OLD WILSONIANS FOOTBALL CLUB ‘All the news that’s fit to print’

SEASON 2022/23 NEWSLETTER No. 1,756.

Stupowfc@gmail.com

Looking back to Saturday the 1s came up just short at title favourites West Wickham. I managed to catch the last twenty minutes and thought we were well in the game but West Wickham’s undoubted quality in the last third had put the game beyond reach.

The 2s played out a cracking SALC win over Winchmore Hill at Hayes. Winchmore are a strong club particularly at home but your never sure what type of X1 will turn up for them on this long away trip. They, however, had a decent side out with some real quality but the 2s came from behind to lead and deservedly wrapped up the game with the last kick.

The 3s lost their quarter final in the same cup to EBOGS and were then charged £27 for a jug that measured less than three pints. When they enquired they were told “a jugs a jug”. I suppose that is factually correct.

The 4s lost to Civil Service in another SALC game conceding in the last minute to make it 2 – 2. They lost to a third goal in extra time, tough luck but a good effort. They take on a young school X1 this week which should help fitness.

The 5s were the team of the week, winning and going top of the League, photo featured (left)of the Squad and management team under Hoff's. Well done but long way to go, keep it up. The 6s and 7s both went down but put in decent performances and results will improve.

This week its our biggest week of the season as the 1s 3s and 4s entertain school sides at Hayes. Please note early KO times. Its also Vice Presidents day followed by World Cup action on the big screen so promises to be a good day as we look to Hoff's the future whilst remembering the past in honouring the two Mikes, Harris and Kendrick amongst others.

Good luck Saturday. Non Sibi Sed Omnibus

Its good to talk. Its ok not to be ok.

Talking about how we feel is something we all find hard to do whether you are a Man or a Woman.

Last Sunday we discussed ways of expressing how we feel, as well as how anxiety can affect us.

We spoke about the positive effects our Sports Club has had on us and what our plans are to Remove the Mental from Mental Health.

West Wickham 3 v 1 1s SAL League, Away.

The 1s faced what's always a tricky fixture in local rivals West Wickham. After a dreary World cup performance the night before, the boys were hoping for a more exciting 90 minutes.

The first half started with both teams lining up pretty evenly. West Wickham, attacking down the slope, looked the more dangerous of the two teams. The deadlock was broken with a smart move down the right hand side, with a weak effort bobbling across the goalmouth - beating Ellis to the far corner.

OWs had a good chance to level the score, with Ryman's cross shooting across the slick surface, and Wright being unable to adjust his body to finish from the penalty spot. A 1-0 score line seemed fitting at half time, though West Wickham managed another quick break to cut through Wilsonians' defence and their winger found the far corner again, doubling the deficit and striking a blow to OWs.

The game continued evenly in the second half, though OWs struggled to find their best quality in the final third. To West Wickham's credit, they pressed well across the pitch, making it difficult for OWs to get into full flow.

The boys did pull one back through a Ryman long throw, nodded on to the far post where Wright's goal-line scrap saw the ball cleared 5 yards from behind the line - only for John to make sure with a well executed half-volley from the clearance. At 2-1, the boys were back in it - for all of 2 minutes! An unfortunate ricochet from a defensive clearance saw Wickham's right-back through down the right wing. He slotted a decent ball into the box, with the striker glancing it home nicely, running across the front-post.

West Wickham continued to have the pick of the chances, with one resulting in the awarding of a penalty kick. After a weekend of saving penalties, Ellis pulled out another brilliant stop from the spot - again having a brilliant game between the sticks. Overall, the result seemed fair, with a strong West Wickham side proving the more decisive of the two sides. A well-fought performance by the 1s, with the team growing chemistry week on week.

Onto the next couple of games, with a cup semi-final to get the juices flowing before the Christmas break. Up the 1s. Report Jon Howe (we trust)

2s 3 V 1 Winchmore Hill , SAL Cup, Hayes.

