North Kent Cup Finals 2021 – Change of Date

The 2021 North Kent Cup Finals will be held on

Sunday 15 August at 12:00 pm

on the courts of

The Sundridge Park Club

NORTH KENT LAWN TENNIS ASSOCIATION

IMPORTANT GUIDANCE NOTES FOR TEAM CAPTAINS Summer 2021

Please refer to the following link for the latest LTA / Government advice & guidance for Tennis activities during COVID 19:

<https://www.lta.org.uk/about-us/tennis-news/news-and-opinion/general-news/2020/march/coronavirus-covid-19---latest-advice/>

Please follow the government guidelines with regards to safe travel for passengers
<https://www.gov.uk/guidance/coronavirus-covid-19-safer-travel-guidance-for-passengers>

1. Arrange team: 6 players for Mens and Mixed matches.
4 players for Ladies and all Veterans matches.
2. Ensure that all players arrive at the match venue at least **10 minutes** before the start time **and ensure all players have sanitised hands on arrival**. Late arrival can cost you sets or even rubbers. **The first point should be played at the arranged start time.**
3. For Home ties, ensure that you have four new ITF approved tennis balls per court.
4. Without detracting from the competitiveness of your team, ensure that court etiquette and proper conduct are observed during the match and within **COVID-19 guidelines**.
5. **Match teas and refreshments** are not permitted at the time of printing and captains should keep in line with Government guidelines as they change.
6. Match cards **must be completed and submitted on time**. The match card becomes the record of attendees on site, therefore, inputting of results and players on time becomes of the upmost importance to allow for **track and trace** to be implemented where a COVID-19 case is reported. This is in line with the latest **Government guidelines**.
7. Should any players be confirmed as having COVID-19 they should contact their own club and the opposition club, to enable both clubs to take immediate action. It is the Home club's responsibility for **reporting under track and trace** and the Away team must provide player's contact details **on demand**.

8. For Home ties, fill in the result card in every detail, not forgetting:

Names of the players of both teams **Date of Match**

Names of the Clubs **Competition & Division**

Total rubbers, sets & games **Signatures of both Captains**

The Home captain must ensure they share a photo of the completed match card via WhatsApp to the correct Competition Secretary and as detailed on the League Pages. Mens and Mens Vets leagues results must also be entered onto League Planner as per instructions issued to fixture secretaries. Both actions are required to be done within 24 hours of the match being played.

For Away ties, check that the card has been filled in correctly and sign it, only when you are completely satisfied. ***Both Home and Away teams must take a copy in case the original match card is mislaid.***

9. If a team has to **concede a match due to a COVID-19 case** it will be looked at on a case by case basis with regards to rule 12 under Rules & Regulations in this Handbook.
10. Should the match be postponed, or not completed, for any other reason, remember to arrange for your Fixtures Secretary to notify the appropriate Competition Secretary of the rearranged date, immediately. The future rearranged date is to be agreed within **three days**.

2. Eligibility

Club Representatives in the Summer Cup Competitions, in addition to satisfying the eligibility criteria of paragraphs 4 and 5 of the Rules and Regulations for Inter-Club Competitions, must have represented their Club in the Inter-Club league Competitions as follows:

EITHER – Played a minimum of 30% of league matches for one of that club's teams in the current summer season, to date,

4. Competition Format

Cup Competitions will be conducted on a Knock-out basis. The draw will be made by the Council, issued to Clubs at the Fixtures Meeting and will include dates for the completion of matches of each round.

5. Finals

THE NORTH KENT LAWN TENNIS ASSOCIATION

RULES & REGULATIONS FOR INTER-CLUB COMPETITIONS

1. **Trophies**

The Association's trophies shall be competed for annually and the competitions shall be open to all clubs in membership of the Association. Trophies shall be nominally held for one year.

2. **Competitions**

Competitions shall be conducted in accordance with the following regulations, and with the Rules of Lawn Tennis and the Rules, Regulations and Disciplinary Code of the Lawn Tennis Association, so far as these are applicable to the Competitions.

3. **Entries**

No Club shall be eligible to compete until it has paid, to the Association, its subscription for the current year (together with any arrears) and the Entry fee which, with the closing date for entries, shall be fixed by the Council from time to time.

4. **Eligibility of Players – Club Membership & Age Restrictions**

- a. The qualifications to play for a Club in any match shall be bona fide playing membership of such Club for at least 14 days prior to the match for which they are selected. By bona fide member, is meant a player elected in accordance with the Rules of the Club, but not a temporary member or one elected on special privileged terms by reason of his or her playing ability.
- b. Players shall be eligible for Veterans' events if they have reached the minimum age of **45 years** for Men and **40 years** for Ladies, or will do so by 31st December of the calendar year in which the event starts.
- c. Players shall be eligible for Junior Competitions if they will not reach the age of 15 by 31 December in the calendar year in which the competition is held for the age group 14 & under.

