OLD WILSONIANS FOOTBALL CLUB ‘All the news that’s fit to print’

SEASON 2022/23 NEWSLETTER No. 1,750.

Stupowfc@gmail.com

Mike Pike takes excerts from the newsletter 25 and 50yrs ago, hence the importance of submitting match reports today, so you can reminisce in the future!
Although this week, no match reports were submitted from 5 games 25 years ago so we include Mike Pilgrims 3rd X1 report from last week featuring the quiet Forbes’ brothers!
50 years ago all six sides reported their teams and we have an excellent match report from the 2s. There is no doubt that the standard of English was far better in those days, perhaps we should see a return to the three R’s, reading, riting, rithmetic?

Saturday saw the 1s travel to Chiswick to play Poly on a 4g pitch. Two goals up early on, a somewhat harsh sending off for two bookable offences tipped the balance and Poly came back 3 – 2 with a late winner. All the 1s games have been close this year but wins have eluded them so the visit of early title contenders Actonian's provides a stern test at Hayes Saturday week, whilst they travel to unbeaten Tenisonians in the OBC this week.
The 3s progressed in the AFA Cup whilst the 4s had an improved performance at Civil Service. The un classico ended up 3 1 to the 5s but the 6s made a real game of it masterminded by ‘Pep’ Mole on the sidelines. The takeaway though was the need for our Chairman to intervene at HT, reminding players of their responsibilities in representing the club in terms of sportsmanship and good behaviour.
Sunday saw the Supers play in memory of Kirk Benjamin, a full photo essay can be found on our Facebook page and a match report here. Kirk would have enjoyed the game. The second game will take place in April in front of his widow, family and young children with the South London Arts network looking to overturn a 3 – 4 deficit from yesterdays game.

A number of Old Boys and Club members have set up a Facebook group during these difficult times, please click on the link or cut n paste above.

Its good to talk. Its ok not to be ok.

Talking about how we feel is something we all find hard to do whether you are a Man or a Woman.

Last Sunday we discussed ways of expressing how we feel, as well as how anxiety can affect us.

We spoke about the positive effects our Sports Club has had on us and what our plans are to Remove the Mental from Mental Health.

About

This group has been set up to help anyone connected to the Wilsonian Sports club, whether they be friends of friends or family members.

We are here to keep each other company.

We will share events across different platforms such as WhatsApp and help people get through the 12 or so weeks we have to face under Covid-19.

Private

Only members can see who's in the group and what they post.

Visibility

Anyone can find this group.

Kirk Benjamin Memorial Part One

Another glorious sunny day at Hayes as we welcomed the Art's Network. This game is always played in great spirts and is held twice yearly to raise awareness for Men's' Mental Health and remember our great friend Kirk Benjamin who always relished occasions like this and was a true Old Wilsonians great.

The start boded well for Old Wilsonians when skipper for the day won the coin toss and Doug Forbes actually worked out a starting line up in advance. This was slightly hampered with him naming Jonny Q up top only to realise the man was yet to appear.

As is only traditional in Supervets, Mal Smart pulled a hamstring and was subbed off after 10 minutes. The reason a squad of 18 is required.

The game was a bit scrappy with too many hospital passes being played but Chris Billings and Rich Smart looked assured at the back which kept Old Wilsonians just on top. Nick Roberts playing at right back found **Aaron Langley** in the middle who cut inside and shot left footed into the corner of the net. 1-0 to Old Wilsonians.

The Art's Network were now coming strongly into the game with their three in centre midfield finding space. A break down the left and a low cross saw Boom Boom (Graeme Nelson) slide in well at the back post and finish like a pro into his own net. 1-1

At 1-1 we were fortunate to witness one of the all-time great moments on the pitch at Old Wilsonians. Jonny Q who had now decided to turn up was substituted on. A great run and a brave header saw him beat two defenders and break clear on goal. As the goalkeeper came out to meet him, he unselfishly squared the ball for Adam Deadman to tap into an open net from 8 yards out. Unfortunately for Deaders, his feet decided not to cooperate, and the ball hit his stationary legs. At which point the chance still looked on only for us to witness him fall onto his belly like a wounded Giant Panda. An all-time great miss, one which Ronny Rosenthal would have been proud of. The ref Gilly weighed up giving him a yellow card for the miss but decided the damage had been done. Luckily photographs of the occasion were captured and the Facebook page is worth a view.

Half time 1-1. We decided to move to a midfield three to counter the opposition with Bruce Graeme playing the holding role. We went 2-1 up with **Rich Smart** from the penalty spot after Mark Mace was clearly pushed over in the area. A good penalty into the corner.

It looked like the 3rd goal was certain when a 25 yard effort from Mark Pope looked destined for the corner only to hit the post. It fell to Dave Neimes 6 yards out who did well to clear the goal and send the ball into the carpark.

