OLD WILSONIANS FOOTBALL CLUB ‘All the news that’s fit to print’

SEASON 2022/23 NEWSLETTER No. 1,752.

The 1s recorded their first victory on Saturday after a hard fought game with Actonians. They now switch to AFA cup action against Royal Bank of Scotland, a club the ed lost a final to back in 1988 with under Mick Pilgrim. We lost 2 – 1 that day, a last minute 30 yard piledriver by Neil Kendrick was somehow palmed away by the keeper to deny us ET. It was the last final I reached with the 1’s.

Back to 2022, the 2s lost at the other Bank..of England and again will have to re focus and realise its not going to be all plain sailing this season.

The 3s progressed in the AFA cup following a walkover whilst the 4s and 5s both won well whilst the 6s and 7s matched reverse score lines. Cup action this week. Match reports on following pages.

1st X1 – 1988. Pilgrim Kendrick Paton Chapman Smart Egan Trout Monty Hughes Sponge Galvin Graham

25 years ago back in 1997 the 1s and 3s won Old Boys Cup games with a few familiar names on the scoresheet Neil Kendrick, Richard Smart, Darren Coomansingh, Richard Egan for the 1s and James Karamath hat trick and.....wait for it..... Steve West with 'a solo effort'
The 3s performance was described by Neil Kendrick as "top drawer", other players that day included Mick Pilgrim, Nicholas Mole, Rich Chapman, Kelvin Wing and returning from an 18 month injury Mark Scrimmager. Whilst Captain Alex Forbes missed the game.
Speaking of the man specialising in solo efforts, Westy currently lives down under and has been supporting recent mental health charity fundraising by taking part in a 300 km walk which is a fantastic effort and beats his 300m average running distance when playing for us!

A number of Old Boys and Club members have set up a Facebook group during these difficult times, please click on the link or cut n paste above.

Its good to talk. Its ok not to be ok.

Talking about how we feel is something we all find hard to do whether you are a Man or a Woman.

Last Sunday we discussed ways of expressing how we feel, as well as how anxiety can affect us.

We spoke about the positive effects our Sports Club has had on us and what our plans are to Remove the Mental from Mental Health.

About

This group has been set up to help anyone connected to the Wilsonian Sports club, whether they be friends of friends or family members.

We are here to keep each other company.

We will share events across different platforms such as WhatsApp and help people get through the 12 or so weeks we have to face under Covid-19.

1's 1 v 0 Actonian's, SAL League, Hayes

On an unseasonably warm October Saturday, the OWs prepared for their toughest league test to date, a home fixture against the travelling Actonian's.
With a few first team regulars missing, the 1s welcomed Tobi OLOWU, Rich ROSE and Jon CHEN back into the fold. A few positional reshuffles of the team and the 1s were ready for the task ahead.
Only a minute after kicking off the OWs had taken the lead with a through ball from Tom WEBER ending in a "top bins" "postage-stamp" wonder strike from **Oli BEATSON** - really couldn't have asked for a better start to the game.

After a composed start with some fluid one-two touch link up play from the OWs, Actonian's were allowed back in the game and the OW's started to lose the initial high intensity, inviting pressure and unable to get the basics right. Some excellent forward running from Josh ROBINSON and Harley RIMAN, couldn't unlock the Actonian defence to get a much needed second goal. Needless to say, the OW's were happy to get to half-time with the one goal lead intact.

The second half started with Actonian's on top as they had finished the first half, but only five minutes in, the travelling team were down to 10 men, after a crazy hot headed two footed challenge on Alex KARAMATH led a deserved straight red. Despite being one man down, Actonian's continued to apply the pressure, with Ellis JARROD protecting the lead with some fine saves between the sticks.

Injuries led to the OWs making subs every 7 minutes, in an attempt to confuse our own players as well the opposition. The OWs were a bit disjointed at times but did manage to create some chances and should have scored at least a couple more with the best chances falling to BEATSON and WEBER, the latter being a feeble attempt with tired legs. KARAMATH also had an excellent chance pushed on to the post.