5. **Eligibility of Players – Representing Clubs**

In the competitions of any one summer season, a player may only play for one and the same Club, and a similar restriction shall apply to any one winter season. However, a player who is a *bona fide* member of two clubs may represent either Club in any Veterans or Junior League Competition in which the other Club does not enter. However, a player may not play for two separate clubs in different Junior competitions.

6. **Eligibility of Players – Nominations**

- a. If a club has entered more than one team in any one type of Senior Competition, then it must nominate six or four players (depending upon numbers of players in the teams' competition) for each team except the lowest. It is the intention that its best three (or two) pairs, in order of merit, shall play in its 1st team, the next three (or two) in its 2nd team and so on. It is also the intention that in each team entered by a Club, the pairs shall play in order of merit.
- b. For Junior League Competitions, a Club shall nominate four players for every team entered. It is the intention that the best two pairs, in order of merit shall play in its 1st team, the next two in the 2nd team and so on.
- c. No nominated player may play for a lower team except by permission of the Council which shall be granted only in exceptional circumstances. All nominations must be received by the Competition Secretaries prior to the first match to be played for both summer and winter seasons. It is the responsibility of a Club's Fixtures Secretary to ensure that such nominations are received on time. In default of this rule, no player who plays in a match may then play for either a higher or lower team until the full nominations of the Club have been received.
- d. If a Club has two or more teams competing in a League, there is a limit to the number of times on which any player may play for a higher team before becoming ineligible to play for the lower team(s). In the Summer Leagues, this limit is determined by the number of teams in the higher Division; where there are **six** teams in the Division, a player may play a maximum of **three** matches in that Division and still remain eligible to play in the lower team, but where there are only **five** teams in the higher Division then the maximum number of matches a player may play and still retain eligibility for the lower team is two. In the Winter Leagues the limit is two. All rubbers involving an ineligible player shall be awarded to the opposing team.
- e. Any competing Club that contravenes these Regulations shall, at the discretion of the Council, be liable to a further penalty or disqualification.

7. **Arrangement of Divisions & Groups – Summer League Competitions**

The Council shall, at its discretion, allocate teams from competing Clubs into appropriate Divisions of not more than six teams each. Divisions will normally be arranged in a descending order of playing strength. Each team shall play each other in the same division twice – one home and one away, except for Junior Divisions where they play just once, home or away, unless a smaller entry means home and away will provide sufficient competition and this is determined by Council before the commencement of the season.

8. **Arrangement of Divisions & Groups – Winter League Competitions**

- a. In the primary section, the Council shall use its discretion to allocate teams from competing clubs into appropriate Divisions of at least **two** groups, with **five** teams in a group. The Council may, at its discretion alter the number of teams in Divisions and groups respectively according to the number of teams entered in any particular year.
- b. Each team shall play one match against each other in the same group. In the secondary section, the winning team of each group shall be included in a draw, made by the Council, for each Division. The ultimate winner of each Division will be determined by a play-off on a knockout basis.

9. **Promotion and Relegation**

- a. In the Summer League Competitions, it is the general intention that the winners of each Division shall be promoted to the next higher Division and that the bottom Club in each Division shall be relegated to the next lower Division.
- b. In the Winter League Competitions, the finalists of each Division shall normally be promoted to the Division above, with the bottom placed teams being relegated.
- c. To provide for exceptional circumstances, the Council shall have general powers to place Club teams in whichever Division it considers appropriate.

10. **Match Fixtures**

- a. The Council shall notify clubs in February each year of the fixtures for all Summer League Competition matches. All competing Clubs are responsible for agreeing the dates for matches between them and for notifying the relevant Competition Secretary of the agreed dates by a prescribed method & date to be determined by Council each year. Should a club fail to notify the relevant Competition Secretary of the agreed fixtures by the prescribed method & date then the relevant team(s) shall have one point deducted from their points total for that respective season. All fixtures should not be before 31 March and not after 14 August in any year. Any fixtures dates mutually arranged between the competing clubs shall be binding on the Clubs concerned.
- b. As 10a but Council shall notify clubs in September each year of the fixtures for the primary section of the Winter Competition. All fixture dates, mutually agreed between Clubs, shall not be before 24 September and not after 31 January in any year.
- c. Where two teams from the same club are drawn to play against each other, then, in a summer division, both matches between these teams are to be played by 31 May without exception. If two teams from the same club are drawn to play against each other in a winter group, the match between these teams is to be played before either team play any other matches.