We did take a 3-1 lead when **Chris Dyki** broke down the right and drove into the box. A slight deflection took it away from the keeper to give a 3-1 lead.

The Art's Network who were playing well continued to apply pressure and a shot from the edge of the area saw it loop through Doug Forbes outstretched hands and into the net.

With the pressure on, the Art's Network equalised with a good move resulting on a close-range shot. Despite a save the striker was able to convert the spilt ball into the net. 3-3.

At this point Dan Harris who had made a great effort to arrive for the last 25 mins of the match went off injured after 10 mins playing time. A true supervet.

The Art's Network pushed for a winner only to be denied by some expert old school defending from Al Forbes. The midfielder looked to push the ball past only to go down on his knees clutching an injury above his waist.

The winner did come for Old Wilsonians when Abel Bello broke down the left to deliver a low cross which skipper **Mark Mace** dispatched into the middle of the goal. The game finished 4-3 and Old Wilsonians retained the memorial trophy.

Old Wilsonians hold a 100% record in these encounters, but Art's Network are knocking on the door and could easily have taken the win. A good atmosphere in the clubhouse as we remembered the reason the game was being played.

We were unfortunately denied a three way dance off for Man of the Match between Doug Forbes, Bruce Graeme and Abel Bellow with Abel taking the Award by one vote. We look forward to welcoming the opposition again in March/April.

The 1s trip to Chiswick was greeted by a large 4G pitch which apparently matched that of Wembley’s dimensions.

A congested first 10 minutes finally allowed OWs to get into the game and it was **Gowtham** who set them ahead with a calm finish past the keeper after good build up play all round. **Harley Riman** was quick to double the lead with a run from almost his own half was slotted neatly into the bottom right.

However, a second yellow for Josh Eves at right back quickly changed the dynamic of the game - a clear offside the ref didn’t have the eyes for resulted in a late challenge in the box and a penalty to Poly.

Unable to convert the chance from 12 yards it stayed at 2-0 but eventually they got one back after another chance was given to them from the penalty spot. 2-1 HT.

Although falling a man down OWs still looked on top and a few changes by Howe looked to sure up things and hold out the lead through the second half.

Unfortunately, it wasn’t to be and Poly soon equalised and then went on to make it 3-2 in the 83rd minute and it didn’t seem to want to swing back the way of the 1s who overall were unlucky on the day and should’ve got more from their trip to Chiswick. 3-2 FT.

Report Jon Howe

3's 4 v 0 Latymer Old Boys Reserves, AFA Cup, Home.

It was a big day for the O's as we started our cup campaign on a crisp Saturday morning.
The passing in the first half resembled the weather as the O's zipped it about the middle of the park, playing out on multiple occasions with success from back to front.
The opposition's only hope for a goal was lumping it forwards to which they had limited success thanks to the defence standing strong.
Eventually the O's efforts to play total football prevailed and few swift moves were finished off twice by **Foxy,** whose hold up play had been excellent up until that point (twice), and **Nathan Cooper**.
The high performance standards was continued in the second half and were exemplified by **Cooper's** Neymar like goal, where he sent their centre back to the shops with a filthy bit of skill and slotted it into the keepers near post.
The whole team's effort was excellent for the rest of the game and it should've been 6 or 7.
Eventually the game finished 4-0, a very strong start to the cup campaign.

SAL, Away

The 4s have endured a slow start to the season and are yet to pick up the first point following their promotion to JD2. However, we've largely had the same settled squad for the past few seasons and heads are yet to drop so moral was high going into the match against Civil, which has been a happy hunting ground for us in recent seasons.

We decided to go back to basics and be hard to beat in this game and try and nick the game on the break. The game plan was shattered when Civil scored a wonder goal from 30 yards in the first minute of the game that 3 goalkeepers wouldn't of kept out. We immediately rallied and were level after 5 minutes when a recycled corner was powered home at the back post by **Toby SHELTON** with a bullet header. Game on.

Unfortunately, we effectively went down to 10 men when Nathan Burmingham suffered a knee injury and we only had a bare 11.

We struggled to deal with Civil's pace as they used the extra man well and to be honest they deservedly went back ahead and added a 3rd before half time with scrappy, perhaps avoidable goals.

This was an ill tempered game and it boiled over several times before half time which resulted in a flurry of yellow cards with both sides probably letting themselves down a little bit.

At HT we got our heads back on and switched the injured Nathan in goal with Jem playing out on pitch at LM. We came out firing in the second half with a much improved display pressing Civil well without creating too much.