It felt like protecting the one goal lead was going to be crucial in getting the three points. Actonian's only with ten men fought well, and created chances for themselves, but nothing was getting past JARROD today (fully deserved MOTM), the best save coming from a freekick destined for bottom corner, fingertips pushing it wide for a corner. A great defensive display again from OWs, with special mention to Michael OJETUNDE, once again a rock at the back.

A gritty, ground out, but great first league win to kickstart the season.

Bank of England 2s 5 v 1 2s, SAL League, Away

The 2s turned up at Bank of England's ground buoyant following some Arsenal-esque scintillating form.

Top of the league, dominating in the cup, they hoped to make further progress in a promising season.

Already missing their linchpin in the dugout, Wellman for the day, the pre-game warmup was distributed further when 15 mins before kick off, BoE discovered that their referee was not turning up and so one of their men, a qualified ref, took charge of the fixture.

Things started brightly for the 2s and following a trademark drag-and-sprint drive from Monty, he played a delicious ball forward to **TAZ** who coolly slotted in the first goal of the day across the keeper.

The 2s remained on top for the first 20, until an uncharacteristic mix-up at the back following a punt from the keeper resulted in a goal and 1-1.

The 2s were very unlucky to go into the break 2-1 down following a goal from a set piece, in a half that they dominated for large spells.

With the score at 2-1, the BoE ref (who had been largely faultless up until this moment) gave the home side an unbelievably soft penalty. Their CB claiming to Sam James "well if a leg is there, he's entitled to go over it.."

Marshy, who produced heroics in the first half, nearly kept out the pen too, the ball unfortunately squeezing underneath his ageing body.

After throwing men forward in search of some much-needed goals, the 2s were harshly punished twice more to finish the game 5-1.

Not the result the 2s were expecting and what they deserved.

Next week is an excellent opportunity to bounce back, with a local derby cup game. UP THE 2s!!

Report Elliot Tiffin

4’s 6 Alleyn OB 2 OBC Home.

The 4s got off the mark last weekend at the 5th match of asking much to everyone's relief. This week we had the opportunity to follow up that result immediately in the OBC against an Alleyns side a division below.

We lined up with a strong looking squad in an attacking 4-3-3 formation as we looked to take charge. Within 30 seconds we were immediately rewarded when WATSON ran through and lobbed the keeper to make it 1-0. Easy game, or so we thought. Within 20 seconds of the restart Alleyns attacked and Ebanks committed a needless foul on the edge of the box which resulted in a penalty and the score being 1-1 with barely 90 seconds on the clock.

We weren't quite clicking as a team but still were having most of the play as we searched for the lead again. However, another ridiculous error at the back as Holland dropped a harmless freekick to the fight of an Alleyns striker who made it 1-2 from a yard out. It looked like it might be one of those days but thankfully we managed to get our selves back to 2-2 before half time when KENNEDY converted a fantastic delivery from Currans.

We had a strong half time team talk and came out a completely different team. We were in complete control now and eased into the lead when Linton and Kennedy causing them problems with their pace. LINTON scored a tremendous quick fire brace dribbling through their defence, taking out multiple defenders and slotting home coolly. We further extended our lead as the half went on when ORCHARD finished well after excellent work again by Linton and ORCHARD rounded off the scoring with a goal I can’t quite remember.

In the end a relatively comfortable and confidence building win. We go away to Acton next week hoping to make it 3 on the spin!

Motm: Linton

Civil Service 8XI 0 - 2 OWFC 5XI, SAL League, Away

Another week and another win for the 5's who continue their 100% record with a fairly comfortable 2-0 away at Civil service.

A strong team made the journey to Chiswick, including a debut for Dr Richard and a return of club legend Jonny Q.

The first half started strong, the 5s dictating and controlling possession with a midfield due of Coughlan and Chibu keeping things ticking over nicely. Our attack was causing their defence havoc, with Terrel rounding the keeper on two occasions but unfortunately couldn't convert to goals. Another noticeable chance was a perfect switch from Dyki to Kieran, who laid to myself from outside the box, and forced the keeper into a 'save of the season' contender.