The 2's turned their attention to another cup competition this week as they faced Winchmore Hill in the SALC.
Was great to see before kick off our army of fans and the WAG's filling the sidelines in anticipation of the famous 2's gracing the hallowed Wilsonian's turf.
Was a tight game from the off with both teams battling across the park in a cagey affair.
The 2's grew into the game and started created some openings with Dada forcing a string of smart saves from the Winchmore keeper.
Looked as though we would be going into the break with the deadlock not being broken until WESTGARTHY popped up at the back post to bundle home the ball after some good team work.
DaDa celebrated like he had scored himself but we love seeing that passion and it shows the tight knit bunch and how much it means.
Goal was on the stroke of half time and our good friend Aiden who was refereeing blew the half time whistle to mark the end of the action.
Half time massage - more of the same please gents.
2nd half underway with Gunnell and Winifred-Davis commanding the back line and clearing any danger. Monks in goal had to tip a long distance one just over his crossbar but apart from that he was fairly untroubled.
Out of nothing when looking comfortable our friend Aiden saw something we all didn't and handed a penalty to Winchmore Hill for a challenge from Winifred-Davis. After lots of enquiries from the Wilsonian team via their captain of course the penalty stood and Winchmore Hill levelled.
Aiden then added salt to the wounds by placing Nordbo in Shelts Sin Bin for ten minutes at the side or the pitch.
It was backs against the wall defending as the momentum swung Winchmore Hills way until a breakaway saw Wesgarthy slot a pass through to the onrushing JAMES who's first and second touches took him away from the full back and 1 on 1 crashed home a Wilson's goal.
2-1 up and not too long left. The gaffer Wellman worked his magic putting James back at centre half and bringing on SESAN who scored almost instantly to round off a 3-1 victory for the famous Black and Golds.
Into the showers. Changing rooms and of course the famous RAFFLE on the clubhouse. Rumours flying around that the prize on offer was a trip to Disneyland but it turned out to be a bottle of delicious spirit which was won by our friend Aiden who capped off a great day.
Beautiful scenes in the clubhouse afterwards as the 2's and 5's shared beverages and spoke of stories from their respective games. Great to hear that the 2's was also mentioned in the 5's pre game team talk to motivate. One big club working towards a common goal.
2's Steam Train rolls on down the track, sit back relax and enjoy the ride tickets please, tickets pse.

3's 0 v 3 EBOG 2's Old Boys Cup, Away

The lads woke up bright and early for a long old trek to the end of nowhere, aka Barnet.

The pitch had a huge slope from left to right which caused a bit of worry pre match. After a sloppy start, the first chance fell to Foxy after a keeper miss hit but the shot unfortunately went a touch wide with help from the slope.

The next big talking point was when the Ref didn't stop the game as he was the only person on the pitch who didn't realise a dog was running around the pitch off the lead. Barnet went 1-0 up halfway into the first half after a contentious penalty decision.

2nd half and Elliot hit a good shot from outside of the box that trickled just wide. Barnet went 2-0 up with a looping header midway through the second half. Wilson's had lots of long range efforts, but not many chances in the box. Shelts was a threat from set pieces all game and crashed the bar with a powerful header from a wide free kick. There was another stoppage when a beast of a dog run on the pitch with the owner seemingly unaware.

As the game was coming to an end the ref missed a clear foul on Nathan C as Barnet broke and capitalised on a defensive error to chip home a 3rd goal.

After the game the lads were flabbergasted to have to pay £27 for a jug with less than 3 pints. We didn't hang around in the clubhouse all evening as was planned

Civil Service 3 v 2 4's aet SAL League Cup , Away. FT 2 - 2

5's 4 v 0 South Bank , 5s go top of the League, Home, Hawes Down.

A cold autumn Saturday and the 5s were back, ready to take on anyone after a emotional and victorious win in the cup on penalties the week before.
The emergence of Chesney Jennings, putting the boys through a well thought out warm up, got the boys firing, with a huge welcome to Tomby and Danby to join the squad.
A stirring chat from Hoff got the heads right for a huge game against the unbeaten South Bank 8's, we know the saying "we never lose to south bank", could the those words ring true again?
A great start from the boys on a pitch that was cut up in seconds, strong start from Tomby and Rob Benson in the middle, first to any and everything.
A couple words said after a naughty challenge on Nathan Tambini, and many words from super Porto boy up top for South Bank and the boys were well up for it.
We were putting the pressure on and looking dangerous throughout but missing a bit of a spark. Walk in Sotchi dancing through some players and Terell doing what Terell does and winning free kick after free kick.
A couple words with his team and he knew where to put it, deflected and sending the keeper the wrong way, the O's strong start rewarded! 1-0 **TERRELL WELLS.**
Again, the boys doing their best on a tough pitch, not a lot of the ruthless streak to end the half, but that was not to continue later on.
Towards the end of the half, the boys laboured a bit and if not for a brilliant last ditch tackle from Rory Sweeney, could it have been even going into the break?
The boys saw it out, very positive first half but much more to come promised Hoff, an intelligent chat from the boys, discussing and agreeing to keep doing what we're doing and the second half would be ours.
We came out firing second half, with the pressure building on a laboured south bank side, Sam Fairhurst hounding them on every ball, and a brilliant return to the side.
Myself standing over a free kick at the halfway line, only for tomby to take short and quick to Nathan Tambini, putting in a delightful ball to **DANBY** for his first goal for the fives, a guided header that the keeper would have the enjoyment of picking out of his net, The knee slide celebration that followed was welcomed by all the lads piling in to celebrate the goal. **2-0** to the 5s and would that be the dagger?
Oh not yet, Terell found himself through on goal beautifully rounding the keeper only to unselfishly square it to **Sam Fairhurst** to slot away expertly, **3-0** to the 5s and cruising!
Oh you want another? Terell found himself in some space running down the left, after arriving just inside the oppos 18 yard area TERRELL WELLS hit ferocious left footed rocket to the far right corner, celebrations as the ref said that's enough, **4-0** to the 5s and their glorious run in the league continues, unbeaten in the league with a 100% win rate, who can stop them?!
Man of the match to Terell for his 2 goals and an assist and brilliant general play, even the ref gave it to him!
Big shoutout to Sam Fairhurst and Rob Benson for their tireless work, alongside Tomby.
A quiet game for the back four, but rock solid and another clean sheet for Frosty, shout-out to Nathan Tambini, Chris Billing (ever present), Rory Sweeney and myself!
I got DOTD for a numerous amount of things, personally it's an agenda but more than happy to write a report for these cracking set of boys, huge game next week to the bogey boys of last season, City of London, here's to another, Up the 5s