Unfortunately, Civil were unable to get their heads back on and were reduced to 10 men for a clear elbow. Bizarrely after about 15 minutes the ref decided to allow the player back on the pitch after making up some kind of new sin bin rule - the ref had completely lost control of the game from about 20 mins in. Civil subsequently had another player sent off, I'm not exactly sure what for but it was another off the ball incident to finally take them permanently down to 10 men.

We huffed and puffed but ultimately couldn't quite provide that moment of quality or luck to get us back in the game.

A valiant effort and everyone really put a shift in under difficult circumstances. On to next week.

6's 1 v 3 5's SAL League, Hayes

They're an odd bunch, this 5XI. From the side-lines you'd think they hated each other. Yet they'd comfortably won all their opening fixtures with only 2 goals conceded ahead of 'Un Classico'.
So, they rolled onto Hayes in their prams, naively expecting an easy 3 points and another goal fest. The 6XI had other ideas.
Nick Mole has seen it all before and deployed Club Captain Dan Harris at Centre Half to try and control the tempo and penetrate the minds of 5XI strike force. It worked.
The 6XI were fast in the tackle and first to second balls forcing the 5XI to rush, make mistakes and lose their heads. The togetherness of the pre match huddle a distant memory as nerves were shot, tempers flared and dummies spat. And this was only 20 minutes in!
To be fair, the back line of Sweeney, Seston, Billing and Dyki were relatively untroubled but were struggling to turn defence into attack. The twin threat of Doyley and Sochi, so effective up to now had been thwarted; Doyley by a torn calf and Sotchi by a yellow card for a wild tackle on Harris.
With subs aplenty, on came Kavi, Amoah and Steve Benwell for Doyle, Coughlan and Benson and out came the toys!!! Moaning, arguing, sulking and back chatting to the ref. Embarrassing, especially given the occasion.
Amongst all this there was some football from the 5XI; Adam Benwell dropped back into a CDM and immediately started retaining possession and making simple passes allowing the 5XI to gain ground. A quick throw found Sotchi down the right who skipped into the box and teed up **Steve Benwell** for a tap in. **1-0**.
Nerves steadied ahead of the half time whistle but then chaos ensued. The one voice rule went out of the window and out came the few remaining toys. Dyki had heard enough. Al Forbes had seen enough.
As the bruised egos swallowed a few home truths Forbes marched over from the Clubhouse reminiscent of the late Mike Harris and rightly made his feeling clear. This was unacceptable. The tennis coach agreed.
The second half started much like the first and the 6XI got a deserved equaliser. A dubious penalty was superbly saved by Tom Frost but the follow up was smashed into the roof. 1-1.
Lesser teams would have capitulated and for a while it looked ominous as the 6XI went looking for a second goal. But this 5XI has a core of camaraderie and talent that has been molded by Gaffer Hoff.
Dyki and Benson scrolled through their play book on the sidelines searching for a solution; off came Seston, Billing and Adam Benwell. Coughlan who was having an inspired second half dropped back into defence with Keiran Wright and Benson into midfield with Amoah. Kavi did a job for the team at right back dove tailing Dyki in right midfield.
The football was simplified. Another short throw, on the left this time found it was back to Sotchi. He danced past two challenges before feeding **Steve Benwell** who had made a great run and finished clinically. **2-1**.
The fire was back and Terell Wells was fighting till the end. A tiring 6XI couldn't deal with his quick feet and hacked him down in the area. Penalty. Up steps **Steve Benwell** who calmly slotted home for his hattrick. **3-1**. MOM in the bag.
An emotional afternoon and if this team are to succeed then lessons need to be learned. But, at the end of the day the 5XI picked up a vital 3 points. And the grounds man was left to pick up all their toys and put them back in their prams for another week.
HSBC up next and we might just see the return of a Legend...

6’s 1 v 3 5’s SAL League, Hayes

OLD WILSONIANS 6XL Vs OLD WILSONIANS 5 XL

This was a David and Goliath battle between the self proclaiming Champions of Junior Division 5 and a team still rising like a phoenix from the ashes.

The 5's started confidently as befitting of their league position but were met by a wall of passion and slowly the 6's started to take control.

It was a shock in more than one way when the 5's took the lead as it was both against the run of play and the ball had clearly gone out of play before being cut back for Steve Benwell to convert.

With the 6's waiting for the expected act of 'Old Wilsonians' sportsmanship the 5's celebrated wildly.

One down at the break we believed we could salvage something from the game and started the second half as we had finished the first with the edge.

The game was levelled as we were awarded a penalty as a goal mouth melee resulted in a meeting of ball and hand.

Adam our recent find from the Junior section stepped up but Frosty threw himself to the left to make a great save, with the 5's celebrating wildly **James Gilbert** remained switched on and smashed the ball into the roof of the net, game on?

