as a late replacement for 'Keefy Boy' Miles, who had dropped his car on his toe.
Also thanks to Ted Gibbons, who ended a long tradition of 5th XI wing play by passing and crossing the ball, and if the ball was passed to Ted rather too often, it was probably because the players enjoy the novelty of seeing someone who knows what wing play is all about Dr Who

SECS GOSSIP

The season draws to a close without our getting any honours but, on the credit side of the balance, the 3rd XI are still hoping for promotion although that relies on other sides losing their remaining matches. All of the other teams, with the exception of the 1st XI, are safe from relegation
We must now pay for our enjoyment and raise funds via the Jumble Sale and sponsored walk as they are great money-makers and must, and I repeat, ***MUST*** be worked at
Sadly there has been a poor response to the Jumble Sale appeal and everyone in the Club must make an effort to obtain jumble, otherwise the whole affair will be a flop
As for the sponsored walk, I am going to walk the requisite 21 miles so everyone else should be able to do so, so please make the effort and get sponsored for as much as you can , and don't forget the relatives – they've usually got a few pence in the bank, so don't be shy in asking them
A few people have not paid their annual subscriptions yet and if they are not paid within the next two weeks, there will be an extra fine of 50p Mike Harris
*Finally* there is no truth in the rumour that Les Simner has emigrated to New Zealand, although we understand that he did try