Old Meadonians (5 XI) 3 v 2 OW's (6th XI) – SAL Away (Chiswick Cricket Club)

Scorer's – Jon Small / Jake O'Sullivan

With a pitch allocation that got moved three times, understandably some of the team were a little confused before KO. We had played their 6XI a couple of weeks before and had not got what we deserved. We knew we had to have more belief. With a full fourteen on Friday night down to the bare eleven by kick off, we had a different team to the one a few weeks before. With a late arriving referee (luckily not the one from a weeks before) it gave us time to change pitch side, warm up and for 'Pep' Mole's pre-match guidance to enjoy the match, but keep the ball and communicate. With a more strident formation of three at the back, we started brightly and kept the ball well (still too quiet in the squad though!). **Ben O**, **Ben M** and **Dante** were controlling the midfield and creating chances for Jon and Jake up front. **Paul Wrona** was getting a lot of space down the left and was using it well. However, against the play, their winger charged down the left and managed to lob our keeper and the ball dropped top right. Almost immediately we hit back with **Jon Small** hitting an unstoppable shot and we were back in it. **Ryan** in goal was having an inspired half and it was an even contest.

At halftime, 'Pep' Mole once again reminded everyone the win was viable , but we had to believe. The opposition came out in the second half and they started to get a little more physical, with some of them becoming increasingly verbal to try and break us down. They again took the lead from a break down the wing with their forward slotted the ball home. We again didn't give in and a sublime cross from Jon Small left Jake O Sullivan clear to bring us back into the game. Saj was having a great game at the back winning everything and Harry Bull was keeping the back three well disciplined. However, as the clock ticked down and the light faded we let in a scrappy goal, a penalty box 'pin ball' competition ended with them getting the ball over the line. Disappointment for how close we were to a result, but we played well and showed the belief to win. The results will come, almost there...!

MoM – Ben O (midfield dynamo, who even ran home afterwards)

Notable mentions – Paul Wrona, Ryan Junge (kept us in the game), Jon Small (great goal and assist).

Not One but Two match reports - 7's 0 v 8 Old Bealonians, OBC Quarter Final, Home.

Having faced Bealonians several times in the Old Boys Cup over the years, and with those games being close encounters, the mighty 7s felt something approaching confidence going into this fixture.
The hallowed turf of Hayes was the setting, a rare treat for us, but it soon became apparent that this was not the Bealonians of old – these guys were young, fast and could play. Bad news for us.
We were a goal down early on when their striker beat Doug Forbes at his near post.
However, Doug more than made up for this in the rest of the game with a multitude of saves in a man of the match performance. 3-0 down at half-time (I think), we were much improved in the second half with the late arrival of Ash Allarakhia, who held the ball up well and allowed us to get into the game.
However, one chance in the whole 90 minutes isn't really good enough, and although there were some positives, all-round improvements are required when we get back to league action.

MoM: Doug Forbes
Team: Doug Forbes, Clayton DeSouza, Bruce Graham, Roddy Trompiz, Mohamed Omar, Kevin Colwell, Andy Sloninia, Joe Kajdi, Andy Callam, Ollie Gonzalez, Joe Jukes, Richard Smart, Ashley Allarakhia

Sometimes, unfortunately, you just have to admit that the opposition were a far better side. This was one of those times - Bealonians had 14 players, who were all young, athletic, skilful and confident on the ball. And we did not! I have no idea what the team squad system is at Bealonians but this was not an 8 th XI side!
So I will not dwell on the details of the match but will concentrate on the positives for us.
Despite the score-line there were many positives – we had 8 players from last week's game, we had substitutes for the first time in three weeks, Doug Forbes was outstanding in goal and Andy Sloninia was again immense in central defence, Mo showed some silky dribbling skills and, most importantly, the whole team ran their socks off until the final whistle (often chasing shadows).
Most of the side stayed for a drink or two after the match and, despite the result, it was clear that everyone had enjoyed the match and were looking forward to next week's match when, hopefully, the sides will be more evenly matched.
Well done to Doug Forbes, who ran away with a well-deserved MoM award and a special thanks to Ash Ashallawukba for making the effort to get there for the second half and putting in really good shift.