6's looked the more likely winner but legs started to tire and the 5's took a foothold in the game finally finding space and looking more threatening.

Steve Benwell added to his earlier goal with a calm finish and we faced a fifteen minute challenge for the 'Phoenix' to rise.

All credit to the lads as in the dying embers Frosty had to pull off a worldly before the game was wrapped and Steve Benwell completed his hat trick from the spot.

On this occasion David failed to fell Goliath but extremely proud of my team for both the way they played and the way they conducted themselves.

Onwards to HSBC where we will endeavour to get our first points on the board.

A strong performance from Gilly in the middle who controlled the game well although must have had his ears ringing late into the night.

ALL OUR YESTERDAYS - 25 YEARS AGO

Sadly none of the five games played 25 years ago were reported, which led the editor at the time to write:

Thought for the week

In an effort to prove that his decision to share a room with fiancé Ffion at the Conservative Party conference was not just bravado, William Hague seems to have spent all week with a condom on his head. So ***NOW*** will you write some reports!!

In order to avoid leaving the rest of this page blank. I will reproduce Mick Pigrim's account of the 3rd Xl's game against Chertsey Old Salesians played on October 4th and which got a brief mention last week. You may remember my disbelief that a team containing two members of the Forbes family and a Pilgrim could ever be described as 'quiet.'

THE LEAST WE CAN DO IS TALK TO EACH OTHER Chertsey Old Salesians 1 3rd Xl 4

The 3rd Xl started their league programme with a comfortable win in West Byfleet. Having said that, things were looking far from comfortable after 20 minutes when poor defending from a Chertsey corner allowed their centre-forward to fire home from a defensive header. (Note how important it is to win first and second balls from dead ball situations.)

Keeping our 4-3-2 shape together – yes, we only had ten men, courtesy of Neil McCoustra – the 3rds kept possession well and were able to make some penetrating moves into the Chertsey half. Having failed to take one or two half chances, we were rewarded for our efforts when a Bruce McCutcheon corner struck some part of **JOHN QUINTON'S** anatomy and drifted into the far corner.

One each at half-time and there was a quiet confidence that we would finish the job off if we continued to work for each other and retained possession. (Unfortunately 'Quiet' was the operative word throughout the game and we really must improve our talking and calling if we are to play the sort of quality football we are capable of.)

Anyway, within a minute of the second half starting we were 2-1 up when a speculative lob by **RICK CHAPMAN** found its way just under the cross-bar and into the net along with their 'keeper, who was still trying to catch the ball.

Further goals from **JAMES KARAMATH,** following a long throw from Stuart Forbes and a header across goal by Mick Pilgrim, and finally a **MICK PILGRIM** header from a beautifully flighted free-kick by Nick Mole, saw he 3rds home to that comfortable victory.

So well done to the ten men. A good team effort and solid contributions from everyone.

Only one sour point, namely Chertsey's hospitality – or rather lack of it. Not one of their players came over to exchange niceities – or even a jug. Mick Pilgrim

CONVINCING WIN BUT STILL ROOM FOR IMPROVEMENT 2nd XI 4 Centymca 1

The 2nd XI started their home programme in convincing style with a 4-1 win although, to be honest, it was not so much due to good football but to the fact that their opponents were ineffective and devoid of ideas.

The 2nds are perhaps not the most attractive of sides to watch but they are full of endeavour and, if they were to think about what they are doing and help one another, then we could see some good results this season, but there are probably three main faults with this side.

Firstly, their passing should be directed to a man and not a space, secondly they bunch too much and tend to move around in packs. If they were to spread the play from side to side they would create more openings for their forwards who, unfortunately, and this is the third criticism, require a lot of shooting practice.

The side is capable of some intelligent football and created some fluid movements, especially along the right flank where Tony Maunder and Les Simner linked fairly well.

MALCOLM TAYLOR opened our account with a superb header from a right-wing cross before **LES SIMNER** cracked home a left foot drive from the edge of the area shortly afterwards and **DAVE COHEN** made it 3-0 with a shot from 25 yards just before half-time.

The defence had been playing well within themselves up until this time, but an error let in Centymca to score a consolation goal moments before the oranges arrived.

The second half showed up the bad things about the side's finishing. Certainly there were at least two opportunities where it should have been more difficult to miss than score, although, to be fair, both John Matthews and Bob Favell were unlucky not to convert a few chances.

The fourth goal came from a free-kick following a hand-ball offence. Les Simner blasted a free-kick against the under-side of the bar and the ball bounced onto the goal-line and, from the reporter's box, it looked as if it then hit the roof of the net, but **TONY MAUNDER** later told me that the ball did not cross the line until he kicked it over.

So a good win for the 2nd XI, whom I hope will improve on this performance. Perhaps a little training might help.