Then came a beautiful ball from Sochi which sent **Terrel** through, a cool finish in the bottom corner and the 5s were 1-0 up. Although we were dominant with the ball, another massive mention goes to the back 4 of Sweeney, Tambo, Billing and Dyki who not only were cool and composed in possession, but didn't let anything get past them.

The second half started the same as the first half for the first 10 minutes, but Civil were coming back into the game and created a couple of opportunities. Another shoutout to the CB partnership of Tambo and Billing, as well as well Wright when he stepped into CB, who even under the cosh kept cool and rarely let anything through.

In the last 20 we picked up the pace again, Coughlan coming back on after resting an injury, and with Chibu restored control and helped us get back on the front foot. With 15 to go, Dr played a lovely ball to **Sochi** on the left hand side, who cut onto his wonder of a right foot and placed it perfectly to the top right of the goal.

Although I got MOTM (which could have easily been given to every player), I would like to give a personal shout out to Sochi and Nathan Tambini who had exceptional performances.

Another special mention to Rob Benson for his DOTD despite being in Manchester, for spamming the group chat with messages 5 seconds after the final whistle.

The 5s next few games are cup games, we've had a great start to the league… could they go on a couple of cup runs as well?

6th XI OW's v Old Wimbledonians – SAL Home (Hawes Down) – 2 v 9

Scorer's – 2 x Jon Small (1 Pen)

With a full fourteen in the squad, but no keeper, it felt like we may have to shuffle the squad around to be ready to play a team at the top end of the league. The start of the day hadn't gone to plan when my co-pilot informed the 7XI chat group of major traffic in the Hayes area – problem was they were away to Alleyn's.

However, our hearts lifted as we approached the Clubhouse to see a glowing yellow orb of beauty - not the sun, but Doug Forbes in his bright yellow top ready to go in goal. 'Pep' Mole's pre-match guidance was to playing passing football and not concede early against a good side. With a side laden with defenders, we started brightly and worked the ball well (still a little quiet in the squad though). Ed and Sam were controlling the midfield and creating chances.

However, the oppo had two very good wingers and they were soon putting us under pressure at the back. An early break by Jon S say him clear on goal and he hit the post – luckily the ref gave offside, saving his blushes.

Wimbledonian's piled on the pressure and by half time they were four goals ahead, mostly identikit passing and movement from their wingers, laying it into their advancing midfield at the edge of our box and finishing well. None of them gave Doug any chance to save them. A rather baffling moment, which summed up the oppo's attitude, was a ball went off after the ref had blown for offside and their keeper refused to retrieve it behind his own goal. Sportsmanship was a little lacking.

At halftime, 'Pep' Mole once again commended everyone for not giving up and that the score line was not a true reflection of how we had played – we were still competing. Facing up the hill of Hawes down, we carried on keeping it to feet and staying compact with the oppo becoming increasingly physical to try and break us down. A second half double by **Jon Small**, one a well taken penalty and the other a long ball out the back from Bruce Stringer, which he finished well.

However, the oppo were breaking through and with the added insult of a penalty given for handball against us, which only the ref saw, we succumbed to further goals. James Gilbert ran continuously, but equally with some fairly liberal refereeing, was flattened by one late challenge when he was in full flow. Ben Oram worked tirelessly and saved one off the line and blocked another, when the striker had an open goal. Special mention for Doug Smart - quality as ever in goal. The rolling subs worked well and Saj and Sam W remained committed and fought all the way to the final whistle.

Hard day and result for the defence, but all stayed committed. If we keep going with this fantastic attitude to games, the results will come.

Thanks for the 3XI player (sorry didn't get your name) who refereed the game, thanks for stepping in.

Alleyn OB 9 v 2 7's, SAL Lge, Away

An unusually warm late October afternoon in Dulwich was the setting for the 7s attempt to get our first win of the season.

It was always going to be tough against the league leaders, and despite having a very strong starting line-up, we made things very easy for them from the start.

Within a few minutes Alleyn's were 1-0 up with a corner sailing straight in. An attempted clearance ricocheted off their striker and into the net shortly after.