11. **Postponed Matches - circumstances**

Match dates, once agreed between two Clubs, shall be binding on both and may only be postponed for extreme reasons, such as courts being unplayable. The Home Club must advise the Competition Secretary of all rearranged match dates. Non-availability of players is not a valid reason for postponement, and if a Club cannot play a fixture for this reason, it must offer the match to the opponents.

12. **Postponed Matches – concessions and penalties**

- a. Any Club that concedes a match shall incur a points penalty. Where a Club intends to concede a match, it must contact the opposing Club at least **3 days** before the agreed fixture date, and written confirmation of the concession must be sent to the appropriate Competition Secretary. If this procedure is followed the penalty for concession shall be the deduction of two points from the relevant team's points total for the season; if the procedure is not properly followed then the penalty for the concession shall be the deduction of three points.

- b. Any team conceding more than two matches or failing to get out a full team in more than two matches or a combination of both occurring more than twice in a Division any one season shall have its total results expunged, and shall be disqualified from participating in the League for the following twelve months. Similarly, any team which, having entered the League, is withdrawn either before the start or during the season shall be disqualified from participating in the League for the following twelve months. A team may only avoid such disqualification if its Club can provide the Council with written acceptable reasons for its failure to fulfil its fixtures.

13. **Conduct of Matches – Start and Finish times of matches Summer**

- a. Clubs shall agree to a starting time in advance. In Summer League Competitions, evening matches shall commence not later than **6.30pm**, and failing mutual agreement to the contrary, shall cease not later than **9.00pm** plus two games if a result could be obtained.
- b. Afternoon matches shall commence not later than **2.30pm** and, failing mutual agreement to the contrary, shall cease not later than **8.30pm** plus two games if a result could be obtained.
- c. Play shall be continuous and without unnecessary delay from the first service until the rubber is completed.

14. **Conduct of Matches – Start and Finish times of matches Winter**

- a. In Winter Competitions, matches shall commence at a time agreed between the two Clubs, and the opposing Captains shall decide, before commencement of the match, at what time play shall cease.
- b. Play shall be continuous and without unnecessary delay from the first service until the rubber is completed.

15. **Conduct of Matches – Late and absent player penalties**

If any player is not ready to play within **20 minutes** after the time fixed for the commencement of the match, it is mandatory that one *love* set shall be conceded in the rubber from the player is absent, and if **40 minutes** late, the rubber shall not be played and the opponents shall receive two *love* sets. If the player is still absent by the time the final round of rubbers is due to commence, then his or her team shall also incur a penalty of one point deduction from its points total for the season.

Note: Rule 15 means that, in exceptional circumstances, if a club cannot manage to get out a full team, then it still can fulfil the fixture subject to the penalties advised above. The team which is short of players is obliged to telephone the opposition in advance. Turning up to play matches when short of players is not a practice the *North Kent LTA* encourages or approves of. Any team regularly turning up for matches short of players will be subject to additional penalties.

16. **Conduct of Matches – Courts**

Matches shall be played on hard or grass courts as mutually agreed. Failing agreement, the Home Club shall determine which courts are fit for play. The use of covered or floodlit courts shall only be by mutual agreement between the two Clubs.

17. **Conduct of Matches – Tennis Balls**

At least four new balls per court shall be provided at the expense of the Club having choice of ground. They shall be of a brand designated as approved by the *International Tennis Federation (ITF)* and, unless from a freshly opened pressurised container, of the current year, except for Junior matches where good quality used ITF approved balls may be provided.

18. **Conduct of Matches – Order of play and results**

- a. In Summer Senior League Competitions, each team shall consist of **three pairs** in the Men's and Mixed Divisions and **two pairs** in the Ladies, Veteran Men's, Veteran Ladies, Veteran Mixed and Junior Divisions.
- b. The following order of play will apply for **all three pair matches** for the 2021 Summer season as part of a **temporary pilot scheme** agreed at the 2020 NKLTA AGM.