ALL OUR YESTERDAY'S - 25 YEARS AGO

IT'S THAT MAN AGAIN 1st XI 3 Old Salopians 0

As a favour to their opponents, the 1st XI turned their attention to the AFA Cup this week.
Having secured a healthy position in the league during the previous few weeks, and perhaps lulled into a false sense of superiority following our dominance over recent opponents, we failed to make any serious inroads into a disorganised and anxious Salopians defence.
Despite a plethora of half chances, conjured up by the directness of the midfield trio, the 1st XI failed to exploit the obvious doubtful qualities of the opposing goal-keeper.
Another intimidating half-time lecture by 'Commandant Kendrick' aroused a sense of personal responsibility, prompting us into beginning the second half in a higher gear and the ensuing purple patch saw 'The Man' (Darren Coomansingh) add to his glowing tally for a season with a game of extreme class.
Having already taken the lead with a fortuitous headed goal **(SMART**) and a deftly directed effort from **ROE, 'THE MAN's** superb finishing put the game well beyond the reach of a disheartened Salopian 1st XI.
With the autumn behind us we can now prepare for an assault on both league and Cup fronts. The only blemish on recent polished performances has been on discipline and a tendency to be exceedingly zealous in our criticism of each other on the pitch. 'The Man' and FK

TWO HAT-TRICKS IN FIRST LEAUGE WIN Fitzwilliam Old Boys 2 5th XI 8

Highlights of the report, written by Si' Kidd, include:
In contrast to previous weeks we started playing some good passing football and our early incisive play paid off after five minutes with a well-worked goal for **BEN HUGILL**. Ten minutes later a throw from the right was headed on at the near post by Lou Barry and found **SI' LETTS** on the back post, who put the ball through a defender's legs, and a third goal followed when **BEN HUGILL** converted from close in after a good build-up on the right.
The second half was very much like the first, with some enterprising football, moving the ball around neatly and using the wings well, our goals coming from **BEN HUGILL, PHIL HYDE –** with a hat-trick – and **GUY CLAYTON.**

ALL OUR YESTERDAYS – 50 YEARS AGO

A few words of explanation are needed before hitting you with this week's bout of nostalgia. The information below was taken from issue No.199 of the Football Club's newsletters and yours truly had taken a week's holiday – unforgiveable – and Rod Hall sat in the editor's chair. The latter's name had appeared frequently in the publication, having made his way through the sides to end up as the 1st Xl's goalkeeper.
Rod continued to play a vital part in the affairs of the OWFC and provided the envelopes in which the skippers used to put the newsletter which, as well as reports, fixtures, results and other features, was used to inform players for which team they had been selected – and, ***Yes, that really did use to happen*** - before they were then posted to them – and, Yes, that used to happen, too.
Many thanks for all of your help over the years, Rod, and I hope that what follows brings back memories to everyone involved at the time, but to you in particular – the editor of 50 years ago

THREE SHOTS - THREE GOALS 1st Xl 2 Old Parmiterians 3

Well, another defeat for the 1st Xl and against a very average Parmiterians side; this was just not good enough. We dominated from the first whistle to the last and yet did not really open up, and although some might disagree here, the opposition's defence. We had chances but not once did a passing movement lead to a clear shooting opportunity..
We did, however, start brightly for, after five minutes, **JOHN MATTHEWS** scored with a low shot after Gerry Reaseley had gone in for a cross. We were on top ***and*** in front, yet we allowed Parmiterians to come at us and they were soon level when a forward was allowed to turn completely unchallenged in our area and, from the resulting shot, the ball ran loose and was smacked into the net with ease by a following-up forward.
One shot; one goal! Not satisfied with this, the 1st Xl's defence then stopped for off-side and allowed a forward to stride on and, after his shot had been half saved, the ball was planted into our net again - two shots, two goals!
The second half was one of complete domination by ourselves, and the amount of the ball we had was embarrassing, but why we could not exploit this fact more, I do not know. Anyway, we drew level with about 15 minutes left, and it was **JOHN MATTHEWS** again, this time scoring with a cross shot into the corner following good work by Terry Adams.
Then, as in the first half, we began to sit back and Parmiterians, quick to sense this, pushed up and, from a passing movement across our penalty area, their winger crashed home a fine goal, a real sucker blow.
So we trooped off at the end not knowing why they had the points and, hopefully, we will get some luck, and maybe even a win, next week. Martin Taylor