By half-time it was 4-0 but 3 of them were gifts.

Despite conceding early in the second half, we played much better, stringing together some good passing and finally had something to show for it when **Tyler Gilson** slotted home after some slick passing.

Tyler was also at the centre of things shortly after, winning a penalty that was coolly converted by the evergreen **Bruce Graham**.

However, the goals kept leaking and it finished 9-2. Some positives to build on but the defence clearly needs work!

Sunday October 23rd – Super vets 4 vs 2 Chunks FRG

Conditions for this match were pretty testing except of course if you happened to be a kite or a duck. Lots of water falling out of the sky from the moment the team arrived to pretty much when it ended. This meant the pre match warm up consisted mainly of sheltering in the clubhouse, or for the braver ones, under the trees pitch side. Warm up complete, the injury savaged team took to the field with the luxury of four ish subs - pretty appropriate given the weather and the fact that Doug had counted Jason Trout, JT, Tumbly Wizard, Popey, Mark Pope and Sparky as six players Our ref had not arrived yet so we shuffled the squad to fill that position for the first 20 mins, thanks to Mike F for obliging.

The game was pretty even and the ball was zipping nicely along the ground, although staying vertical was proving difficult. Obviously I fell over within the first five minutes and injured my foot in the process. Chances were made at both ends and it was a chance out of nothing that gave the opposition the lead. A fine curling shot at least 50cm to the right of Doug's outstretched facial expression saw the net bulge and the Super vets go behind.

We continued to press and some fine build up play from Popey, Harris and John Howe gave a shooting opportunity to Sonic who had two strikes, the second causing the CFRG defender to bulldoze his goalkeeper into the net with the ball. An OG and all was good in the world again as the scores were level. The real ref then arrived and joined the game having been told that 21 minutes had been played. We made some tactical subs and on came the evergreen Jonny Q who almost with his first touch got the ball to **Ryan Bergmann** who hit the side netting and the goal was given. 2-1 and surely the half was over? Polite enquiries to the ref who revealed he hadn't been told that Super vets can only last 40 mins per half and thankfully blew up immediately

Second half we were with the wind and downstream. Needless to say, the oppo's drew level with another fine shot. This one curled into the top left corner of the goal, it was so good that Doug actually applauded it on its way in and when it settled into the goal. Couldn't have saved that with two goalkeepers he was heard to say…

Further subs came on and off and Sonic was producing some amazing weaving runs which normally ended up with a shot on target. John Howe was causing them problems too and had a number of on target shots saved or blocked. Finally, **Kenners** got the breakthrough and curled a great shot into the roof of the net. 3-2 and deserved. Some fine moments of skill from Macey who put a perfect cross into the goalmouth, all it needed was a hint of hair from Jonny Q but alas there was none. Dan Harris managed to step in for Carl Burgess and created his own microclimate of red mist. Picking a fight with a Viking looking warrior who would have beaten him to a pulp had others not stepped in and Dan escaped the crime scene. Another mazy run from **Kenners** and an even better finish in the top corner. 4-2 game over and our work was done.

MOM was Kenners for his heavy metal, high energy goal scoring. He hung around in the bar to audit the vote counting but it was never in doubt, especially with tactical voting for Harris and Billing going on. A fine win and great to see the Super vets playing such solid football under the managerial genius of Forbes.

Squad : Doug Forbes, Stu Phillimore, Si Ward (is actually a duck and played very well) , Chris "good" Billing, Boom Boom Nelson, Mark Pope x 3, Dan Harris, Ryan Bergmann, Mike Furnival, Andy Nelmes, Jason Trout x 3, John Howe, Kenners, Dave Nelmes, Jonny Q, Mark Mace