FIRST ROUND	SECOND ROUND
Home 1 v Away 1	Home 1 v Away 2
Home 2 v Away 3	Home 2 v Away 1
Home 3 v Away 2	Home 3 v Away 3

- c. In a **two pairs** match, the order of play shall be:

FIRST ROUND	SECOND ROUND
Home 1 v Away 1	Home 2 v Away 1
Home 2 v Away 2	Home 1 v Away 2

- d. The Team which at the cessation of play, has won the greatest number of completed rubbers shall be declared the winner of the match, or, in the event of each team winning an equal number of completed rubbers, the result will be a draw. All results will be valid, provided that the first round rubbers have been completed. The Captain of either side may concede rubbers, sets and/or games for the purpose of completing any round.
- e. For Summer Senior Competitions, in evening matches, only two rounds will be played in which each rubber shall be the best of two tie-break sets.
- f. The above rule also applies to all daytime Midweek Veterans matches for Summer and Winter Competitions.
- g. In Weekend matches, for both two and three pair Senior matches, only two rounds will be played in which all rubbers shall be two tie-break sets followed, if necessary, by a match tie-break (first to 10 points, but two points clear ahead to win) if required. Clubs may, by prior mutual agreement, adopt the two tie-break sets per rubber procedure.
- h. For Winter Competitions, both Morning and Afternoon rubbers shall be two tie-break sets followed, if necessary, by a match tie-break (first to 10 points, but two points clear ahead to win) if required. Clubs may, by prior mutual agreement, adopt the two tie-break sets per rubber procedure.
- i. For Junior Competitions, all rubbers shall be two tie-break sets followed by a championship tie-break (first to 10 points, but two points clear ahead to win), if required. Clubs may, by mutual agreement, adopt the two tie-break set per rubber procedure. Any other variation to this will be included within the Junior League Draw pages for that season.

19. Conduct of Matches – Incomplete or postponed matches

Should bad light, weather or other mutually agreed cause prevent the three (or two) first round rubbers being completed, then either:

- a. the match may be completed to a valid result within one week of the original date provided that the same players take part – any unfinished rubbers being entirely replayed,
- OR**
- b. the whole match shall be completely replayed on a future date, to be agreed **within three days**, when different players may take part.
- c. in either case, the Home Club shall advise the Competitions Secretary immediately of the agreement reached and of the new date.

20. Conduct of Matches – Winter Competitions'

- a. In Winter competition matches, each team shall consist of two pairs and the choice of ground will be determined by the Council so as to equalise, as far as possible, the number of home and away matches for each team. Each match shall consist of four rubbers, each pair of a team playing one rubber against each pair of the opposing team – but a valid result shall be two or more rubbers completed.
- b. In secondary section (knockout round) matches, should the number of completed rubbers be equal, the majority of sets (in completed rubbers) shall decide and if the number of completed rubbers and sets be equal, the majority of games (in completed rubbers) shall decide. In the event of a tie, the match shall be replayed on the away team's ground, within two weeks (to be agreed within three days), when different players may take part.
- c. Alternatively, if both clubs agree, the final may be settled on the day by one nominated pair from each club (who played together in the final) playing a 10 point match tie-break.

21. Notification of Results

The Captain (or Team Captain) of the Home Club shall fully complete the Association's Result Card (including first and surnames of players) and send the card to the Competitions Secretary responsible for the event within 24 hours of the completion of the match. It must be signed by both captains. Clubs who have scratched (conceded) a league fixture should also send to the Competition Secretary a Result Card confirming this. Telephone advice of the result of a match is not acceptable. Any team failing to comply with this regulation shall be liable to a penalty or disqualification.

22. Championship – points allocation and final positions

- a. In League Competitions, teams shall be awarded two points for a win (in completed rubbers) and one point each in the event of a draw.

- b. If two teams in a Summer Division finish the season level on points, then precedence shall be given to the team which has conceded the lesser number of matches. If neither team has conceded any matches, or, if they have conceded the same number then the results of the two matches they played against each other shall determine their order in the final table in the Senior Leagues. If each team won a match then the team winning the majority of rubbers shall be placed first. Should rubbers be equal then sets (in completed rubbers) shall decide and if sets are also equal then the majority of games (in completed rubbers) shall decide.
- c. The same ruling shall also apply in the Winter Competition Primary round groups when teams finish level on points.

23. **Questions and Disputes**

- a. All questions of eligibility, qualification of players, interpretation of these regulations, or otherwise, in relation to the Competitions shall be referred to the Competition Secretary whose decision shall be final.
- b. Any dispute arising between Clubs shall be referred to the Council, for arbitration, whose decision shall be binding on both Clubs. Members of the Council who are members of clubs involved in such disputes shall not be eligible to speak or vote at the meeting of the Council at which such disputes are being considered.

24. **Delegation of Powers**

The Council may delegate all or any of the powers given to it under the above Regulations, to the Competition Secretary or any other Officer(s) of the association appointed by them for the purpose or, in the case of emergency, to the Honorary Secretary.

25. **General**

The Council shall have the power to alter or add to the above Regulations as it may deem expedient, but notice of such alteration shall be subject to confirmation at the next Annual General Meeting. Pending such confirmation, all changes made by the Council to the above Regulations shall be fully valid and enforceable.