THE DAY WE TOOK THE PAPER ONTO THE PITCH 3rd XI 4 Glyn Old Boys 2

A late change of venue for this Old Boys Cup fixture saw the 3rds playing at home with, on paper, a strong side, Mark Scrimager returning after an 18 month break touring the world and Steve West back after an injury enforced lay-off.
As skipper in Alex Forbes's absence, it was very pleasing to report that a **JAMES KARAMATH** hat-trick, together with a **STEVE WEST** solo effort, saw the 3rd XI home against a Glyn side from a higher division.
To quote Neil Kendrick, this was a "top drawer" performance, with the 3rds marking tight, tackling hard, passing and moving as a unit and finishing clinically, the only slight criticism being the two sloppy defensive errors which led to their goals and which must be eliminated if the side is to progress in Cup and League competitions.
After such a stirring all-round team performance, I am reluctant to pick out individuals, but Mark Scrimager's faultless display and James Karamath's hard running and competent finishing both deserve a special mention.
Finally, thanks again to Dave Scorer for filling in at late notice and producing another all-action performance on the right side of mid-field. Mick Pilgrim

FINE START TO THE SEASON FOR ON-SONG SIXTHS 6th XI 4 Old Isleworthians 2

We took to the field for our first competitive game of the season with a team comprised of youth and experience, starting brightly and taking the game to the opposition. However, we were lacking the final ball and Isleworthians scored a fine goal against the run of play.
We continued to press for the rest of the first half but failed to gain an equaliser, Danny Blake's chip, which came back off the upright, being our best effort.
At half-time we agreed that we needed to be more clinical with our passing and to support the forwards more and, for once, our half-time chat paid off and, within five minutes, we scored via a **DAVE PUGH** shot following a corner with **DAVE PUGH** getting his second, a sweetly timed chip past the 'keeper as the latter came out following a fine move involving the whole team.
We were now well on top and a well-worked free-kick from **DANNY BLAKE** made it 3-1. We lost our shape a bit towards the end of the game and they pulled one back but, almost immediately, **RISHI PATANI** scored to restore our two goal advantage.
An encouraging start, with good games from all players, but special mentions for the returning Phil Horne and Sean Jensen at the back, and our pair of hard-working forwards, Rishi Patani and Dave Pugh.

ALL OUR YESTERDAYS – 50 YEARS AGO

2ND XI 2 Old Owens 1

The 2nd XI consisted of only five members who had starred in last week's 3-1 home win against Fairlopians. Taking this into consideration, plus the fact that we were playing against only ten men, the game developed into quite an even struggle, with the 2nds generally just having the edge.
Following good work from Ray Jenkins in midfield, the ball went forward to Bob Favell, whose shot was palmed away, but **SIMON ELLIOT,** following up, shot home.
And then, the moment we had all been waiting for all season, put us two up. A free-kick was awarded on the edge of their penalty area and, for once, everyone cleared out of **MIKE KENDRICK's** way and, although he tamely headed for the corner, the goal-keeper, equally tamely, pushed the ball into the net.
The only black spot of the afternoon occurred when Martin Taylor was deceived by a googly which he allowed to bounce over his despairing dive and the umpire gave a goal – we believe Martin had just heard the Palace result; up The Lions,,
Thus was the third successive home win for the 2nds, a very good start to the season indeed.
Tony Maunder
Taylor (Martin) Smith.S McAlister R.E. Elliot Kendrick.M Carrington Maunder Favell Jenkins Hand Rayworth

Terry Adams wrote the 1st XI's report, and here is a brief extract:
Micky Pilgrim again impressed with his forceful display in defence, and his ability to win the ball in the air whilst under pressure often turned defence into attack, and his readiness to join the attack was rewarded when his long run from a free-kick was only stopped at the cost of a penalty, which **GERRY REASELEY** confidently converted.
Wells Morley Horscroft Pilgrim.M Robinson Adams.T Matthews (John) Simner Burgoyne Reaseley Wisson

The newsletetr also included a profile of Les Simner, who was very small, one extract reading:
Les – no, he's not French – takes his football very seriously and is a dedicated performer, but he is subject to nerves on match days and most Saturday mornings finds him pacing up and down underneath his bed, but in the afternoon he springs into life and can be seen energetically running in between the blades of grass.
He is said to be the only player who makes a specialty of taking free-kicks with his head and, on one memorable occasion, dived through the holes in the back of the goal-net.
